The 10 days and nights of camping were completed by Terry Ackroyd, David Donohue, Aron Forsell, Mike Foster, Charles Martin, Conrad Martin, Dick Mindigo, David Ridenour, Dennison Ritchie, Steve Smith, and John Smitherman.

The impressive candlelight ceremony was conducted by Brian Ball with Dick Mindigo giving the Scoutmaster's benediction at the closing.

The final scord was 57-32. This was a great comeback for the scout team after a rough game the week before.

Top scorer for the troop was Tom Waters with 18 points. Other high point men were Don Evans, 16; Tim O'Day, 10; and Dick Gray, seven.

Coffey Ends Buc Career With Hot Scoring Spree In Win Over Tigers

West took two on the chin, mainly due to a poor second quarter where they fell 10 points behind and could never quite make it up.

At South on Friday night, this 10 point spread lasted pretty much right through to the finish. However, Monday evening against North, in the replay of nine snow-postponements, the Cowboys fought back with such vigor that they almost did the trick.

They were paced in the latter game by the brilliant play in the later stages by Dwight Newman and John Crum. West travels to Springfield South this Friday night for its only game of the week.

WEST — Coles 6-2-14, McDaniels, 4-1-9; Newman, 5-3-13; Neely, 2-0-4; Castle, 6-3-15, Crum, 1-1-3; Bell, 0-2-2; Barnett, 3-1-7. Totals: 27-14-68.

SOUTH — Harper, 11-3-25; Swain, 7-3-17; Wilson, 5-1-11, Mizell, 4-3-11; Lee, 2-2-6; Sims, 0-2-2; Noble, 0-1-1; Standiser, 0-1-1; Skeen, 0-2-2. Totals: 29-[illegible]

When Central lost Roosevelt Coffey via graduation, they were bound to know they really lost someone for the rest of the season.

Coffey went out in a burst of glory in an exceptionally high scoring spree for a high schooler as he poured in 14 field goals and four fouls for a smashing 32 points as the Bucs dropped East.

It was the latters fourth straight loss after having their city loop 22 consecutive victory string over two-plus years snapped recently, 62-58, at Central.

The winners got some aid from Tom Randall, especially in the late stages, as he canned 14 points. Central travels to [illegible] this Friday evening.

CENTRAL — [illegible]

EAST — Martin, 2-0-4; Mitchell, 10-2-22; Miller, 0-0-0; Shaw, [illegible]

Holy Family took another one on the chin as the superior height and subsequent control of both boards produced a 71-49 Hartley win last Friday evening.

Dom Nicolotti and Bob Nash each had 13 markers for the losers. What rebounding Holy Family could provide was led by Nash with Dominic and Lee doing some nice percentage shooting.

Holy Family wasn't completely out of the game until Hartley torrid third quarter when Steve Warren, who finished the evening with 28 points, pushed in 16 markers.

This Friday the Red Raiders travel to meet Springfield Central Catholic.

HOLY FAMILY — Lee, 4-1-9; Durham, 1-2-4; Covietz, 1-2-4; Nickoloff, 5-3-13; Nash, 6-1-13; Huntzinger 2-2-6; Martin, 0-0-0. Totals: 19-11-49.

HARTLEY — Mackin, 7-1-15; Harkless, 2-0-4; R. Matlock, 2-0-4; Gantner, 3-0-6; Warren, 14-0-28; Burman, 3-0-6; Teeters, 1-0-2; Whitman, 1-0-2; Hoffman, 2-0-4. Totals: 35-1-71.

Reserve wise the past week Bill Walter's 13 points paced Holy Family in a 45-28 loss to Hartley. Central reserve squad lost a thriller to East 42-40. West's reserve lost to South 43-36 but bounced back on the win trail in a 50-49 overtime thriller from North.

The Junior High basketball action locally resulted in Roosevelt thumping Starling, 61-32; Westmoor taking Crestview's "number", 47-37 behind Jim Carter's 22 points and Jim Hughes' 10; and Hilltonia taking a thriller from Eastmoor in the final stages, 39-34 in a battle never quite "sure" until the final whistle.

STARLING — Bell, 0-0-0; Harris, 0-0-0; R. Ever, 0-0-0; Fenderson, 3-0-6; Knox, 0-1-1; Mathews, 1-0-2; P. Ever, 2-1-5; Frasure, 1-2-4; Mitchell, 3-2-8; Revels, 3-0-6. Totals: 13-6-32.

WESTMOOR — Hughes, 5-0-10; Carter, 10-2-22; Barnard, 1-2-4; Coleman, 3-1-7; Coles, 2-0-4. Totals: 21-5-47.

West Park Tops Burgess In 'Y' Intermediate Loop Play

The Hilltop "Y" Intermediate League completed the third game of the second round Tuesday night, Jan. 17 with the Glenwood Methodist squad holding to their unbeaten record in the second round by downing Hoge Memorial Presbyterian, 33-24.

The Glenwood team was down four points at half time, but came back in the second half to win.

The Hilltop Church of God team was upset 54-26 by the West Sr. Hi-Y team. The West Sr. Hi-Y team was out in front from the beginning to the end.

The final game of the evening was by far the most exciting with the West Park Methodist squad battling the Burgess EUB team in a game that was the latter's best performance in several games.

At that time the West Park team led by a one point margin. With one second to go in its first game of the second leading by two points.

West Park had the ball out of bounds and Burgess applied a full court press. Bob Egelhoff of the Burgess squad intercepted a pass and shot at the basket as the horn sounded. The shot was very close, but the Burgess team dropped the game to West Park by a score of 36-34.

The Saturday Junior League started its second round of play last Saturday. The West Jr. Hi-Y lost its game by one point to Hoge Memorial Presbyterian, 19-18.

The Burgess EUB team won to win its first game of the round by defeating the Hilltop Church of God, 29-21.

The West Park Methodist squad whitewashed the Westmoor Jr. Hi-Y cagemen, 48-17 t owin its first game of the second round.

Best Sophomore Crop For Some Time Gives West High Future Hopes

by Bob Wilson

Head basketball mentor Fred Heischman, in his 22 years of coaching with seven at West's helm, has been working with a "green" crew this season.

In fact, he doesn't have a single letterman back from last year's team that tied for fourth in the City Loop with a 6-6 mark and finished with a 7-10 record overall.

Heischman had an all-senior starting crew last year losing center Roger Street, guard Bill Castle and forward Carl Brown at midyear, and then forward Bill Biggers and guards Tom Hartranft and Chuck King in June.

Bill Detwiler and Dwight Newman saw action the second semester in alternating in filling in for Street, while John Crum and Terry Barnett saw some relief action at forward and guard respectively. And that just about ends what little varsity experience there is on Heischman's 1960 crew.

But green or not there is loads of potential and win-lose or draw this season it can quite justifiably be racked up as a building year.

The squad is not only green but extremely young. The entire varsity has a young tang to it, with several sophomores on it.

Ordinarily those lads would be playing no more than reserve team ball or at least not more than one or even at the extreme two or them. But this 1960 edition of the Cowboy roundballers has no less no less than five sophomores on it!

But to show the quality of this young talent, Heischman has four of the five first-team all-city junior high squad from last year.

Heading this group is the 1960 junior high city scoring leader Lew Coles from champion West Junior and his teammate and number three scorer in Columbus, Charlie Castle.

Also on the roster are number two scorer in the city and a transfer from Barrett Junior High, Ron McDaniels and Rich Neely from Hilltonia. Richard Carter is the fifth sophomore, a transfer from Ludianola Junior High.

Heischman warns not to expect too much from the squad this year. But the big IF is that if the sophomores come through, the Cowboys could be a pretty fair country ball club by tournament time.

On paper, the club should be strongest in speed, ball handling and shooting and weaknesses may appear in defense and and rebounding due to a lack of height and and experience.

Other newcomers to the varsity this year are Bill Hunter and Bell, Juniors, and Weigand, a Senior, all up from last year's Reserve squad. Rick Meyer is another Junior center up from the '59 reserves. Forty men were out for the squad this year with Heiscman cutting down to a 12 man squad.

Summing it up with the best crop of sophomores in a long time at West, and certainly probably the best single groups of "youngsters" in the city and area, this season should be interesting as it nears completion. And if not completely profitable win-lose wise this year, West fans should be in for some very profitable seasons in the next few.

Dwight Black will again be assisting Heischman and handling the Cowboy reserves.

Schulze Gets Undisputed First Place

William Schulze's Butchers were left high and dry in first place of the Senior Adult League at the West Side Boys' Club after the dust cleared from last Friday night's action.

Previously unbeaten Gift St. Lutheran dropped a 57-37 tilt to Connie's Place to clear the way for Schulzes. In the other game, Capital City trounced Lenny's Pizza, 61-42, and Exact Weight buried Capital City Products, 52-33.

Games on tap this week pit Connie's Place against defending champs Schulze Market which won 46-44 in a pre-season tilt at 7 p.m., Lennie's Pizza against Gift Street Lutheran at 8 p.m. and the Exact Weight against Capital City Five in the 8 p.m. finale.

Current Standings

Chestershire-rd Traffic Sign Is Recommended

Acting on a petition from Dominic Policaro, the City Traffic Commission has recommended that a stop sign be erected on Chestershire-rd at Eakin-rd. It was pointed out that traffic volumes are heavy at peak hours and that several right angle accidents have occurred there in the last three years.

The commission rejected a request for a push button signal at Belvidere-av and W Broad-st on the grounds that "there are adequate gaps in traffic for the few people who do cross" the intersection.

Because of Tuesday's power blackout the commission did not meet this week. Next week a report is anticipated on requests for a school light at W. Town-st, at Gift, Grubb or Skidmore-sts.

City Official Wants Listing Of Patients

Assistant Safety Director James Worster this week needled the state for not keeping the city informed as to where many patients from the Columbus State Hospital and State School are being "boarded out."

Under new state policy, hundreds of patients are being placed in rest homes, nursing institutions and private homes as a rehabilitation effort.

Worster became alarmed recently when he heard proposals to let up on inspection of board homes and the like. He said many safety problems would be involved if the city is not kept notified on the locations of the state wards.

State Hospital officials replied that 27 homes are boarding patients and half of these have no licenses.

Meeting With Ex-President Makes Train Trip Indelible

"He talked very freely, discussing current topics in the news. His firm handshake and pleasant manner put me entirely at ease."

Brian Highfill, taking a trip to Indianapolis on the Spirit of St. Louis during the holidays, "just for the ride," found the journey even more of a treat than he had expected.

His father, conductor on the train, introduced Brian to former president Harry S. Truman, enroute with Mrs. Truman to their home in Independence.

Although it was only 8:30 a.m., Truman was wide awake and alert, reading in his compartment when Brian visited him. "He talked freely for about 20 minutes. He was so attentive — one of the nicest people I ever met."

Brian, son of Mr. and Mrs. Henry A. Highfill, 486 N. Westmoor-av, is a senior at West High.

He won a six-week tour of Europe last summer, in competition with Civil Air Patrol cadets in Ohio, in an exchange-student program. While in France he was awarded a glider pilot's license.

Brian's future study plans are for medicine, with hopes for a career as general practitioner.

A PRESIDENT'S AUTOGRAPH—"He was very pleasant with a sincere manner . . ." Brian Highfill, West High student, on a routine trip to Indianapolis during the holidays, found President Harry S. Truman among the train's passengers. An autograph in the back of his address book is Brian's memento of the meeting and conversation.

and some residents volunteered their assistance at danger spots. Typical of these was department store manager Joe Davis Jr. who directed traffic at Broad-st and Chicago-av. The emergency had tapped every available policeman for traffic duty.

Business operations were greatly hampered by the power failure. Ice cream melted, coffee makers wouldn't work, office machines were idle and the downtown mail distribution was stopped.

Current was off a full eight hours at the Hartley Newspaper plant. Tuesday is regularly deadline day for seven weekly papers. Six Linotype machines, an electronic engraver, saws, mat dryers and the ever-necessary lights were out of commission. Crews worked overtime to get the papers out.

Those fro mthe sidelines believe. Tuesday's experience will generate more sparks in City Council sessions. Mayor Westlake and councilmen are in the midst of a controversy over "inefficiencies" the Division of Electricity.

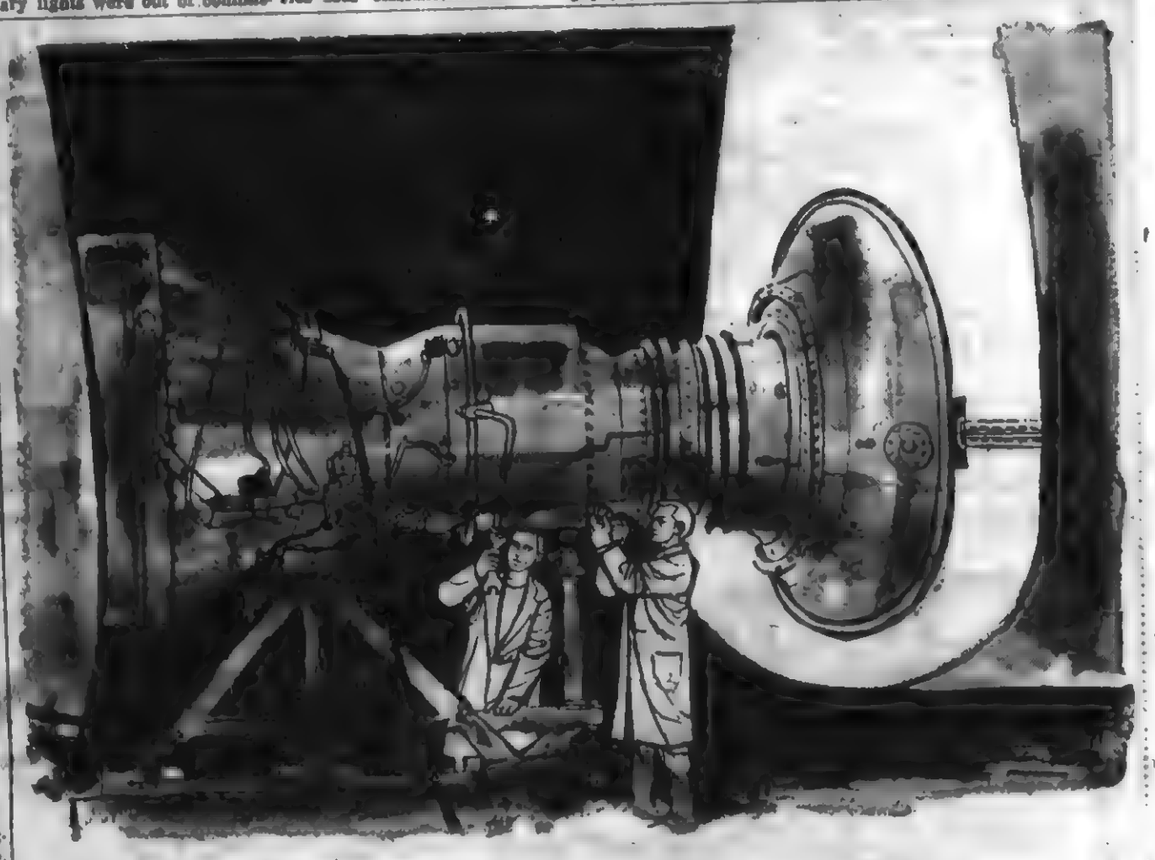
PEN PALS—Paula Fritter, eighth grade student at Starling, has proof positive that her opinion is important, even to government heads. Her letters to ex-president Eisenhower, Richard M. Nixon and Henry Cabot Lodge, commenting on the recent presidential election, brought their prompt answers.

Starling Student Treasures A Letter From Eisenhower

Paula Fritter is not one to take school work lightly!

She followed the November presidential campaign with the rest of her eighth grade history class at Starling Junior High School and, like most every other American, quickly chose her favorite.



She expressed her disappointment in the outcome with letters to Richard M. Nixon, Henry Cabot Lodge and President Eisenhower.

All three promptly answered—the president enclosed an autographed photo of himself. Nixon expressed his pleasure that young people were taking such an interest in public affairs, and Lodge thanked her for her thoughtfulness.

Letters of congratulations to the new president, John F. Kennedy and vice-president Lyndon B. Johnson are next on her list.

Paula lives at 2908 Harwood-rd.

"There's a way to do it better—find it," was the motto of Thomas Alva Edison, whose 114th birthday anniversary is celebrated Feb. 11, 1961. He practiced what he preached. It took him ten years and 50,000 experiments to develop the longest-lasting storage battery possible to buy. It is nickel-iron alkaline battery.

JET POWER helps Ohio Fuel serve you better!

Jet power has been brought down to earth to help the Ohio Fuel Gas Company meet increasing demands for natural gas in 745,000 Ohio homes, stores, and industries. In the world's first harnessing of jet thrust for industrial needs, Ohio Fuel's parent company, the Columbia Gas System, is now using a jet engine to pump natural gas. The jet engine—like those that power the fabulous new jet airliners—propels millions of cubic feet of gas a day on its way to Ohio from the big gas fields in Louisiana. This revolutionary new achievement is the result of the constant program of progress by Columbia and Ohio Fuel to serve you.

'Third Man' Makes Debut In New Adventure Series

By Charles Rempp

"The Third Man," a new adventure-laden series of intrigue, premiers on Channel 6 Thursday Jan. 26, at 10:30 p.m.

Michael Rennie will star in the title role as Harry Lime, head of an export-import company. The Academy Award winning musical theme has been retained, and variations will give the different episodes the flavor of the country in which the action takes place.

Rennie as Lime, will be engaged in filling the myriad commissions for which he contracts —from the acquisition of a work of art to the saving of a human life.

The character of "The Third Man" was created by Graham Greene, and the story has been a success both as a novel and a movie.

In the first episode, Lime encounters a stock swindle and outwits the reigning Duchess of a small European country.

Children's Hospital will come on the screen as Channel 4 telecasts "Bambino," the fourth in its new "Probe" series, Saturday, Jan. 28, at 10 p.m.

Nurses and doctors will turn TV performers and a tiny four-year-old girl undergoing open-heart surgery will be the biggest star of all.

The half-hour documentary will portray all phases of the Columbus Children's Hospital's work, its teaching, its research and its patient care.

The case of four-year-old Deborra Kay Welkner of Findley will be followed closely through her open heart operation. The series, exploring local community problems, is being sponsored by Nationwide Insurance Companies.

"Sing Along With Mitch" is the title of a new musical on Channel 4, premiering Friday, Jan. 27, at 9 p.m.

Mitch Miller will host the new show which will alternate with the "Telephone Hour." His guests will present songs in which television audience at home can join in singing. Diana Trask and Leslie Uggams will be the guest stars.

This week, "I Search For Adventure," will find it in Lower California. Seen Wednesday, Feb. 1, at 6:30 p.m. on Channel 10, the program will show the exploits of adventurers in the original land of the Conquistadores.

The film presentation will have a pack train going into snow capped mountains and a hunt for vicious rattlers. As a climax, the performance of famed matadors of Mexico in the bull-fight ring will be shown.

WHAT IS A KILOWATT HOUR?

not quite 3 cents

And what can you buy for three cents? You can toast 60 slices of bread, or burn a 100-watt lamp for ten hours. The homemaker can put six loads of clothes through the washer! Dad can have 400 shaves! The refrigerator will run for eight hours. For three pennies, you'll sleep one night under the cozy warmth of an electric blanket. And in home entertainment, three cents will buy five hours of television, or twelve hours of radio!
For *three cents*, you can buy a *lot*... in low cost electrical service!

Tony Penzone is a man who loves his work and his product.

As owner of the Florentine Restaurant at 907 W. Broad-st, for the past 15 years, he enjoys cooking and serving the fine Italian and American foods for which the restaurant has become well-known in Columbus and Central Ohio.

Many people who have a particular liking for Italian foods pay regular visits to dine on the dishes prepared by "Chef" Tony. It is not at all unusual for vacationers to pay an annual visit as the family drives through Columbus. The Florentine serves many people daily who live and work on the West Side.

The two party rooms the Sorrento which can accommodate groups of up to 150 and the Cypress in which groups of as many as 100 can be served, are used by many groups and organizations for luncheon and dinner meetings and for private parties.

Murals depicting Italian street scenes, painted by local artist Ivan Pusecker, complement the tasteful furnishings and pleasant surroundings in the party rooms and restaurant.

Other paintings of well-known sports figures decorate the rooms. They include All-American Howard "Hop" Cassady, National Amateur Golfer Jackie Nicklaus and Ed Farrow, noted motorcycling champ.

CARRIER OF THE WEEK

Garry Green Is A Boy Many Have Learned To Depend On

Thirteen year-old Garry Green knows how to carry the West Side News, and other responsibilities as well.

He and his twin brother, Larry, are the youngest in a family of eight children belonging to Mr. and Mrs. Donald Green, 186 S. Dakota-av. There are two sets of twins in the family, only 18 months part! And that fact made headlines when they were born.

As in any large family Garry has his share of the work. Money from his newspaper route, snow shoveling, grass cutting, and errands all goes for clothes and other essentials. "And he remembers all of us on our birthdays" his mother added proudly.

In church Garry is dependable, too. He is an acolyte at St. John's Episcopal Church and also volunteers in many other ways. Some day he hopes to become a minister.

Garry is in the seventh grade at Starling Junior High, plays basketball at Gladden Community House, and likes to go to Franklinton Branch Library.

Has 75 Customers

A boy who smiles easily, Garry has 75 regular customers on on his West Side News route. They reside in an area bounded by W. Broad-st, Dakota-av, Richst and Hawkes-av. This has been a hard winter for paper boys, Garry agrees. Every paper needs special attention to keep it out of the weather.

Garry Green

Our "Carrrier of the Week" has several hobbies — his harmonica, model boats and planes, and camping in the summer.

His dad is a brakeman on the Pennsylvania Railroad. For 16 years the family lived on W. Chapel-st. The other children include another boy, Allen 16, and five girls, Sharon and Karen, Carol, Mrs. Donna Boyce and Mrs. Dorothy Howard.

Book Of Poems In Good Supply At Area Library

The United States is experiencing a poetry boom, according to authorities.

Paperback books have given poetry the widest reading audience ever, recordings of poems are having unprecendented sales, and poetry is being recited throughout the country to sellout audiences.

According to Librarian Mary Elizabeth Keyes, this interest has been reflected at the Hilltop Branch Library in the steady demand for books on all aspects of poetry.

A number of excellent books have been published in recent years for persons who would like to enrich their understanding and appreciation of poetry.

Titles include "The Powers of Poetry," by Gilbert Highet; "The Crowning Privilege," by Robert Graves; "On Poetry and Poets," by Thomas Eliot, and "Poetry and the Age," by Randall Jarrell.

How the reading of poetry can help those who suffer from depression, anxiety, loneliness, and other worries is illustrated in Smiley Blanton's recently-published book, "The Healing Power of Poetry."

Numerous collections of the work of individual American poets are also available. They include "95 Poems," by E. E. Cummings; "Love Letters," by Phyllis McGinley; "Collected Poems," by Edna St. Vincent Millay.

"Selected Poems," by Mark Van Doren; "Collected Verse," by Edgar Guest; "Selected Poems of Langston Hughes," "Versus," by Ogden Nash; "The Unicorn and Other Poems," by Anne Lindbergh and "Promises," by Robert Penn Warren.

For persons interested in writing poetry, there is Burges Johnson's "New Rhyming Dictionary and Poets' Handbook." Another useful work is "Writer's Round Table," prepared by the Author's Guild.

The library also has collections of both American and English poetry, in addition to numerous volumes representing the work of the poets of other nations.

Mrs. Shortly was discussing the latest fashions with a caller.

"Did you say your husband was fond of those clinging gowns, Mary?"

"Yes. He likes one to cling to me for about three years."

Paintings On Exhibit At G-W Paint-Town

Mrs. William Weimer, 785 Stelzer-rd., has a number of portrait and landscape paintings on exhibit at Great Western Paint-Town.

A graduate of Ohio State University, she is a teacher at Hamilton Avenue School and paints as a hobby, using both water color and oil.

Blake—That Man Sphagetallo is certainly a naturalistic singer.

Blair—What do you mean by that?

Blake—Why, last night he sang "Rolling Waves" with such realism thtat 20 people out of the audience had to leave on account of seasickness.

Police Auxiliary Will Soon Carry .38-Caliber Weapons

Eighty-five auxiliary patrolmen are now in their third week of training in the use of the .38-caliber police special, Lt. A. E. Remmert of the police training division reported.

Auxiliaries in the past have been authorized to carry only night sticks. Giving the men revolvers will make them a greater asset to the Police Department, he said.

The training is taking place at the police indoor pistol range. Lt. Robert Schneider, in charge of the classes, said that the emphasis is being put on safety in the use of the weapons.

According to Lt. Remmert, the men will be issued the revolvers when they report to work and turn them in when they go off duty.

Mayor Asked What's Story About Sewers

Critics of Mayor W. Ralston Westlake are wondering what story he may be telling next about his proposed sewer line program.

When first interviewed by a reporter from this newspaper, the Mayor said, "The only thing slowing us down is the lack of availability of contractors and concrete pipe."

Pipe suppliers immediately took exception to the statement and said they would make their complaints known to the Mayor.

Checking on the story, the reporter was told by the Mayor that the statement about the pipe supply was an "inaccuracy." He added that the real problem was finding enough contractors.

Informed that a contingent of contractors had also complained that more than enough men and equipment are available, the Mayor checked himself again by stating:

"Actually, it's the engineering."

Well, what's next?

21-INCH INSTRUCTORS?

Electronic Marvel Sweeps Area Educational Systems

By JOHN AUBLE JR.

If everything goes as hunky-dory as planned by a few far-sighted groups of this atomic age, the nursery rhyme about the three R's will be as obsolete as yesterday's racing form.

Why? Well, little Johnny of the future wont have any idea as to what a hickory stick is. For little Johnny won't be taught to the tune of hickory. Instead, he'll be bombarded by rays emitting from a 21-inch pane of glass.

"It's progress!" exclaimed Dr. Chalmers Hixon, an Ohio State University professor who spoke recently to a group of South Side education and youth leaders.

"In this technological age we must take advantage of the opportunities. Educational television is one such opportunity," Dr. Hixon said.

The idea itself is not new—when you consider that work has been going on in the educational television field for some seven years.

One new wrinkle has been added, however, and that's airborne television.

Airborne television—more specifically, telecasting—was born when the men working with the medium discovered that the only way they could increase the coverage area was to heighten the antenna.

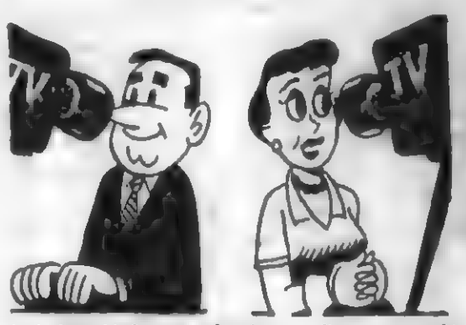
This, of course, had its limitations.

So, the logical answer seemed to be to take the video-taped shows up in an airplane and transmit from the sky.

With the on-the-ground antenna, WOSU-TV, for example, could reach a radius of about 40 miles. Up in an airplane, students in a six-state area can view the same shows.

What does all this mean?

For one thing, it means that the range of educhtion offerings available will be broadened.



It also means the quality of the offerings where resources are unavailable will be increased, and

It will cost less than quality teachers.

Don't misunderstand, educational TV isn't the hope for the world in the school field, Dr. Hixon warned. For one thing, it doesn't entirely replace the class-room teacher.

The class-room teacher is still needed to prepare the students for each television presentation and to give help to certain "slow" individuals.

"But," Dr. Hixon added, "it does hold tremendous promise." And, he added, area educators can't go wrong by getting ready for television in local schools.

It seems to be a pure and simple case of getting quality instead of quantity. And, the quality is proving to be of the highest type available.

Ohio alone has spent some $60,000 studying the project and obtaining type-flight instructors—experts in their particular fields—to do the programs.

Each of the teachers have 12-hours to prepare a single television lecture. They also have an audio-visual staff at their disposal to obtain movies and slides for their presentation.

They are issued $50 each for lesson supplies and have a resource institution staff to consult at any time. Seems like a modern teachers dream.

Then, they get a chance to rehearse their shows. Each show is, in turn, checked over by a staff of experts and if it doesn't meet standards it is done over and improved upon.

How significant has all this proven with the individual students.

Studies show that no distinguishable difference in learnby students from a class-room teacher and a television teacher.

Besides this, the kids themselves are genuinely interested in the project and get emotionally involved in the telecasts.

The best part of the whole thing seems to be that a school can offer this television learning at a cost of 56-cents per year, per child, for all subjects.

Maybe, too, the greatest attraction to the TV bit is the fact that the youngsters will come home and exclaim:

"I don't wanna watch television—I did that all day!"

Civil Service Seeks Advice

Certification lists of South-Western School District employes are still being held on to by the Grove City Civil Service Commission while seeking legal advice on procedure.

The commission acquired the personnel problem last August when the giant school district moved from under county control and declared itself an independent, city school district.

An opinion of the Ohio attorney general holds that a city civil service commission must undertake personnel administration of a city school district's non-teaching employes.

This entails the separation of jobs into classified and non-classified sections with the additional responsibility of providing a testing and certification program for the classified workers.

Paul C. Hayes, South-Western superintendent, said that it will probably be "two or three months" before the classifications are completed.

WHO KNOWS THE 'BEST CITIZEN' IN THIS AREA?

Clubs, Groups, Individuals Can Nominate Best Citizen

What accomplishments did the "Best Citizen" of this area achieve during 1960?

Someone knows. He's the person who will enter the name of his choice for consideration of this newspaper's "Best Citizen" award.

The accomplishment that will win him the title could lie in many fields.

• • •

The purpose of the "Best Citizen" contest being sponsored in each of the seven community publications printed by Hartley Newspapers is to promote increased effort in the direction of civic betterment.

Some person who has contributed his time and efforts toward making his community a better place in which to live will receive special recognition by being named his area's "Best Citizen."

• • •

Not only persons who have made their major contribution through extra projects are eligible for consideration as the "Best Citizen" of this area.

Anyone who has made a special effort in any direction is eligible. This includes persons who have done an outstanding job in their profession, elected officials who have performed above the general level expected and "just plain folks" who went out of the way to be helpful.

• • •

Judging for the honor will be done by local citizens who know the needs and attitudes of the community. Their recommendations will be forwarded to an impartial committee, which will review each nominee and make the final selection.

• • •

It's easy to enter someone whom you think is deserving in the "Best Citizen" contest. Just write a letter telling why you think the person should be considered in care of this newspaper.

Winners in last year's contest were Hilliard Mayor Gaymon Wright, West Rural-Urban News; Judge Robert Draper, Hilltop Record; Ruth Storch, South Side Leader; Bexley Mayor William Schneider, Eastern Review; and Mae Alexander, South Rural-Urban News.

Presentation of the awards will be made at a public gathering sometime in March.

Deadline for making entries is Feb. 24. Don't take a chance on your choice being forgotten. Make him your nomination for "Best Citizen."

Light Plant Failure Needs Attention

Strange games are played in politics and many times the public pays for the game. Such was true a week ago last Monday evening when the mayor pointed to the need of a survey to determine what should be done with the municipal light plant, and when council refused the money, that very next day the plant failed and thousands of people suffered as a result.

It is difficult to understand how such a condition could have developed and it is further difficult to understand why the city administration has not had a closer control over this operation. And it is even more difficult to understand why city council doesn't insist on some drastic steps being taken to get the plant in proper operating order.

Such a situation points up again the inefficiencies of governmental business methods as against those of private industry.

If private industry and business operated with no more far sightedness and efficiency than that demonstrated by governmental agencies our country would be back in the equivalent of the Nineteenth Century.

If the city doesn't take immediate steps to clean up the power plant operation then the city should get out of this kind of business.

Recommended Reading: A Citizen's Union

If you failed to read the front page column by Inez Robb in the last Friday Citizen-Journal it would be well that you dig it up and study it over several times.

She points out very effectively how the time has come when the great bulk of ordinary non-unionized citizens need to organize so they can protect their interests.

The incident that prompted her story took place in New York when some 660 marine employees of 11 railroads serving New York struck and thus caused some 100,000 people to suffer.

True enough, not all unions

$1.6 Million Apartment Set For Rich-Central

One of the city's biggest builders has applied for the necessary rezoning that would permit him to build a $1,600,000 apartment development on the west side of Central-av at Rich-st extended.

City Planning Commission has recommended rezoning of the site at the southeast corner of Columbus State School property and a 30-day ordinance to that effect was introduced to City Council this week. The land is now zoned for four-family residential.

The developer, Harold F. Zieg of Zieg Realty, 581 E. Town-st said he intends to call the project "Rickenbacker Terrace." Preliminary plans call for an X-shaped layout of eight two-and-a-half-story brick buildings. These would face in on an open courtyard or play area 150-feet square.

Zieg said each of the 192 living units would consist of one bedroom, living room, kitchen and bath and will be completely air-conditioned. He said each building will be 109 by 47 feet and will be enhanced by roof gardens.

The entire complex, measuring 290 feet by 585 feet will be served by a new entrance (extension of Rich-st) to be built by Zieg. The section is now dedicated to the city but is undeveloped. The city will be asked to vacate the section.

Access to the apartments and parking will be by three blacktopped drives surrounding the project. All parking will be at the rear of the buildings and will accommodate more than 240 cars, Zieg said.

The builder added that construction will start in about three months, if the rezoning is granted in the next few days. Work will extend over seven or eight months.

Other apartments built by the firm include 40-family developments at 1490, 4030 and 4040 N. High-st, 1850 and 1860 North Star-rd; 1516 W. King-av; and a 30-family project at 1530 W. King-av.

OUTERBELT IS OKAYED

WEST SECTION—The executive committee of the Franklin County Regional Planning Commission unanimously approved the outerbelt plan (see map, solid line). The $104,599,000 road plan circles the city touching such points as west of the Everglades Restaurant on W. Broad-st, interchanges at Roberts-rd in the northwest, Georgesville-rd in the southwest, rerouting of Bethel-rd traffic directly to Hayden Run-dr. (possibly underneath Rt. 33) and relocation of Olentangy River-rd from Henderson-rd to Rt. 161 east of its present location was also recommended. The alternates are represented on the map by dash and dot-dash lines.

Approved Budget Includes Benefits For West Areas

"Go West . . ." the sage once said and Columbus City Council evidently has agreed with him to the extent of incorporating $5,360,000 worth of budget travelers checks for capital improvements during the next year.

Projects levied out of a proposed multi-million dollar budget and centered around the western area of town, include a new Scioto Main trunk sewage line, additional sections to be laid along the Big Run sewer, acquisition of a park site along Clime-rd, construction of a Fire Training and Communications Center along Greenlawn-av, extension of Wilson-rd, renovations and innovations at the City Workhouse and improvements to the sewage plant along Jackson-pk.

Scioto Main Biggest Item

The most eye-catching item, in terms of financing, is the proposed new sewage line. Scioto Main sewer line; its cost of $2,270,000, is a 40 percent bite out of the $5 million pie. When completed, the line will serve the entire lower West Side. It will start a half mile below Stimmel-rd and cut northwesterly to Harper-rd. There it will be able to connect with Arlington sewers, if desired.

Another top item, that of extending Wilson-rd to between W. Broad and Sullivant-av, within the corporate limits, will cost $45,000 for preliminary engineering and acquisition of right of way.

Two more sections will be added to the Big Run sewer project at a total cost of $1,010,000. The first section (No. 3) is scheduled to take care of the area from Gantz-rd, west to just past Demorest. The other addition will pick up Sullivant-av in the vicinity of Josephine-av. and will join section three.

The work to be done on the workhouse will amount to $340,000 and includes a general rehabilitation of facilities along with adding a refrigeration and storage room and a new women's dormitory and laundry facilities.

Improvements at Jackson-pk sewage plant to cost $310,000, will include a filter wing and two filters, and an additional raw sewage conduit; $150,000.

Park Only Recreation Project

No additional recreation centers are planned for the West Side and Hilltop area at this time, as city officials are pursuing a course to acquire more land in the southeast section of the city. But $250,000 is earmarked for a site along Clime rd.

Other costs on projects already started: Greenlawn Avenue Fire Training Center, $760,000; city share of the Senior Citizens Recreation Center north of Sunshine Park, $225,000.

West Side Council Starts Formation Of Committees

Letters have gone out to all members of the West Side Neighborhood Council requesting their preference for committee assignment, according to Sam Alford, president.

Alford stressed that it is hoped all replies will come in by Feb. 9, at which time the executive committee of the council will meet to establish committees for the year.

Present plans call for committees to deal with health, welfare, traffic, membership, publicity and the constitution. The next full meeting of the council will be Mar. 9.

CONFIRMED CLOCK-WATCHER

There's Always Time At Hilltop Home Of Elmer Adair, 'Retired'

By Marcus Orr

When a man retires his friends so often say: "How nice that you won't have to live by the clock." Not so with Elmer Adair of 131 N. Powell-av. He's one of the town's most rabid clock watchers.

And when the hour hits midnight in the Adair home it well may strike 840 times. This is just another way of saying that Adair and his wife Lillian have 70 antique clocks.

More remarkable still is the fact that most of the clocks once were given up as hopeless pieces of junk and now they are keeping time again with remarkable accuracy. When his collection was viewed last week only two of the 70 were "out of kilter" and the others were within five minutes of each other.

Telephone Man 42 Years

Adair started his hobby only three years ago. He was forced to retire after 42 years with the Ohio Bell Telephone Co. because of an illness. He had been an installation foreman, and "knew nothing about clocks."

Coming home from Toledo with his daughter one day, he spied an antique clock in a

Leo Phillips, Servant Of Public, Buried Today

A Hilltop resident who began a long and active career of public service on the West Side, was buried Wednesday. Leo Phillips died Monday at Mt. Carmel Hospital.

Former safety director and chief of Columbus detectives, Phillips, 57, had spent most of his life in law enforcement.

Starting his career in public service in 1929 as a patrolman the popular police veteran, who made his home at 3106 Whitehead-rd, advanced to head of the Columbus Bureau of Identification.

Phillips served as safety director for the city under former Mayor M. E. Sensenbrenner, getting his appointment in 1955.

Wounded In Gunfight

Made a detective in 1936, he was wounded on N. Central-av during a gunfight with bandits in 1938. The action took place following a Hilltop bank robbery.

Serving as detective chief for the city for five years, Phillips retired from the force for physical disability in Dec. 1947.

After his retirement, he held posts with the Ohio Fuel Gas Co. as a special investigator in its legal department, and with Beulah Park.

Mr. Phillips' family was closely associated with police work. His father had served as marshal at Pomeroy, and his brothers, John and Otto, were members of the Columbus Police Department. An uncle had been an inspector at Scotland Yards.

Leo Phillips

Before becoming a member of the Columbus police force, Phillips played professional baseball in North Carolina with the Salisbury team of the Piedmont League.

He retained a life-long interest in sports, working as a high school basketball referee and enjoying bowling as a personal recreation.

Many sports programs benefited from his activities. Phillips was also an able participant in many local musical productions. He served as an ordman in the

Food Market This Week

by ESTELLE B. FRANKS

THIS WEEK LOOK FOR:

Meats and Poultry—Pork loins, Boston butts, chuck roasts, ground beef, fryers, large eggs.

Vegetables—Cauliflower, cabbage, potatoes, onions, parsnips.

Fruits—Grapefruit, tangelos, apples, bananas.

MORE BEEF COMING FOR FEBRUARY MEALS

February is the month of celebrating—famous birthdays and valentines—and days that are getting a wee bit longer. Whatever the occasion—birthday dinner or regular family supper—you'll have a better supply of beef coming for your February meals And this will hold true for the next few months to come. Why more?

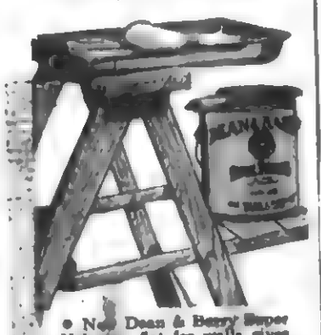
Because marketing of cattle of all kinds has been speeded up. Larger numbers of grain fed cattle have been marketed. However, the greatest increase has been in grass-fed steers and heifers. Many of these went directly to slaughter rather than to feed lots.

Also, many producers in the West sold cattle rather than face the prospect of buying hay or other feed during the winter. Cow slaughter especially was boosted

Are you asking—how will this supply affect prices? We can expect the demand for meat, especially beef, to be high during 1961. Meat prices in general are most certain to be higher than in early 1960, especially pork. But retail beef prices will probably change little from those of 1960. Because beef supplies will be ample, any periods of higher prices will be short lived.

What this does mean—there'll be plenty of beef for everyone—you can choose a cut to fit your budget. Much of the increase will be of the stew, ground beef and pot roast type. There will also be more luncheon meats and canned meat products. All less tender cuts of meat—bottom round, chuck or shoulder cuts, flank, shank, neck and brisket—usually have the lower price tags. But these can all be made tender with proper cooking by moist heat. They are welcomed for slim budgets and they do make excellent cold weather dishes

The best way to determine relative cost of different beef cuts is to check cost per serving. To do this, divide price by the cut by the number of servings you can obtain. Remember that all lean meat contains the same nutrients.



NEW EGG PACK INTRODUCED

In some local markets you will find eggs marketed in cartons with a cellophane overlap. This is a new merchandising attempt, claiming that higher quality is maintained. Ohio State University poultry specialists say that many research projects are under way in this area. Their only statement to date is that the quality of cello-packed eggs may be aided when eggs are mishandled. But we all know that getting eggs from the farm to market does require considerable handling. The price of cello-packed eggs is generally a few cents above that of the usual package of U. S. Grade A eggs.

FIRST ANTLERED DOE BAGGED IN STATE

The first antlered doe ever reported taken in Ohio was bagged by a gunner at the Ravenna Arsenal, Portage County, Dec. 24. So reports Kenneth Duncan, Summit County game protector, who was on duty for the Ohio Division of Wildlife at the arsenal checking station.

Duncan said that the 125-pound doe had eight-inch spikes which were in the velvet. This is to be expected since does do not normally possess the proper hormone which results in hardening and maturing of the antlers.

Antlered female deer are rare. Occasionally, a mixup in blood chemistry does result in a doe growing antlers but they do not normally mature. They retain the velvet since their blood chemistry does not normally permit completion of the antler development cycle.

Garden Pays For Itself Sometimes

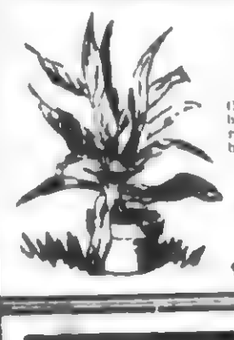
Does it pay to raise a garden, keep a cow, or raise chickens?

The answer depends on what we mean by "pay." It paid low income families in dollars and cents and in nutrition to produce food at home, according to a study reported by Mabel Spray, extension family economics specialist at Ohio State University.

According to the study of families in a low income (under $2000) area it was found that 56 per cent of the farm families had diets that failed to meet the National Research Council's allowances in one or more nutrients.

Of rural non-farm families, 70 per cent had a similar deficiency in diet. The rural non farm families tended to be deficient in more nutrients than farm families

Few of the families with food valued at less than $4 per person per week had nutritionally adequate diets. A third of the rural non-farm families and a fifth of the farm families did not buy or produce enough food to bring the total value above this level, says the specialist.



Twenty-nine per cent of farm families and 20 per cent of the rural non-farm families had food valued at $8 or more per person per week.

Delegates to the National Ready Mixed Concrete Association convention at Miami, Fla., have elected Ralph E. Anderson, president of the Anderson Concrete Corporation, 560 Harmon-av, as the organization's president.

A director of the Columbus Jets, First Federal Savings and Loan and White Cross Hospital Association, Anderson resides at 1633 Merrick-rd. He is first vice-president of the Columbus Area Chamber of Commerce.

RECIPE FOR SUCCESS

Sweeper Company Growth Reviewed

Recipe for success: Learn a specialty trade well. Join the Coast Guard. Save your money. Go into business for yourself when you return to civilian life. Work like the devil using your special skills.

That formula has worked well for Richard Thompson who, at 38, is the sole owner of the largest plant in the Midwest that rebuilds vacuum sweepers.

Latest step up the ladder of success for Thompson was moving to 1124 S. Parsons-av, at Cline-st, form 133 Thurman-st. The new combination plant and sales room gives him twice as much space as before.

Thompson is proud of the fact that his company is authorized to sell and service Hoover sweepers, floor washers, floor polishers and rug shampooers.

"Working for us are the oldest Hoover factory-trained mechanics in Columbus, including Eddie Bolin, who has had 24 years' experience on Hoover appliances," Thompson said.

He is equally proud of his eight other mechanics.

When Thompson was 15 he began learning his trade at Vacuum Cleaner Repair, 112 E. Long-st. His uncle, Herbert Bolin, broke him in. Now the uncle—with 32 years' experience in repairing and rebuilding vacuum sweepers—works for Thompson. He lives at 1626 S. Eighth-st.

Thompson's brother, George, with 16 years' experience, is service manager. George Thompson lives at 4080 Broadview-rd, Gahanna. Richard Thompson lives at 1421 Millerdale-rd, Berwick.

Young Richard Thompson had five years' experience in sweeper service when he joined the Coast Guard in January of 1943. He saved his money so when he was discharged in February, 1946, he could start in business in a little green building across the street from his present address. Growth of the business necessitated a move to 133 Thurman-st, in November of 1951.

"We can service any make of vacuum sweeper and we have parts in stock for all makes," Richard Thompson says. "Our shop, completely remodeled, can turn out 200 rebuilt sweepers and service 60 to 80 others in a week."

Central Sweeper Exchange, which has advertised in all the Hartley Newspapers for years, guarantees rebuilt sweepers for one year. It has a free pickup and delivery service for Columbus.

The firm has four salesmen, who sell rebuilt sweepers to dealers as far away as Texas.

The remodeled building formerly housed a public library. Later, Buckeye News was located there.

Thompson and his wife, Carma Lee, have two children, Pamela, 15, and Timothy Richard, three.

"Already Tim has started to fool around with the vacuum sweepers," Thompson said with a twinkle in his eye. "Wonder what he'll grow up to be "

Science Essay Contest Begins

Columbus and Southern Ohio Electric Company again will sponsor an essay contest in cooperation with the Columbus schools.

Ninth grade students in Junior high schools are preparing essays for competition as part of the 1961 Science Youth Day Program, an annual observance of Thomas Alva Edison's birthday.

Entries on the there, "The World of Thomas Alva Edison," will be judged for originality, imagination, and neatness. Primary elimination will be made by local teachers. The Electric Co. then will make a final selection of seven winners, each representing a different school.

Most Wild Animals Able To Take Winter In Stride

INSIDE ON THE Outdoors By ROD COCHRAN

Several people have asked me in recent days how wild animals are making out in this record-breaking winter. In most cases they are doing O.K. for the time being.

We have been housebound for so many ages, many of us believe some form of artificial heat is needed to bring every living creature through the winter. Wild animals manufacture their own heat if food supplies are adequate and some cover is handy where they can hole up or make a little nest. This is the rub! Food and cover is necessary, and with the exception of some winter feeding it's too late to provide anything of lasting benefit to help wildlife this winter.

Bobwhite quail are an exception and they are having very difficult days. Historically, a southern bird that moved north when the continuous hardwood forests were opened by pioneers, quail are sensitive to snow and ice. This is why hunting them does virtually no harm to the entire population —the birds bagged by the gun last fall would have been lost to winter anyway. My guess is that quail numbers will be down next year due to the severe weather.

Curiously, fish, especially those in farm ponds, are endangered by the prolonged snow and ice. Aquatic plants produce a little oxygen all winter long, usually enough for fish to survive. Snow cover on the ice, however, stops most of the sunlight from reaching plants. When this happens there is no oxygen produced, and fish die.

You might say that nature despises a crowd. No wild population is free from limiting factors that keeps it in check. A pond full of fish may be your dream — you fertilize, stock, kill weeds, shoot water snakes, and every thing else you can think of. Nature says a pond full of fish it not to be. She sends twe months of snow cover on ice, and all your work is out the window. And, fishing next spring will probably be better than it was last summer.

Snow and ice, coupled with plenty of cold weather, can be the demise of bobwhite quail and fish. Such conditions are hard on other animals too. Some pheasants will be lost, but they are hardy birds surviving in abundance on the Dakota prairies where the snow seems twice as deep and the wind twice as strong as anyplace else.

Rabbits Gnaw On Saplings

Rabbits have warm coats and as the snow gets deeper and deeper, they eat the bark off saplings higher and higher. Here is nature working again—snow and rabbits will limit the number of maple, apple and wild cherry trees living through the winter. Grouse do not seem to mind the winter weather at all, and even grow little "snow shoes" along each toe that help them walk.

Woodchucks have been in a deep, trance-like sleep since last fall, and in effect take a vacation every winter. Raccoons, opossums and squirrels gear their activities to the weather, and will stay in dens or nests when the going is tough.

Feeders Busy Places

I do not need a thermometer or weather report to tell me how cold it is or has been. From the sunflower seed and suet consumption at our feeder, I can derive a very accurate description of the weather. This does not mean my feathered friends are fowl weather friends, for they come to the feeder every day, perhaps by habit. But when the snow is deep or the winds cold, trips are more frequent and purposeful. The feed evaporates.

How is winter affecting wild animals? It is part of life, and in the wild, life goes on.

Study In Home, Industry Is John Tisher Specialty

John D. Tisher, 123 Beechcreek-rd, has recently been appointed district representative in the Columbus area by International Correspondence Schools. ICS expects to enroll its seven millionth student this spring, according to Tisher.

"The world's oldest and largest home study institution has compiled this remarkable record since its founding in 1890," he said. "ICS now offers more than 200 courses of home study instruction in a wide variety of technical and commercial subjects for men and women, including courses designed to aid a student to attain a high school diploma."

ICS has industrial educational arrangements with nearly 7,000 firms and 221 railroads throughout the United States and Canada, and is accredited by the National Home Study Council.

Heffner Will Lead Jets' Ticket Drive

Robert W. Heffner, a vice-president of Nationwide Insurance, has been appointed chairman of the Columbus Jets' 1961 book ticket drive.

He succeeds William R. Diehl, Jr., who spearheaded the successful 1960 book ticket drive.

A native of Cleveland, Heffner was graduated from Parma High School there and attended Michigan State University. He played baseball and competed on the track team at Parma and was a member of the track team at Michigan State.

Last year under Heffner's supervision and chairmanship, Nationwide Insurance sold $4600 worth of book tickets and was the first organization to settle up with their book ticket allotment.

One Cent Gas Slash Is Slated

Residents of Valleyview, Gahanna, Bexley and Whitehall are among those suburbs that will receive a decrease of one cent per 1000 cubic feet for natural gas starting Mar. 1, the Ohio Fuel Gas Co. said last Friday.

Ohio Fuel figures the average residential customer uses 20,000 cubic feet in the nine-month heating period and pays an average monthly bill of $15.23 in that period.

Other surrounding suburbs affected by the one-cent decrease are Marble Cliff, Grandview Heights, Minerva Park, Riverlea, Upper Arlington and Worthington.

Columbus residents will receive a half-cent decrease.

The decreases, tied to fuel cost clauses in contracts, are the result of Ohio Fuel receiving refunds from pipe-line suppliers totaling more than $6 million, the company said.

JUNIOR ACHIEVEMENT HONORED

The product of Junior Achievement is youth; its business, the training of our youngsters in the merits of free enterprise.

Through Junior Achievement, Inc., a national organization with a Columbus chapter at 214 N. High-st, teenage sons and daughters obtain valuable business experience by organizing and operating their own companies to manufacture and sell goods under the guidance of adult business leaders.

In 1960, a total of 36 J. A. Companies employing 695 youths were organized.

The youngsters raise capital by selling stock, make a useful product which is usually sold door-to-door, keep business records and at the end of the school year dissolve their companies hopeful of having a profit.

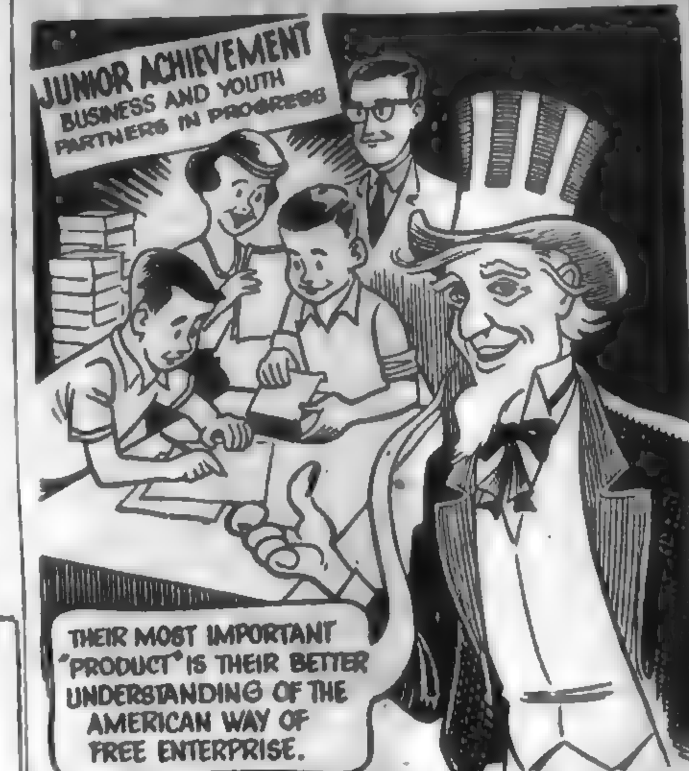
Each company is sponsored by a Columbus firm which supplies a trained person as adult supervisor, thus bearing out the Junior Achievement motto: "Business and Youth-Partners in Progress."

Junior Achievement Week, which is being observed Jan. 29 to Feb. 4, calls attention to the spirited business activity of these teenage executives. The public is invited to JA headquarters from 7 p.m. to 9 p.m. nightly Monday through Friday this week to observe our future business leaders at work on their products.

By providing practical experience and training our youth in the spirit of free enterprise that built this nation, Junior Achievement performs a worthy service.

NEW CONSERVANCY DISTRICT NEEDED

A legal barrier impeding the development of a workable six-county conservancy district was removed last week when Judge William C. Bryant, of the 10th District Court of Appeals, disclosed that four suits appealing dissolution of the Scioto-Sandusky District had been dismissed.



In the 27-year existence of the old district, the associated counties were unable to find a basis on which to function. Virtually nothing was done to solve the problem of potential flooding.

On the heels of this announcement, it is the hope of this newspaper that prompt action will be taken to formally organize the six-county conservancy district which promises much.

These counties — Franklin, Pike, Pickaway, Scioto, Ross and Vinton — would have a common need for action. All six counties are threatened by flood disaster as long as the Scioto River remains unchecked.

Mayor Westlake has already been authorized by the Columbus City Council to take steps toward the formation of a new district. We hope this action will be forthcoming in the very near future.

New Projects At State Parks

Camping facilities at Burr Oak State Park, Morgan County, a water treatment plant at Pymatuning State Park, Ashtabula County, and a service building at Strouds Run State Park, Athens County, are new construction projects that will start soon, according to V. W. Flickinger, chief of the Ohio Division of Parks.

To be built for the Burr Oak campsite are roads, latrines, washhouses, water and sewer lines, a water standpipe and a sewage disposal plant. The water and sewerage lines will be extended in the future to include the bathing beach.

The balanced, rational life includes a portion of play and pleasure.

BIBLE COMMENT:

How Those Around Him Saw Christ

When we ask what the people of His time thought about Jesus, the reply, based on the Gospel narratives, is that it depended very much upon who the people were.

Here and there in the Gospels are brief passages that appear almost as asides. They throw much light, or perhaps what more properly might be called darkness, upon actual conditions and environment.

In the main story the portrait of Jesus is of a Master, who, by the attractiveness of His personality and teaching, drew as disciples those who left all to follow Him. We see Him thronged by the multitudes as He went about doing good, and we are told that "the common people heard Him gladly" (Mark 12:37).

That record is confirmed by the various incidents of deep love and devotion; the manifest intimacy of the household of Mary and Martha, and the weeping of Jesus on hearing of the death of Lazarus; the emotional response of "the woman which was a sinner" (Luke 7:37), who washed His feet with her tears, and wiped them with the hairs of her head, and the many other contacts with those who perceived in Him all that He was, and became His devoted disciples through all that He did and said.

Hilltopper Is Named Top Secretary

A Hilltop resident, well-known for her activities in the community since she moved here in 1920, was named Secretary of the Year by the Columbus Chapter, National Secretaries' Association at its dinner meeting last week.

Miss Josephine C. Sheskey, 1936 W. Broad-st, will compete for the state award at the Ohio Divisional meeting, planned in May at Cleveland.

Secretary to builders and and developers, Alfred E. and A. Patrick Tonti, 2035 W. Broad-st, since 1950, Miss Sheskey is also secretary and a director of the Key Corp., new subsidiary of the organization.

Competition was based upon education, business experience and NSA activities, and selection was made by a panel of judges who made their choice after interviewing each contestant.

Miss Sheskey, daughter of the late Mr. and Mrs. Michael Sheskey, was associated with her brothers in the former Key's 5 and 10 Cent Stores.

Named Of Year

MISS JOSEPHINE SHESKEY

The store on W. Broad-st at Chicago-av was operated from 1940 to 1951, and the one on W. Broad-st at Wayne-av from 1947 to 1950.

She and her sister, Regina, resident of 74 S. Richardson-av and an employee of Seiling's Department Store, were members of St. Aloysius Choir.

Miss Sheskey attended schools in Buchtel, O., before moving to Columbus to enroll in Bliss Business College. She also studied voice and dramatics with Charlotte and Patricia Gaines.

She feels her training with them was responsible for winning the ten poise-points awarded her by judges during her interview.

"And I credit my achievement of Secretary of The Year award to advice given me by mother and father, 'no excellence without great effort' and 'do a little more always than is expected of you!'

"That, and the understanding and on-the-job training of former bosses, is responsible for my winning the honor."

Miss Sheskey is currently coordinator for the Ohio Division Convention of the National Secretaries Association, to be held at Cleveland in May, and is chairman of the annual Bosses' Wives Luncheon.

She has previously served as vice-president and program chairman of the chapter, and on boss night committee, Town Meeting of Columbus, Secretarial Institute at OSU and other committees.

Judges for the Secretary of the Year award were Mrs. Muriel Hildebrand, administrative secretary to Ted W Brown, Secretary of State; Judge James F. Bell of Ohio Supreme Court, and Dr. Dean L. Hummel, director Division of Guidance and Testing, representing the superintendent of Public Instruction.

The trouble with most adults is that they think their school days have ended.

West High Grapplers Seeking First Victory

...wo One-Point Losses Beat ...ronco Mat Effort This Year

West High's wrestling team is still looking for its st duel meet win in the 1960-61 campaign although was separated from victory by only one point in two cent meets.

In their only meet last week, the Bronco grapplers t to a tough Upper Arlington ad, 26-15.

The Cowboys lost their first me match of the season to asantview, 29-12. Shortly ter, they traveled to Circle-lle and came home on the ort end of a 33-11 score.

Then they dropped a 27-16 ecision to arch neighborhood val, Franklin Heights.

At Martins Ferry, to quote oach John Butler, "We got obbered, so no summary."

However, the score was 37-5. The five West points were garnered by Bill Doughty (3) and Richard Colvin (2).

The West High grapplers got closer to that first dual meet win of the campaign as they dropped two one-pointers two weeks ago to Linden-McKinley, 23-22, and Bexley, 19-18.

In the Linden match, Bill Doughty pinned his man and set a new time for a West wrestler of 25 seconds. The old record of 27 seconds was held by Lynn Hegele.

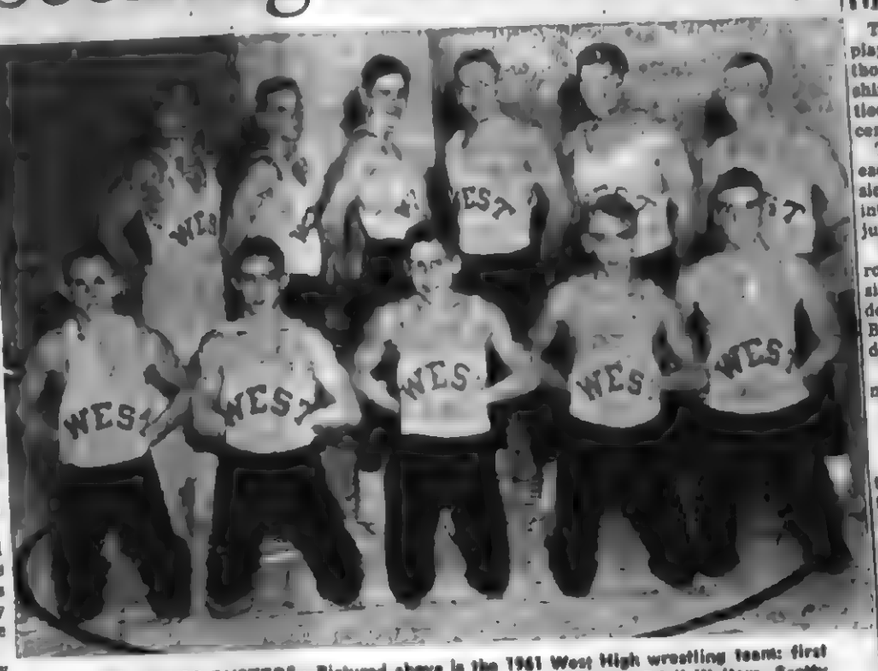
Against Bexley, Larry McQuerrey looked exceptionally good in beating his previously undefeated opponent, 5-0.

Head Coach Butler, beginning his third year as grappling mentor at west and the only wrestling coach the Cowboys have had since they reinserted the sport into their program three years ago after a long absence, had six lettermen heading a group of 55 out for wrestling late this past fall.

Butler uses a "cut yourself" system, whereby he never cuts anyone. They simply remove themselves from the scene when the going gets too tough for them.

Twenty-two have survived to date to make up the team.

Returning letterman were Bill Doughty (103 pound class) Lee McQuerrey (120), Odell Walters (127), Dan Snyder (145), Larry McQuerrey (154) and Bill Ardle (175).



Butler considered Doughty and Larry McQuerrey probably the most outstanding of the returnees at the beginning of the season.

However, Doughty, who won the trophy as the "Most Outstanding Wrestler" at the recent Holiday Wrestling Tournament held at Franklin Heights, was a mid-year graduate, so is gone from the scene, as is Ardle.

Very few were lost from last year's squad, however, thereby creating few holes for Butler to fill this year. Bob Saint and Lynn Hegele (both with two years of respectable records) graduated last June and Jim Morris, a junior with fine prospects, moved to Connecticut.

Newcomers on the scene to further brighten Butler's outlook were juniors Dave Nachman, Jim Brewer, Jerry Gronbach, Paris Martin and Dick Colvin and sophomores Scott Teale and Art Clemmer.

Some were completely new to wrestling while others had experience as reserve wrestling squad members last year.

BRONCO BUSTERS—Pictured above is the 1961 West High wrestling team: first row, left to right; Bill Doughty, Dave Nachman, Lee McQuerrey, Odell Walters, Scotty Teale; second row, Dick Colvin, Danny Snyder, Larry McQuerrey, Bill Ardle, Art Climer, Jim Brewer.

The squad had a 6-6 mark last year in its second year of competition, but didn't really start to roll until the second half of the season, which should give a "lift" to the lads this year.

Butler stresses the matter of intelligence aiding the athletes. He went on to say, "The boys who are dong well are also the ones who are very good students."

"Overall, our squad is young and will continue to improve. At the present time, eight of our 11 number one boys are underclassmen. Of these, two are sophomores

"This sport requires a boy who is dedicated to athletics. He must put a great amount of time and energy into his work if he is to excel. He must make wide sacrifices. Most of our boys have really put out this year."

The 1960-61 West wrestling roster: Seniors—Ardle, Doughty, Larry McQuerrey; juniors—Brewer, Colvin, Graham, Gronbach, Martin, Lee McQuerrey, Nachman, Shute, Snyder, Walters; sophomores — Doug Byerly, Clemmer, Sam Dennis, Phil Holcher, Henry Hunt, Jim Pennington and Teale.

Butler's starting "eleven" to date have been: 103—Doughty, 112—Nachman, 120—Lee McQuerrey, 127—Teale, 133—Walters, 138—Colvin, 145—Snyder, 154—Larry McQuerrey, 165—Brewer, 175—Ardle, and heavyweight, Clemmer. That includes three seniors (two lost at mid-year), six juniors and two sophomores.

The 1961 West wrestling schedule (for rest of season):

Feb. 2—Grandview
Feb. 3—at Hilliard (7:30 p.m.)
Feb. 8—University High
Feb. 11—at Groveport (2 p.m.)

Comeback Effort Helps Bucs Keep Claim On Second Place

Central maintained its tie with North for second spot in the current City League basketball race last Friday evening upping their loop record to 6-2 with a win over Aquinas at home, 71-58.

Al Foster with 21 and Roosevelt Coffey, one of three Buc starters playing his last game before graduating from high school last Tuesday, with 19, Charlie Johnson with 10 and George Gilchrest with 14 paced the Pirate win.

Central and the Terriers were all tied up 13-13 after the first quarter and the Bucs trailed at halftime by 10, 31-31

But Foster and Coffey paced a second half comeback that saw the Bucs hold a 50-45 lead going into the final period.

Coffey made the bucket that put them ahead for good at 56-54.

The Central Reserves also had a good Friday evening as they won 48-41.

CENTRAL — Foster 7-7-21, Gilchrest 5-4-14, Johnson 2-4-10, Randall 2-1-7, Coffey 9-1-19. Totals: 27-17-71.

AQUINAS — Burke 5-3-13, Dittoe 4-0-8, Grote 5-2-14, Irwin 3-1-7, Poliseno 6-4-16. Totals: 24-10-58.

West—Springfield

Meanwhile West High was taking it on the chin at Springfield South, to a rough 91-52 tune. The Springfield Reserves also were victorious, dumping the junior Cowboys, 60-59.

Springfield seemed to have "found" themselves Friday night after a rough time winning in its own league all season. The new school had been very successful against non-league foes, however, as West was woefully taught.

Springfield completely dominated the boards though not an exceptionally tall club. They averaged slightly taller man per man than West but no one was much taller than the Cow boy "tallest" starter, Dwight Newman. But the Wildcats did a good job of keeping Newman out and off the boards.

He only got seven all evening off both boards.

But the fantastic domination of both boards by the 'Cats can quickly be seen in the total rebound figures: West 21, Springfield 60!

The two other factors seemed to be Springfield's extreme speed and West's cold shooting. West had a very cold night from the floor . . . shooting-wise. All the young Broncos got "taken." Meanwhile two Wildcats, Skip Snow and Willie Tucker with 29 and 24 points respectively, had "hot hands" in pacing the win.

Pacing the Cowboys were Newman with 18 and Charlie Castle with 12. The Wildcats led all the way posting quarter scores of 22-13, 53-25 and 76-38. Statisticwise . . . field goals, W-30-68-39 per cent.; S-33-67-49 per cent; foul shooting, W-12-20-60 per cent; turnovers, W-9, S-13.

The junior Wildcats also led all the way in winning the Reserve contest . . . posting quarter leads of 12-9, 28-19 and 57-38. Leading the losers scoring-wise were Bill Hunter's 19 and Rick Meyer's 10.

WEST — McDaniel 0-0-0, Crum 0-4-4, Coles 3-0-6, Bell 2-0-4, Newman 8-2-18, Castle 8-2-12, Barnett 1-2-4, Neely 0-0-0, Weigand 13-4. Totals: 20-12-52.

SPRINGFIELD — Tucker 10-4-24, Henry 1-0-2, Curry 2-0-4, Schwartz 3-1-7, Willman 2-5-9, Westphal 4-0-8, Fugate 0-2-2, Enow 11-7-28, Davis 1-4-6. Totals: 34-23-91.

Holy Family-Springfield Central Catholic

Springfield Central Catholic jumped into a three-way second place tie in the Central Catholic League by soundly dumping Holy Family at St. Mary's gym last Friday night, 58-37. Don Lee paced the losers with 16.

HOLY FAMILY — Durham 2-3-7, Lee 7-2-16, Coviets 0-3-3, Nickoloff 1-6-8, Nash 0-2-2, Huntzinger 0-4-4. Totals: 10-17-37.

SPRINGFIELD CC — Grover 6-2-14, Hill 3-00-6, Hannon 5-0-10, Pitt 6-2-10, Calabrese 2-0-4, Riley 1-0-2, Rolfes 2-3-7, Asebrook 1-1-3. Totals: 23-12-58.

Junior High Scene

On the junior high scene, Starling was idle in loop play but Hilltonia and Westmoor came off with the short end of things for the week.

Mohawk beat Hilltonia 44-26, posting quarter leads of 13-7, 21-12 and 35-16. Don VanOrder paced the Hawks with six points.

Meanwhile, Everett dumped Westmoor by a 47-41 count. Westmoor led at the end of the first period, 16-7, but lost its lead and things were all tied up at 22-22 at halftime. Everett led at the three quarter mark, 36-30.

Jim Carter led the Westmoor lads with a sizzling 16 markers.

HILLTONIA — VanOrder 3-0-6, Whitlock 0-2-2, Newman 1-1-3, Garnes 2-1-5, Shaffer 0-2-2, Starks 1-0-2, Goodin 1-2-4, Henderson 1-0-2. Totals: 9-8-26.

WESTMOOR — Hughes 2-4-8, Carter 6-4-16, Barnard 3-2-8, Coleman 1-0-2, Coles 2-1-5, Sanford 1-0-2. Totals: 15-11-41.

Cage Schedule

The basketball schedule for the "West Siders" this coming week!

Thursday, Feb. 2 — Starling at Eastmoor, Dominion at Westmoor, Hilltonia at Barrett.

Friday, Feb. 3 — Central at Eastmoor, West at East, Newark Catholic vs. Holy Family at St. Mary's gym.

Saturday, Feb. 4 — Holy Family at Scioto Twp.

Girls Club Sets Two Projects

Town Girls Leaders Club of Sunshine Recreation Center is planning two projects. Members of the sewing club have taken scrap pieces of oil cloth and are fashioning toys for children. These will be donated to Children's Hospital or to children in the area who are suffering from rather long illnesses.

The second project is another slumber party. Any teen-age girl in the area will be welcome. More information will be available at the center soon. At their last party the girls enjoyed volleyball, basketball, ping pong, billiards, dancing, pizza, and served hot chocolate and doughnuts for breakfast.

The first regularly issued daily newspaper in North America was published by John Dunlop in Philadelphia in 1784.

Claytor Paces Cage Scoring

The Untouchables broke away from the Astronauts in the senior league of Glenwood Recreation Center to win 50-43. Dorcus Claytor was high man with 28 points. Art Thompson had 14 for the Astronauts.

The Cavaliers won by forfeit over Pembe Lou's.

The Midgets bested the Emulsifiers in a wild struggle to the final period, for a 39-31 win. Charles Johnson, of the Midgets, led both teams with 12 points.

The Little Bucks defeated the Rebels, 54-28. Joe Patton led the winners in scoring with 15. Paul Newman and Herb Sharfenaker each had 10 for the losers.

Sunshine Proposes Adult Ping-Pong Loop

Any adult interested in playing ping pong on Sunday afternoons at Sunshine Recreation Center, should contact Phil Seitz or Don McCann at CA. 4-9560, who would like to get this program started sometime in February.

If there is enough response, persons who are interested in playing will be notified.

Crowd Of 'Y' Boosters Stirred By Woody's Words of Wisdom

By Marcus Orr

Woody Hayes had a word for the Y's last Monday night—and it was good.

Ohio State's universally known football coach arrived late and left early at the Hilltop YMCA Annual Dinner—but he made every minute count. His fatherly advice to nearly 400 'Y' youths, their parents and friends in Westinghouse auditorium was: "Play together to win — you cannot go it alone." It was the same substantial food for thought that has nurtured Woody's championship athletes in the last 12 years.

Hayes declared that the element of competition is of prime importance — whether it be in teaching, sports, or anything else. "In sports," he said," there is no such thing as a winning team. You fight to see who is the winning team . . . and if you must take a licking you will come back and be better because of it."

Coach Hayes said the problem today is not an overemphasis on sports but an underemphasis of playing to win, as a group. "Again it was competition in the form of Sputnik that has forced a great growth of education here in the last couple of years," he said.

"We should live up to our greatest potential and play the game of life like an unselfish quarterback," Hayes concluded. He left in a shower of applause.

The Annual Meeting began with a banquet in Westinghouse cafeteria. Reassembling in the auditorium the crowd was welcomed by Frank Fox, Westinghouse manufacturing official. Fox spoke highly of his own 'Y' experiences in Ashland, O., and in Boston.

Dr. Harold Eibling, president of the Metropolitan 'Y' Board commended the Hilltop 'Y' for its record, its program and its promise for the future.

Hartley Steps Down

C. Carlton Hartley voiced thanks to all who made it possible for the local branch to move into its new building last fall. "Of course the job is not done," he reminded the group. "We still have that swimming pool to build."

Hartley introduced Executive Secretary Al Hollowell and his 'Y' staff, and directed thanks to United Appeal representatives present. Then he terminated a 13-year tenure by announcing that he would no longer serve as chairman of the Board of Management.

William Jones, toastmaster, responded with a short tribute to Hartley's service.

Roy Von Ins read the financial report, revealing 1960 expenditures at $35,739.97, leaving a deficit of $9.96.

'Little Braves' Delight

Entertainment highlight of the evening was a performance by the Indian Guide Dance team. Eighteen "little braves" in all their pagan finery, danced to the drum beats of Medicine Man Berl Korte. They made a hit with the audience.

Other program highlights were introductions by James Goudy and Jerry Spears, Jr.; recognitions for service, by William Weber, meeting chairman; introduction of Gray-Y "Boys of the Month" and prayers by Rev. Sidney C. G. Everson and Rev. Calvin Didier.

Audience ballots were counted and at the end of the meeting the following elections were announced:

To the Board of Management — (three years) C. Roy Agin, Harry W. Grashel, Howard C. Lloyd, Lowell H. McAllister, A. M. Pemberton and Roy E. Von Ins.

To the Advisory Council — Roger K. Chrisman, Rev. Irvin H. Lane, Jack Mitchell, Stanley L. Ruoff, Ervin L. Schmidt, and L. E. Swinford.

Scoring Record Shattered By Sunhine's Night Raiders

In Sunshine Recreation Center basketball action in the Intermediate League this week, the Eagles, led by Bill Parker's 14 points, defeated the Raiders, 56-27. The second game saw the Red Bandits, led by Dick Kettell's 20 points, defeat Emersonian, 24-24.

In the other game, the Night Riders broke the league record for points scored by hitting the nets for 70 points, largely due to Charles White's fine shooting and passing. White scored 30 points to lead all scorers for the night.

In Senior action, Sullivant Gardens beat the Celtics, 62-51, behind Bob Revell's 31 points. The Jayhawkers won the second game by forfeit over the Sunshine Leaders.

Adult action saw the Chessmen win over Naval Reserve by forfeit in the first game. Love Realty beat the Independents, 38-33, although the Independents led until late in the game when Love pulled away. Phil Ashley led Love with 14 points.

In the third game, Kenny's Loan broke the Adult League record with 91 points in beating the Hawks, 91-43. Keith Ross led all scorers with 24 points in the game. Ten players entered the scoring columns in Kenny's victory.

DeMolay Veterans beat Byers Auto, 52-35, in the fourth tilt. Dave Hiett led DeMolay with 16 points.

In Junior action this week, the Spiders beat the Eels, 32-26, behind the shooting and passing of Dana Noble and Jimmy Fout. In the second game, the Snakes defeated the Hot Rods, 24-18.

Marketmen Keep Clean Slate Intact

William Schulze's Marketmen remained the only team in the West Side Boys' Club Senior Adult League with an unblemished record last week by defeating Connie's Place, 46-41, in a key tilt.

Connie's, hoping to avenge a loss in a pre-season clash, forged ahead in the early minutes of the game to build an 8-2 edge.

But sharpshooting Gary Jewell and Julian Brophy reduced the margin to a tie, 15-15, at the end of the first stanza.

The fourth period started with the count knotted at 35 points apiece and Connie's was given a golden opportunity when regular Brophy fouled out with four minutes to go.

But Jewell and Danny Gallucci meshed key buckets to put the Marketmen on top for keeps.

In other games, Gift Street Lutheran blasted Lennie's Pizza, 53-35, behind Bill Haley's 21 points, while Bill Gill and Don Devraux accounted for 33 points in leading the Capital squad to a 45-33 win over Exact Weight Scales.

Sunshine Judo Team In Action

Boys from the Sunshine Recreation Center judo team participated in the First Annual Judo Tournament, sponsored by the Columbus Judo Club, Jan. 21.

Trophies were awarded to winners in the white, brown and black belt classes. Local boys won four and lost four.

Bob Fick, Fred Wakefield, Randy Gidley, Dan Fout, Bill Bragg and Mike Karl represented the team.

Trojans Defeat Rink-Key-Dinks

Mike George and his Hawks beat the Hilltoppers, 41-23, in Glenwood Recreation Center's Intermediate League. George was leading scorer with 16 points.

The Imperials outlasted the Untouchables, 46-36. Dick Smith scored 16 points, while teammates, Jerry Claytor and Larry Cline, each chipped in with 11 points. Jack Stephenson had 13 for the losers.

The Trojans won over the Rink-Key-Dinks, 30-28. Art Dennis sparked the winners with 12 points. Tom Daft pitched in 15 for the losers.

Sunshine Youths Learn Pantomime

Youngsters at Sunshine Recreation Center are beginning to discover a little about the art of pantomime.

Leonard Kerschner, II, 630 W. Rich-st; Steve Jetter, 12, 638 Bellows-av; and John Wolfe, 11, 638 Bellows-av; are known around the center as the small fry's answer to the famous Kingston Trio. The boys constructed a make believe banjo and two guitars in craft class. They then learned to pantomime "Good News," a spiritual recording.

Lancaster Crew Hands CYC Loss

CYC scored its fourth straight victory over Christian Community Fellowship Jan. 22, 62-33, then suffered its first loss to Lancaster's Salvation Army, 49-40, Jan. 24.

Anyone wishing to play CYC may contact Jim Hamilton at BR. 9-4238.

Close Races Are Trademark Of Both 'Y' Basketball Loops

Glenwood Methodist battled a hardwood contest to the very end against the Hilltop Church of God team, but came out on the short end of a 43-38 decision last week in the Hilltop 'Y' League.

Glenwood led at halftime by a score of 21-16. With six minutes left in the second half, the score was tied at 32-32.

The Church of God team slowly pulled away to a three-point lead and the Glenwood team couldn't catch up.

Glenwood, the Church of God, and West Senior Hi-Y are tied for first place in the Intermediate "Y" League.

The second game of the night saw the Burgess EUB cagemen claiming a 36-26 victory over the Hoge Memorial Presbyterian five. This was the first game that Burgess has won in the whole season. They are in fifth place with a 1-3 record for the second round. Hoge is in last place with a 0-4 record.

The West Senior Hi-Y team won its game, 44-38, over the West Park Methodist squad. The two teams were close at halftime with a two-point difference, 17-15, in favor of West.

A few seconds after the second half started, the West Park team entered the score, 17-17, but the West team came back matching their opponents basket for basket.

The West team pulled ahead by capitalizing on some of West Park's field goal tries and stayed in the lead until the end of the game.

The Junior League had its thrills, too. The Hoge Memorial Presbyterian team was the victor over the Westgate EUB five Saturday by a score of 27-19, which was an advantage for Hoge, compared to the 11-11 score at halftime.

The Burgess EUB team had very little competition when it met the Westmoor Junior Hi-Y squad. The contest ended up in favor of the Burgess cagemen, 52-9.

The last game of the afternoon was an unexpected event and an upset was almost handed to the first round winner, West Park Methodist. The Hilltop Church of God came within one point of toppling the West Park team, but failed, 20-19.

DAD-SON GROUP

YMCA Indian Guides To Launch Pow-Wow

Hilltop Nation of Indian Guides, under the auspices of the Hilltop YMCA, will hold a Pow Wow 7 p.m. Feb. 9 at the new "Y" to explain this father-son program to all boys and dads interested.

The program affords opportunities for dads and their sons to do things together. Following the motto "Pals Forever," each tribe consists of about six dads and their sons. Meetings are held twice a month in different homes.

Tribes are responsible for setting up their own programs for regular meetings. The Hilltop Longhouse supplements these with periodic special planned events. Campouts are held in the spring and fall at Camp Willson. Each year all tribes attend a campout at Southside "Y" Park. All new Big and Little Braves are officially inducted then.

Coming up in the near future will be the Annual Match Box Derby. Cars made by the boys and their fathers compete in racing events. Other events include crafts, movies, trips, nature lore, swims and any other ideas individuals might have.

The Indian Guide Aims are: To be clean in body and pure in heart, To be "Pals Forever" with my dad/son, To love the sacred circle of my family, To be attentive while others speak, To love my neighbor as myself, To seek and preserve the beauty of the Great Spirit's work in forest, field and stream.

There are 14 active tribes in the Hilltop Nation. Each has its own Indian name and each Big and Little Brave also has an Indian name. Boys in the program range in age from six on up. No maximum age has been set.

"Y" officials hope that several new tribes can be organized from this promotional event. Further information may be obtained by calling BR. 6-5306.

junk shop. He bought it for $5. In a few days he had it running and its value soared. Adair pointed out three such purchases for which he has been offered $100 in the past month. But he isn't selling — claims he's just a collector.

Like Rain On A Roof

Most of the clocks are the shelf variety and are more than 50 years old. One dates back to 1830. Forty of them are neatly arrayed on shelves in the basement. To the visitor their insistent ticking sounds like rain on a tin roof. Some of the cuckoo-types announce themselves every half hour. But when the hour arrives—zounds! The house rocks.

Strange to say, Adair still arises at 6 a.m., just as he always did when he was telephone man . . . and he has never had to depend on an alarm clock. Many of his prized clocks are on neat shelves in his bedroom. Only one of these is permitted to strike — understandably.

The basement clocks are wound on Saturdays — upstairs it's a Sunday ritual.

True to the tradition of a telephone repairman Adair keeps his workbench immaculate. Here he works tediously to remove layers of paint and varnish from his clocks, most of which are given to him.

Frequently he must scrub the rust from tiny parts, replace delicate veneering or apply new faces. From local stores he buys new glass for the cases and obtains decals that are hard to tell from original. All this restoration is done without the aid of power tools. "I've got plenty of time, and that's no pun," said the pleasant silver-haired craftsman.

Adair loves to stalk the second hand stores, Goodwill Industries outlets, Volunteers of America shops, and especially the Twig's Bargain Box, an annual event at the Veterans Memorial. Several days ago he found a treasure in his own alley. He saw a brass pendulum sticking out of a garbage can. The clock's face had been stepped on. Now, beautifully restored, the old timepiece is living a useful life again.

Adair has yet to acquire his first "grandfather clock." About half of his collection is the type of clock given as wedding gifts about the turn of the century. Some are extremely novel. Three have wooden works. One is a large Black Forest timepiece, powered by weights. It is in a masterfully-carved case. "It was in pieces, was mildewed and smelled so bad my wife wouldn't let me bring it into the house," Adair recalled. "I finally got it into shape and a collector offered me $100 for it last week."

Some of the visitors also are quite taken with the nice collection of old coins which Adair is saving for his grandsons.

With his house fast being filled with ticking clocks, the Powell-av man is taking on some repair work for friends. He's not one to let physical disability get him down. On his basement wall is a motto he brought home from Ohio Bell — "The Man Who Wants To Do Something Finds A Way; The Other Kind Finds an Excuse."

BUSINESS REVIEW

FROM ONE COUNTER—Area retailers and motorists alike are served from this one counter at 2655 W. Broad-st. From left to right are Mrs. Elsie Morrison, who operates the Hilltop sales tax agency; Mrs. Dorothy Hott, deputy registrar; and her son Doug, a student at Ohio State who assists with clerical duties and delivers sales tax slips.

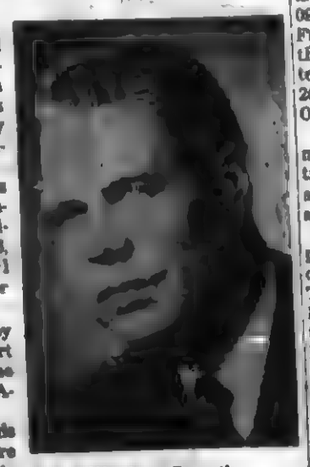
Hilltop Sales Tax Agency Is Only One West Of River

By Bob Maxwell

Twp former employes of the Hilltop Business Association at the time that organization operated a deputy registrar's and sales tax office, are continuing these services to the community at a new location, 2655 W. Broad-st.

Mrs. Dorothy Hott, 850 Powhatan-av, is a deputy registrar of motor vehicles and Mrs. Elsie Morrison, 928 Salisbury-rd, operates the sales tax agency.

The sales tax agency is the only one west of the Scioto River and serves many businesses on the West Side. Hilltop and areas south and west of Columbus.



Delivery service of tax stamps is available by calling BR. 9-0900 Monday, Wednesday and Friday. Mrs. Morrison suggests that checks should be made out to "Hilltop Sales Tax Agency, 2655 W. Broad-st, Columbus, 4, Ohio."

Drivers licenses, auto, trailer, motorcycle and 10-day tags and transfer of auto licenses are issued by Mrs. Hott under her appointment.

Mrs. Hott pointed out an important data to every licensed driver is his or her birthdate. The license must be renewed BEFORE the date of birth in the year in which it expires. Even though it can be renewed for six months after that date without taking a driver's examination, the driver can be cited for driving without a valid license if involved in an accident or charged with a traffic violation. The fine is $25 and [illegible].

The space for both offices is donated as a public service by Westgate Electric Co. and daily hours are 9 to 5 and 9 to 12 noon on Saturdays.

The county-wide drive begins Feb. 1. It will continue throughout the month, reaching a climax on Heart Sunday, Feb. 26, when local volunteers will make house-to-house calls for contributions.

The drive is sponsored by the Franklin County Heart Council in conjunction with the nationwide campaign of the American Heart Association.

Three-fourths of the funds raised in Franklin County are earmarked for local research, education and community services programs conducted year-round by the Franklin County Heart Council and the Central Ohio Heart Association.

The rest will go for the support of similar programs at the national level.

In the past decade one million dollars in contributions from central Ohioans has been channeled into research at local hospitals, universities and clinics. This year the Central Ohio Heart Association has allocated over $157,000 for local research projects.

GM Savings-Stock Program Makes First Distribution

Distribution of nearly $75,000 in GM common stock, government bonds, and cash was made Jan. 31 to 366 salaried employees at General Motors' Ternstedt Division plant here.

The recipients were those who participated in the first class of the GM savings-stock purchase [illegible].

Nationally, more than $11 million was distributed to 54,000 employees. It resulted from savings of $6,626,000 by employees and contriutions of $3,313,000 by the corporation during the period of Oct. 1 to Dec. 31, 1955, plus interest and a dividend earned on investment of these funds from Oct. 1, 1955 to Dec. 31, 1960, when the class matured. The plan first became effective Oct. 1, 1955.

Eligible employees may elect to participate in the savings fund plan or they may join a retirement thrift plan. Classes under the savings fund plan are formed each year and mature at the end of the fifth year following.

Salaried employees with one or more years of continuous service may voluntarily save up to ten per cent of their salary. Employees' savings are invested in government bonds and half in GM common stock. The company contributes $1 for each $2 of employee savings.

Half-Cent Gas Slash Is Readied

Columbus residents will receive a decrease of a half-cent per 1000 cubic feet for natural gas starting March 1, the Ohio Fuel Gas Co. said last Friday.

Ohio Fuel figures the average residential customer uses 20,000 cubic feet in the nine-month heating period and pays an average monthly bill of $15.33 in that period.

The decrease will reduce the monthly bill by 10-cents, Ohio Fuel said.

Some Columbus suburbs will receive onecent decreases.

The decreases, tied to fuel cost clauses in contracts, are the result of Ohio Fuel receiving refunds from pipeline suppliers totaling more than $5 million, the company said.

Phillips—

(Continued from page 1)

Hilltop Businessmen's annual minstrel show.

His musical interests also included the Elks Chorus and the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, Inc.

Mr. Phillips had served as a member of the Police Pension Board, and was a former president of the Fraternal Order of Police.

A member of the Glenwood Methodist Church, the Pomeroy Lodge, F&AM No. 166, the Scottish Rite, Shrine, Jesters, Chanters, Press Club and Agonis Club, Phillips had an outstanding record of civic service.

Council Pays Respects

At its Monday night meeting, City Council passed a resolution expressing sympathy to the Phillips family.

Surviving are his wife, Alice; a son, Leo, Jr.; a brother, John; and sisters, Mrs. George Joachim, Mrs. Albert Young, Mrs. J. W. MacMurray, of Pomeroy, and Mrs. A. R. Pullins, Middleport.

Funeral services were held at the Glenwood Methodist Church, with interment in Sunset Cemetery. The Jerry Spears Funeral Home was in charge of arrangements.

Going to church may not answer all your problems but the habit won't hurt you any.

Spectator—

have this public be damned attitude. But there is real food for thought in her suggestion that it is time the public's interests be protected by some means . . . perhaps a union of those who aren't organized!

"Dinah" . . No More!

"Dinah" . . . "Dinah" . . . "Dinah" . . .

Each year at the old Hilltop Minstrels this was the cry that went up as endman Leo Phillips appeared on the stage for a vocal solo. Regardless of what he sang, he was always called upon to sing "Dinah" . . . a rendition that no one has been able to copy.

The community has been saddened by the word of Leo's death. He enjoyed life and helped many others to enjoy it.

Many an oldtimer will recall Leo each time they hear "Dinah."

By Stan Robinson

An all star lineup will be seen Friday night when the Telephone Hour presents, "Almanac For February," Channel 4 at 9 p.m. Polly Bergen, as hostess, will present the music of Victor Herbert, a medley of love songs and an old time vaudeville routine. Without a doubt, the highlight of the show will be the recreation of "Rhapsody In Blue," with Paul "Pops" Whiteman conducting the orchestra. Guests on this special include, Robert Peters, Carol Lawrence and Russell Arms. It should be a bright entertainment lead in to the month of hearts, flowers and in particular St. Valentine day.

Avondale Will Host 7 Churches

In cooperation with Youth Week and the interdenominational emphasis, Avondale Evangelical United Brethren Church Youth Fellowship will play host to seven West Side Church groups Sunday, Feb. 5, 3:30 to 7 p.m. at Gladden Community House, W. Town-st, at Hawkes-av.

GAS SERVICEMEN IN TRAINING

Roys-av, a cu... ..r serviceman for the Ohio Fuel Gas Co., receives instruction from George Price during the Jan. 23-27 session of the Columbia Gas System Service Training School in Washington, Pa. Grand Lake Has Grand Bluegills

Grand Lake St. Mary, long considered one of the best crappie lakes in the state, is producing a fine crop of bluegills, reports Darrell Allison, Division of Wildlife fish manger.

Most of the big bluegills, says Allison, are being caught in channels on the north side of the lake, where the ice has been from six to eight inches thick.

Crappies, long a favorite fish at this lake, are being taken from open water in the boat mooring channel at the Division of Parks office, Celina. Warm water, return to the lake from the adjacent power plant, keeps away the ice throughout the winter months.

Boaters Asked For Certificates

Ohio boaters who registered their craft or motors in 1960 should present their certificates when applying for 1961 ones at their local license agencies. This request comes from James Wells, administrator of the Division of Watercraft.

"Any change in information listed in last year's certificate should be called to the attention of the license agent so that the 1962 certificate will reflect correct current information," says wells.

The 1961 boat and motor certificate forms should be in the hands of local agents by March 1, according to Wells. Boaters who plan to use their craft before that date may apply for a temporary certificate to the Division of Watercraft, 1800 W. 5th Ave., Columbus, 12.

Hawks Observed Throughout Ohio

Large numbers of hawks were recently observed throughout Ohio. They were observed perched in trees or slowly combing the fields in search of food, according to Division of Wildlife fieldmen. Normally hawks are not too abundant during the winter, but the recent severe weather may have driven more northern hawks to this area where a concentration has built up.

Never sign a receipt until you know what it contains. The same applies to legal documents regardless of where they come from.

HOW'S THIS FOR LIGHT HOUSEKEEPING?

CARE TO REST?—Drivers were seen taking a second look at this sight on the Mound Street Expressway just off High-st. No one seemed to know how the old mattress and chair got on the island between Mound-st heading west and Fulton-st heading east. Evidently, the items fell off of a delivery truck and were placed on the safety zone by a passing motorist. The items were carefully and neatly placed between the lanes of fast moving traffic.

Area Classes Test Method Of Teaching

Gerald Ocock, physics teacher at West High, and James Hidy, biology teacher at Central, are participating in a nation-wide effort to evaluate a new science teaching method.

The project, "History of Science Cases," is being conducted by a group at Harvard University in cooperation with the U.S. Office of Education. Control period will continue through Mar. 10.

The class taught by Ocock is part of the project's control group and does not use the new teaching method.

Hidy's class is taking part in the experimental group of the project using two, two-week units of study with the new teaching method.

The method involves use of the "History of Science Cases" for high schools, a series of specially-prepared booklets designed to provide students with a clearer understanding of [illegible].

More than 100 classes in 25 states are taking part. Each was selected because of interest displayed by the teacher.

'Lincoln Center' Shoppers Mart Is Announced

ARTIST'S VIEW of Lincoln Center to be started this summer in Lincoln Village at W. Broad-st and Georgesville-rd. It will be the first shopping facility in Central Ohio to contain Lazarus and Sears retail stores. The shopping outlets wil face a promenade approximately 450 feet long and will form the first mall-type center in this part of the state. This view is looking southwest.

Sears, Lazarus Will Open Stores

Two great names in merchandising — Lazarus and Sears — will come to West Franklin County as part of an extensive new regional shopping center to be built by Nationwide Development Co.

Murray D. Lincoln, president of Nationwide Development, disclosed Wednesday that plans for a new mall-type center here include a Lazarus convenience apparel store and a Sears suburban store.

Edward F. Wagner, vice-president of NDC, said the shopping complex will be located just west of the new Nationwide Inn at the southwest corner of Georgesville-rd and W. Broad-st. Within the 1120-acre Lincoln Village community, it will be named "Lincoln Center."

Work To Start This Summer

Construction of the first phase is scheduled to begin Sept. 1. It is expected to open in August, 1962. The giant shoppers' mart will be the first center containing a Lazarus store and the first suburban retail store in Central Ohio for Sears.

Coincident with the announcement, Big Bear Supermarket officials said they will build their new Lincoln Village store in Lincoln Center. They have abandoned plans to locate the store north of Broad-st near Murray Hill-rd as announced several months ago.

Leasing of Lincoln Center is now in progress. Yet to be selected, according to Nationwide, are the operators of such stores as food, variety, drug, hardware, dry cleaning, athletic goods, children's, women's and men's clothing and shoes, furniture, beauty and barber shops, and a number of specialty shops.

NDC spokesmen said Lincoln Center will face W. Broad-st. The new outerbelt will run along the western perimeter of the site, meeting in an interchange at Broad-st.

Wagner said Wednesday, "Lincoln Center will be the first of its kind in Central Ohio. Patterned after the Tri-County Center in Cincinnati, it will in-

Lazarus 'Going Suburban;' Store Will Feature Apparel

Lazarus Lincoln Center store will be the firm's first venture in the suburban area. It is expected that it will be open for use in the fall of 1962.

Dates for opening Lazarus stores in the Northland (north Columbus) and Eastland (east Columbus) regional shopping centers are 1963 and 1965, respectively.

The West area store will be located at the east end of Lincoln Center's mall, adjacent to the Nationwide Inn Motel, with access from both W. Broad-st and Georgesville-rd.

Board Chairman Robert Lazarus and President Charles Y Lazarus said the suburban branch would sell apparel,

VALLEYVIEW SCHOOL will be enlarged as shown by darkened area in sketch.

PROPOSED ADDITION to Georgian Heights is indicated by shading.

Expansion Program Planned For Three Community Schools

by BETTY DAFT

School Board Tuesday took steps to assure housing by next September for the expected increase of 4000 in the city's school population.

Preliminary plans were approved for additions to seven elementaries and one junior high school. Total estimated cost is $900,000.

On Columbus' West Side, a multi-purpose room and either four or six classrooms, dependent upon cost, will be built at Georgian Heights School; four classrooms and a multi-purpose room at Valleyview, and four classrooms at Sullivant School.

All three elementaries are among the city's newer schools, constructed within the last six years.

Georgian Heights, 784 Georgian-dr, opened in September, 1959, now contains eight classrooms, kindergarten rooms, health room, office, teacher's room and library.

The addition to the building, designed by the architectural firm of McDonald, Cassell and Bassett, is indicated by shading in the sketch. Cost of the construction will determine whether four or six classrooms will be built.

The proposed multi-purpose room is the elevated area to the right and new classrooms will be built at the southern end of the existing building.

Valleyview School, 2989 Valleyview-dr, was opened for enrollment in September, 1957.

The building's facilities now include six classrooms, health room, office, teacher's room and library.

Brown, Brubaker and Brandt were architects for the school addition.

The proposed multi-purpose room and four classrooms, indicated by shading, are at the left in the sketch.

A sketch of additions to Sullivant, 791 Griggs-av, was not available. The building was opened in 1954.

Four additional classrooms will increase the school's number to 17. There are also a kindergarten, health room, office, teacher's room, multi-purpose room, library and kitchen in the existing building.

The mayor said action to purchase the land is being made now "to protect the entrance" before any new development was launched.

Steps are already being taken to purchase land in the city adjacent to Sullivant-av, which will be included in the new road. The remainder of the property lies outside the corporation limits and is to be acted upon by county commissioners.

Mayor Westlake said he will push for the construction of the link, which he considers of prime importance to the Western Columbus area.

LIONS GOOD SCOUTS, TOO!

"BE PREPARED to observe Boy Scout Week, Feb. 7-13," was the sole message of Vernon Sanford of 164 S. Westmoor-av, as he appeared before the Hilltop Lions last Thursday night. But he was totally unprepared for the sudden "good turn" [illegible] on him by Bob Hewison, chairman of the Lions' boys and girls committee. Here, Sanford, left, accepts a check for $30 from Hewison, to be used in supplying training aids for 530 adults engaged in Scout leadership and advisory roles in the area west of Central-av, in Franklin county. Sanford, a member of the executive board of the BSA Central Ohio Council is also a member-at-large of the Southwest District. Looking on is Jay "Skip" Sanford, an Eagle Scout of Troop 33, Westgate Methodist Church who accompanied his father to the meeting.

SCHOOL AID SHOULD WAIT NO LONGER

Voters in the South-Western City School District will make a trip to the polls again next Tuesday.

At stake is a 3.65 mill operating levy which Superintendent Paul C. Hayes has called "vitally important" to the future of the school system.

This will be the third opportunity for district citizens to approve additional operating money for the school system. A four-mill levy was defeated last May 3. This same 3.65 levy went down in the November general election.

Each time that the levy has been placed before the public, school officials have pointed out the necessity for its passage to insure a high level of education in the district.

Residents took the first defeat in stride as a "protest vote" against the old administration. Last November, the excuse was forwarded that the issue was confused.

There can be no confusion this time. The special election Feb. 14 is for a single issue: the 3.65 levy. The need is critical.

Voters who turned their backs on the schools at the other two elections should do an about-face this time. The school system is in need of aid and it's high time support was forthcoming.

EACH HELPS BUILD AMERICA

We live in an age of special weeks. This week two of the more firmly established ones coincide — it's Boy Scout Week, and it's Advertising Week.

Nothing in common, you say? Think about it. Each borrows something from the other. The Boy Scouts advertise America and its youth potential, perhaps to a greater degree than any other organization. The advertising industry "does a good turn" for America by strengthening her economic growth.

The advertising world is a world of slogans. This year's theme is "Advertising Keeps Us Rolling." The Scouts have theirs, too, for 1961: "Strengthen America . . . Character Counts."

E. Hillier Walton, president of The Advertising Club of the Columbus Area's Chamber of Commerce, commented that advertising's role in a free society was never more important than in the 1960's. "Advertising is the primary means of realizing the enormous potential of our farms and factories," he said. "Mass production cannot exist alone."

Mass demand makes possible low prices through mass production; thus, advertising saves the public money. Mass demand also results in mass employment, and jobs are urgently required now because of the growing labor force. In these ways, advertising makes a positive contribution to America's economic growth.

We like the Boy Scouts' 51st Anniversary slogan. The impact of those four words should inspire the rest of us.

We as a nation are strong and free. We have the push of a still-growing democracy. That growth will continue only through constantly increasing strength. And nothing will strengthen us so much as high character levels in our citizenry.

We are proud of the 18,234 Cub Scouts, Boy Scouts, and Explorers of our Central Ohio Council and the 7,000 fine leaders who work with them. Here character is being built.

BIBLE COMMENT:

Attendance At Church Is Essential

Church attendance is a prime essential of wholesome church life and of the church's effectiveness as a Christian institution.

The fact that some churches are crowded with large congregations, and that most churches are filled, and often overflowed at Christmas and Easter, by many who seldom go to church at other times, tends to obscure much of the actual situation in nonchurch-going.

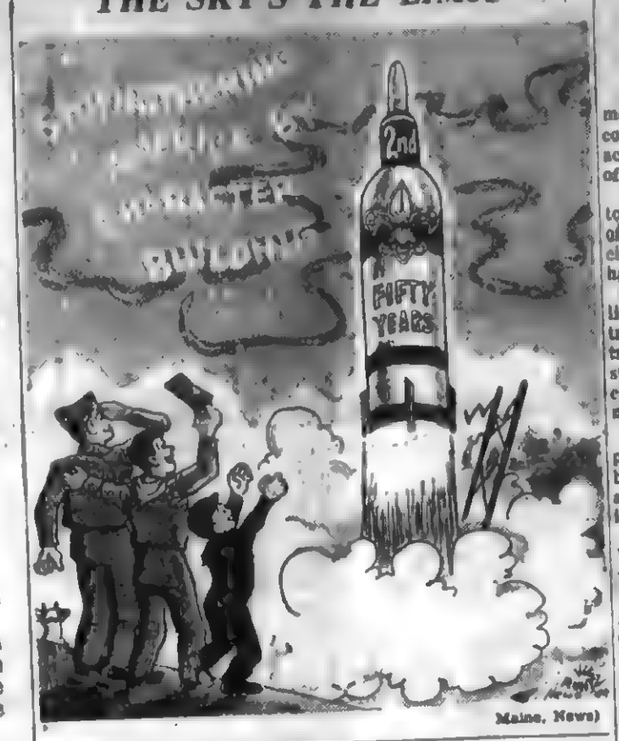
By and large, regular attendance in most churches is small — often very small — in relation to the membership, and even smaller in relation to the church's non-member adherents in the community.

It is all very much changed from the conditions that some of us remember when families went to church as families.

Those days are gone, perhaps forever; but the problems of religion and of church life remain. Sunday schools that really build up in the young the knowledge of the Bible, and church schools that develop a loyalty, not just to the school, but to the church, can be the most effective agencies in building the church of the future.

Thirteen Scouts of Troop 146, Briggsdale Union Methodist Church, attended a campout Feb. 3 through 5, at Camp Lazarus, near Delaware.

The troop is planning a pot-luck dinner Feb. 18. Scouts and parents are invited. The 1960 Jamboree movie will be shown.



Volunteer Wardens Sought For Civil Defense Training

John H. Jackson, Chief Warden of the Columbus and Franklin County Civil Defense Department, announces the beginning of classes for the training of wardens.

Classes will start Thursday, Feb. 16, from 7:30 p.m. until 10 p.m., and continue for four weeks, Friday, Feb. 24, Thursday, Mar. 2, and Thursday, Mar. 9. The classes will be held in the Civil Defense Auditorium at 1045 S. High-st.

Interested volunteers should call the Columbus and Franklin County Civil Defense office at HI. 3-9444.

Shamrock Club Meeting Feb. 12

Shamrock Club will meet at 2 p.m. Sunday, Feb. 12, in the Knights of Columbus Hall, 80 S. Sixth-st.

The Club was organized 20 years ago. The principal events are the annual St. Patrick Day breakfast and summer picnic.

Breakfast tickets are now available.

Officers of the organization are Frank M. Strapp, president; Thomas D. Cahill, vice-president; William P. Downey, treasurer, and Edward M. Dempsey, secretary.

Msgr. Joseph E. McGlynn, pastor of St. Joseph Cathedral, is chaplain. Dick McCabe is president of the choral club and Mike Eberly director.

We have often observed that the people who have nothing much to do are usually very impatient.

TO THE EDITOR:

Auto Show Said Big Success

Thank you for the many courtesies you extended during the 1961 Auto Show.

This year's show at the State Fairgrounds was the most successful ever staged in Columbus. Some 86,000 persons attended and received the show so enthusiastically that we are already making plans to make the 1962 show even bigger and better.

You have the sincere appreciation of the Columbus Automobile Dealers Ass'n for your contribution.

The Columbus Automobile Dealers Association.

PHEASANTS LIKE SUBURBIA

Humans aren't the only ones moving from the city to the country. Pheasants also are, according to the Ohio Division of Wildlife.

For some reason, known only to the pheasants, large numbers of these birds moved into the city limits of Tiffin, where they have become quite a nuisance.

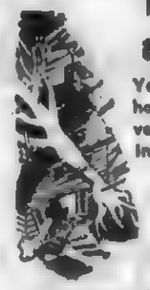
"Game men are now busy live trapping the birds and transporting them to the country where they should have stayed in the first place", according to Dave Shonk, game management agent.

The Division of Wildlife expects to trap from 80 to 100 birds within the city of Tiffin and release them in good cover in the rural areas.

Five Tilts Carded

Five games in as many nights are on the docket for the Bliss College cagers, beginning with High School Night, Thursday, when they host Wilberforce University in an 8 p.m. game at the K. of C.

On Friday, the Bookkeepers will go across town for an intra-city engagement with the Capital University Jayvees and Saturday they will trek to New Concord to meet the Muskingum junior varsity. Both of these are 6:15 prelims.



The Blissmen will open their AAU play against Swearingen's of Athens at the K. of C. Sunday night, and Monday will find them visiting the Ohio University campus for a return meeting with the Bobcat Frosh.

A chronic sufferer from almost any complaint can tell you the symptoms in enormous detail.

Spy Next Door Now Scheduled; Sea Hunt, Moves To Channel 4

A television program based on Soviet espionage which CBS withdrew from its Feb. 1 schedule, will be broadcast after all Feb. 15 on Channel 10. "The Spy Next Door", was to be on Armstrong Circle Theatre and then without much warning, an earlier show was repealed for the evening.

There was speculation that the govern m e n t might have asked the network to withdraw the program to avoid antagoniz i n g the S o v i e t s but CBS denies any such idea. It has been previewed by net officials and supposedly is ready for the 15th at 10 p.m. on Channel 10.

Stan Robinson

"Sea Hunt," with popular star Lloyd Bridges, has moved to Channel 4 and will be presenting all new episodes on Monday evenings at 7 p.m. Actually, this will be the fourth successful year for the show. The story is of a man who fights danger with modern science and technical skills, rather than sheer brawn.

Fred "Spook" Beckman, an "on the air" salesman who presents his new WVKO show in Beckman style and technique, is heard from 8 to 12, Monday thru Friday, and will have a Saturday program as well . . . Ken Mack, familiar name in WTVN radio news circles, most likely will begin an editorial position in the writing field with a major Columbus firm in the near future . . . WMNI's Eddie Lane is preparing to follow the Jets thru spring training and into the schedule as 920 radio will handle the Jets schedule on radio. Bob Sherman is mentioned as possible color man "at the mike" . . . Welcome to WDLR radio in neighboring Delaware, about 1580 kilocycles to the north.

Channel 6 reminds Basketball fans of the Saturday schedule including Notre Dame vs. Detroit, 2 p.m. and Wisconsin at Northwestern, 4:30 . . . Monday the day before St. Valentine's Tuesday, Jimmy Crum and Clark Smith will be at St. John Arena for the televising of the Northwestern-Ohio State clash on home hardwood for the Buckeyes. This Channel 4 telecast starts at 8:30, Monday night.

Art Linkletter, popular radio and television performer, will champion the cause of crippled children as national chairman of the 1961 Easter Seal campaign. Linkletter will head the month-long appeal for funds, slated for March 2 thru April 2 in all 50 states. The Franklin County Society for Crippled Children benefits locally. This campaign marks the national organization's 40th year of care and treatment for the handicapped. Linkletter, father of five himself, said, n taking the top Easter seal post, "I like kids — little ones and big ones".

"Walt Disney Presents", begins a two part series on ABC-TV Sunday the 19th on Channel 6 dealing with a wagon train journey to the Pacific northwest. Fess Parker will portray the scout, George Reeves the train captain . . . Comedian George Burns and singer-dancer Kay Thompson visit the Garry Moore Show Channel 10 and CBS Tuesday, Feb. 28 at 10 p.m. . . . "CBS Reports", for Thursday the 16th, is titled "The Case Of The Boston Electra", a report dealing with the prop-jet passenger plane that crashed on takeoff at Boston last fall.

NBC News correspondents Chet Huntley and David Brinkley are described in a Coronet Magazine article as the most popular network news commentators in the free world . . . and also the most quoted. Huntley-Brinkley Texaco report is seen nightly at 6:45 on NBC and Channel 4 in Columbus.

WBNS-TV will honor viewer requests when repeating the award-winning t e l e m e n t a r y "Birth By Appointment," Thursday at 10:30 p.m. Originally telecast Sept. 12, the special program generated the greatest spontaneous viewer response in the 11-year history of the station. This documentary is the story of the Caesarean birth of Brian Keith Cossin at Mt. Carmel Hospital.

WMNI radio announces a new Sunday evening college series which should prove most interesting. The activities of Otterbein College in Westerville will be featured during the "Otterbein Notebook", 7 p.m. on "Mighty 92" radio. Otterbein's Speech Department under the direction of Dr. James Grissinger are producng this informative and entertaining Sunday evening broadcast. Dr. Lynn W. Turner, the school's president, was heard on the first program last Sunday evening.

Bucs Overcome Graduation Losses In Win

By Bob Wilcox

Despite the loss of three starters via the recent mid-year graduations, Central bounced on by winning its first start since losing the trio.

Quite a bit of the slack was taken up by a newcomer to the Bue starting lineup in Tom Fullove, a sophomore up from the reserves. He and Tom Randall both poured 15 points through the hoops to pace the Pirates. Al Foster also hit double figures with 11. Fullove had 12 of his in the first half to get the Bucs off on the right foot. The final was Central 58, [illegible] 45.

Central led all the way, posting quarter leads of 13-10, 30-20 and 44-31. The present 7-2 City League record has moved the Pirates into undisputed second place, a full game over North in third.

The Central Reserves also won, 39-35.

CENTRAL — Taylor 3-0-6, Gilchrest 2-2-6, Moxley 0-2-2, Foster 5-1-11, Randall 7-1-15, Toland 1-1-3, Fullove 7-1-15. Totals: 25-6-58.

EASTMOOR — Lampros 2-1-5, Dwyer 5-3-13, Hollister 2-1-5, Benjamin 2-0-4, Stavroff 7-4-18. Totals: 18-9-45.

WEST LOSES

As has been the case in several of their more recent losses, West had themselves a disastrous second quarter after a good opening, and could never catch up in their 73-50 loss at East last Friday night.

West led at the end of the first period, 15-10, but East took a 30-23 halftime lead and had upped it to 58-33 by the three-quarter mark.

Lew Coles and Charlie Castle poured in four apiece and Dwight Newman added three to pace the Cowboys' fast "getaway." They held a 7-0 lead at one time and East didn't score until it hit on a foul shot with only 3:51 remaining on the clock.

The Tigers then held a 9-4 lead prior to their 15-10 quarter margin. After the score quickly went to 17-12, East pumped in 11 consecutive points to take a 23-19 lead. They were never headed thereafter.

West's Fred Heischman started the second half with his "starters," the "youngster" unit, but soon substituted his "older" unit of seniors, Terry Barnett, Garry Weigand and John Crum and junior Bill Bell. Junior Newman went all the way with both units.

Midway through the final period Heischman reinserted his first unit of Castle, Coles, Ron McDaniel and Rich Neely.

One way you don't win games is by missing bunnies and this is something the Broncos were doing too frequently Friday evening.

The "first" unit put on a little offensive spurt, though a wee bit late, when it re-entered in the fourth quarter, putting six field goals in half the period—the Cowboys' best output quarterwise all evening.

McDaniel still is not scoring as he should but in that spurt he pumped in a nice jumper and a beauty of a tip-in.

Castle and Newman also put in four apiece, the latter finishing the evening with 10 followed by Castle's 10.

East was paced by Joe Shaw's 18, Al Gullick's 17 and Fred Daniels' 12.

East mentor Jackie Moore was exclaiming after the game that big Gullick had had only two good games all season—both against West. He stated that, although East had won some games by fairly wide margins, he still never looked good or contributed to the offense except the two Cowboy tilts.

Statistically speaking — from the field: W—18-58-31 per cent, E—28-77-36 per cent (neither brilliant percentages but East not only hit more but got off more "chances"); foul shooting: W—14-23-61 per cent, E—12-27-49 per cent (showing how the field goals made the big difference); turnovers: W—28, E—10; rebounds: W—34, E—45.

West is currently seventh in City Loop warring with a 3-6 mark.

WEST — Coles 1-2-4, Bell 0-1-1, Crum 0-0-0, McDaniel 3-0-6, Smith 1-0-2, Newman 6-7-19, Castle 4-2-10, Barnett 0-0-0, Neely 1-2-4, Weigand 2-0-4. Totals: 18-14-50.

EAST — Gullick 7-3-17, Daniels 5-2-12, Carter 1-0-2, Mitchell 3-3-9, Wright 2-0-4, Milner 1-0-2, Mendenhall 1-0-2, Shaw 7-4-18, Spikes 1-0-2, Calloway 2-1-5, Hammond 0-0-0. Totals: 30-13-73.

Holy Family took two "on the chin" over the past weekend. Friday evening the Raiders lost to Newark Central Catholic, at St. Mary's gym, 96-61.

Newark's Bob Rogers set a season CCL single game scoring record as he pushed in 45 points with 19 field goals and 7 fouls.

Dom Nicoloff had himself a better than average night for the Raiders as he was the only one to hit double figures in drilling 26 markers.

The Holy Family Reserves had an "almost but not quite" as they dropped a 31-29 decision to the reserves. Newark held quarter leads of 25, 8, 17—24, and 66-38.

Imperials Keep Unbeaten Skein Alive Last Week

The undefeated Imperials posted a 39-18 win over the Rink-Key-Dinks in the Intermediate league at Glenwood Recreation Center, Jerry Claytor led the winners with 10 points.

The Hilltoppers knocked off the Untouchables 42-16. John Conrad sparked the winners with 14 points.

In the final game of the evening, the Hawks and Trojans played til the final 45 seconds before the Hawks won 29-21. Mike George was high man with 13 points for the winners. Richard Moore paced the losers with 11 points.

Massillon Comes Here

Massillon brings an 8-2 wrestling record to Franklin Heights this Saturday afternoon as the two teams collide in a 2 p.m. match.

Hawks-Lakers Are Co-Leaders

A two-way tie for first place indicates the closeness of the race in the Junior Boys Basketball League at Glenwood Recreation Center.

The Hawks and the Lakers each have nine wins and five losses. They are closely followed by the third place Celtics with an 8-6 mark.

The Royals (6-8), Trotters, (5-8), and the Cardinals (5-9) follow in that order.

W. High Grapplers Capture First Win Over Grandview

It seems that all the West High wrestling squad needed to win its first meet of the 1960-61 season was to get a big spread in the paper complete with picture.

Having accomplished that task in last week's Hilltop Record the Cowboy grapplers proceeded to go out and trim Grandview, 24-21, for their first win of the season.

West and Grandview split as far as winning the 12 weight classifications, each winning six. Each team also had three pins. Larry McQuerrey and Dan Snyder, each with a pin, upped their respective records for the season to 10-3-1 and 11-2-1. West hosts annually strong University High at 3:45 Thursday.

In 103 weight—Graham (W) pinned Herd (G) :44; 112—Payl (G) dec. Dennis (W) 3-0; 120—Nachman (W) dec. Claussen (G) 6-2; 127—Lover (G) pinned Gresh (W) 3:41; 133—Teale (W) dec. Penwell (G) 8-0; 138—Guyton (G) pinned Colvin (W) 5:32; 145 — Underwood (G) pinned Pennington (W) 4:53; 154—Snyder (W) pinned Heine (G) 1:11; 165—Larry McQuerray (W) pinned Hagbery (G) 1:42; 175 — Barner (G) dec. Shute (W) 6-4; heavyweight—Montgomery (W) dec. Plunkett (G) 7-0.

Have Hard Time

The West Reserve basketballers, after getting their season off to a booming start with several consecutive wins, have had a hard time since just prior to Christmas vacation.

Last Friday night at East, they let a see-saw battle elude them in the dying minutes. They held a five point lead with two minutes to go, but couldn't hold it . . . via turnovers, etc.

The junior Cowboys particularly hurt themselves at the charity stripe. While East was hitting on 12 of 25 from the free throw line for a not too hot 48-48%, the Cowboys were hitting on a miserable 2 of 14!

Down 9-8 at the end of the first quarter, the West Reserves reversed the procedure of their varsity counterparts of recent weeks and had an extra fine second quarter, garnering 14 points and taking a 22-20 halftime lead.

But they had their troubles in the third frame, hitting only for a measly four points, while East wasn't doing too much better with seven. The squads went into the final stanza with East holding a slim 27-26 margin. But West came back took over the lead and looked like they were "in" but instead they did themselves "in" and that was that . . . in the loss column.

Willie Wells and Bill Hunter each contributed four points in their second quarter spree but only one Bronco hit for the double figures for the evening. That was Rick Meyer with 11.

BUCS—

(Continued from page 1)

On Saturday evening, Holy Family traveled to Scioto Twp. but again came off on the short end of things, 79-60.

Marketeers Hold Ninth Straight Win

With Gary Jewell and Denny Galiucci hitting 23 and 21 points respectively, William Schulze Market blasted Exact Weight Scale 59-31 in a Boys Club Senior Adult League game.

The win was the ninth in a row without defeat and gave the Marketeers their fourth regular season victory.

Quick buckets by Jerry Marvin and Julian Brophy ignited the fuse that sent the Schulze team on a scoring barrage.

Hitting with accuracy from the field and foul line, they upped their lead at one point to 23-7 and coasted in.

In other games, Capital Boozers rewrote the script of what was expected to be a close game by trouncing a usually troublesome Connies Place 66-41. Bill Gill's 24 points led the onslaught.

In the losers' "bowl" Lennies Pizza snapped a five game losing streak by edging still winless Capital City Products 40-36.

Joe Gea led the Pizza men with 15 points.

The Schulze team, leading the league by a half game, will play Capital City Products on Feb. 17 before tackling Gift Street Lutheran.

Though fairly even heightwise, poor defense was the Raiders' undoing. Dan Covletz's 17 and Nickoloff's, 13 paced the losers. Holy Family had 31 personal fouls called against it in the first half, compared to Scioto's 6.. Though the latter's percentage from the free throw line was poorer than H-F, they had many more tries. The H-F reserves again lost, 36-24.

Holy Family's season record now stands at 3-14.

Junior Highs

On the junior high scene, Starling had two engagements this past week, dropping a Tuesday clash to Johnson Park but bouncing back on Thursday to dump Eastmoor 32-29.

Though Starling led at the end of the first quarter 6-4, Eastmoor led at halftime, 15-13 and at the three-quarter mark, 23-22.

But the Starlings fourth period spurt did the trick. Jim Federson and Bob Mathews each with eight, paced the victors.

Also on Thursday, Barrett was was not being a very nice host as it took Hilltonia to the privverbial showers, 64-36. The victors held quarter margins of 19-3, 38-12, and 54-23. Hershal Newman paced the losers with 13 points.

But the game of the week honors for West Siders must go to Westmoor, even in defeat, as they lost to undefeated Dominion in double-sudden death overtime, 52-50.

Westmoor has been noted from its inception into the local sports scene last year for its "scrap", fighting any foe all the way to the wire. So what it did to Dominion was not only typical but an outstanding team performance.

Dominion, besides being undefeated, is considered one of the best junior high aggregations in the last few years.

Dominion led all the way quarterwise, 10-8, 25-20, 34-29. At the end of regulation time, things were all tied at 48-48. The first overtime period ended 50-50, and then the second overtime played as a sudden-death victory to the first team to be ahead by two. Westmoor missed three tries at the bucket themselves before Dominion brought the ball down court for what proved to be the winning basket.

Westmoor had a rash of turnovers at one stage of the regular game and this eventually hurt, but they never gave up and back they came.

BOY MEMBERSHIP INCREASES 12 PER CENT

Scouting Grows During Year

By Craig Weaver

Boy Scouts and Scouters of the Southwest District have chalked up a fine record during the year 1960, the 50th anniversary year of Scouting in America. District Executive Bill Lindsay has released the figures.

An overall increase in membership is placed at 12 percent. In Cub Scouts there was a 9.3 percent increase; in Boy Scouts, 17.1 percent increase, but in Explorers, a 46.7 percent decrease.

Total boy enrollment in Southwestern Franklin County reached 1836 at the end of 1960. There are 721 adults in the program. Units dropped from 62 to 60 during the year.

In the area of advancement, the Southwest District had an 81.2 percent increase in the number of boys advancing in 1960. Of all the troops, 11.7 percent had at least 40 percent of their boys at First Class rank or above.

An 8.7 percent increase in the number of units having two-deep leadership, was announced. Of all the units, 72 percent have two leaders. Quality of leadership went up significantly as the percent of unit leaders with basic training rose 35 percent and 62 percent of all unit leaders have completed basic training offered by district headquarters.

A significant increase in commissioners with basic training was recorded.

Units meeting the standards set for outdoor activities in 1960 stood at: Cubs, 28.6 percent (no increase); Scouts, 69.7 percent (57.2 percent increase); Explorers, 30 percent (a decrease).

Central Point $ $ Days Feature Honest Values

All of the 39 stores and services in the Central Point Shopping Center, W. Mound-st. at Central-av, are joining in the presentation of "Honest Abe Dollar Days," Thursday, Friday and Saturday of this week.

On Friday and Saturday a real live "Abraham Lincoln" will roam the Central Point side walks, dispersing brand new Lincoln pennies to the crowds.

In making known his company's plans for its first Columbus shopping center retail store, Gordon M. Metcalf, vice president of Sears' midwestern territory, said, "This agreement represents an opportunity for Sears to expand its retail facilities to serve the rapidly growing western area of Columbus."

Lincoln Village, site of the new center, has received wide publicity in this country and overseas as a "complete" community embracing residential, commercial, and industrial districts. In 1956 the community was the location for a "Report from America" film on American homebuying made by NBC for the British Broadcasting Corporation and shown on TV and movie screens in 33 countries. Since the first houses were completed in Lincoln Village in the summer of 1954, the community has grown to a neighborhood of some 4500 persons.

Beyond the immediate area of Lincoln Village and the west side, the developer expects Lincoln Center to draw from a wide trade area emcompassing Franklin and neighboring counties.

We believe we can provide greater service by concentrating on ample assortments of a few carefully selected kinds of merchandise rather than offering a limited assortment of a wide range of merchandise."

Cookie Sale Is Slated By Area Girl Scouts

Girl Scout cookie time is here again. Mark Friday, Feb. 17 through Monday, Feb. 27 on your calendar, for a Scout will be calling at your home taking advance orders, in the Hilltop area.

Delivery of the cookies will be made about Apr. 7, and payment will be collected then.

District Chairman will be Mrs. Aaron Bryan, 603 Wedgewood-dr. Assisting her will be Mrs. William Torges, Grove City, Mrs. Edwin Bowman, 556 Larcomb, Mrs. Margaret Woodson, Washington C.H.

Profits from the cookie sale support the Girl Scout camping program.

At present, the Ohio Trefoil Council maintains five camping sites providing camping opportunities to over 13,000 Girl Scouts and Brownies in Delaware, Fayette, Franklin, Madison, Pickaway and Union Counties.

Although the United Fund supports the general expense of the Girl Scout program, the funds alloted only partially fill the needs. Profits from the annual cookie sale make the camping program possible.

Cookies are 50 cents a box and come in four varieties, regular four-flavored sandwich cremes, chocolate mints, shortbreads, and Savannahs — peanut sandwich cookies.

Trio Will Receive Special Scout Medals

CHURCH-SCOUT HONORS will be granted Feb. 12 to (l. to r.) Gene Dorr, Dan Burden, and Mike Dowd.

Three Explorer Scouts of Post 33, Westgate Methodist Church, will receive God and Country Medals on Scout Sunday.

Dan Burden, Gene Dorr, and Mike Dowd will be honored at 9 a.m. services, Feb. 12 at the church.

The youths have completed a year-long study under the direction of Rev. Sidney G. C. Everson. To earn the award, candidates must perform services in five fields of Christian endeavor — faith, witness, outreach, citizenship, and fellowship.

The boys are juniors at West High School. Mike and Dan are ushers at the church, while Gene maintains the outside bulletin board.

Dan, 17, is the son of Mr. and Mrs. Ralph Burden, 3139 Parkside-dr. He is president of the post. Gene, 16, is the son of Mr. and Mrs. Paul E. Dorr, 381 S. Roys-av. An Explorer two years, he is post chaplain. Mike, 16, is the son of Mrs. Joan L. Dowd, 142 S. Westmoor-av. A Star Scout, he has been chairman of an annual Browns football outing and camping trip at Lake Erie for the past two seasons.

Lutheran churches participating in the service are, Hilltop, Our Saviour, St. John, St. Matthew and St. Timothy.

Under the direction of Pat Holdren, youth president, they have engaged Rev. D. Saylor of Mansfield, as evangelist, and Paul Ankrim of Barberton, as gospel singer.

Services at 7:30 each evening will be planned and directed by the Youth Society. Public is welcome

It sometimes seems that the guys who think that the world's ills can be cured with more atomic bomb buttons have lost theirs.

Farmer-Hunter Friendships Cultivated At Annual Banquet

INSIDE ON THE Outdoors
By ROD COCHRAN

Southeast Conservation Club has held its 10th annual Farmer Banquet at the clubgrounds at 885 Hart-rd. This is the event where the more than 500 club members say thank you to the 85 farmers who participated this year in the controlled hunting program.

In addition to a turkey feast, a lively evening was planned for the group in attendance—only the farmers and club members who worked with the various hunting projects, and their guests. Main speaker of the evening was Judge Alan Schwarzwalder of the Municipal Court who appears on the television program "Traffic Court." He related some of his humorous experiences on the bench, and then talked of conserving human beings on our roads and highways. His remarks telling of the dangers of excessive speed were well received.

Also on the program was Dr. Joe Drayer, retired city health official and now at Ohio State University.

Finishing the evening were three films. Two were taken of local club projects — a wood duck nesting program and stocking the club lake with northern pike. The latter activity took place in early January and a hole had to be cut in the ice to plant the fish. It was the first occasion I had heard of stocking through the ice, and the short film of the proceedings were interesting.

The last film was one of the all-time greats in nature photography. The title was "Nature's Half Acre," produced by the Walt Disney studios. It was one of the first of the True-to-Life Series and was first shown in movie houses in this area about seven years ago.

Some of the footage was shot here in Ohio by Cincinnati photographer Karl Maslowski, who has appeared in Columbus with his films sponsored by the Audubon Society and the Outdoor Writers of Ohio. Karl's next appearance here is Feb. 17, at Lincoln Lodge, for the OWO annual convention. The film will be "Open Season", a new one made for the Ohio Division of Wildlife. Time will be 8:30 p.m.

The Farmer Banquet as held by the Southeast Conservation Club is always one of the high points of the hunting year in these parts. While many individuals and organizations are discussing what has been called the "farmer - sportsman problem" this club has been doing something about it.

Hunters Had 18,000 Acres

C. R. Schultz, 3426 Hoover-rd, Grove City, chairman of the controlled hunting program, told me that 18,000 acres were open to hunters this season. "This is not a selfish program where only club members are permitted to hunt," said Schultz, "but a plan where land is posted and all hunters ask the landowner to hunt. It is a plan that promotes hunting by permission only, and the farmers like it.

"The club contacted farmers in five counties this year, but most of the land open was in Franklin and Madison counties. We do send a list to members telling the farmers who are cooperating with us and directions of how to reach each farm. We also provide controlled hunting signs, stock some game and help out with habitat improvement projects if the farmer wants them."

Sportsman clubs all over the state could take a lesson from the 10-year program that Southeast has under way here at home.

Well Records Are Valuable

A water well record is as important as the deed to your property if you depend upon an individual ground water supply according to an Ohio Division of Water expert.

Richard K. Cash, principal field inspector, advises the homeowner to obtain a written record containing information on depth, formation encountered, length of casing, developed capacity, type of pump, depth of pump setting, and the like, from his water well contractor at the time his house is built.

The report is important not only because a prospective buyer is probably going to ask for it, Cash says, but because future maintenance of the well for pump repair, cleaning or deepening will call for reference to the original construction details as given in such a record.

As with deeds, recording of such records is provided for by law, explains Cash. But in the case of well records, the law makes it mandatory — Well Log and Drilling Report is required to be filed with the Division of Water for each water well drilled, bored or dug in Ohio.

Forms are furnished to well contractors, Cash says, including a customer's copy which the contractor may or may not pass on to the property owner.

John B. Thomas asked the missing persons bureau in Montgomery, Ala., to locate his brother-in-law. His relative disappeared four years ago, he said, to avoid paying a dollar traffic ticket.

ST. ALOYSIUS SCHOOL, to be built on Midland-av south of the church, is planned for completion by next fall. The building will contain ten classrooms, multi-purpose room to serve as an auditorium, cafeteria eating area and basketball court; two meeting rooms, administrative offices and kitchen. Outcalt, Guenther and VanBuren are the architects.

New St. Aloysius School Planned

Four Houses Are Razed At Site On Midand Ave.

By BETTY DAFT

A new school on a new site will replace the more than half-century old St. Aloysius School, by next fall.

A modern, one-story, 10-classroom building on Midland-av, south of the church, will succeed the present brick building on W. Broad-st at Clarendon-av, parish school since 1907.

Four residences on the proposed school site are being razed by workmen this week to make way for the new structure.

Construction on the new building is expected to start the middle of March and will be completed in time for classes next fall.

Fate of the existing school and the adjacent frame annex which has served as school cafeteria and parish social hall, is still undetermined.

Fr. William Maloney, parish pastor, disclosed plans for the new school last week.

The building will contain a versatile multi-purpose room, described by Fr. Maloney as having a stage at one end allowing use as an auditorium, with a seating capacity of 500, as well as a cafeteria seating area for 320.

The room will also feature retractable basketball goals and have a basketball court laid out on the floor to permit even further use.

Two small meeting rooms will be divided by folding partitions that may be opened to accommodate a large meeting group.

Other building facilities, in addition to 10 classrooms, will include administrative offices and kitchen.

Sisters of Notre Dame de Namur, teachers at St. Aloysius since its organization, will staff the school along with lay teachers.

Deadline for bids on the structure has been set for Mar. 2.

The present school building was originally a church, school and rectory. The school was opened in 1907, one year after the parish was formed, and occupied two rooms on the lower floor.

Fr. Maloney has been pastor of the parish since August, 1940. During his pastorate a new rectory was built in 1952, housing parish offices and priests' residence.

The old rectory, office and residence of the pastor and assistant for 44 years, was adjacent to the school and was remodeled for classrooms and meeting rooms.

A contribution drive is now under way and Fr. Maloney said he would welcome any help from former parishioners and students of St. Aloysius.

SCHOOL SITE on Midland-av, from the alley behind the church extending south, looked like this early Tuesday morning. Wrecking crews moved in before noon and began razing the four houses standing on lots to be occupied by the school. Last tenants in the houses moved out Monday.

Flowers of the Week

A bouquet of Rosebud Florist lovelies to Jerry Spears, Sr., for his very fine service as a member of the Hilltop Y Board of Management for all the 12 years since it was organized. Jerry was named chairman for 1961 but has declined after a brief acceptance due to his health. The Y has been one of his many interests in this community and he is well-deserving of the plaudits of the area for his support of this fine project. We wish him well!

Lost!

Earl Scott who lives at the rear of 2376½ W. Broad-st, has been unemployed for some time and this past week cashed an unemployment check. The money, intended for rent had been placed in a brown envelope. When he went to Big Bear he suddenly discovered the envelope and cash were missing. Now, if the honest person who may have found it will call BR. 4-2324 it will bring much relief to a worried and needy family.

We Like Our Four Seasons in Ohio

Often the question is posed, "Why do you want to live in this forsaken country?" The question comes from our southern or western friends.

But really, this isn't a forsaken country. While we have experienced some real winter, who would deny that we will enjoy our spring far more than people anywhere?

The winter has been beautiful — it has caused us to slow down. We have all become more conscious of our driving. A lot of people have stayed home. And while there has been some complaining there has been much friendliness. There have been more occasions to cooperate.

Beauty is for those with eyes to see it and hearts to appreciate it.

We would not trade our

Will Send Nine To Boys State

Chester Wagner

Camp Chase Post 96, American Legion, announced this week that it will send nine West area youths to Buckeye Boys State next June.

Chester W. Wagner, 667 Wiltshire-rd, is the post's Boys State Chairman. Wagner said two 11th-grade boys each will be selected from Pleasant View and Franklin Heights High Schools, and five will represent West High.

Buckeye Boys State, a workshop in the American form of government, will hold its 24th annual session June 9 through 17 at Ohio University, Athens.

Wagner has secured sponsors who are helping to defray the boys' trip expenses. Financing two boys each are Hilltop Kiwanis and Hilltop Lions Clubs. Sending one each are Hilltop Business Association, West Franklin Kiwanis, Optimists Club of West Columbus, West Civitan Club, and the Thirteen Club.

In the next few weeks, teachers and principals will select prospective delegates.

Sometime in mid-April two representatives of each sponsor will interview the prospects. Half the youths will be chosen to attend Boys State. The rest will be named alternates.

To be eligible, the juniors must have better-than-average grades and must possess the qualities of leadership, sportsmanship, scholarship, and courage for service. Also important are self-reliance, personality, and the ability to compete with others of like standing. A preference for civics, public speaking, or debate is desirable.

We Got A Boot Outa This

Classified ads serve the people in 1001 ways.

If you don't believe it, read this grateful letter from one happy subscriber to Hartley Newspapers.

Gentlemen:

"Enclosed is my check for $1.80 in payment of my "lost" ad which appeared in two of your papers on Jan. 26.

"Since the boot I lost was the mate to one I had, and since the cost of advertising was less than the price of a new pair of of boots (by several dollars), and since I have two [illegible] boot, was of no value to me. I invested in an ad, never really believing I'd recover my lost footwear."

"Much to my surprise, Friday evening I received a phone call. The gentleman on the other end of the line informed me my boot was on top of the mail box in front of Gray's Drug Store at the Great Western Shopping Center. I rushed over . . . . and happily took possession of my boot."

"All's well that ends well! My thanks to you, my unknown phone caller and Gray's Drug store. In closing, I firmly state IT PAYS TO ADVERTISE.

Sincerely, Nedra M. Freitag

Gilmore Stays, Drake Leaves Council Race

An independent candidate for City Council from the Hilltop refused to step aside last week and allow party endorsed candidates to avoid a May primary election battle.

Donald E. Gilmore, 3131 Mary-av, said he was just exercising his rights as an individual in seeking a primary nomination for council.

Gilmore said pressures had been brought against him to withdraw and allow the three Democratic and Republican candidates to sidestep the primary and enter the November general election uncontested.

"I had planned to run for council for some time," he stated, "and the last thing I intend to do is drop out."

Former City Clerk Russell Drake, who had announced earlier that he also would run against the party candidates in May, backed out before the deadline last week because he felt it better to avoid "a big fight in the Democratic party."

Gilmore, who says he has voted in both Republican and Democratic primaries, said he holds allegiance to no party. "I think it's time for the individual in Columbus to speak up," he added.

He criticized persons who had blamed him as the cause of the primary. "Either party could have dropped a candidate and kept us from a primary," he surmised.

The only candidate from the Hilltop and West Side in the race, Gilmore said he has high hopes for success.

JERRY SPEARS, SR.
. . . declines, with thanks

John Roman Advanced To 'Y' Board Chairman

John Roman, 3015 Crescent-dr, an executive of Westinghouse Corp., was named chairman of the Hilltop YMCA Board of Management at the organization meeting of the new board last Wednesday. Roman has been a member of the board for several years. He served as first vice-chairman three years and was building committee chairman.

Roman succeeds C. Carlton Hartley who served as chairman of the board for the past 13 years since it was organized.

Jerry Spears, Sr., 2685 W Broad-st, a charter member of the board and an officer all these years, was elected chairman of the board for 1961. He expressed his appreciation to fellow members but stated that because of recent ill health he felt he should resign. In doing so, Roman, first vice-president, was elevated to the chairmanship.

J. Ray Anderson, 895 Chestershire-rd, was elected second vice-president.

A third vice-chairman will be elected at the March meeting.

New board members were officially welcomed at the February session.

School Builds Shelter Effort

Now in its sixth month, St. Mary Magdalene School's disaster survival plan for children is moving ahead with determination.

There's nothing quite like it elsewhere in Central Ohio. And because of that its progress is being watched by many.

Here's the score to date: Of the 330 school families, 328 are giving active support to the program. Three have not committed themselves, and eight remain undecided as to the merits of "take-cover" vs. mass evacuation in case of threatened enemy attack. Seven feel that they could get their children home in time; the remainder said they're not interested in the plan.

The school's Emergency Care Committee believes that advance warning time has grown so short in this missile age that a basement shelter at the school is the best protection.

Fund Reaches $500

Tackling their project on a grass-roots level, the parents already have put up $500 toward the construction of a well for emergency water supply. Last week the chancellery office gave approval for drilling

(Continued on page 6)

Panel Slated Next Tuesday

Participating parishioners and the general public interested in the St. Mary Magdalene civil defense work are invited to hear more about it at 8:30 p.m. Tuesday, Feb. 21 at the church basement, 472 S. Roys-av.

Heading a panel discussion will be: Col. John F. Britton, vice wing commander, 376th Bombardment Wing; Maj. Boyd P. Bellamy, 301st Air Division Base CBR officer; and Russell Pennell, director of Franklin County Civil Defense; and Col. E. Starr of the state adjutant's office.

A film on the government's responsibility in civil defense also will be shown.

Best Citizen Nominations Will Close

This is the last chance to nominate your choice for "Best Citizen."

Rather than take the chance that your nominee might not be named for consideration, write down your choice and a few words about his or her accomplishments during the past year.

A person may be nominated for "Best Citizen" for many reasons. He may have done an outstanding job in his profession, served as a public official, donated his time to church and community work or just performed an appreciated task during the year.

All entries should be made to this newspaper by Wednesday, Feb. 22. Winners for each of the seven newspaper areas will be announced early in March.

Don't let a deserving person be ommitted from consideration. Make your nomination today!

SUBSTANTIAL ADDITION to the disaster preparedness equipment at St. Mary Magdalene School is this government surplus generator. Unloading it are (foreground, from left) Frank Welch, 93 S. Roys-av; Robert Young, 578 Somerset-rd; and (background) Joseph Lennare, 710 Gainsborough; John Dinneen, 4135 Dixie-ct, and Raymond Cole, 677 Josephine-av, chairman of the shelter's heating and ventilation work. At far right is Mrs. John Dehnert, 2388 Wicklow-rd, chairman of the entire project.

Dr. Jae Trevino Selected To Be A Big Brother

'IT'S A TIGHT SQUEEZE'

LETTERS TO THE EDITOR:

Medical Association Scolded By Local Veterans Council

To The Editor:

The Nationally Chartered Veterans Organization of Franklin County expresses its concern about the article appearing in the Sunday edition of a daily newspaper on January 29 which tends to confuse and mislead the general public regarding the hospital care of veterans.

It is surprising that only parts of the facts are presented. For example the AMA charges that veterans drive Cadillacs to the hospitals. Was the Cadillac new or old? Did the Cadillac belong to the veteran, to a doctor or a friend? Obviously the AMA did not establish ownership of the Cadillac.

One might decide that all doctors are rascals when one commits a crime or when one is guilty of unethical practices.

Cannot the AMA base its cases on facts instead of a few isolated [redacted]?

What a hollow, hypocritical sound there is now to the arguments of patriotism and national security which the AMA now tries to use in its desire to destroy those things the veterans are entitled to.

Their statement is that money no defense when it is needed.

It would seem that some members of the AMA think only of is needed for defense. If those men who fought for this country are not deserving of consideration for their part they played in time of need, there would be the amount of money they are not receiving rather than the obligation due the veterans of past wars.

We of this council object to all veterans being classed as chiselers when there are only isolated cases of such.

Let's be fair to our veterans.

The council is composed of V.F.W., D.A.V., Amvets, Veterans of World War One and the Military Order of the Purple Heart.

H. O. Parke, president C.C.V.C. of Franklin County.

And Our Thanks Mr. Secretary!

Many Outdoorsy Topics At Writers' Meeting

INSIDE ON THE **Outdoors** By ROD COCHRAN

Despite winter weather, fishing, hunting and camping will be in the air next weekend, Feb. 17 to 19, when the Outdoor Writers of Ohio, Inc., hold their annual meeting at Lincoln Lodge. Beginning at 8 p.m. Friday evening, the first session will be open to the public, according to Don Miller, president of the group and outdoor editor of the Elyria Chronicle-Telegram.

"This session will bring the writers and the public together to trade stories and discuss topics ranging from how to catch bass in Ohio to hunting elephants in Africa," Miller said.

An exhibit of typical outdoor writer's equipment will be on display during the three-day meeting. Beverly Kanode of Westerville, "Miss Central Ohio," will pose for photographers at the display, Miller announced.

Bear Hunter Scheduled

Polar bear hunting with bow and arrow inside the Arctic Circle will take those attending the banquet Saturday night "Two Leaps Away From Death," —the title of a speech by Fred Bear, president of the Bear Archery Company, Grayling, Mich.

Bear's experiences in Alaska, hunting the giant polar and Alaskan brown bears, promises to keep even the most seasoned sportsmen-writers on the edge of their chairs. The trip described is the same journey when Bear killed a world's record Kodiak, the largest ever taken with bow and arrow. The animal had a 27¾-inch skull.

How to call a fox to the muzzle of a loaded gun will be one of several demonstrations at the free Friday evening session, to which area sportsmen are invited. Columbus radio personality Ken Mack will introduce Ray Weaver, outdoor editor of the Cambridge Jeffersonian, who will do the fox-calling. Weaver has published widely on this sport, one at which he excells.

"The opener will be interesting and full of color as the writers, some recently returned from all parts of the world, meet with the public to answer questions and talk hunting, fishing and natural resources," Miller added.

The writers will enter concentrated sessions Saturday to explore present world-wide hunting, fishing and natural resource projects and problems of the future. The meeting is also set up for the writers to broaden their skills in various areas of communications. Scheduled to speak are top men from wire services, public relations, photography, radio, television, newspapers, magazines, special-interest organizations and government.

All in all, it shapes up as an "outdoorsy" weekend, and will be welcomed almost like a breath of spring.

Caught Green-handed

Gardener Ralph Seagrave, of Arnold, England, sweated for months to raise six red cabbages for a garden show. He was dismayed when he discovered someone had stolen them. They turned up at the show where they won top prizes for the man who admitted stealing them.

NO TALE THIS

THIS NOT A WHALE, but Jerry Kaltenbach, 3801 Hayden Run-rd, Amlin, Ohio, may have thought so when he was reeling in his 214-pound Warsaw grouper. He caught the 5-foot 9-inch trophy off the Ft. Lauderdale coast. A few days later Jerry went out in the same waters and hooked a 170-pound hammerhead shark which was over eight feet long.

Rosalind Smith, David Watts Repeat Marriage Vows In Home Ceremony

Arrangements of white mums, snapdragons and palms with white candelabra decorated the mantel of the bride's home for the marriage of Miss Rosalind Grace Smith and Mr. David Richard Watts, Jan. 29.

Rev. Harold Dull, pastor of Westgate Evangelical United Brethren Church, read the wedding service at 6:30 p.m.

The bride is the daughter of Mr. and Mrs. James R. Smith, 2656 Johnston-rd, and the bridegroom, formerly of the Hilltop, is the son of Mrs. Kenneth J. Hemlinger of Ann Arbor, Mich.

The new Mrs. Watts chose for the occasion a slim street-length sheath of white brocade with high bateau front neckline. A shirred cummerbund of tea rose taffeta extended at the back into butterfly panels.

A matching pill box of brocade held her shoulder-length veil and she carried a white fur muff topped with pink shattered carnations and tiny white lacey hearts.

Mrs. Charles Pennington served as matron of honor for her sister. Her frock of pink brocade with valentine red taffeta cummerbund and panels was styled identically with the one worn by the bride. She wore a white fur hat with tiny red rosebuds and carried a bouquet of red carnations with white hearts, attached to a white fur muff.

Mr. Fred F. Watts served as bestman for his brother, and guests were seated by Mr. Charles H. Pennington and Mr. James R. Smith II, brother of the bride.

Hostesses for the reception following the ceremony were Mrs. Calvin Cooley, Miss Patricia Hiser and Miss Janis Cooley.

Mr. Watts attended West High School and is now serving with the United States Air Force, stationed in Japan.

The bride will be graduated from Dublin High School in June and will then join her husband in Japan.

the well on church property.

Several days ago a government surplus power generator was delivered to the school. Men of the parish are donating labor and know-how to see that the unit is properly installed and able to furnish electricity at a moment's notice. With the assistance of the state adjutant general, the committee located and purchased the generator through the Educational Program of Surplus Property, State of Ohio.

Supplies Put in Basement

Although the weather has held up some of the preparations, such as installation of air raid sirens, some take-cover drills have been held. A defense manual is in the works. January 20 and 21 were designated as the days when all families stocked the church basement with emergency rations for every child. Each box holds a blanket, food for 14 days, and medical and personal supplies.

Under the committee plan, the 328 families are building toward a goal of more than $5,000 for the purchase of more supplies and necessary equipment to complete the program by the end of this school year.

It was estimated that donations of $1.50 per child per year would be required to keep stocks of food and medicine in the proper state of preservation. Payment is voluntary. One committee representative is assigned to each of the 16 classes and receives the payments which are then turned over to the treasurers, Raymond S. Cole and Sally E. Nuber.

State's Committee's Objective

The plan covers 750 children and their teachers.

Defining the work of her group, Mrs. John Dehnart, chairman, said: "We are only concerned with the period between when disaster strikes and when outside aid can mobilize."

Mrs. Dehnart, wife of an Air Force sergeant, recently was named one of Columbus' ten outstanding women, as a volunteer worker. As the statistics show, she is getting a good measure of support in her civil defense efforts. A few disgruntled callers, usually anonymous, are part of her daily routine, however.

Backing her belief, Mrs. Dehnart wrote this paragraph in one of the many bulletins sent by her committee to the parishioners: "Several of the families comprising the 39 who were not interested felt the program was not necessary because the government had not thought it important enough to do.' Last December several Air Force men gave their lives, participating in a routine alert mission at Lockbourne in order to be ready if and when an attack upon this country comes. Our Strategic Air Command keeps a certain number of our planes in the air at all times in case of a surprise attack. One can only ask: 'Were these lives given in vain? Are their children fatherless for nothing? Is any sacrifice too great?'"

DUTCH MAIDENS' CAPS are being sewn by Mrs. Fred C. Carper, 2966 Parkside-rd, for members of Girl Scout Troop 1048 in preparation for a skit on the Netherlands. Looking on are Susan Edwards, 9, left, 257 S. Westgate-av, Mrs. Donald V. Stout, center right, 2990 Parkside-rd, troop leader, and Vicki Stout, 9, right, 2990 Parkside-rd.

Hilltop Girl Scout Troops Set Feb. 19 For Friendship Program

Members of Girl Scout Troop 1048 are receiving outside assistance from Mrs. Fred C. Carper, 2966 Parkside-rd, in preparing for the annual "International Friendship and Juliette Low" program to be held Sunday, Feb. 19, at Westmoor Junior High School.

Each year 21 Hilltop Girl Scout troops honor foreign countries by presenting skits, folk songs and dances, dressed in the finery of that country.

Troop 1048, headed by Mrs. Donald V. Stout, 2990 Parkside-rd, chose the Netherlands for their presentation and sought the sewing assistance of Mrs. Carper to create 12 authentic Dutch costumes.

Mrs. Carper applied her needle-knowledge to create Dutch hats, aprons and pigtails. In addition to skits the participating troops display their accomplishments in craft work at the annual program.

Gladden Gets U-A Vote Of Confidence

A Valentine in the form of a $2803 increase in UA funds for 1961 was handed to Gladden Community House, Tuesday night, at the 56th annual Board of Trustees dinner. Bearer of the good tidings was John Elam, retiring president of the board.

Highlight of the annual report on Gladden's activities, as presented by Executive Director Almaron M. Wilder, was the development of neighborhood services. November saw the organization of a West Side Neighborhood Council. Gladden is the focal point and clearing house for this new council, whose purpose is to give the entire West Side a voice in public affairs.

Attorney Elam also informed the group that Peachblow Camp, near Delaware, had been sold to a realty firm. Poor condition of the camp had prevented Gladden youngsters from using it last year. United Appeal has been asked to arrange financing of small group camping in the United Community Council Camp in the Hocking hills for Gladden's use next summer.

Mayor W. Ralston Westlake installed new board members and the 1961 board officers and executive committee, headed by C. Gordon Jelliffe as president.

Wilder outlined Gladden's 1961 goals, which include expansion of group work (there are now 21 groups) and increasing the fine arts program. Outstanding among 1960 accomplishments, he said, was the hiring of two staff members holding Master's degrees in social work. Gladden members took part in the annual sports banquet of the Columbus Federation of Settlements in April and also in a joint summer camping program with Godman Guild.

Expanding on the group services theme at Gladden, Wilder pointed out that the 21 current groups include 225 persons of all ages under social worker supervision. Thirty Friendship clubs with 365 members also are served by volunteer and undergraduate staffers. A third category, representing 328 individuals in 32 groups, enjoy volunteer and professional staff leadership in the fine and creative arts area. Special groups form another facet of Gladden activity, with 358 individuals participating in basketball leagues, summer resident camping, first aid classes, study halls, and the like.

The operating budget for 1960 was $43,590.56, consisting of $42,109 from United Appeal and $1,487.56 raised by the agency. The 1961 operating budget is composed of $44,906 from UA and $1550 from the agency and neighborhood, totaling $46,456.

Dr. D. Luther Evans of the board of trustees presented the Washington Gladden Memorial and invocation prior to the dinner. Russell Leach, city attorney and board executive committee member presided over the meeting which followed.

Board and staff introductions were made by J. Richard Jeffrey, new second vice-president; and James W. Phillips of the 1961 executive committee elaborated on "What Is A Board Member?" Rev. Clifford Crook of St. John Lutheran Church gave the benediction.

In addition to Jelliffe as president and Jeffrey as second vice-president, 1961 officers installed by Mayor Westlake were Herschel S. Stephan, first vice-president; Mrs. Harold Andreae, secretary; and William R. Hucle, treasurer.

The 1961 executive committeemen sworn in by the mayor included Mrs. William F. Boothby, Miss Marguerite Buel, Elam, Leach, Phillips, Thomas Walker, Mrs. Richard H. Wallace, and Mrs. Walter Wilson.

Also installed were six new [illegible] Donald Dunn, Prof. Frank Longo, Mrs. John M. Lowery, Calvin Park, Dr. Robert Reinhart, and Fred Taylor.

Other members of the board include Mrs. Homer W. Chamberlin, Dr. Evans, Roger D. Kennedy, William D. Klentz, W. F. Laird, Mrs Robert Lazarus, Charles W. Medick, William O. Randall, Robert B. Sherman, Ed P. Slyh, and H. O. Tice.

Honorary life members are Ewing Boles, Mrs. F. C. Caldwell, H. R. Hartman, Mrs. John Kennedy, Miss Mary L. Harlows and Mrs. Frederick Shedd.

Stephan is Gladden's representative to the board of the Columbus Federation of Settlements.

Pirates Only Team Able To Tie Loop Leading Linden

By BOB WILCOX

Aquinas rolled out to an early 7-0 lead last Friday night at West, but the Cowboys bounced back to end up on top in an 86-76 clash.

The Irish led again at 9-5 and 11-10 but after a 13-11 margin, West took the lead at 14-13 and was never headed. The Broncos led at the end of the first quarter 18-15.

Halftime found the Broncos edge increased to an even 10 as the scoreboard read 40-30. They jumped this to almost a 20 point spread most of the second half, leading at the end of the third frame 66-45.

It was quite a hectic game at times, as fouls and scoring came fast and furious.

Lew Coles had his best night since joining the West varsity as he and Charlie Castle each pumped in 20 points to pace the attack. Dwight Newman also hit for double figures with 11.

For Aquinas, it was Don Grote and Bob Plank each with 18, Jim Olney with 14 and Tom Burke with 12. Aquinas scoring ace Burke was held scoreless the entire first half . . . and Olney picked up 12 of his 14 markers in the second half.

West had little trouble and carried a 20 point spread through most of the second half. However, after Coach Fred Heischman cleared his bench some of the Terriers got late "hot hands" against the subs, the final lead was cut down to 10.

Statistically: field goals, W-36-85-42 per cent, A-28-70-39 percent; foul shooting, W-14-29-48 per cent, A-22-48-46 per cent; turnovers, W-12, A-14; rebounds, W-52, A-42.

West's shooting percentage was not sensational but much better than some evenings this season. The Cowboys got off 15 more shots from the floor while the Terriers were hitting eight less field goal tries.

West . . . Coles 10-0-20, Crum 3-3-9, Smith 1-2-4, McDaniel 4-0-8, Bell 0-2-2, Newman 5-1-11, Meyers 2-1-5, Castle 9-2-20, Weigand 0-0-0, Neely 2-0-4, Barnett 0-2-2. Totals: 36-14-86.

Aquinas . . . Burke 4-5-13, Dittoe 3-2-8, Grote 5-5-15, Plank 4-7-15, Olney 6-2-14, Mental 1-0-2, Pollsene 4-1-9. Totals: 27-22-76.

John Crum continued to produce whenever in the game. Newcomer Smith looked more like an up and comer. Rick Meyer, up from the reserves for the first evening's work, showed very well while in the ball game. He may be the height solution so badly needed in upcoming basketball warring.

The West Reserves also got back on the winning trail and were never headed as they posted quarter leads of 16-9, 28-16, 39-25 and a final score of 49-37. High point honors for the winners went to Bill Hunter with 15 followed by Larry Graves' 12 and Ray Lucas' 11. Mental paced the little Terriers with 17.

Scoring leaders for the Bronco reserves by quarters were first, Hunter and Graves with nine and seven; second, Lucas and Hunter with four and three, third Lucas with five and the final stanza with Graves and Hunter four and three.

CENTRAL

Central had a .500 weekend, winning a City League tilt against Marion-Franklin, 70-64, on Friday evening and then losing Saturday night to Springfield South, 64-48.

Central's title hopes in the City loop race were kept alive for the second straight week since he was called up from the reserves to a varsity starting spot by Tom Fullove as he pushed in an amazing 34 points to pace their win.

The Bucs, now 8-3 in the loop, have the only chance of tying Linden for the title. They meet at Central this Saturday night.

M-F led at the end of the first period 18-9 but by halftime Central had taken over with a 35-23 lead and at the end of three quarters the Bucs led 52-36. George Gilcrest and Tom Randall with 10 and 12 points respectively also paced the Bucs.

Central . . . Taylor 3-1-7, Gilchrest 4-2-10, Foster 1-0-2, Randall 5-2-12, Toland 2-1-5, Fullove 11-12-34. Totals: 26-18-70.

Marion-Franklin . . . Wiggins 2-1-5, Eichner 1-3-5, Enyart 3-4-10, Fisher 3-3-9, Martin 7-1-15, White 0-3-3, Gibbs 3-1-7. Totals: 19-16-54.

The Central Reserves edged out a 41-40 squeaker over a M-F's reserves.

On Saturday night, the Wildcats' overpowering fast break was the deciding factor as Springfield led the entire way 21-16, 34-23 and 45-33. Fullove again led the Bucs with 19 points followed by Gilchrist's 13.

Central . . . Gilchrist 4-5-13, Randall 2-0-4, Taylor 2-2-6, Fullove 7-5-19, Foster 3-0-6. Totals: 18-12-46.

Springfield South . . . Snow 7-5-19, Westphal 7-1-15, Tucker 3-1-7, Henry 2-2-6, Willman 5-3-13, Curry 1-0-2, Swartz 1-0-2. Totals: 26-12-64.

Holy Family

Holy Family bowed to St. Charles Saturday evening, 62-23, and the latter thereby clinched undisputed title to the 1960-61 Central Catholic League crown.

St. Charles dominated the boards as well as the scoring. Holy Family got off the shots but there was not enough to near stem the tide.

The St. Charles reserves also had a romp as they jumped H-F's reserves, 56-13. No one hit double figures for H-F.

THESE GIRLS represent the 1961 version of the West High Girls interschool Basketball team. Team members are (from left to right), first row: Anne Ralley, Chriss Garfrey, Betsy Prout, Eileen Willis, Vera Dixon, Donna Wood, Pat Cotter, Deloras Hardwick, and Mary Gabriel; second row, Nancy Kern, Judy Rausch, Bonnie Parker, Barbara Hunter, Trina Mitchell, Sandy Cook, Karen Griffin, Ruthanne Ralph, Judy Dickinson and Lynn Fullerton.

DON BRONCO UNIFORMS

Girl Cagers Now On Scene

By Bob Wilcox

Let's take a look at a brand new outfit at West High these days.

It's the new girls' interschool basketball team — actually two teams, a varsity and a reserve.

The team was organized and is coached by Mrs. Irma Mason, serving her first year as one of the girls' physical education directors at West.

Since its inception this year the team to date has compiled an enviable record, which is unblemished at present, 3-0. The varsity team has dumped Marion-Franklin 19-9, Upper Arlington 30-20 and Franklin Heights 29-7.

Meanwhile, the "B" squad sports a 2-1 season mark, downing Marion-Franklin 24-9, losing to Upper Arlington 19-16 and then bouncing back to take Franklin Heights 27-9.

The varsity squad is composed of forwards Anne Halley, Chriss Carfrey, Vera Dixon and Karen Griffin; guards Pat Cotter, Judy Rausch, Bonnie Parker and Lynn Fullerton. The B team forwards are Nancy Kern, Eileen Willis, Ruthanne Ralph, Betsy Prout, Tina Valentine and Mary Gabriel. Guards are Deloris Hardwick, Trina Mitchell, Sandy Cook, Barbara Hunter, Donna Wood and Judy Dickinson.

The teams were selected after all-school tryouts were indulged in by West's aspiring lassie basketballers.

Halley had the "hot" hand with 12 points in leading the A team to its opening victory over M-F as West overcame a scoreless first quarter and took a 5-4 halftime lead.

It still led at the three-quarter mark by 12-8 and then continued scoring while holding M-F scoreless in the final period.

West totals: Halley, 5-2-12; Carfrey, 2-0-2; Dixon, 2-1-5; Willis, 0-0-0. Totals: 9-3-19. M-F totals: 3-2-8.

In the M-F B game, Prout paced West with 10, followed by Kern with six Griffin and Valentine with four each.

Griffin was moved up to the varsity for the U-A game and showed her gratitude by pumping in 14 points to lead the winners. Dixon was right behind with 13.

Again West trailed at the end of the first period, 7-4, and still trailed at halftime, 14-9.

But the third quarter found them warming to their task and taking a three-quarter mark lead, 24-16.

West: Griffin, 7-0-14; Dixon, 6-1-13; Carfrey, 0-2-2; Halley, 0-1-1. Totals: 13-4-30. U-A totals: 9-2-20.

In the most recent outing last Saturday, Dixon hit her high to date, pushing in 15 points, in leading the Cowgirls to their third win. Halley backed her up with nine counters.

However, the gals reversed their previous procedure and led all the way, posting quarter scores of 7-2, 17-3 and 24-4. Not only was their offense scoring but more potent was their stunning defense in holding F-H to only two points the entire first half and four for three quarters and seven for an entire game.

West: Dixon, 7-1-15; Halley, 4-1-9; Griffin, 2-0-4; Carfrey, 0-1-1. Totals: 13-3-29. F-H totals: 2-1-7.

Herb Webb Sets Glenwood Scoring Mark

In the senior boys' basketball league at Glenwood Recreation Center, Herb Webb of the Astronauts set a scoring record by tossing in 41 points and leading his team to a 85-37 romp over the Emulsifiers.

Other scoring honors went to Art Thompson and Dick Rogby with 19 and 12 points, respectively. Ted Miller scored 19 points for the losers.

The Untouchables squeezed by the Little Bucks, 37-31. Dorcus Clayton was high man with 17 points for the winners.

The Cavaliers rocked the Rebels, 78-22. Leading the way was Roger Street with 19 points.

The Midgets and Pembe Lou's played to the final second before Charles Johnson scored on an eight-foot pump shot to give the Midgets a 56-54 edge. Charles Johnson and Bob Montgomery scored 26 and 16 points respectively, for the winners. Chuck King had 14 for the losers.

Johnson Leads Jayhawker Five

In senior action this week, the Sunshine Leaders won by forfeit over the Boys' Club at Sunshine Recreation Center and the Jayhawkers defeated the Celtics, 64-32.

Bobby Johnson led the Jayhawkers with 26 points.

Consumer Report

Food Market This Week

by ESTELLE S. FRANKS

THIS WEEK SHOP FOR:

Meats and Poultry—Steaks cut from round, loin, and rib of beef, Boston butts, fryers, large eggs.

Vegetables—Cabbage, lettuce, snap beans, potatoes, turnips, onions.

Fruits—Grapefruit, apples, bananas, rhubarb, cranberry sauce.

CHERRY PIE COSTS MORE THIS YEAR

Planning to make a fresh cherry pie for the family next week? If so, you may already have noticed that red sour pitted cherries are scarce—and about as dear as the dollar Mr. Washington tossed across the Potomac. Reason?

Stocks of canned sour cherries Jan. 1 were 47 per cent below a year earlier. This shortage goes back to the smaller 1960 cherry crop. Although carry-over stocks from the previous year were large, this didn't begin to offset the reduced pack.

Frozen cherry supplies, too, are far short of demand. So, prices on both canned and frozen sour cherries are on the high side, and the strong demand that always comes in February will keep them high.

Substitutes for cherries may be in order at your house this year, knowing the present supply-price situation for cherries. Cranberry products, fresh greenhouse rhubarb or strawberries will provide something comparable in color. Still fairly new on the market is jellied cherry sauce. Sold in 12¼ ounce cans, it's suitable for use as a garnish or for salads and desserts. You'll be delighted with its color.

CRANBERRY GLAZED HAM

If you want the cleanest plates ever, just surprise the family with a cranberry glazed ham. And here's the way to prepare it:

Bake the ham according to instructions on the label. However, about half an hour before baking time ends, remove the ham from the oven. Score fat with sharp knife, stud with cloves and pour off any drippings that have collected in the baking pan. Crush jellied cranberry sauce with a fork and stir in one-half cup of brown sugar for each pound can of cranberry sauce used. Spread half this mixture over the ham, and return to the oven. Bake for 30 minutes, basting occasionally. Heat the remaining half of the sauce for serving with the ham.

You'll not only have a colorful, eye-appealing dinner, but ham like you never tasted before. Maybe the family won't even miss cherry pie!

Sullivant Friends Attendance Race To Start Sunday

First Friends Church of Cleveland has challenged Sullivant Avenue Friends Church to a Sunday School attendance contest, beginning Feb. 19 and continuing through Apr. 2.

During the last six months of 1960 Cleveland had 136 as an attendance average and Sullivant had 146. At 10:20 next Sunday morning Cleveland Church will call Columbus, reporting its attendance.

Sullivant has installed equipment so the congregation can hear the telephone conversation.

Superintendent, William Kearney, heads the blue team with Tom Strauser as co-captain.

Mrs. Ralph Blackburn is captain of the red team with Mary Kay Shaver as co-captain.

The winning church will receive a cash deposit at the Friends Book Concern, Damascus, for added volumes to the Church Library.

There are people in the United States today yelling their heads off in praise of democracy without having ever understood what democracy means.

The profit from the sale of this fine candy is going to help YMCA WORLD SERVICE. Seventy-eight nations now have YMCA's, and over half of these have been started by YMCA WORLD SERVICE Secretaries sent out from the United States and Canada over the past sixty-nine years.

YMCA WORLD SERVICE: makes possible many schools (many countries don't have free public schools like we have); provides rural work in many countries (teaches people how to raise better crops and livestock); teaches health and physical education (many of these countries would not have Olympic teams today if the Y had not started physical education there years ago); promotes camps and camping (in some countries the only camp of any kind is the Y camp).

Your local YMCA will be glad to furnish additional information on YMCA WORLD SERVICE—and would appreciate it if you would tell your friends about this delicious candy.

PRIVATE LAW ENFORCERS

West Side Police Swing Into Action With Violets, Vandals

If a West Side resident has a violet which he wants kept, or a burglar he wants caught, chances are he'll pick up his telephone and dial BR. 9-4765.

He'll ask for Carl L. Noble who will listen to his woes and act accordingly—fast and effectively.

Noble, 874 Binns-blvd, is currently the owner of the West Side Special Police—a privately owned police force with a 13-year reputation for good protection.

"We run into a lot of strange assignments in this type of work," Noble related. "Once we were hired to water a Hilltopper's violets while he was on vacation."

The private policemen serve persons west of the Scioto River to New Rome.

For nine years Noble served with a funeral escort company and was also associated with the Franklin County patrol.

Noble and some of his men have also served as special deputies to Sheriff J. Paul.

A recent example of the effectiveness of the outfit was the apprehension of two persons last Feb. 5 at Riverside Market.

This particular apprehension was made by Nobles son, Ronald. In such cases as these, the Special Police group works closely with local city and county law authorities.

In a more routine day, Noble related that they check local businesses for open doors and windows as an insurance safeguard.

They are also constantly on the lookout for fires, prowlers and suspicious persons and automobiles.

Has Spotted Fires

Noble credits his organization for reports of trouble at such places as Beaver Press and Westgate Cocktail Lounge which were recently hit by fires.

—The Special Police offer construction and plant guard service, merchant police service, vacation and residential policing and private investigation—all on a 24-hour basis.

The group is currently servicing about 160 business establishments in the West Side area, including Central Point and Great Western Shopping Center. They also give aid to stranded motorists and give directions to lost persons.

They have two marked cruisers and two plain cars — all equipped with the latest two-way radio and city-band monitor equipment and have their own base station and dispatcher in the office in Noble's home.

In big city emergencies, the West Side policemen have been called to the Penitentiary Halloween fire and are asked to fill in for city police when they are called to a special portion of the city.

They have guarded the construction at Lincoln Village for the last five years — keeping thefts and vandalism to a minimum.

What's ahead for the group? Noble had this to say:

"We're now intensifying plant guard service, offering walkie-talkie and phone report service —in-plant as well as out.

"We also enforce rules of conduct at local drive-ins and other places where vandalism might break out.

"And we're having our men take training in a judo school to make them more capable of handling certain situations."

CARL L. NOBLE, owner of the West Side Special Police writes down the address of his next assignment. Maybe it's a job of watering someone's violets or, maybe, it's a call to help with the capture of dangerous criminals. It's all in a day's work for this group.

9th Ward Democrats To Meet Tuesday

The Ninth Ward Democratic Club will hold its regular meeting, Tuesday, Feb. 21, at the Gladden Community House, W. Town-st and Hawkes-av, in the Adult room, at 7:15 p. m.

Installation of the 1961 officers, the ceremonial obligation to be exemplified by Honorable John J. Duffey, judge of the Court of Appeals.

Westinghouse Goes Home-- Over TV

Home is not only where the heart is, it seems, and Wednesday, Feb. 15, southern and central Ohio appliance dealers found out that home is also where Westinghouse is — via television.

Neil C. Davis, district manager for WAS in Columbus, Cincinnati and Dayton, said the telecast idea — handled by the Crosley Broadcasting Corp., was picked to avoid the hazards of mid-winter travel as well as to increase the number of non-Westinghouse dealers who could attend.

The half-hour sales meeting was aired at 7 a.m. this morning (Wednesday), and included sales training and incentive programs for the 1961 room air [illegible].

The telecast was pre-taped so that Davis and his sales force could actually be with key dealers during the showing.

Hilltopper Is Chairman Of Hairdressers' Meet

James Victor of California, style designer for John Robert Powers of Hollywood, was guest hair designer.

Registration will start at 8:30 a.m. The conference will be conducted this year by the H. B. Maynard and Company, Inc., following the theme "Overhead Cost Control." Particular emphasis will be placed on work measurement and the control of maintenance, clerical and engineering costs.

Supervisory and management personnel, along with industrial engineers and anyone else interested in this subject may attend. Registration fee is $12.50 for AIIE members, $17.50 for non members ($5 of which can be credited toward membership) and $3 for AIIE student members. We are encouraged with the progress of the human race whenever we meet a person who admits he doesn't know the answer to something.

JUST LIKE CENTURY AGO - -

Military Supply Operations Being Concentrated Here

One hundred years ago, Columbus assumed great importance as a military marshaling center during the Civil War. Now, it is gaining new prestige as a military supply center. The new Department of Defense Military Construction Supply Agency at 52 Starling-st is in what is called the ideal central location.

Col. Harry D. Hoskins, Jr.

It is the 11th of the so-called "single manager" agencies to be established by the Department of Defense for the purpose of reducing national defense costs, and increasing military effectiveness and immediate striking power at any spot on the globe.

These central supply agencies are staffed by members of all four military services. They assemble requirements, procure and generally supervise inventory management and issue their specified supply items—in the case of MCSA—all military construction supplies and repair parts for all construction equipment.

Suppliers Within 500 Miles

The majority of the commercial industries that are the potential suppliers of 80 per cent of the MCSA items are located within a 500-mile radius of Columbus. Present plans are for the two chief MCSA purchasing offices to be the Engineer Maintenance Center here in Columbus, and the Engineer Procurement Office in Chicago, which have been purchasing the bulk of Army requirements now assigned to MCSA for management.

Col. Harry D. Hoskins, Jr. came to Columbus last fall to serve as the deputy executive director of this new agency and assist the executive director, Brig. Gen. Philip F. Kromer, Jr., who is also the commander of the U. S. Army Engineer Maintenance Center. They are establishing the service-wide Military Construction Supply Agency at 52 Starling-st and the engineer buildings on James-rd at the Columbus General Depot.

Col. Hoskins is applying a background of close working relationship among the four military services in engineering supply, to laying a foundation on which the MCSA will build here over the next two years.

The largest MCSA personnel gain recently has been the transfer of 16 civilian employees and one military officer, Maj. Joseph H. Shollenberger, Jr., who has moved here this week to consolidate the U. S. Army Engineer Lumber Control Office, formerly in St. Louis, Mo., with MCSA Procurement here.

Facilities Growing Fast

The present facilities and staff of MCSA are being greatly enlarged and equipped with the most modern in data processing machines and business techniques to handle the anticipated 2,000,000 requisitions annually for more than 207,000 construction machinery repair parts, materials, and supplies included in the 38 Federal Supply Classes assigned to MCSA by the Secretary of Defense.

Maj. Joseph Shollenberger

Col. Hoskins, the new deputy director, resides with his wife and five children at 3756 Dehner-dr. He is a graduate of the St. Regis School in Denver and the Colorado School of Mines.

In his 18-year military career he has been cited on many occasions for his seal and drive in getting tough combat engineer jobs done — on Pacific island beachheads, the beaches of Normandy, Italy and, more recently, Korea. He took part in such combined military operations as the Lebanon incident and others in support of the United Nations in trouble spots over the world.

As a combat engineer commander, Col. Hoskins was awarded the Bronze Star Medal with Oak Leaf Cluster. He has served in engineering posts in the Far East and the Pacific and came to his present post from Germany.

He also acquired valuable experience in coordinated centralized supply over a four-year period in the office of Chief of Engineers in Washington, D. C.

Record Use Of Gas Stock Is Recorded

If your heating bill is up, there's good reason for it, says the Ohio Fuel Gas Co.

Customers in the 56-county area served by the Ohio Fuel used more gas during the severe winter weather of the past two months than in any similar period of the company's history Wilbur T. Collins, Central District manager said.

During January it was 23 per cent colder than January a year ago. As a result Ohio Fuel delivered more than 52½ billion cubic feet of gas to its customers, setting a new monthly delivery record.

On the coldest days this winter more than half the gas used came from the company's 10 underground storage areas, Collins said.

Despite all this country's faults, high taxes, and everything else, the standard of living continues to rise, which is the real test.

'Probe' Presents 'Skyrocket'; ABC Replacing 'Islanders'

By Stan Robinson

Columbus' fast growing population, which has jumped over 25 per cent since 1950, is the subject this Saturday night at 10 on Channel 4's "Probe," an outstanding public affairs program. The telecast narrated by Hugh De Moss will touch upon housing problems of the many new residents arriving daily in Columbus. The problems of the low income families and current slum clearance projects are reviewed. Virginia Seaman wrote this particular program for the "Probe" series which is presented every third Saturday on Channel 4 by Nationwide Insurance Co.

"Asphalt Jungle," ABC-TV's new full-hour action series starring Jack Warden as Matthew Gower, deputy police commissioner in charge of field operations in a "large American City," makes its debut on Sunday, Apr. 2, in the time slot now occupied by "The Islanders." Channel 6 currently is the Columbus channel presenting "The Islanders" on Sunday nights. Famed musician, Duke Ellington, has written the theme for the new show.

Note of possibility: word is that Milton Berle and his "Jackpot Bowling" format on NBC-TV are set for a splitting of the pins in the near future.

"The Lincoln Murder Case," will be re-opened and the evidence re-examined when CBS and Channel 10 present "Show of the Month," Saturday night at 9:30. Luther Adler and Alexander Scourby have been chosen to star in this production. This "live" presentation is based on the incidents surrounding Abraham Lincoln's assassination.

It's not a musical, not an opera and it is not a ballet. "Sounds of America," will be a happy wedding of lyrics, music, dance and sounds on channel 4, Friday night at 9 p.m. NBC's Telephone Hour was filmed and taped at Disneyland against familiar backdrops. Composer Gordon Jenkins says, "it does not fit any of the common descriptions, mostly sounds; from the fizz of a soda fountain to gear changing and honking traffic, all blended in 'The Sounds of America'!"

WMNI RADIO will carry the Lenten Message of Pope John XXIII on Ash Wednesday, Apr. 15, at 12:15 p.m. The message will be delivered by Archbishop Carl J. Alter of Cincinnati, who is chairman of the Administrative Board of Catholic Welfare Conferences. This 10-minute program will also feature the music of the Pius V Choir from the school of Liturgical Music Manhattanville College of New York.

AROUND THE HOOP ON TV: Channel 6 will offer the SMU-at-Texas basketball game, 2 p.m. Saturday, and the Purdue-at-Michigan match at 4:30 . . . Channel 4 will present pro action with Los Angeles at New York, 2 p.m. Saturday.

A new time is announced for Channel 10's "This Above All" with Dr. Otis Maxfield of Arlington's First Community Church which is to be seen at 11 a.m. Thursday morning. Dr. Maxfield again will give practical application of religious principles to the problems outlined on the show. There will be an interview with a person of religious authority and a segment devoted to church news.

"JFK—Report No. 1," a television closeup of President John F. Kennedy, his family, his associates and their impact on the nation in the first forty days of the new administration, will be presented on NBC and Channel 4, Feb. 28, 10 p.m.

TOURNEY STARTED THIS WEEK

Three Teams Tie For First Place In 'Y' Intermediate League

The Intermediate teams completed their last league games of the season Tuesday, Jan. 31, in the Hilltop Y Leagues.

The Glenwood Methodist team held its first place tie with the Hilltop Church of God and the West Senior Hi-Y teams by defeating Burgess EUB 44-41.

The Hilltop Church of God squad ran away with the West Park Methodist team in a 67-28 victory. It was a one-sided game all the way.

The West Senior Hi-Y cagemen scored 40 points in the second half to overcome the Hoge Memorial team, 52-35. The score at half-time was 12-10 in favor of West.

A single elimination tournament will start Feb. 7 and end Feb. 21. The playoff games between the three teams tied for first place will be played after the tournament.

In the Junior League on Saturday afternoon the West Park Methodist squad gained a tie for first place in the second round of play by defeating the Burgess EUB team, 25-16.

Hoge Memorial Presbyterian (2-0) and West Park Methodist (3-0) are tied for first place. The play-off game will be scheduled after the single elimination tournament, which starts this Saturday at 1 p.m. in the Westmoor gym.

The second game of the afternoon saw Westgate EUB win over the West Junior Hi-Y by a score of 15-8.

The last game of the afternoon was a run-away by the Hill- Church of God team. They tallied 33 points to Westmoor Junior Hi-Y's eight to win an easy decision.

SUNSHINE ROUNDUP

Sunshine All-Stars Top East Columbus Quint

The big basketball news at Sunshine last week was the Intermediate All-Stars romp over East Columbus' All-Stars, 60-35.

Joe Scowden, Bill Parker, Charles White, Dick Brown, Dick Kettell, Creed McFall, Tony Postal, John Burris, Warren Boyds, and Chuck Burris make up the Sunshine team.

Sunshine led throughout the game and mid-way through the third period had a 30 point lead. Charles White, Joe Scowden, Dick Kettell and Tony Postal were all outstanding in the first game of the All-Stars schedule.

Intermediate action this week saw Emersonian beat the Raiders 20-15 in a defensive battle. Jim Suprlock led Emersonian with nine points.

The second game saw the league leaders battle for the top position with the Red Bandits winning out over the Night Raiders, 30-40 behind Dick Kettell's 19 points. In the third game, the Yankees beat the Eagles 33-37 behind Tony Postal's 24 points.

In Senior play this week, the Sunshine Recreation Center's Leaders beat the Celtics 38-30 behind Don Kenton's 19 points.

DeMolay won the last game of the night, beating the Independents 54 to 23. Dave Hopper led the DeMolays with 13 points.

The Junior League at Sunshine has a new leader in the Snakes, who defeated the Spiders, 22 to 18. The Eels also defeated the Hot Rods 40 to 12. Paul Lewis, Dana Noble, Jim Taylor and Denny Noble were outstanding for the junior teams.

Boys Leaders Class Forms At Sunshine

The Boys Leaders Club program at Sunshine is in the process of being reorganized. There have been meetings held since the beginning of the year and attendance is slowly on the increase.

Meetings are held every Wednesday evening at 7:30 with a planned program which includes a planning session for the comfor their activities.

Purpose of the club is to give boys who are members of the center a chance to enjoy the company of others their own age. They have help and direction in planning their activities and an official body to help them obtain permission and sites for their activities.

Activities in the near future are an all night camping trip, a wiener roast, and an all night 'slumber' party at the center.

Members participate in several sports including basketball, baseball, and track.

Pre-Teen Club Seeking Members

Guys and Dolls, the pre-teen club of Glenwood Recreation Center, meets every Monday evening from 7:15 until 9.

A variety of activities are now being planned for the remainder of the school year.

Girls in Basketball

As any father or mother on the Hilltop knows who has or had a daughter of at least junior high age or older, girls' basketball is quite a popular sport in the Columbus area.

Some teams are formed early for play in the Glenwood Recreation leagues and stay together anywhere from two to six years. The Girls' Tourney at West (class teams) every year is a "hanging by the rafters" crammed spectator affair.

But a few members of West's present senior class went a little further and organized a team for a special event a few weeks ago.

Donna Berlo, a member of that class until she moved to Mansfield this past summer and quite a female athlete in her own right, was the instigator behind it all.

She organized and practiced the Mansfield High Y-Teens almost every night after school for several months. She then invited her old teammates to come "north" and meet her squad in a special game. With the popularity of the gals' tourney at West, the "sold out" sign was hung out early. Quite a few West students also went up. The outcome was quite a game.

Tied at 6-6 at the end of the first period, West began to pull away and led 14-8 at halftime. The end of the third period still found West on top, 18-13.

But the trip up seemed to take its toll as the West lassies tired in the final period and Mansfield tied things up, 19-19 at the end of regulation time.

The overtime was completely disastrous to the local gals as they were outscored 4-0 and thus lost 23-19. Though Birlo garnered only five points for the evening, she seemed to hold the tinal "key" to Mansfield's success.

West had practiced its defense assuming Berlo would play forward, her normal slot. She did for the first two quarters. In the third frame she switched to guard and almost completely bottled up one of West's scoring aces, Anne Halley.

Halley was only able to muster three points for the evening . . . and thus Berlo's defensive powers seemed to have had more affect than her well-known scoring ability.

West's other scoring ace, Vera Dixon, was also far under her usual form, getting only five for the evening.

Starting Players

Starters from the Hilltoppers were forwards, Halley, Dixon and Ann Reeves; guards, Sharon Hedrick, Judy Rausch and Pat Cotter. The remainder of the squad were Joann Jenny, Ruthanne . Ralph, Carolyn Sears, Chriss Carfrey, Debbie Draper and Becky Wilson.

If a suitable gym can be found in the area the West gals are hoping to host(ess) a return meeting with the Mansfield gals here in the not too distant future.

DINNER DATE SET

A fried chicken dinner with biscuits will be served at the F.O.E. Lodge No. 297, 771 N. High-st, 3 to 7 p.m., Sunday, Feb. 19.

Glenwood Posts Double Winners In Table Tennis

Busler reigned after downing Dave Elder of Whetstone 21-11, 23-25, and 21-15. Miss Quinn won the championship by winning the first two games from Janet Vanderson of Linden Center. A sectional meet was held the previous day in which the Glenwood junior girl, Janet Lusk; intermediate boy, Dorcus Claylor were eliminated from competition.

The semi-formal dance is open to Hilltop teenagers between 13 and 18.

Boys are required to wear a dress shirt, tie, jacket or sweater, and slacks. Girls are required to wear hose with flats or heels, and dressy dresses. Hemlines may be no higher than mid-knee.

Bob Rocky's orchestra will provide the music.

Knights Maintain Perfect Record In Girls' League

After five games in the Glenwood Recreation Center Senior Girls Basketball League, Barbara Whipple of the Thugs has captured the leading scoring position with 69 points.

Karen Griffin of the Shooting Stars and Betsy Prout of the Basketeers are close on her heels with 61 and 60 points respectively.

The Knights continue to hold the lead in the Senior Girls Basketball League with a 5-0 record.

They boosted their winning streak last Wednesday by downing the Basketeers 37 to 14. Anne Halley and Vera Dixson carried the game with 14 points apiece.

The Senior Girls finish up league play Feb. 15. The winner of this league will represent Glenwood in the City-Wide Girls Basketball Tournament which starts on Feb. 27.

Senior Loop Tie Exists

In the senior boys basketball league at Glenwood Recreation Center, the Untouchables and Cavaliers are in a first place tie, both having won four, without a loss.

In games this week, Cavaliers walked away with the Astronauts 59-32. Roger Street was high man for the winners with 20 points. Roger Webb had 12 for the losers.

The Untouchables spanked the Rebels 62-46. Dorcus Claytor tossed in 32 points while teammate Eddie Terry added ten points. Buddy Johnston, Earl Newman and Herb Sharfenaker each had 12 for the losers.

Behind the fine playing of Bob Montgomery, Charles Johnson and Carl Tidewall, the Midgets outclassed the Little Bucks 60-37. Montgomery had 22, Johnson 14, and Tidewell 12.

Chuck King and Bob Pemberten led the Pembe Lou's conquest of the Emulsifiers 42-32. Pemberton netted 15 points, while King added 14. Ted Miller threw in 14 for the losers.

Rule At Dance

Pre-Teen Club of Sunshine Center sponsored a Sweetheart Swirl at their dance Feb. 10. Highlighting the activities was a songfest by the Junior Chorus.

Surprise of the evening was the crowning of 'royalty.' Pamela Koffel, 9, of 201 Dana-av, was crowned queen and Ralph O'Brien, 10, of 30 Martin-av, was crowned king. They were presented flowers by Sunshine Advisory Council.

Boy Scout News

Southwest District
Craig Weaver
BR. 9-1982
District Doin's

Completing National Boy Scout Week, many things are going on in the Southwest District to celebrate Scouting's 51st birthday in the United States. Some units conducted special ceremonies at regular meetings. Others went together to church as a unit on Scout Sunday, Feb. 12. aMny exhibits have been set up throughout the Hilltop. Cub packs will be holding annual Blue and Gold birthday banquets.

During this week many people were helping Scouting; this is good because Scouting helps many people all the time. One example of this turn-about is at Hilltonia Junior High School. Principal A. M. Pemberton is allowing Boy Scouts who wear their uniforms to be admitted to the noon movie without paying the usual fee.

Another special observance, for those earning the Protestant Church Award the past year, were held at the Broad Street Presbyterian Church, 760 E. Broad-st, at 2:30 p.m. Sunday, Feb. 12. Recipients of the awards, parents, pastors of their churches, Scout leaders, and were invited.

Packs Plan Dinners

Pack 86 Cub Scouts, sponsored by Westgate Methodist Church, is planning its Blue and Gold Banquet for Friday, Feb. 24. The pack also plans to attend church as a group next Sunday.

Thomas Patterson is cubmaster. Den Mothers are Mrs. Gordon Black, Mrs. H. B. Watts, Mrs. Homer Potter, Mrs. H. E. Pfeifer, Mrs. James A. Link and Mrs. James F. Beatty.

Pack 186 of First Presbyterian Church, Grove City, plans its Blue and Gold Banquet, celebrating Scouting's Birthday, Saturday, Feb. 25, at the Grove City High School cafeteria.

Cub Pack 56 of Hoge Memorial Presbyterian Church had three displays for Scout Week which were up from Feb. 7 through 13. Largest displays were in Fenton's window at Hague and Broad, a feature display in the Hilltop Library and another display in Reeves Sporting Goods Store in Great Western Shopping Center.

This active Pack has 96 boys enrolled and expect to entertain over 300 people at their Blue and Gold Dinner at Hoge Memorial Church Feb. 17.

Mr. George Dyer is Cubmaster.

Scouts of Troop 79, Burgess Avenue EUB Church were Terry Elliott, James McCann, Bob Schmidt, Paul Morgan and Craig Weaver.

Troop 275 is conducting a paper drive in the Grove City area. Proceeds will help pay for tents and other troop equipment.

Talk Arouses Interest

At a recent meeting of Troop 357, Hilltonia EUB Church, Walter Donaugh showed a movie and gave a talk on Philmont Scout Ranch, near Cimarron, New Mexico. The purpose was to create interest in summer camping at the national campsite where Explorers and Senior Scouts meet the tests of the trail and saddle. The talk was successful as seven boys have signed up.

Local Scouts Honored

In the United Protestant Recognition Service at the Broad Street Presbyterian Church, last Sunday, a number of local Scouts were recognized for receiving the God and Country church award during the past year.

Rev. Gerald Koster, pastor of the Hilltonia EUB Church, and assistant chairman of the Protestant Scouting Committee, presided over the impressive program.

Messages were given by Dr. G. Weir Hartman, chairman of the Protestant Scouting Committee, and Dr. John Dickhaut, president of the Methodist Theological seminary.

Scouts of Troop 357, Hilltonia EUB Church, served as ushers for the event.

Scout Terry Elliott of Troop 79, Burgess Avenue EUB, was the liturgist and read the scripture lesson for the service. Terry is a member of the Hilltop Christian Church, where he received the God anad Country Award Sunday, Feb. 5.

HILLTOPPERS USHER IN SCOUT WEEK

WITNESSES APLENTY were on hand from Mayor West Lake's home community when he signed the city's official proclamation for Boy Scout Week, Feb. 7 to 13. Foreground, from left, are Jeffrey Pase, 198 N. Powell-av, "mascot" of Den 1, Pack 56; Mayor WestLake; Larry and Garry Rohl, 2529 Sutton-av; Larry Augenstein, 193 N. Hague-av; Kenny Krumm, 97 N. Chase-av; Bob Buehler, 50 N. Southampton-av, council field worker. The mayor and several Scout officials have been invited to the pack's Blue and Gold Banquet, at 6:30 p.m. Friday, Feb. 17 at Hoge Memorial Church. About 100 Cubs and their families will attend.

Payne Parades For President

Army Pfc. Darrell Payne, son of Mrs. Virgie E. Payne, 2572 Eakin-rd, participated with other personnel from the 82nd Airborne Division's 504th Infantry in the recent inaugural Parade for President John F. Kennedy in Washington, D.C. Payne is a cannoneer in the infantry's Mortar Battery.

Church Council Opens New Counseling Center

Columbus Area Council of Churches has announced the opening of a new Community Counseling Center at Broad Street Methodist Church, E. Broad-st, at Washington-av.

Director of the center will be Rev. Arthur W. Witherspoon, pastor of the Church of the Savior, 1074 W. Broad-st, and chaplain of the Girls' Industrial School.

Serving at the center will be seasoned pastors of local churches who will devote a portion of their time to assisting persons in trouble. There will be no restrictions of race, creed, or church affiliation.

Rev. Arthur Witherspoon

Counselors are available for both daytime and evening appointments. Appointments can be made by calling the local office of the Columbus Area Council of Churches, CA. 8-5515.

The ministers have learned something of the perplexities of modern life through long years of experience in their own parishes, as well as special clinical training.

The counselor does not think of himself as an "advisor." He does not attempt to order lives but does provide the kind of relationship where valuable insights may come to a disturbed person.

One of his most important tasks is to help re-establish communications which have broken down, especially important in reconciliation of those involved in domestic difficulties.

Your Youth

By Hilltop YMCA Staff

Members of different youth groups in the Hilltop YMCA will meet Saturday morning at 9 for the kickoff of the Annual Mint Sale for World Service.

At this time, all details on the sale will be explained to those present and the prizes to be awarded to the top salesmen will be on display.

This year's product will once more be Doran's thin mints. The boys and girls will be selling 18-ounce boxes for $1 with all proceeds going to futhering the work of the YMCA in foreign countries throughout the world.

The two top salesmen last year were Dan Scott and Bob Beery. Scott took first prize, which was a new English racer, while Beery was recipient of a transistor radio. All boys selling at least 20 boxes will have a choice between a Gra-Y or YMCA T-shirt plus being eligible for any bigger awards.

Members of Hilltonia, Westmoor and West Junior Hi-Y clubs have just completed their popcorn sale. Mark Winchell and Art Wilson, both of the West club, won top honors for their outstanding efforts.

All three clubs are now preparing for participation in the City-Wide Junior Hi-Y Bible Story Telling contest, ping pong tournament and swim meet.

West Senior Hi-Y is now making plans for its annual Hi-Y-Faculty game, which will be held Feb. 23 at the school gym. Plans are also being made for Feb. 27 when the club will hold its next meeting at the Hilltop YMCA.

Dick Williamson and Gary Weigand attended the prelegislative training session held at Capital University Saturday. This is a preliminary to the Ohio Youth-in-Government program which will be held from Apr. 28 to 30.

Plans are now under way for the Annual Match Box Derby which will be held on Mar. 19 at the Central YMCA. All Little Braves who have not received their application blanks should pick them up at the "Y" as soon as possible.

The date for the Gra-Y Talent Show sponsored by the Hilltop Y's Men's Club is Feb. 21 at the "Y" at 7:30 p.m. Eliminations have been held in all schools with the winners meeting for top honors. Members of the Y's Men's Club will serve as judges. All parents and friends are urged to attend this important event.

The Esquires Automobile Club of the Hilltop YMCA is sponsoring a Model Car Show for boys between the ages of 11 to 15. Further information is available at the Hilltop "Y".

The next regularly scheduled junior high dance, sponsored by the YM and YW, will be held Friday, Feb. 18, from 7:30 to 10 p.m. All members of the YM or YW are admitted free with any guests being charged 50 cents. These are record dances and are supervised by the YM and YW staffs.

West Side Boys' Club Sets Projects

Ralph Oberleitner, program director of the West Side Boys' Club, announced that all boys interested in Peterson Pool should enter this week.

New art classes will be held in the library of the club, 115 S. Gift-st, every Wednesday beginning at 6 p.m., Oberleitner stated.

Courses, under the direction of OSU graduate students, will run indefinitely with OSU College of Arts and Sciences underwriting the project.

Special classes for beginners in art will be taught by Carol Williams every Wednesday and Thursday from 3:30 to 6:30 p.m.

Advanced classes of craft shop will display their work to the public this week.

Craft classes are held five nights a week, 6:30 to 9:30 p.m. All prospects are welcome to come to the club and sign up, Oberleitner stated.

Does Food Cost Us Too Much?

For some interesting facts and figures on this widely-discussed topic, read "Food Market This Week," by Mrs. Estelle Franks — inside this edition.

Mrs. Franks, who is associated with the County Extension office, writes the column as a regular feature of Hartley Newspapers.

SHINING EXAMPLE of the need to safeguard American freedoms from totalitarian governments is, to members of West High's For God And Country Club, the experience of their faculty adviser, Clarence Bower. A survivor of the Bataan Death March, Bower's ordeal at Corregidor and in a Japanese prison camp has strengthened the young people's patriotism and loyalty. In a typical "talk session," Bower emphasizes a point to, from left, Cathie Stewart, secretary of state; Linda Fuller, co-secretary of state; and Barbara Stanley, vice-president. Other officers are, Bill Hunter, president; John Edwards, treasurer; Sylvia Sanborn, executive clerk and Dick Sinet.

ADVISOR IS DEATH MARCH SURVIVOR . . .

West Students Dedicate Selves To Defending American Ideals

By Betty Daft

A teacher who says with conviction, "The more I teach the better I like it," is usually one who has found, "The more I know of young people the better I like them."

Clarence Bower, member of West High faculty and advisor to the school's "For God And Country Club," has gained the satisfaction of believing his country will forever remain free in the hands of such young people as his students.

Bataan March Survivor

Bower, a survivor of the Bataan Death March found, during the horror of Correigidor's fall, the punishing march and 38 months' imprisonment, a deep personal patriotism for his country and its precious freedoms.

The same convictions of love and loyalty for their country inspired a group of West High students to seek his help two years ago in organizing a club dedicated to preserving and protecting those ideals.

With the sure intuition of the young, the group recognized in Bower the qualities they wanted in their club advisor and, after repeated urging, he accepted.

Bower, explaining his early reluctance, said "I wanted to be sure they knew what they wanted before I agreed to help. But they did know. The idea was their own and they persisted until they received the help they needed."

Anti-Communism Library

Through the use of an impressive collection of books exposing communism and its threat in this country, discussion meetings and the sponsorship of speakers and films, members have advanced the club to its present effectiveness.

Interested teachers at West went into their own pockets to make first purchases for the library. Volumes have been added since by others who recognized the importance of the club and the sincerity of its members.

John Noble, author of "I Found God In Soviet Russia" and "I Was A Slave In Russia," spoke to the student body last fall in an appearance sponsored by the club. He also made a contribution of several books to the library.

Many adults and guests attend such meetings as the one last month when the film "Operation Abolition," the story of the San Francisco student riots, was shown.

The group meets every other Wednesday after school to hold thought-provoking discussions and review books they have read. They receive no curricular credit for their work.

And they have a staunch friend in their adviser, whose three-year ordeal served only to strengthen and firm his patriotic ideals.

Nine Of 260 Survive

He speaks quietly of his experience, "There were 260 in my outfit—nine of us returned home. Of the Bataan March, I'll remember always the atrocities I saw, but time lost its meaning.

Hilltonia; Westgate Parks To Get Improvements

Two Hilltop parks are in line for some "sprucing" up this spring.

Ray F. Dietz, superintendent of parks, said the city already has started to plant an assortment of trees around the southeast corner of Westgate Park. Some of the trees are of the flowering variety, he said.

He added that the service director has approved a plan for more lights in the park and that the project is now in the hands of the power officials. Several new poles will be erected in the park.

Hilltonia school park soon will have a shelterhouse similar to the new one at the bottom of Glenwood Park hill, Dietz said. Several charcoal grills also will be installed in time for summer picnicking.

West Side Council Picks Its Chairmen

Chairmen were appointed for five standing committees of the West Side Neighborhood Council by the executive committee at its regular February meeting.

Named chairmen of their respective committees were Dan Kelch, health and recreation; Charles Ater, welfare; Vernon Creasap, traffic; Lt. Marvin Wright, constitution and by-laws; Lynda Huber and Mel Dodge, publicity, public relations and membership.

Besides heading their committees, the chairmen also will serve on the executive committee.

First reports of the committees will be given at the West Side Neighborhood Council meeting Mar. 9. Several committees are expected to have definite plans formulated for announcement, according to Sam Alford, president.

Hilltopper's Garage Door Is Blasted

Repercussions from the 16-day-old strike at the National Electric Coil Co., 800 King-av, were felt by a Hilltop family Sunday night.

An explosions at the home of Loren F. Renick, 98 S. Southampton-av, wakened neighbors at 2:20 a.m.

Thugs had set off the explosion at Renick's garage door. It blasted a hole in the door and set debris flying into a neighbor's yard.

Police said a heavy masonry bird bath and steel garbage pail cover had been used to hold a charge of blasting powder next to the door.

Renick has been an employe of the National Coil for 21 years. During the same night, another employe of the firm living in Linden had her automobile damaged by a second explosion.

City Council Will Hear Rezone Bids

Rezoning of a site for a proposed $1.0 million apartment project heads the list of local hearings scheduled before Zoning Committee of City Council, Monday night, Feb. 27.

Zieg Realty is requesting the change from present one-to-four family zoning on Lots 15 through 48 of Rickenbacker's Central Avenue Addition. The area, now undeveloped, is at the west side of Central-av at Rich-st extended.

Also docketed for public hearing Monday are the following:

Rezoning both sides of Roys-av (extended) south of Rosedale-av from single family residential to two-family residential.

Rezoning both sides of Binns-blvd, generally between Stephen-dr south to Vanderberg-dr from suburban residential to one-to-four family residential.

Bid Deadline For School Set Mar. 30

School board Tuesday set a deadline on bids for the addition to Georgian Heights School for noon, Mar. 30.

Georgian Heights, 784 Georgian-dr, was opened in September, 1959. The present building contains eight classrooms and kindergarten.

Cost of the construction will determine whether four or six classrooms will be built. A multi-purpose room will also be added.

The addition will be finished in some for school enrollment next September.

Rainbow Sewer Work To Start In Two Weeks

Mayor Ralston Westlake and City Council this week signed, sealed and delivered an ordinance permitting an immediate start on $80,000 worth of sanitary sewers for Rainbow Addition.

The sewers will serve a 56-acre section south of Mound-st, between Whitethorne and Highland-avs, which was annexed to the city Mar. 3, 1958.

About a year ago the Board of Health ordered the sewers put in, following an outbreak of typhoid in one Rainbow family.

A later investigation revealed unsanitary drainage and sewage facilities on some of the properties. Of 169 structures visited, 16 also were found to be without city water. At the order of Mayor Westlake, new taps were extended to the homes.

The new sewer project is being awarded to the Capital City Excavating Co., 2117 Yakin-rd, which submitted the low bid of $63,591.33, a sewer division official said. Work is expected to start in about two weeks. All assessments and other legal work have been completed.

Other bids were as follows: A. W. Burns and Sons, $64,849.90; Thompson-Conie Co., $74,492.50, and Haddad Construction Co., $114,485.50.

The accepted contract calls for the installation of 9,820 feet of pipe, ranging in size from eight to 15 inches. Laterals will connect the Rainbow system to the new Early Ditch branch of Big Run trunk sewer. Additional funds were appropriated Monday to pay for macadam repaving, purchase of manholes, advertising, etc.

Hilltoppers Arranging Rainbow Division Meet

A Hilltop man and his wife figure prominently in plans for a convocation of the National Rainbow (42nd) Division Veterans here Friday and Saturday, Feb. 24 and 25.

Col. George R. Walters, 239 S. Huron-av, is general chairman of the two-day session of the association's executive committee at the Deshler-Hilton. Mrs. Walters as president of the auxiliary will preside at simultaneous meetings of that group.

Col. Walters said about 150 members and their wives from all over the nation are expected to attend.

Wilber M. Brucker, former Secretary of the Army, will be toastmaster at a banquet at 6:30 p.m. Saturday. Brig. Gen. Oliver H. Gibson, Assistant Adjutant General of the Army, of Ohio, will be the principal speaker.

Sharon C. Cover, Detroit, national president of the Rainbow Division Veterans, will be present. A native of Columbus, he originally served in Company C, 166th Infantry, of the famed 42nd Division. Many local men served in the battle-honored National Guard unit during World War I.

The new Sullivant Avenue Armory was named after a hero of that division, Col. Robert Haubrich. The armory was dedicated on Muster Day, exactly two years ago.

Lt. Col. Vernon B. McMillen, commander of present units of the 166th Infantry at the armory, will give the address of welcome at the convention at 2 p.m. Saturday.

Training Center Contract Upped

The city has awarded an additional $28,750 in modifying a contract for the Fire-Police Training Center on Greenlawn. It was deemed necessary to add an administration building to the plans.

The agreement was signed with Walter E. Pettit, Architect.

Also approved was payment of $679 to G. K. Jewell and Associates for soil testing and engineering services on the project.

Wilson-rd Resolution In Council

A resolution of intention to acquire real estate along the south side of W. Broad-st to make way for a proposed [illegible] tension of Wilson-rd was introduced to Columbus City Council this week.

A discussion and hearing on the plan tentatively is scheduled before the service committee next Monday night.

Two weeks ago Mayor Westlake told Hartley Newspapers the action was forthcoming to prevent any new construction from occurring on the anticipated right-of-way of a connection between Broad-st and Sullivant-av.

Involved is a three-acre tract owned by the Standard Oil Co., 900 feet west of the NYC Railroad overpass.

PAYS FOR INJURIES

City Council has authorized payment of $360 to Gene Nobilucci for injuries sustained when he fell on a defect in the street near the Hague-av, Rosedale-st intersection.

The accident occurred last July 23.

LIONS GIVE PROJECTOR

AWARE OF the need for further specialized training in the nationally expanded program for care of the aged, the Hilltop Lions Club has presented as a teaching aid, a 35 mm. projector to the Columbus Public Health Nurses. Accepting the projector is Mrs. Emil T. Ogi, R.N., Hilltop supervisor. Making the presentation is Lion Van R. Lucas of the club's health, education and welfare committee.

HILLTOP 'Y' MINT SALE PROGRESSES

"BOY HEAVEN" might well describe the position in which these two lads found themselves. But, alas it is just for looks. Actually the boys are taking part in the annual Hilltop YMCA mint sale for World Service. Approximately 150 boys are competing for prizes by selling Doran's thin mints door-to-door on the Hilltop and in Lincoln Village. Shown sampling some of their wares are Danny Scott (left), 1085 St. Jude-av; and Mark Hallowell, 268 Sturbridge-rd.

Consumer Report

Food Market This Week

by ESTELLE S. FRANKS

THIS WEEK SHOP FOR:

Fruits—Grapefruit, oranges, bananas, apples, [illegible]

Vegetables—Cabbage, celery, endive, lettuce, potatoes, dry onions.

Meats and Poultry—Pork loin roasts, steak "specials," ground beef fryers.

Lenten Foods—Frozen ocean perch, fish sticks, canned tuna, cheese, large eggs.

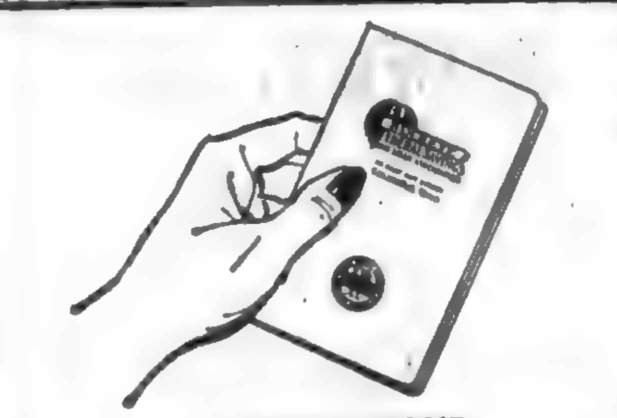
DOES FOOD COST TOO MUCH?

Are you paying too much for your food? Food prices receive a lot of criticism these days. In fact, a recent Gallup Poll found that U.S. consumers were far more concerned over the "high cost of food" than any other area of family spending. But are food prices really high? Here are some things to consider.

Food prices are up—there's no argument there—but prices on most of the other things have increased more than food prices. Only apparel is up less in average price than food. Prices in the major expenditure groups showed these changes from 1947-49 to December, 1960.

Food—up 21 per cent
Medical care—up 46 per cent
Housing—up 32 per cent
Reading and recreation—up 22 per cent
Apparel—up 11 per cent.

Increased incomes is another factor not to be overlooked. Incomes have, generally speaking, risen faster than food prices. We're actually spending less of four income today for food than ever before. The food bill took only 20 per cent of disposable income on an average last year. This compared with 23 per cent in 1935-39, and nearly 26 per cent in 1947-49—a period when many kinds of consumer goods were scarce.



Low-income families must spend more of their income for food—often up to 50 per cent—while high income families spend less. And it may be consoling to know that, by comparison, people in many countries of the world spend half or more of their incomes for food.

Food quality is better, too. We're also eating different kinds of food and better quality food these days. Our diets contain more meat, poultry, and dairy products, more processed fruits and vegetables, and less of most cereal products, and also less of some fresh fruits and vegetables. And the quality is generally high, thanks to advances in the technology of producing, processing, and distributing food, and to inspection and purity requirements.

Thus, we can be well fed on a comparatively small part of our incomes. This leaves more money free for buying housing, appliances, education, recreation, etc. If we were content with the kinds and quality of food available in the 1935-39 period, it would take only 15 per cent of average disposable income instead of the present 20 per cent to buy it.

Does Food Cost Too Much? It's well to think of our incomes, the foods we eat, and our other expenses when we answer the question.

Consumer Report

Food Market This Week

by ESTELLE B. FRANKS

THIS WEEK SHOP FOR:
Fruits—Grapefruit, oranges, bananas, apples, rhubarb.
Vegetables—Cabbage, celery, endive, lettuce, potatoes, dry onions.
Meats and Poultry—Pork loin roasts, steak "specials," ground beef fryers.
Lenten Foods—Frozen ocean perch, fish sticks, canned tuna, cheese, large eggs.

DOES FOOD COST TOO MUCH?

Are you paying too much for your food? Food prices receive a lot of criticism these days. In fact, a recent Gallup Poll found that U.S. consumers were far more concerned over the "high cost of food" than any other area of family spending. But are food prices really high? Here are some things to consider.

Food prices are up—there's no argument there—but prices on most of the other things have increased more than food prices. Only apparel is up less in average price than food. Prices in the major expenditure groups showed these changes from 1947-49 to December, 1960.

Food—up 21 per cent
Medical care—up 46 per cent
Housing—up 32 per cent
Reading and recreation—up 22 per cent
Apparel—up 11 per cent.

Increased incomes is another factor not to be overlooked. Incomes have, generally speaking, risen faster than food prices. We're actually spending less of four income today for food than ever before. The food bill took only 20 per cent of disposable income on an average last year. This compared with 23 per cent in 1935-39, and nearly 26 per cent in 1947-49—a period when many kinds of consumer goods were scarce.

Low-income families must spend more of their income for food—often up to 50 per cent—while high income families spend less. And it may be consoling to know that, by comparison, people in many countries of the world spend half or more of their incomes for food.

Food quality is better, too. We're also eating different kinds of food and better quality food these days. Our diets contain more meat, poultry, and dairy products, more processed fruits and vegetables, and less of most cereal products, and also less of some fresh fruits and vegetables. And the quality is generally high, thanks to advances in the technology of producing, processing, and distributing food, and to inspection and purity requirements.

Thus, we can be well fed on a comparatively small part of our incomes. This leaves more money free for buying housing, appliances, education, recreation, etc. If we were content with the kinds and quality of food available in the 1935-39 period, it would take only 15 per cent of average disposable income instead of the present 20 per cent to buy it.

Does Food Cost Too Much? It's well to think of our incomes, the foods we eat, and our other expenses when we answer the question.

ACTION IN THE WATER CRISIS

Like the old woman lived in a shoe, America is confronted by a population explosion. By 1975, we will be a nation of 208 million people. And, like the old woman, we won't have enough of the precious element needed for survival and growth . . . water . . . unless the public takes the proper action.

Why not? Today, we use water at a terrific rate. Every day, enough water is used to flood the entire state of Rhode Island with a foot of water.

We're using more water in our homes. Appliances such as dish washers, clothes washers, garbage disposal units swallow up gallons in seconds. Even your morning shower uses up five gallons of water a minute.

We're using more water in industry and agriculture, too. Manufacturing just one ton of steel takes about 70 thousand gallons. One cow in a dairy herd drinks 20 gallons of water daily. Crop irrigation uses up billions of gallons more each day.

The problem, ironically, is not the lack of water itself. We lack reservoirs, and the necessary transmission lines and water pumps. As the National Water Institute points out, most communities today are using equipment that was barely adequate 20 years ago.

In the Columbus area, however, the picture is brighter. The Development Committee for Greater Columbus has formed a Water Management Subcommittee to work closely with new efforts to form a conservancy district.

And the Ohio Water Commission has just presented its statement of policy and legislative recommendations to Gov. DiSalle. Principal item in the package is a proposed bill to divide the state into districts based upon study areas for watershed inventories now under way in the Division of Water.

These districts would be expected to incorporate long-range planning for flood control, water supply, drainage, providing areas for recreation, controlling soil erosion, etc., in cooperation with local agencies.

Also proposed by the commission is a bill to create a flood control section within the Division of Water to study floods in Ohio. This section would assist localities in laying out flood plain zoning and in keeping floodways clear.

Among appropriations advised are: $250,000 for loans to assist watershed districts in getting started; $400,000 per biennium for water plan inventories; and $200,000 to initiate a program of locating buried river valleys and determining their water yields.

Some encouragement is found in the Ohio Water Commission's summary, which states: "A great work must be done, either now, or later in the form of extra-expensive 'crash' projects when crises are upon us and cannot be avoided. We need to manage our water resources now, while intelligent and economical planning is possible, and we need to manage it in its natural unit—the watershed."

WHAT TO DO . . . WHAT TO DO?

Sherwood-rd Man Almost Tossed Away Spectacular Lake Trout

INSIDE ON THE **Outdoors** By ROD COCHRAN

A record brook trout that has gained international attention was almost thrown back by ardent angler Walter R. Souder, 2667 Sherwood-rd.

Souder was fishing God's River in Manitoba last June and explains it this way: "We were trying for really large lake trout and were taking some up to 17 pounds, and when I netted the six and one-half-pound brookie it didn't seem like much of a fish. Just as I unhooked him and was about to slip the fish into the water the guide yelled, 'Don't throw him back — I haven't seen one as large for about seven years'."

Because of the alert guide, Souder now has a Certificate of Award from Field and Stream magazine and two handsome medals commemorating the trophy catch. The trout has been mounted and holds top priority in Souder's fishing and hunting experiences, which span many years.

In addition to the Field and Stream certificate and medal, the Province of Manitoba awarded Souder its Master Angler Award for catching the largest brook trout in the province last year.

Area Is Praised

"The trip to God's Lake and God's River would have been a success," Souder says, "even if the big trout hadn't been caught. This area offers the best fresh-water fishing I've ever had. Something is always hitting, if not brook and lake trout then huge northern pike."

Walter Souder should know whereof he speaks, for his trips into the north country have been many and varied. He has been to God's Lake twice, and no doubt will return again. There is still ice floating around up there in June, but the fishing is hot.

Casting or spinning is the order of the day in June. Trolling for the giant lakers comes later, but to Walter Souder and many other anglers this is rather dull sport. By casting artificial lures early in the season, you get rapid-fire action along with aerial jumps and other water sloshing tactics. Your nervous system really doesn't get much rest, Souder reports.

The fish do not seem to be sophisticated, and a great variety of lures is not needed. Doll flies, weighted jig-type lures, were used mostly for the trout. Black seemed to be the best producer. The northern pike were taken on large spoons.

Dr. John Schott, 1971 Hadrd, accompanied Souder last June and participated in the fishing whing-ding.

One of the things most enjoyable about Souder's fishing, is that he brings back movies about his exploits. His films on God's Lake will make any angler's mouth water, as you can well imagine. But after you see this spectacular footage, he can also show you a reel just as eye-poping taken just last month on the blue waters off Mazatalan, Mexico. The target in this exotic spot was striped marlin.

Robert Slatzer, 4800 Sawmill-rd, was the fishing partner on this jaunt, and in Mazatalan they met George Stuart, 746 Bevis-rd. The trio patrolled the warm ocean currents in the Pacific there for the giant marlin. Fishing was good, and all took fish over 100 pounds.

While the scenery, climate and angling obviously were superb down in the bull-fight country, you sort of get the impression that master fisherman Souder's thoughts keep returning to the cool, clear white-water of God's River where the trout are fat and willing to strike. And I don't blame him.

FISH STORY—Walter R. Souder traveled to central Manitoba, about 1,500 miles, to try for a trophy lake trouts, and came back with a record brook trout. Such are the "trials" of a fishermen.

BIBLE COMMENT:

Women Have Their Place In The Bible

The record shines out in the place and greatness of thee women of the Bible, all the way back into primitive times.

Miriam, the Prophetess, elder sister, and rescuer, of the baby Moses (Exodus 2:1-10), stands out in leadership besides her brother Moses, and Aaron.

She is the poet and singer, enriching her song with the dance and the timbrel.

Outstanding among Old Testament women, at least in ability and force of character, is Deborah, who in the time of the Judges became Israel's unofficial leader, an uncrowned queen and judge, whose famous palm tree (Judges 4:5), became the judgment seat to which the people came.

Her forcefulness was so great that even Barak, the warrior, couldn't go against Israel's enemies unless Deborah went with him. What a woman!

But even more impressive than the outstanding women of the Old Testament is the portrayal in its pages of women in home and family life.

Like frost on a window pane, cataract is a cloudiness within the lens of the eye that blocks the passage of light rays. Surgery is the only recommended method of treatment for cataract.

Westgate Methodist Scene Of Service Uniting Maureen Krems and Gary Nebinger

The aisle of Westgate Methodist Church was lighted by tapers in Swedish candelabra accented with lilies of the valley, ivy and tulle, and the chancel was decorated with white carnations and emerald trees for the marriage of Miss Maureen Krems and Mr. Gary Niel Nebinger, Jan. 28.

Dr. Joseph B. Shellhaas, pastor of Glenwood Methodist Church and Rev. Sidney G. C. Everson, pastor of Westgate, officiated at the double-ring ceremony at 7:30 p.m.

The bride is the daughter of Mr. and Mrs. Edward A. Krems, 155 S. Brinker-av, and the bridegroom's parents are Mr. and Mrs. Harold Nebinger, 1109 Wiltshire-rd.

The bridal gown of peau de soie and re-embroidered alencon lace was fashioned with an extended bodice, crescent neckline of pearls and iridescent-trimmed lace and long tapering sleeves. Appliques of lace trimmed the front princess panel, and the full pannicred sides and back extended into a chapel train.

A coronet of seed and hanging pearls held her fingertip, three-tiered veil and she carried a cascade of white feathered mums with a hybrid white orchid and velvet leaves.

Mrs. R. A. Nash served as matron of honor and other attendants were Mrs. Roland Nebinger, Miss Phyllis Krems, sister of the bride, and Miss Sharon Bertsch.

They were identically gowned in scarlet taffeta gowns with inserts of velveteen at the portrait necklines and down the front of the redingote-styled skirts. Each carried a white, silver-glittered bird cage with garlands of white feathered and red carnations.

Rebecca Ann Bertsch, cousin of the bride, served as flower girl. She wore a full-length frock of white nylon over taffeta with a head piece of white satin leaves and carried a white tulle basket with rose petals.

Mr. Roland E. Nebinger served as best man for his brother and guests were seated by Mr. Ronald Krems, brother of the bride; Mr. Robert Nebinger and Mr. William Nebinger, brothers of the bridegroom; Mr. Robert Courtney and Mr. Robert Heiser.

Bruce Nebinger, nephew of the bridegroom, was ringbearer.

Hostesses for the reception held at the church were Mrs. David Zells, Mrs. John Gallandt, Mrs. Ronald Krems, Mrs. Charles Link, Jr., Mrs. Bill Panzner and Mrs. Kenneth Wright.

The bride was graduated from West High School and is employed by Ohio Bell Telephone Co. Mr. Nebinger is also a graduate of West High School and is a senior at Otterbein College, where he is affiliated with Eta Phi Mu Fraternity. He is associated with the Ontario Co.

Carolyn Hatfield Bride Of Douglas Andrews

Miss Carolyn Sue Hatfield and Mr. Douglas Vern Andrews exchanged their marriage vows Feb. 4 at Burgess Avenue Evangelical United Brethren Church. Rev. Irvin Lane read the candlelight ceremony at 7:30 p.m.

Nine-branch candelabra, greenery and white gladioli formed an arch at the end of the aisle, marked with aisle candelabra and garlands of greenery.

The bride is the daughter of Mr. and Mrs. Harold Hatfield, 2665 Eakin-rd and her husband's parents are Mr. and Mrs. Vern Andrews, 637 Chestershire-rd.

The bridal gown of chantilly lace was designed with a basque bodice, scalloped sabrina neckline, long tapering sleeves, and bouffant hooped skirt featuring tiers of ruffles that extended into a brush train.

A plateau hat of matching lace with points and pearl drop over the forehead held her fingertip veil and she carried a garland of white gladmellias and pink sweetheart roses. Her only jewelry was a single strand of pearls, gift of the bridegroom.

Mrs. Frank Wick served as matron of honor and bridesmaids were Miss Sharon Andrews, sister of the bridegroom, and Miss Lynda Maurath.

They were identically styled gowns of romance blue velvet with basque bodices, crescent necklines and bracelet-length sleeves, matching hats and circular veils. Each carried a cascade of pink gladmellias.

Mr. Robert Andrews served as bestman for his brother and guests were seated by Mr. Kenneth Clapsaddle, Mr. Larry Dinsch and Mr. Robert DeWitt.

Hostesses for the reception held at the church immediately following the ceremony were Mrs. John Hummel, Miss Sarah Pavey, Miss Nancy Reams and Miss Kay Durbin.

Cowboys Suffer Fatigue In Uphill Battle

Spectacular Overtime Kills Cowboy Rally In 79-65 Battle

By Bob Wilcox

West took an early lead against Eastmoor in the Cowboy's gym last Friday evening and then the Warriors took over and were never behind until almost the final buzzer.

But after their valiant, uphill, come-from-behind battle, to tie things at the end of regulation time, the Cowboys wilted before a torrid 20 point Eastmoor onslaught in the overtime—when a sensational total of 26 points was scored by both squads in the three minute extra period.

The Warriors held quarter leads of 25-19, 35-33 and 49-46 with everything even at 59-59 at the end of the fourth stanza. The final result was Eastmoor 79, West 65. West kept fairly close as Eastmoor would jump out to a 6 point lead but West would then spurt and close the gap.

In the final quarter Eastmoor took a six point lead at 57-51 but the Cowboys came back with six consecutive markers to tie things up at 57 all. Eastmoor put in two but Dwight Newman came thru with the tying bucket for the Broncos and no one else connected before the whistle.

In the overtime it seemed as if the uphill drive had drained too much from the Cowboys as Eastmoor literally went wild pointwise in the limited time. Dean Lampros paced the victors as he personally dumped in 11 points in the extra frame.

Even with four of the five West starters hitting for double figures and both tall men in the lineup at once (Newman and newcomer Rick Meyers . . . the later permanently up to the varsity now) . . . it wasn't quite enough.

Newman led the Cowboys with 16, Charlie Castle had 14, Meyers 12 and Law Coles 11. Eastmoor was paced by Lampros and Dwyer each with 21, followed by Stavroff's 16 and Benjamin's 14 . . . also four men in the double figures.

Statistic wise . . . field goals: W-27-74-36%, E-30-63-48%; foul shots: W-11-18-61%; E-19-41-46%; rebounds: W-45, E-31; turnovers: W-15, E-19.

WEST . . . Coles, 4-3-11, Crum 2-3-7; Meyers 5-2-12; Newman 3-0-16; Castle 7-0-14; Barnett 1-3-5; Neely 0-0-0; Smith 0-0-0. Totals: 27-11-65.

EASTMOOR . . . VanHorn 0-1-1; Lampros 7-7-21; Dwyer 8-3-21; Hollister 2-2-6; Benjamin 6-2-14; Stavroff 6-4-16. Totals: 30-19-79.

Central had themselves a bad weekend . . . dropping a 66-55 decision to North on Friday evening and then getting nipped by City Loop title holder for this year Linden McKinley on Saturday night, 70-65.

The loss to North ended any chance that the Pirates had to tie Linden for the title this season so that their meeting on Saturday night lost its luster and most of its importance. With the last contender for the title waylaid (Central), Linden, idle Friday night, backed into the championship. But by downing Central they remained undefeated in City League warring . . . which is about all their City league rival (Aquinas) can hope to shoot for in their last outing of the season.

Tom Fullove kept up his sensational scoring pace since moving up to the Buc varsity at midyear as he poured in 36 points for the Pirates against North. But the Polar Bear trio of George Underhill (19), Bill Halley (19) and Charles Bryson (15), were pushing North to a fine 48 percent from the field on their 59 tries. George Gilchrist's 10, and Tom Randall's 12, were the only double figure scorers for the Bucs.

North led all the way by quarter margins of 15-12, 29-17 and 46-37. The game was at North.

Fullove pushed in 22 points Saturday night to push his record to 116 points scored in his five games up from the reserves, but he was topped by Linden's Tony Kent's 24 markers, the latter hitting on 10 of 12 from the field. The Panthers hit 28 of 46 from the field for a sensational 61 percent.

Central went six minutes without scoring a point at one stage of the first half and fell behind 30-11 but rallied to come back strong. Taylor with 14, Al Foster with 12, and Tom Randall with 15, also chipped in for the Bucs. Linden was never ahead quarterwise with marks of 17-7, 40-26 and 57-45.

Central — Taylor, 1-1-3; Gilchrist, 4-2-10; Foster, 1-2-4; Randall, 5-2-12; Fullove, 12-2-26. Totals: 23-9-55.

North — Nolan, 3-1-7; Bryson, 7-1-15; Halley, 9-1-19; Underhill, 7-5-19; Shepard, 1-0-2; Rennecker, 0-1-1; Mulbarger, 1-0-2. Totals: 28-9-65.

Central — Taylor, 5-4-14; Gilchrist, 1-0-2; Foster, 6-0-12; Randall, 6-3-15; Fullove, 10-2-22; Walker, 0-0-0. Totals: 28-9-65.

Linden — Bowman, 8-3-19; Strapp, 0-2-2; Kent, 10-4-24; Bates, 6-4-16; Armentrout, 4-1-9; Martin, 0-0-0; Burke, 0-0-0. Totals: 38-14-70.

It was also a bad weekend for Holy Family as they not only dropped two ball games but one of them put them both in and the other out of the tournament in one stroke. On Friday evening at Watterson, the Eagles took Holy Family to the tune of 89-33.

Then of all teams to draw for their first tourney bid, the Red Raiders drew annually toughie Newark Central Catholic, and at Otterbein College Saturday night Newark ousted H-F, 63-36. This play was in the Central District Non-County tourney warring.

Watterson controlled the boards and play in its romp as H-F finished its league play for the second straight year without a loop win, (0-10). Dom Nicoloff paced the losers with 11. The Eagles held quarter leads of 23-12, 35-18 and 60-28.

H-F got off to a very poor and slow start Saturday evening and Newark had no trouble holding quarter margins of 20-6, 36-20 and 53-30. However, H-F got hot in the second quarter as Don Lee pushed in 11 points as the Raiders scored 14 in the period.

Lee paced H-F with 21 for the evening and led the team with some fine floorwork. H-F grabbed off some rebounds but Newark dominated the scene.

This Friday evening at St. Mary's, Holy Family closes out its 1960-61 campaign playing the Ohio Deaf, a game postponed from last Saturday evening due to the tournament intervention.

Holy Family — Lee, 1-1-3; Durham, 2-1-5; Huntsinger, 0-2-2; Nicoloff, 5-1-11; Nash, 2-1-5; Squeo, 1-0-2; Martin, 1-0-2; Frank, 0-1-1. Totals: 13-7-33.

Watterson — Gary, 3-0-6; Rotolo, 4-0-8; Dennis, 2-0-4; Roback, 3-2-8; Colonel, 11-1-23; Watson, 1-2-4; Kronenberger, 1-0-2; Egelhoff, 1-0-2, Ward, 1-0-2; Thomas, 7-3-17; Taylor, 4-1-9; Stalter, 2-0-4. Totals: 40-9-89.

Holy Family — Lee, 7-7-21; Martin, 1-0-2; Nicoloff, 4-0-8; Nash, 2-2-6; Huntsinger, 0-1-1. Totals: 13-10-38.

Newark C. C. — Rodgers, 9-2-20; Motz, 3-1-7; Brown, 9-1-19; Williams, 2-0-4; Bailey, 1-0-2; Schafer, 2-3-7; Lusetti, 2-0-4. Totals: 28-7-63.

• • • •

On the reserve front, Central's reserves also took it on the chin—from North, 45-25, and Linden, 39-38. Holy Family dropped its one encounter to Watterson's reserves, 52-19.

Meanwhile, West was staying on the victory path for the second straight week as they bumped off Eastmoor, 37-31. Bill Hunter paced the winners with 11 markers. The junior Cowboys are now playing without the services of their "tall one," Rick Meyer, who has moved up to the varsity (and a starting berth). West had lean first and last periods but spurted for 14 and 12 points in the mid-frames. Eastmoor hit double figures as a team in the fourth period, as they outscored the Broncos, 11-5. West and Eastmoor were all tied up at 6-6 at the end of the first quarter but West took a 20-13 halftime lead and led at the end of three periods 32-30.

Due to a lack of space last week we had nothing on the junior highs and thus this week we thought we'd bring you up to date and finish them off as most of them completed their 1960-61 schedules this past week.

Starling wound up the season on somewhat of a sour note as they bested and were beaten by Barrett. However, Starling's little backcourt scooter, Mitchell, had himself another fine afternoon, pumping in 18 points for high honors. Meanwhile, Hilltonia was nipping another annual title contender, Franklin, by one point. Westmoor had a rather easy time in winning, paced by a strong scoring effort by Barnard.

This past week, Hilltonia and Westmoor finished their seasons by meeting each other on the Hawks' floor. The two had opened the season against each other, with Westmoor just squeaking through to a win. But this time there was no doubt as to the eventual winner right from the opening whistle. This reporter doesn't believe he has ever seen a colder shooting or scoring team than Hilltonia was on its own court.

Westmoor led by quarter margins of 8-4, 21-11 and 31-11 with Hilltonia not scoring the entire third period and halfway into the final frame. Jim Hughes and Steve Barnard each with 10 points, paced Westmoor, while Hilltonia was led by Carl Graves with five and Ernie Starks with three.

West High senior Larry McQuerrey came from behind last Saturday night at Franklin Heights when the chips were down to take West's only Sectional Wrestling Tourney first place. West finished sixth with 37 points, Franklin Heights won with 86 markers in the 11-team Heights sectional.

Last year the district was so crowded they were grappling until 2:30 in the morning so they split the area into two sectionals. The other was held at Eastmoor last Friday and Saturday.

McQuerrey, who took the 184-pound weight division title, was down 2-0 at the end of his first period (they wrestle three two-minute periods), and by 2-2 at the end of the second. However, by the end of regulation time he had garnered enough "riding time" (he stayed on top of his opponent the entire third period) to receive the automatic one point and tie things up.

An overtime in wrestling is two one-minute periods with two officials sitting on the sidelines rating the grapplers so a definite decision can be reached at the end of these periods. But McQuerrey didn't need their help as he flipped out from underneath his opponent, Al Medors, of Pleasantview, and pinned him.

McQuerrey opened his sectional warring on Friday evening with a pin and then followed with two decisions for his four conquests and the win. Unfortunately, there are no trophies given for the sectional. However, this weekend, he'll have a crack at picking one up as he advances to the Central Ohio District Meet at Whitehall this Friday and Saturday.

There the 86 finalists in all weights, four qualifiers in each weight, for a total of 44 from each sectional, will compete for the right to claim district honors and to go on to the state meet the following weekend.

Since the top four in each weight qualify for district, West will have four others grappling for district honors this weekend. Sam Dennis, 112 pounds, and Odell Walters, 127 pounds, each took fourth place honors while heavyweight Bob Montgomery took runnerup honors as he was decisioned by Stewart Tennant of Worthington (5-3).

West's summary for sectional meet — 103-Pennington (GC) pinned Charlie Graham (W); 112-Dennis (W) dec. Carter (GC) 5-4; Holloway (PV) pinned Dennis; 120-Goins (Wo) dec. Dave Nachman (W) 6-0; 127-Walters (W) dec. Good (PV) 5-0; Davis (FH) dec. Walters (W) 2-0. Cowan (Wo) dec. Walters (W) 4-1; 133-Schoemaker (Wo) dec. Scott Teale (W) 5-2; Dick Colvin (W) pinned Anders (WCH); McVicar (Wo) pinned Colvin (W); 145-Martin (GC) pinned Jim Pennington (W) :45; 154-McQuerrey (W) pinned Cortwright (FH) 5:36; McQuerrey (W) dec. Wickens (U) 4-0; McQuerrey (W) dec. York (H) 3-0; McQuerrey (W) pinned Medors (PV) 5:58; 164-Lore (H) dec. Jerry Bronbach (W) 6-3; 175-Banner (FH) dec. Ed Shute (W) 7-1; heavyweight-Montgomery (W) pinned Lash (GC) 3:15; Montgomery (W) dec. Royer (PV) 2-0; Tennant (Wo) dec. Montgomery (W) 3-2.

Thus in his four wins on the way to the title, McQuarrey had two pins and the other two matches were shutouts as he went unscored upon.

The girls' interschool basketball squad at West was still going strong at press time, having won their last two games and still undefeated. They met a strong North aggregation last night at West in one of their two toughest games of the season. A week ago in their first home game of the year, the "Cowboyettes" (for lack of a better name) dumped arch West Side rival and previously unbeaten Central by a lopsided 28-10 score. Then last week, again on the road, they dumped Linden-McKinley by a 37-14 count.

Against Central, West held quarter leads of 6-3, 12-6 and 19-8, Anne Halley ran off with scoring honors for the winners with 12.

West scoring summary: Halley 6-0-12, Griffin 3-1-7, Carfrey 1-3-5, Ralph 1-0-2, Dixon 1-0-2. Totals: 12-4-28. Central totals: 4-2-10.

Again all forwards scored, although no one in double figures, in downing Linden. Dixon and Griffin tied for high honors with six apiece. West had to march the comeback trail for this victory as they trailed after the first period 7-4 and also at halftime 8-6. But the second half found West breaking loose as they took a 14-10 third quarter lead. West scoring: Griffin 3-0-6, Dixon 3-0-6, Halley 1-0-2, Carfrey 1-1-3. Totals: 8-1-17. Linden totals: 6-2-14.

Meanwhile the gals' reserve team also was picking up two victories. They nipped Central 15-14 in a thrilling double overtime contest. Betsy Prout paced the winners with six points, followed by Mary Gabriel's five. Central led 2-0 (high scoring game at the end of the first period and had increased their lead at halftime to 7-2. End of the third frame found things all tied at 7-7 and then at 13-all at the end of regulation time. At the end of the first two minute overtime Central held a 14-13 edge but the "sudden death" found West making the first

Two Unbeatens Vie For Title

The Cavaliers and the Untouchables kept winning, as each copped its seventh game without a loss in the Glenwood Recreation Center Senior boys' league. The two teams will meet next week to decide the championship of the league.

In other games, the Pembe Lou's beat the Rebels, 47-35. Charles King and Bob Wesley each had 14 points for the winners. Eddie Smith had 10 for the losers.

The Astronauts staged a late rally to come from behind and defeat the Midgets, 64-54.

Hawks Beaten At Glenwood

In the Junior boys' basketball league, the Hawks were defeated by the Celtics, 25-24, after a string of eight wins without a loss. Mike Robinson led the winners with 12 points. Henry Butcher tossed in 18 for the losers.

The Lakers won over the Royals, 38-29, as Jim Bell and Larry Ginn paced the winners with 15 and 13 points, respectively. Billy Prillerman had 15 for the Royals.

In the final game, the Cardinals whipped the Trotters, 33-28, behind Mike Stumpf and Curtis Holloway, who led with 14 and 13 points. John Postle had 11 points for the losers.

Trojans Edge Hilltoppers

With two seconds remaining in the ball game, Richard Moore hit on a driving lay-up shot to nose out the Hilltoppers, 32-30, in the Intermediate boys' basketball league at Glenwood Recreation Center.

Moore and Art Dennis were high men with 11 and 10 points, respectively, for the Trojans. John Wooldrige had 10 points for the losers.

The Imperials kept rolling along for their seventh victory without a defeat by defeating the Hawks, 43-25. Tex Hysell, Larry Clive and Jerry Claytor found time to turn in 15, 14 and 10 points, respectively. Mike George had eight points for the losers.

Yesiree...this is an "old-fashioned" winter!

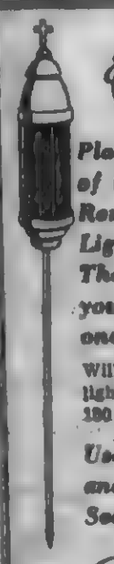
The Old Farmer's Almanac was right when it predicted a real "old-fashioned" winter this year.

It's been cold! And, how!

The average temperature during December was 38½ per cent colder than the same month the year before in the area served by the Ohio Fuel Gas Co.

January was 23 per cent colder than a year ago.

During the 13-day period ending January 30, temperatures dropped 9 to 22 degrees below normal.



As a result, Ohio Fuel delivered a record 108 billion cubic feet of gas during December and January to keep customers' homes warm.

This means your home heating bills this winter are likely to be higher than usual. The colder the weather, the more fuel it takes to keep your house warm. But it's a comfort to know that gas is by far the least expensive fuel for heating.

With natural gas, homeowners in Ohio enjoy unmatched heating efficiency, comfort, and convenience — no matter how much colder one year is than another — at rates that continue to be among the lowest in the nation.

25 Years Of Life On Channel 4

By Stan Robinson

Actress-comedienne Peggy Cass will co-star as Sid Caesar's wife in a satirical sequence during the special anniversary program of "25 Years of Life," scheduled for 9:30 p.m. Thursday, Mar. 2, on Channel 4 and NBC-TV.

Bob Hope will be star-host of the 90-minute show which also will spotlight the seven Mercury Astronauts and and other outstanding personalities.

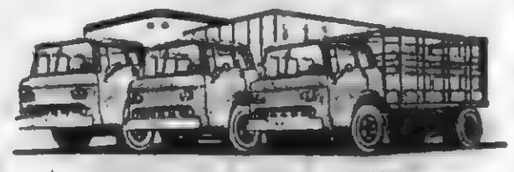
In the satire, Caesar as the father and Miss Cass as the mother will have two children, yet to be selected, will show the life of an average American family during the depression year of 1930 and life in 1961. Miss Cass is a frequent visitor to the Jack Paar show on 4 in Columbus.

A familiar voice addition to the WTVN radio weekend schedule is that of Mike Gavin, former WMNI staffer. Mike is heard on Saturdays and Sundays under the present schedule, on WTVN radio.

Gavin along with Harv Morgan started the popular Saturday record hops at Vets' Memorial which Mike still maintains and has done so since Morgan moved to a radio station in the Detroit area. The latest report is that Morgan is doing a morning radio show in Baltimore, Md. It's good to hear the "personable Mike" from Boston on Columbus radio again.

Three new daytime game shows are on the planning board at CBS-TV as possible replacements for current afternoon soap operas, several of which are carried by Channel 10 . . . "Dr. Kildare," developed by MGM-TV from its memorable motion picture properties will be a full-hour family entertainment series co-starring Raymond Massey as Dr. Gillespie and Richard Chamberlain in the title role, now figured for NBC-TV in the 61-62 season of viewing.

A deal said to involve $25 million has released 150 post-1950 motion pictures to NBC-TV for possible scheduling in prime evening time next fall. There would be uncut 20th Century Fox films to start at 9 p.m. on Saturday night. Marilyn Monroe and Danny Kaye would be two of the many star performers on film . . .



Ruth Lyons will have Phyllis Diller as her Thursday guest, this week on the 50-50 Club, noon on Channel 4 and on Friday, singer Snokie Lanson is scheduled special . . . Mort Sahl, the comedian with the sweater and the newspaper, visits on Channel 4's "Here's Hollywood," Thursday, Mar. 2, 4:30 p.m. On Friday, Mar. 3, the same show presents actress Dina Merrill telling of her experiences as NBC commentator at the inaugural Ball in January

"Pierre of the Plains" is the film on Channel 4's Buckeye Playhouse, 1 a.m. Feb. 24th, and Bill Brabson, well known over the past few years in radio and television, has been the commercial spokesman for the sponsoring concern.

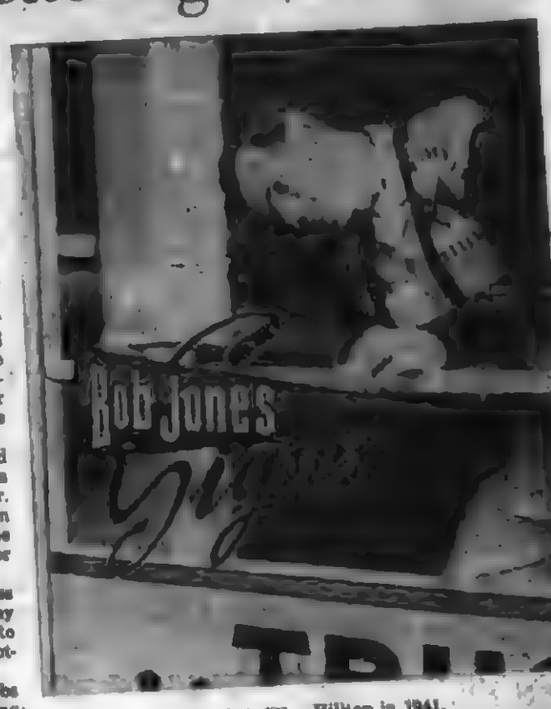
BUSINESS REVIEW

Edison Essay Test Winners Listed

Both the Hilltop and South Side boasted two winners in this year's essay contest commemorating the birth of Thomas E. Edison.



Local winners were Pat Whitmer, Barrett; Jim Ricketts, Marion-Franklin; Ruth Strickler, Starling; and Susie Griffith, Westmoor.

Ninth grade students in 11 local junior high schools entered the contest. Winners received a certificate and a model atomic energy electric power plant.

In addition, each school was presented a frame portrait of Edison. The individual awards were presented by John Robinson, of the Columbus and Southern Ohio Electric Co.

HILLTOPPER BOB JONES

Variety Is The Spice Of Local Custom Lettering Man's Life

When Bob Jones, now a Hilltopper, walked out through the doors of Columbus' East High School back in 1940, he knew then what he wanted to do for his life's work.

Jones, who resides at 1412 N. Hague-av, was interested in sign painting. His ultimate goal? A shop of his own.

Today, some two decades later, Jones has that shop — located at 2420 W. Broad-st — and business is booming.

"I've never had to solicit for a painting job since I opened my shop," Jones said. "I'm the only sign painter on the Hilltop." His 12-year reputation for quality work earned him the right to make that statement.

When Jones was graduated from East High he answered a newspaper ad for a sign painter. After spending three years in the Pacific with the Navy, he decided to go into business for himself.

"It's a great business," Jones said with a smile. "Each day brings some different task to perform. No chance for monotony here," he added.

One of the more unusual jobs —which his custom lettering techniques have made possible —was asked for by a local restaurant owner.

"This fellow came into my shop one day," Jones said, "and wanted a deck of cards reproduced on 3x4-foot plywood. He then installed the enlarged playing cards on his ceiling and, as far as I know, they're still there today."

'For Sale' Signs Popular

One of the peculiarities of his job is the fact that "For Sale" signs are asked for more than any other.

Jones and his staff, Ed Sidley, 244 S. Harris-av, and son, Gary, have lettered everything from a 125-foot smoke-stack to a postage stamp size sign and racing cars to semi-trailers. "They say variety is the spice of life and we've got it," he said.

Jones was born on Columbus' South Side and moved to the Hilltop in 1941.

He's a member of the Hilltop Businessmen's Association and Hilltop Kiwanis Club where he is active with the agriculture and conservation committee.

Jones likes to trade his brushes for a fishing pole whenever he gets a chance to spend some free time and also does quite a bit of bowling and hunting.

$125,000 Given To Colleges By International Harvester

Independent colleges and universities in 43 states will share a $125,000 grant for education made Tuesday by the International Harvester Foundation.

The gift is part of a contribution totaling more than $380,000 which the Foundation and International Harvester Company will make in 1961 to colleges and universities and to other educational aid programs, William R. Odell, president of the Foundation, said.

Most of the remaining $225,000 will be given directly to colleges and universities and other educational aid programs in areas where Harvester has major operations.

Odell said the International Harvester Foundation and the Company have made gifts to education totaling $1,350,000 in the past six years.

Boxing and judo continues to be popular sports at Sunshine and anyone interested in joining the program is invited to contact Dave Daniels at Sunshine.

Family Night Not Tonight

Cancellation of its Wednesday Family Night program this week was announced by the Hilltop YMCA.

The weekly event was cancelled because the gym is not available when schools are closed. City schools will close Wednesday in observance of Washington's Birthday.

Family Night will resume Mar. 1.

Local Council May Cancel Sticker Sale

The president of the Hilltop Community Council has stated that he plans to ask the council to abandon a money-making plan which has drawn the objection and withdrawal of one PTA group.

John Burroughs PTA representatives said they felt the sale of bumper stickers bearing the slogan "Of, By, for Hilltop USA" was contrary to their rule book.

Robert Frakes, HCC president said: "The bumper sticker was a promotion of the council to finance community projects and at the same time promote the Hilltop.

"In the past we have relied on donations. We realized that some organizations could not participate, according to their own constitutions. It was the decision of the majority, however, that those who could sell the sticker, would do so.

"Since this program apparently might cause the loss of membership in the council, and rather than risk this loss, the council will be asked at its next meeting to refrain from sponsoring the sticker.

Frakes said the stickers, selling at 25 cents each, will be offered to any other organizations wishing to sell them as a money-making project.

New Partnership In Bookkeeping Is Announced

Formation a partnership in accounting and bookkeeping services was announced this week by H. W. Postlethwait, 76 S. Roys-av, and James Graham, 220 Binns-blvd.

The new Postlethwait and Graham Bookkeeping Service will succeed the Postlethwait Bookkeeping Service which has been operated for the past 13 years.

Graham was associated for 25 years with the accounting department of the Sunday Creek Coal Co. During the past five years, he served as the firm's vice-president and was controller for the five previous years.

Both are licensed public accountants in Ohio. Opening of an office on W. Broad-st is planned in the near future. Telephone number of the firm remains BR. 4-6555.

A little prominence does not go to the head of a really prominent person.

Girls' Dancing Class Offered

A ballroom dance class for teenage girls will be held every Monday from 8 to 10 p.m. in the Sunshine Center Auditorium.

Girls interested in learning the rumba, tango, cha-cha-cha, waltz, and samba may register with Sandy Gerlach.

The AMA has pledged cooperation to Ribicoff.

$100,000 Willed To Pilot Dogs

The will of Augustus C. Watts, 447 S. Champion-av, who died last Nov. 9, leaves about $100,000 to Pilot Dogs, Inc., to provide seeing eye dogs for blind persons unable to afford them and for other purposes of the organization.

Watts' estate was valued at $113,150. Only other beneficiaries are an employe who will receive $5,000 and a nephew who will receive $1,000.

Watts, who operated a tavern on U.S. 40, near Reynoldsburg, became a friend of many blind persons through the Pilot Dog program.

two for the winning margin.

The reserves bounded back to really rack up Lindens reserves to a smashing 25-4 tune. Nancy got the fine "hot hand" for West as she poured in 13 points. West led all the way by scores of 8-0, 12-1, 24-1.

The "Cowboyettes" were without the services of one of their ace scorers last night.

Once the West wrestling squad tasted victory they liked it so well they went right out and won another one. After taking the measure of Grandview for their first triumph of the year, they then socked University High 15-9 (the score would have been higher but West did not count the matches that they won by forfeit). However they ended their 1960-61 campaign on a couple of sour notes. Losing to Hilliard 24-17, and then winding up on the short end to East 27-13. However Larry McQuerrey ran his record up to a very fine 17-2-1 mark.

Intoxication Charges Filed By Police

Two drinking incidents involving young people—one at a Sullivant-av bar and the other at a local theatre—were dealt with by authorities last Saturday, according to the Columbus Police Department.

A 21-year-old City Park-av resident pleaded guilty in Municipal Court last Saturday to charges of intoxication but innocent to charges of resisting arrest and interfering with a police officer.

A 20-year-old S. Warren-av resident pleaded innocent to all three charges and a Highland-av teenager pleaded guilty to a charge of interfering with a police officer. He was fined $25.

All three youths reportedly were part of a seven-member drinking group early last Saturday at Mickey's Tavern, 2214 Sullivant-av.

The second incident involved the arrest of two intoxicated 15-year-old girls at the Westmont Theatre, 2686 W. Broad-st.

Policewoman Ann Neal, dressed as a teenager, mingled with the crowd and found an intoxicated girl in the restroom of the theatre.

The girls were charged with delinquency last Saturday.

DOES IT HURT?

FIRST-GRADE PUPILS at Bellows Avenue School were a bit apprehensive as they lined up for Christmas seal tuberculin tests Feb. 13 when the Tuberculosis Society gave the first of 11,000 needle-type tests to be administered this year. Janet Porter, 850 Sullivant-av, receives her test from Dr. George O. Kress, as Terry Lee Moore, 982 Bellows-av, watches the reaction.

HI-TEAM MEETS WEST HIGH FACULTY

Basketball draws more fans every year than any other sport but if every game matched the Hi-Y team against the West High faculty, there would be even more cage fans.

The big game will be held in the West High gym at 3:45 Feb. 23. Last year the Hi-Y downed the faculty 44-39 despite an effort from the faculty's "big gun," Larry Gray. Other members of the faculty team are Lafe Dodds, Bob Wilcox, John Butler, Tom Starkey, William Young and Bert Korte and Gary Sixs from the Hilltop YMCA.

The Hi-Y team is composed of Bob Dent, Bob Ross, Terry Linsen, Dick Williamson, Troy Bauer, Jim Thornton, Herb Webb, Harold Webb, and John Sionager. Tickets may be purchased from any member of the Hi-Y for 25 cents.

Westmoor Gymnasium Site Of 'Y' Basketball Festival

On Feb. 14, at the Westmoor gymnasium, the "Y" Intermediate League teams finished their second week of tournament play. The Hilltop Church of God squad claimed a 15-point advantage over the Glenwood Methodist team with a score of 65-50. With this victory the Church of God team will be in the final playoff of the tournament.

The second game of the evening saw the Hoge Memorial Presbyterian team succumb to the West Senior Hi-Y squad in a one-sided game. The final score of the game was 74-30.

On Tuesday, Feb. 28 the Glenwood Methodist cagemen will meet the Hilltop Church of God team in a second round playoff game. Game time will be 7 p.m. at the Westmoor gym.

In the Junior League, tournament champs will be decided on Saturday, Feb. 25 at 1 p.m. at the Westmoor gym. West Park Methodist will go against the Burgess EUB team.

On Feb. 18, the second week of tournament play was held and the result was as follows: The West Park Methodist "unbeatables" marched over the Westgate EUB team 50-20.

The second game of the afternoon was a victorious one for Burgess EUB team. They knocked off the Westmoor Jr. Hi-Y team by a score of 49-38.

The eighth Annual Hilltop YMCA Basketball Festival will be held at the Westmoor Junior High School gym starting at 6 p.m. Tuesday, Mar. 14.

German Village

They've Asked For . . .

"If I could find a little bungalow style double, I'd sell my home on the Hilltop and move back to the south end where I was born and raised," one lady told me last week. "I don't need a lot of room for myself and I could get some extra income from the other half." Another client would like to find a 5 or 6 room brick single to accommodate her family of four, preferably close to High St. Your house might fill the needs of either of these parties as well as several other good prospects I have for German Village property. If you have even casually considered selling your home may I suggest that you call us. I believe I may have your buyer waiting. Warner Trautman, Realtor.

SCOUTS GET FLAG FROM KIWANIANS

IN RECOGNITION of Boy Scout Week, West Franklin Kiwanis Club last Thursday presented a new 50-star American flag to Troop 186, sponsored by St. John's Lutheran Church. Receiving the flag were, from left, Scoutmaster Eugene Long, 3300 Wicklow-rd; Jim Link, son of Mr. and Mrs. James A. Link, 983 Chesterahire-rd; Robert Long, son of the scoutmaster, and Raymond Clingman, son of Mr. and Mrs. Robert Clingman, 166 N. Ogden-av. At right is Ervin Coder of the Boys and Girls Committee of the West Franklin Kiwanis Club, who made the presentation.

The GIRL SCOUT DISTRICT DIARY

Mrs. James W. Whalen — Ohio Trefoil Council

JOHN BURROUGHS
Troop 580

This troop has grown into a senior troop. The girls have been meeting since they were seven year-old Brownies. Jan. 29 they held a Court of Awards and Senior Capping Ceremony at Bethlehem Lutheran Church. Mrs. E. W. Bishop and Mrs. Carl Washburn, leaders of the troop, capped these girls: Rebecca Bishop, Ruth Knott, Bonnie Sears, Dee Stevens, Kathy Washburn and Alice Wemyss.

Second Class Rank was awarded to Karen Endsley and Lynn Richards. First Class Rank went to Bonnie Sears. Curver Bar Rank, the highest award in Intermediate Scouting, will be presented to Rebecca Bishop, Dee Stevens and Kathy Washburn at the annual Lazarus Birthday Party in March.

Proficiency Badges were awarded to Judy Cash, Linda Morris, Lynn Richards, Dee Stevens, Kathy Washburn, Karen Endsley, and Rebecca Bishop.

A project of the new Senior Troop 580 is to provide tray favors every month for the patients at Shady Lawn Manor Rest Home.

District VIII and X workshop will be at the Bethlehem Lutheran Church Feb. 28, from 9:30 to 11:30 a.m.

LETTER TO THE EDITOR:

PTA Withdraws Council Support

To The Editor:

Following is a copy of a letter sent to Mr. Robert Frakes, president of the Hilltop Community Council:

After much consideration and discussion, board members of John Burroughs PTA would like to withdraw as a participating school from Hilltop Community Council.

In reference to your bumper-sticker program, we do not feel this is a proper PTA function. May we quote from the Parent Teacher Manual?—"cooperation does not include participation in the fund raising or membership enrollment campaigns of other organizations."

We feel this bumper-sticker program would be in violation of the principles on which the PTA is founded, and we cannot send a representative from our school supporting this program.

Sincerely,
Executive Board Members,
John Burroughs PTA

LETTER TO THE EDITOR:

Church Story Appreciated

I want to express my appreciation to you and your newspaper for the excellent coverage of our congregational meeting and building plans in the Jan. 25 issue of the Hilltop Record West Side News.

The presentation of a rather complicated program of unit-by-unit building was both concise and clear; we are especially grateful for the obvious fact that you and the editors believe that such decisions and construction are of general news value to the community and helpful in its moral welfare.

Yours very truly,
Paul H. Buchholtz

Advertising Paid For Sears Stores

This is the 75th anniversary the Diamond Jubilee year, for Sears, Roebuck & Co., and a lot of things have happened since the days of the old Sears advertising.

Advertising has played a big part in the expansion of this great merchandising firm. The co-founders of the firm were actually brought together on April 1, 1887, when Richard W. Sears placed this want ad in the Chicago Daily News:

"Wanted: Watchmaker with reference who can furnish tools. State age, experience, and salary required. Address T39, Daily News."

Alvah C. Roebuck, answered the ad and Sears hired him to help with his mail order business. Their mail order catalogue was commonly referred to as the "Wish book." But as they started opening stores they started using newspaper advertising.

Today the firm has announced it will spend some $56 million in newspaper advertising in 1961.

Editor's Compensations

There is never a dull moment in this business of editing and publishing suburban and small town newspapers. We are so close to people that our every action and every word can and does come in for criticism if someone does not agree, and it is a foregone conclusion that when three or more people get together they will not agree.

Maybe there is a little compensation in the thought contained in the bit of verse we have clipped from a Nebraska paper, as follows:

An editor knocked at the
Pearly Gates,
His face was scarred and
cold;
He stood before the man of
fate
For admission to the fold.

"What have you done," St.
Peter asked,
"To gain admission here?"
"I've been an editor, sir," he
said,
"For many and many a year."

"The pearly gates swung open
wide,
St. Peter touched the bell,
"Come in," he said, and choose
your harp,
You've had your share of
hell."

Clime-rd Site Under Option For City Park

100 Acres Near Georgesville-rd Up For Purchase Early In April

By MARCUS ORR

A scenic spot along Clime-rd, endowed with some of the stuff that poems are made of, has been singled out for a major park development by the City of Columbus.

Ray S. Dietz, superintendent of parks and forestry, revealed to Hartley Newspapers today that he has signed an option on 100 acres, destined as a park for south and west area residents.

The land, now owned by the Marian Foundation, lies to the south of an S-curve between Georgesville and Demorest-rds.

The site is enhanced by a partly-wooded ravine formed by Big Run Creek and one of its tributaries. To the south lies an open field.

Anticipating growth to the southwest, the city ten years ago programmed a park for the vicinity. In recent years, Georgian Heights, Neff Addition, and Holly Hill subdivision have reached to the north side of Clime-rd.

Dietz said the Clime-rd park acquisition will be the first purchase in his department authorized by the Capital Improvements Bond issue approved by voters last fall. He said funds will be released Apr. 1. Deadline on the option is Apr. 16.

City Parks Commission was to view the area Wednesday afternoon, following a luncheon at Nationwide Inn. The commision some time ago authorized a realty committe to pinpoint the site.

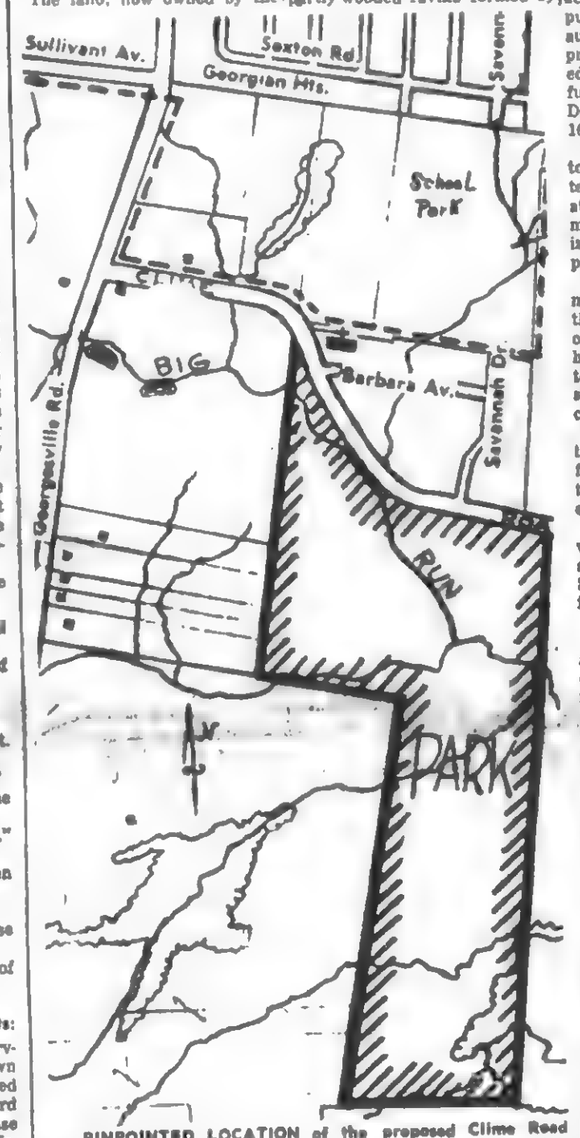
Enthusiastic over the development, Dietz said, "eventually, this place could easily become our most scenic city park. It has the right balance of rolling terrain, streams, and places suitable for picnickers and their cars."

"For 10 years we have hoped to locate a park suitable for future generations to enjoy. It's too bad we couldn't buy it sooner."

Need for the development was brought out in the extensive Bartholomew Report on Schools, Parks and Recreation in 1954.

Just Beyond City Limits

The area under option begins about one quarter of a mile east of Georgesville-rd and fronts for more than 1,000 feet on Clime-rd, ending near the terminus of Savannah-dr. It is just outside the city limits. Three old barns, now leased by a contractor, are the only buildings on the property. Access from Clime-rd already is provided near the barns.



The terrain would lend itself to scenic driveways and paths, especially if more of the ravine to the east were purchased. City Arborist William Walton pointed out that the site is blessed with a variety of mature trees, providing good shade.

No Immediate Development

The officials indicated that the park will not be opened to the public this year because improvement funds are not immediately available. They pointed out however, that the spot is intended for passive recreation, not requiring major construction.

The addition of open shelters,

(Continued on page 8)

PINPOINTED LOCATION of the proposed Clime Road Park is indicated on this map. Area to the north of the dotted line is Georgian Heights, a Columbus subdivision.

WITH NATURE as a backdrop, officials look over maps and inspect the 100-acre Clime-rd site now under option for a new city park. Left to right are Ray S. Dietz, superintendent; John Guglielmi, general foreman, and William Walton, arborist, all of the Columbus Division of Parks and Forestry. Purchase of the land is expected early next month.

Burgess EUB To Host Congress Of 500 Men

Tenth annual Men's Congress of the Ohio Southeast Conference will be held at Burgess Avenue Evangelical United Brethren Church, Sullivant-av at Burgess-av, Saturday, Mar. 11.

Five hundred men are expected at the day-long sessions of workshops, conference reports and projects. Any interested men in the community are welcome and may attend by registering at the church before Saturday.

Communion and breakfast at 8 a.m. will be followed by the morning session, luncheon at noon, afternoon meeting, dinner at 6, and closing program and awards at 8 p.m.

Popular Ham Contest Will Be Repeated!

Any way you slice it, a **FREE** Easter ham would be a mighty welcome gift, wouldn't it?

Every Hartley Newspaper reader will have a chance to win one of J. Fred Schmidt's Montrose Brand Tenderized Hams the week before Easter.

Last year 177 families licked their chops over their good luck as they lugged home free hams. No purchase is necessary — everyone over 16 is eligible to enter the Hartley Newspapers Ham Contest.

Watch for complete details and a list of cooperating merchants in a large announcement ad in this newspaper next week.

Kiwanians To Discuss Markers

West Side and Hilltop Kiwanis clubs will join forces at noon Thursday, Mar. 9 at the Berry Restaurant to hear a program promoting more historical markers on the west side of our city.

Gilbert F. Dodds, research director of the Franklin County Historical Society, will be the speaker. Commemoration of the Centennial of the Civil War has focused attention on many events and places which played important roles in this conflict.

Camp Chase, a Confederate prison, situated on the site of the present West Gate Masonic Temple and surrounding area, was perhaps the best known. Old Four Mile House, nearby, was another.

Service clubs and community organizations elsewhere in Columbus have helped provide appropriate markers for some of the lesser known historic places in the county.

City Orders One-Side Parking Here

Parking was limited to one side only of seven West Side streets by the City Traffic Commission Tuesday to permit easier access to the area in case of fires.

The streets, all in the vicinity of W. Broad-st and Sandusky-st, could formerly be reached from Sandusky-st before it became a limited access express way.

Fire Chief Walter Strickfaden told the commission the parking restriction was necessary to allow access to danger areas served by the streets.

Parking will be permitted on one side only of the following streets: west side of May-av from State to W. Broad-st; east side of Skidmore from Town to Rich-st, west side of Chapel-st from McDowell to Mill-st.

East side of Gift-st from Culbertson to Shepherd-st, east side of Anson-st from W. Broad to the first alley north, and Grub-st from Town to Sullivant-av.

City Okays Apartments, Wilson-rd

Council passed two pieces of legislation Monday night of significence to West area projects, one public, one private.

A resolution declaring the intention to extend Wilson-rd, south of Broad-st to Sullivant-av, was approved. The action was taken to prevent further development by other parties in the path of the project.

Zieg Realty was granted apartment zoning on a number of undeveloped lots just west of Central-av, at Rich-st, extended. The builder proposes to build eight two-and-a-half story brick apartments in what is known as Rickenbacker Addition.

West Side Kiwanis Pancake Feast At Gladden, Mar. 12

Fast becoming a tradition here, the West Side Kiwanis Club's Annual Pancake Feast has been dated Sunday, Mar. 12, at Gladden Community House.

Last year 1000 servings of pancakes and sausage were turned out. Co-chairmen George Weber and Milton Lustnauer said they hope to beat that record this year, so the old "anti-inflationary" prices of the meal will be maintained. "All the pancakes and sausage you can eat for 75 cents (50 cents for children)" is the club's promise.

Serving will be from 7 a.m to 3 p.m. Wives of the Kiwanians will conduct a bazaar and bake sale at the same time.

ACTION TABLED SO ZONERS CAN LOOK

Residents Protest Ordinance To Rezone Area For Doubles

Council zoning committee will take a first hand look at a Hilltop area this week before passing judgment on a rezoning effort which brought 80 Hilltoppers bustling to City Hall, Monday night.

The people, in the main, were protesting new zoning for vacant land on S. Roys-av, extended south of Rosedale-av, which could allow the construction of two-family dwellings.

Through a spokesman, Rev. William A. Brock, 864 S. Roys-av, and a petition bearing 300 names, residents said such action would devaluate their properties. Meanwhile a Wilshire Homes representative insisted that the rezoning could tend to upgrade the community.

After hearing lively discussion from homeowners, developers and their attorneys, the zoning committee tabled the ordinance for further hearing Monday evening, Mar. 6. Apparently by coincidence, a similar request for multiple-family rezoning along Briggs-rd, a block to the west, was also on the agenda. Council tabled it too, pending a personal inspection of the areas in question.

The Roys-av petition simply asks that the area remain zoned only for single family homes. More details were presented in

Betterment League Will Air Complaints On Bad Street

Highland-av residents, unhappy over the condition of their street and sidewalks after the big sewer was put in, will discuss the matter with a city official here Saturday.

Alfred R. Gallucci, maintenance engineer of the Division of Engineering, will hear the grievances at a meeting of the Hilltop Betterment League at 8 p.m. Mar. 4 at 228 S. Highland-av. Julious Tanner, president, said the public is invited.

Wilbert Pack, spokesman for the group, said the street has deteriorated considerably since the contractor left the project several weeks ago. The excavations were recovered only with cement, he said, "leaving the street extremely rough."

The residents also complain that their sidewalks were cracked in many places by the heavy pipe which was left standing in front of their homes for longer than a month last fall.

IT'S A GREAT YEAR FOR THE IRISH!

NO DOUBT about it, the 1961 license tags that go on sale today are designed to make the Irish happy all year long. Attractive red-haired Mrs. Wilbur Ehlers, Jr., who looks a little Irish herself, decided that the tags definitely are Kelly Green this year. Mrs. Ehlers, 3486 Westway-dr, is tag sale chairman for Kiwanikwa who assist the Hilltop Kiwanis Club in selling the tags every March at Westgate Electric, 2635 W. Broad-st. Store owner Don Rice (left) is sale chairman for the Kiwanians. Sale hours are 9 a.m. to 6 p.m. daily, except Sunday. Members of the Road Men Car Club will install the tags free Friday afternoon and all day Saturday at Westgate Electric parking lot.

It's Time To Get Growing, Says Conservation Group

SEEDLINGS MEMBERS pictured above are, left, to right, top row, Karen Clonch, Dee Hackett, Candy Sue Hackett; bottom row, Elizabeth Conway, Debra Richards and Karen Bartel. The newest member of the club is Wendy Cochran. Club members are wearing the emblem that they designed for their group. Now affiliated with the League of Ohio Sportsmen, the girls represent the youngest affiliate of that organization, and recently held a club meeting at the League convention in Columbus. Their section of the program dealt with the future of conservation education, and the girls led a discussion session with ten expert panel members.

• • •

By Charles Rampp

The youngest affiliate of the League of Ohio Sportsmen is the Seedlings, a conservation club of six girls from 10 to 12, who are students at the Smith Road School in Columbus.

"Watch Us Grow," is their motto, and putting into practice what they learn in the classroom is their goal.

Organized in 1959, the Seedlings became affiliated with the League of Ohio Sportsmen at Lake Hope in 1960 and held their February meeting at the League's 53rd annual convention at the Neil House in Columbus.

The girls held a regular meeting in the Junior Hall room with an audience of 125 people, and led a discussion with a 10-member panel representing many different fields of conservation education.

The League of Ohio Sportsmen has expressed the hope that there will be many such clubs "sprouting up" through Ohio.

Questions regarding the establishment of organizations of this kind may be addressed to Ted Lee, Chairman, Youth Activity Committee, League of Ohio Sportsmen, 986 Wilson-av, Columbus 6.

Inspiration for the club was originated by the girls through their studies in the fourth grade, where the teacher, Mrs. Ester Lee, integrates conservation education in many subjects.

Wishing to be more active in this field, the girls organized the club, and affiliated with the League of Ohio Sportsmen in the summer of 1960.

Ted Lee, chairman of the League's Youth Activity Committee, reports that the girls were invited to join the League while on a day-long nature trip at Lake Hope State Park.

The League presented the Seedlings with a set of books, a league emblem, a National Wildlife Federation emblem and a conservation pledge emblem.

Parental co-operation is stressed by Lee as an important factor in the success of the club.

The Seedlings have elected officers for this year. Deborah Hackett was named president, and Elizabeth Conaway vice president. Candy Sue Hackett will serve as secretary with Karan Bartel, treasurer. Wendy Cochran is sergeant at arms, Debra Richards, chaplain, and Karen Clonch says she is happy as just a member.

The girls have designed their club emblem, a solid center circle of brown for the earth, a blue band for the sky and water, a green band for vegetation, and a pine tree is superimposed.

The girls take tours of outdoor areas adjacent to Columbus and to buildings and establishments of interest to their age group.

The Junior Explorer project conducted by Paul Goff, naturalist for the Columbus Metropolitan Parks, has interested the girls through much of the winter, but they report that the last few months' weather has kept them indoors.

Plans for a miniature outdoor area at their school on Smith-rd are part of their indoor activity in the winter months.

The project, when completed, will enable teachers at the school to take advantage of a natural setting on school property for nature study with elementary classes.

Meeting after school in the homes of members, the club is discussing trips for spring, and their planting project on school grounds.

Weekly dues of five cents a week saved from allowances, have been augmented and the treasury vitalized by donations received at the League convention.

The Seedlings' program at the convention was the highlight of the Saturday afternoon session, and was concerned with "What Lies Ahead in Conservation Education?"

Several requests were made from the audience regarding organization of similar clubs and the girls have granted the use of their name and motto to groups who show that they are sincere in their desire to maintain a club of this nature.

The League has furnished the Seedlings with material suitable to their age group, and Lee states that the establishing of such clubs is part of the program of the League.

He expressed pride for the League of Ohio Sportsmen in their youngest affiliate and said that he hopes that the example set by this club will cause similiar groups to "sprout" through Ohio.

Tackle Catalogs Delight Us This Time Of Year

INSIDE ON THE **Outdoors** By ROB COCHRAN

It's been said that half the fun of fishing or hunting is the anticipation of going. I won't quibble about the exact percentage of this planning pleasure, but will admit that it is considerable. This is the height of the fishin' wishin' season.

The drip, drip of a melting icicle, the cawing of restless crows and northward flights of ducks have a mysterious and irresistible effect on fishermen who have been housebound most of the winter. Just as sap is rising in maple trees, fishing fever becomes a gushing torrent within an angler's veins.

He visualizes himself making perfect casts upon his favorite waters with the spring sun warm on his back. There are no backlashes or mosquitos in these dreams. Fish are always biting. A lot of the pleasure in this anticipation comes from the complete perfection of it all.

A fellow has enough trouble concentrating on his work this time of year and he sure doesn't get any help from the tackle manfacturers. Yes, the catalogs are out, and are designed to whet a fisherman's appetite. By looking through these attractive and colorful publications for a couple of evenings, you can plan enough trips to last a lifetime. But fireside fishing is a casual sport, and you can plan just as many angling excursions next year.

Deep Bait Described

The Heddon catalog is a masterpiece again this year and includes so much useful information that they sell it for 25 cents. You can get your copy free, however, by sending a card to Heddon, Dowagiac, Mich., and mentioning this column. In the back of the book are pictures and descriptive material of popular sport fishes.

The new bait that Heddon is offering this year is the Deep 6, a lure that roots along the bottom. Homer Circle, vice-president of Heddon, told me the other day that the bait goes so deep it will swim right past you if you're fishing from a boat. Next year we'll expect the ultimate in a bait — one that swims away from you.

You should also have the Arbogast catalog, a colorful gem called "How To Catch More Fish." You can get it free by writing Fred Arbogast Co., 313 W. North-st, Akron 3, O. It tells how to fish each of the Arbogast lures for heavier stringers and contains many good pointers. Dick Kotis, the president of Arbogast, told me last weekend that very few fishermen work an artificial lure to its best advantage. The company is going to a good bit of expense this year to put full instructions in with each lure.

Free Spool Announced

The Pflueger catalog sports their newest reel, the free spool supreme. Long the best casting reel to be had, as several winners of this paper's former fishing contests can testify, the Supreme is now the ultimate. An automatic push button frees the spool for extra-long casts. The handles do not turn when the line is going out, a feature heretofore reserved for tournament casting reels for the most part. The feature so important here is that the free spool is optional at the angler's discretion. Another wrinkle is the star drag which may be adjusted while playing fish. This mechanical dream puts bait casting in the space age.

The Cortland Line Co. also has something new — the Cortland shooter taper with shooting grip marker for fly fishermen. When the blue marker of this tan fly line is held in your left hand, the proper amount of line is in play to make your rod perform perfectly. It's designed to make you a fly rod expert overnight.

Happy dreaming, and may all your fish be big ones.

LETTERS TO THE EDITOR

World War I Veterans Seek New Pension Bill

Veterans of World War I are asked to meet Sunday, March 5, at 1:30 p.m., on the second floor of 250 W. Broad-st.

Pension Bill H.R. 3745, now before the congress, will be discussed and explained.

Veterans of World War I are asked to unite in this common cause. It is quite possible that with the right cooperation of veterans of World War I, we will get a reasonable pension bill passed this year.

Barracks 461 of Franklin County is planning an all-out membership drive.

The Barracks and its Auxiliary are doing everything possible to make known the facts about the treatment of veterans of World War I.

It is common knowledge that veterans of this 1917 and 1918 war are the forgotten men.

The organization known as Veterans of World War I, Inc., was organized some nine years ago and has been growing by leaps and bounds during these last three years. It has become the fourth largest veterans' organization in the nation, numerically.

Speakers will be present to explain the rights of World War I veterans and the proposed pending legislation.

Barracks 461 meets on the first Sunday of each month at 1:30 p.m. on the second floor of 250 W. Broad-st.

YWCA Slates Aquatic Review

"An Aquatic Review" is the title of the 1961 annual YWCA swim show that will be held Friday evening, Mar. 3.

Two shows will be held, the first show at 7 and the second at 8:15 p.m. Tickets may be obtained at the YWCA.

Seventy-five swimmers will participate in the 12 acts that are being arranged in the style of an old-time vaudeville performance.

"Dancing in the Dark" will feature swimmers in fluorescent costumes and the whole cast will participate in the finale "Now is the Hour."

Mrs. Robert Hines, Assistant Director of the YWCA's Health, Physical Education and Recreation program is directing the production.

Clerk Can Hold Only One Job

Franklin Twp. Clerk Paul Wichterman will not be allowed to collect a second salary as supervisor of fire department purchases.

That was the ruling issued by the state auditor's office last week after an earlier opinion by Franklin County Prosecuting Attorney Earl Allison had cast confusion on the situation.

Wichterman gets $2,400 yearly as clerk and has been receiving $50 per month in the second job.

ONU Students Will Tour Europe

Five Central Ohioans are among 72 students and 10 Ohio Northern University faculty members, wives and children, who will spend the spring vacation in Europe.

GOOD TIME TO REPLEDGE OURSELVES

Our nation's heritage of freedom—too often taken for granted by Americans—is the subject of an intensive national program by Freedoms Foundation at Valley Forge, Pa.

The Foundation's "Freedoms Roll-Call" campaign, winding up this week, is aimed at focusing national attention on the values and responsibilities of freedom under our Constitution and Bill of Rights, and calls for a personal rededication by all Americans to the principles of freedom.

Freedoms Foundation, in a far-sighted program, is offering all of us an opportunity to provide proof that Americans intend to remain free to speak their minds, to raise their children as they see fit, to risk their judgment and their dollars in business of their own choosing and to worship where and how they please, free from the dictates of an omnipotent, autocratic system of government.

One of three Freedoms Foundations awards made in Columbus recently was in a community served by one of the Hartley Newspapers. Eighth grade youngsters at Westmoor Junior High School won the award for ambitious extra-curricular study of the Five Freedoms.

Finishing their history text early, they spent the rest of their semester in the special project under the guidance of their teacher, Donald Layton. Their efforts were rewarded with the national recognition.

We hope that every American will show his devotion to our American spirit by taking an active part in his own community in this re-pledge of our hearts and minds to our country.

Freedoms Foundation seems worthy of the support of all.

Here's the Answer

Bible Comment:

God Judges Nations And Individuals

That nations are judged is important. We know that individuals are judged, but we are apt to assume that national or government authority justifies what would be wrong in an individual.

We think of individuals as subject to the commandment against murder, but murders upon a vast scale have been perpetrated by aggressive and unjust wars.

National and corporate injustice and wrongdoing are just as wrong in God's judgment as the injustices and wrongdoing on the part of individuals.

Most impressive, and important, in the parables is the portrayal of those vindicated in the judgment, the righteous and "blessed of my Father," so genuinely disinterested in their actions that they were unconscious of any special goodness, or of doing anything more than they ought to have done.

It is one of the most distinctive things in all religious literature — its emphasis upon the real nature of goodness and of all acts of kindliness and service, in contrast with hope of reward or even with the formal doing of one's duty. Such goodness goes beyond duty, though to do one's duty in any circumstances is not to be lightly regarded or disparaged.

Surely God loves us, not because it is His duty, but out of His free grace. The more truly we are "children of Our Father" the more truly our character and acts express the genuine goodness of the "blessed," so humble toward God and man that there is no taint of Pharisaism or pretense or false assumption in what we are, and in what we do.

Sewing Classes Increase At Sunshine Center

The girls' sewing classes at Sunshine have increased in enrollment during the past few weeks. The junior girls stitch and sew in the afternoons on Monday, and the older girls work in the evenings from 7 to 9:30 in the sewing room of the center.

Any young lady who is interested should contact Miss Keitha Knecht at CA. 4-0660, or come to the center at that time.

PLANS PARTY

The Junior Girls' Leaders Club will have a party in the near future. The newly organized group at Sunshine Recreation Center is composed of youngsters ranging in the ages 9-12. They enjoy dramatics, sewing, cooking, and crafts.

Stamp of Devotion

Members of the Conyers, Ga., Methodist Church are receiving green or yellow "trading" stamps for each attendance. After Easter those with the most stamps will be given a picnic outing at Warm Springs.

Gross farm income in Ohio amounts to about one billion dollars a year, say OSU extension economists.

Ralph Wampler Makes Booklet In Craft Class

The arts and craft program at Sunshine Recreation Center offered a variety of activities for pre-teens last week.

Lanyard braiding was the most popular activity and this was offered every day. A booklet with a stencil painting on the cover was done by Ralph Wampler.

Several of the boys showed an interest in metal craft and started copper ashtrays.

Central And West Take On Grove City And East First

The Class AA Central Ohio District Tournament opened last Saturday at the Fairgrounds Coliseum. With Holy Family already eliminated last week in the non-county tourney at Otterbein, there remain only Central and West for local fans to follow.

Both schools open their tourney warring Thursday evening, the last night of the first round. Central (9-9) takes on fellow City Loop foe, East (13-6) at 6:30 p.m.

West and Grove City meet in the last game at about 9:30 p.m. Grove City (14-5) got hot the second half of the season and won all but one of its league games in the second round. Needless to say West's gym was bristling with Grove City scouts Friday evening as they got to see both of their first two foes in one crack.

If victorious, Central will meet winner of Worthington-Washington Court House clash at 8 p.m. this Saturday. If West wins, they will open the Saturday festivities at 5 p.m. against either Big Walnut or Pleasant View.

Area high schools wound up their regular season campaigns over the past weekend with Central, West and Holy Family all finishing with wins.

West ended with a whirlwind finish as they poured in their highest total in recent years through the nets, skunking Marion-Franklin 99-66. (West incidentally, holds the City League record which they set during the 1957-58 season when Ken Clapsaddle and company dumped Aquinas with a 115 point outburst.

Central meanwhile dropped a 52-44 decision to St. Charles on Friday evening but bounced back to finish the season on a more pleasant tone as they downed Greenfield-McClain Saturday night, 67-65 in a squeaker.

At St. Marys the Holy Family Red Raiders were dumping the Ohio School for the Deaf, 60-50 to finish their 60-61 campaign. This ended a 13-game losing streak for the victors as they finished the season with a 4-17 mark (they won CCL games, but won two more than they did all last year.)

After dumping Marion-Franklin 61-47 in their first meeting this season West made a clean sweep of this year's series on their home court in trouncing the visitors. West finished the regular season with a 6-12 record, five of the six wins coming in league play.

West broke fast, kept up a torrid pace the entire game and almost sprinted the last couple of minutes as the Cowboys ran M-F off their feet. West held quarter margins of 26-11, 45-29 and 67-44.

West's second team had the fans going wild with a frantic fast break, in the dying minutes as they neared the magic "100" mark. They needed 11 points with about a minute to go and though they got eight of them it didn't look like they could make it with only a few seconds left. They needed a three-point play following an M-F foul attempt.

They raced downcourt and got the "miracle" as Terry Barnett pushed in a bucket and was fouled. But after the crowd had been somewhat quieted down Barnett's foul attempt was missed.

In the ensuing scramble for the rebound John Crum was "smashed" in what appeared to give the Broncos another chance at breaking the 100 mark, but the officials declined to call it as the buzzer went off.

Crum also poured in six markers in the final period.

Garry Weigand, who like Crum and Barnett, as the squad's only seniors, were playing their last home game for West, got in that late flurry act. He flipped in a bunny on the end of a long-pass, fast-break, missed another as it bounced out, missed a jumper and then put in a jump turnaround from the left side.

Ron McDaniel, long overdue in the scoring columns, finally cut loose for the type of evening he should have all the time. He opened and closed strong (six in each the first and fourth quarters) to finish the evening with 16 points. He was his old usual self on defense as he swiped five M-F passes himself, plus another recovery.

Charlie Castle led the winners with 24 markers. He was followed by Law Coles and Rick Meyer, each with 12. The latter is making quite a contribution to the West starting unit since being brought up to the Varsity three games ago.

Coach Fred Heischman started a unit composed of Coles, Meyer, Dwight Newman, Castle and McDaniel the other evening and it clicked well. McDaniel again showed he could not only handle bringing the ball up and other guard chores, but hit from outside. As the Broncos spurted to their early and never relinquished lead, Newman seemed destined for one of his best nights. However he didn't make a field goal after the second period and finished for one of the few times this year not in the double figures.

Don Nicoloff paced Holy Family's repeat victory over Ohio Deaf. He was aided by Don Lee's 14. Holy Family led at the end of the first quarter 21-15, but Ohio Deaf had taken a 34-29 halftime margin. Holy Family regained the three-quarter margin 44-40.

St. Charles, Central Catholic League title holder this season, led all the way as they posted quarter leads of 13-3, 27-12 and 38-16 in downing Central on the Carolians court Friday night. Tom Fullove was held slightly in check in comparison with his recent scoring outbursts as he only collected 12 points for the evening. George Gilchrist and Al Foster followed with 10 each. Larry Rohrenbeck and Pete Baumann each had 17 for the victors.

Saturday night, however, the Pirates rebounded against Greenfield-McClain to finish the season at a .500 clip with a 9-9 record. The Bucs were led by their "Toms" as Tom Randall paced the winning attack with 24 points followed by Tom Fullove's 14. Gilchrist chipped in with 11.

• • •

On the Reserve front the Ohio Deaf downed Holy Family, 46-31. Central beat Greenfield 31-24. West kept their late season winning spurt alive as they finished their season by dumping Marion-Franklin 54-46. Finishing with an 11-7 mark. Bill Hunter, who has also spurted with the team's late season flurry, paced the junior Cowboys with 16 points. Ray Lucas chipped in with 12 for the cause. Marion-Franklin's reserves led 12-10 at the end of the first quarter, but by halftime the Cowboys drew even at 24-24.

Knights And Cavaliers Loop Victors At Glenwood Center

The Knights won the Senior Girls' Basketball League title at Glenwood Recreation Center by downing the Boppers 28-16. They finished the season with a 6-0 record.

Ann Hailey scored 71 points for the year to lead her team in scoring. As a result of winning the league title, the Knights will represent Glenwood in the city-wide Recreation Girls' Basketball Tournament to be held Feb. 27 through Wednesday, Mar. 8.

Barbara Whipple of the Thugs finished the season with a total of 80 points, while Betsy Prout of the Basketeers and Ann Hailey of the Knights followed with 76 and 71 points respectively. Nancy Kern of the Basketeers and Karen Griffin of the Shooting Stars were in fourth and fifth in the scoring race, with 65 and 61 points. A total of five girls ended the season with more than 60 points each.

The Cavaliers won the Glenwood Senior Boys' League title Feb. 21 by defeating the Untouchables, 59-43, and completed the season with a 7-0 record. Roger Street and Bill Kern led the winners with 15 and 12 points respectively. Ronnie Tucker had 16 and Dorcus Claytor had 13 for the losers.

The Astronauts chilled the Pombo Lou's 63-48. Art Thompson of the Astronauts led all scorers with 20 points.

The Midgets outclassed the Rebels 58-32. The big gun was Bob Montgomery, with 19 points for the winners.

The Little Bucks closed out the evening with a 64-42 win over the Emulsifiers. Tom Wiverts and Ray Barnes played a big part in the victory by scoring 17 and 11 points each.

In the Intermediate Boys' League at Glenwood Recreation Center, the Imperials were crowned champions by defeating the Hilltoppers 53-17. Jerry Claytor and Jim Bradley paced the winners with 13 points each.

The Untouchables squeezed past the Trojans, 30-28, with Terry Robinson hitting on two clutch free throws with one second remaining.

Is Civil Defense Worth It?

THE PANEL—Maj. Bellamy, Russell Pennell, Gen. Gibson, Col. Starr, Jim Logan.

By MARCUS ORR

"Civil Defense is mainly a local matter" . . . "if you believe in Civil Defense you should vote for those public officials who also believe in it" . . . "your fallout shelter here is 10 times safer than your home."

These words were directed to 130 local people who sat for two-and-a-half hours of sober discussion on survival in case of nuclear attack. A distinguished panel was on hand last Wednesday night to evaluate the St. Mary Magdalene fallout shelter plans, and to answer the questions at hand.

Brig. General O. H. Gibson, assistant Adjutant General for the Army, State of Ohio, spoke first, and was followed by Col. E. Starr, director of Ohio CD planning and operations; Major Boyd F. Bellamy, chemical-bacteriological-radiological officer, Lockbourne Air Force Base; Russell Pennell, Franklin County CD director; and Jim Logan, director of training and education, Ohio CD Corps.

Not all the listeners were from the parish. Some were from nearby homes. Mrs. James Snow, 883 S. Roys-av, was typical of those who wanted to know what the public schools are doing in the way of Civil Defense training. Pennell told her there was little, if any kind of system, adopted in the public schools.

All of the speakers seemed impressed with the work of the parish's Emergency Care Committee, formed last fall by Mrs. John Dehnart. 3286 Wicklow-rd. Col. Starr event went so far as to promise to bring in a Washington expert to inspect the basement shelter in the church after it is completed.

"The principal value of such a shelter is protection from harmful radioactive fallout," the audience was told by Maj. Bellamy. "Find a way of closing up those half-exposed windows and you will improve the place considerably," he added.

Mrs. Dehnart reported that an emergency generator was being prepared for service and that a reserve well for water would be ready in about a month. She said the committee was anticipating $750 in contributions from families each week until a fund of $7,000 is obtained.

Mrs. Dehnart's belief that school children are better off in a school shelter, rather than attempting to get home, were shared by General Gibson. Mrs. Dehnart, who drives the parish school bus, cited a recent experience to support her theories. When several children became sick they were taken home but no one was there to receive them. Gen. Gibson, a school man of 27 years, said he had known the same experiences.

Some typical questions and answers at the meeting went like this:

Q. Will the National Guard or the Army help the people if we are bombed? Answer — Don't expect it. The prime mission of the military is to engage the enemy. It can help CD work only if directed by the President. There are not enough ready troops even to hold back the enemy in a sudden strike.

Q. Why doesn't the government build shelters for the public? Answer — The cost would be prohibitive. Taxation for such a program would be more than people could bear. The government can only set an example. It is building shelters now in the newest federal buildings and in some cases is putting up model shelters. One example is at Cincinnati where an abandoned subway project is being refurbished.

Q. The old raid sirens are not loud enough to hear inside my home. To this Pennell said circuits in 40 sirens in the county are tested every other Friday. "They are never run full blast, he said, and actually are not designed to be heard indoors. We are depending on Conelrad to notify the people over radio and TV." He said more sirens are to be purchased.

Q. What can we do to motivate local government and schools to better prepare for attack? Answer — Apply public pressure, and continue to set the good example that you have.

Q. What is Civil Defense doing in Ohio? Answer — There are stockpiles of medicines, food, and equipment ready to move into devastated areas.

Panelist Logan showed some divergence of thinking when he said he believes persons near the edge of a city should try to flee to the country if a warning is sounded. A resident of East Columbus, he said he has instructed his family to do this. Nevertheless, he did agree with Director Pennell that a good home shelter could cut casualties in a bomber area from an expected 35 percent down to three percent.

Robert Diell of 846 Demorest-rd, almost started a whole new chapter in the discussion by questioning why Franklin county was unable to meet its 12½ per cent per capita obligation toward full Federal CD support.

It was then 11 p.m. and the speakers thought it was a good time to postpone that debate.

letters sent to each councilman this week by Rev. Brock. He said that residents oppose rentals nearby because they are often not kept up; that the doubled population would bring undue traffic onto the dead-end street which is not served by alleys; and that the present eight-inch sewer is not big enough to serve the doubles.

Briggs Defends Request

Joe Briggs, Jr., speaking for Wiltshire Homes, said he believed his company is doing much to "protect the area." He related that the firm spent over $10,000 last December to dismiss an injunction from another builder who sought to build two 12-family apartments nearby.

Briggs said his company feels that it can recover some of those costs by "building nice ranch-style doubles worth at least twice that of the neighboring homes. These would likely be owned by people who wish to rent the other half of their properties," he added.

"If the opposition is too great we may let the land lie vacant," Briggs said. "But it's only a field now and does nothing to dress up the area. We'd like to improve it, but we must think of our investment at the same time."

The Planning Commission, after a review, issued no objection to the proposed rezoning.

Collections Read $102 First Day

Mrs. Norman Nuber, 950 S. Harris-av, treasurer, reported that several families had turned in their full contributions to the Emergency Care Program before the first day of actual collections, Mar. 1. She said the amount was $102 [illegible].

NEW PUPILS MAKE PLANS

School Registration Will Start March 6

Registration and health appraisal of children who will start to Columbus Public Schools next fall will get under way the week of Mar. 6, Superintendent Harold H. Eibling announced this week.

Any child who will be five on or before Dec. 31, may be registered for kindergarten. Children who will be six on or before Dec. 31, must be registered for first grade if they are not enrolled in a kindergarten of the Columbus Public Schools at the present time.

School officials are asking parents to call the elementary school in their district in order to make registration plans. This call should be made as soon after March 6 as possible, so arrangements can be made for children and parents to meet with principals and school nurses for a conference.

Registration can be completed more quickly if parents take an original birth certificate and verification of diphtheria and polio immunization to the school when they register their child, school officials said.

Birth certificates for children born in Columbus may be obtained at the City Health Department, 181 S. Washington-blvd.

BUSINESS REVIEW

1960 Wage Was Record, GM Reports

Average earnings of General Motors hourly rate employes in the United States and GM's world-wide payrolls during 1960 were the highest in history, it was announced this week.

Average hourly earnings for GM hourly rate employes in the United States were $3.06 during 1960, well above the US Bureau of Labor Statistics average for all U.S. manufacturing employes. Weekly earnings averaged $122.74, an increase of $6.70 over 1959.

According to GM, more than 2¢ cents from every dollar the company received in 1960 was paid to employes either directly as compensation or indirectly through their participation in employe benefit programs.

HILLIARD BOWLING ALLEY SHOULD BE READY BY MID-SUMMER

CONSTRUCTION WILL BEGIN IMMEDIATELY according to W. A. Lorimer of the Grandview Construction Co., on a new 16-lane bowling alley to be constructed on a three-acre plot on Scioto-Darby Creek-rd at the east edge of Hilliard. Lorimer said that he hopes to have the lanes finished before July 1. The manager of a Columbus alley will be brought in to run the establishment. Called Hilliard Lanes Inc., it will be a 100 by 140-block and stucco building. The usual snack bar and lounges will be available. Lorimer has constructed post offices in Grandview, Whitehall and Harrisburg but this will be his first bowling alley construction job.

HEADS SALES

JOHN HART, 331 Burgess-av, has been named sales manager of Holly Hill by Ernest G. Fritsche, president of the building firm developing the area. Schulze Team Sweeps Two Game Series

Denny Galluci and Billy Weaver paced Schulze Market to its 12th win Sunday by tossing in 21 and 20 points respectively as the Marketeers rolled over Bond Bread Bakeries 77-51 at Schiller Park.

The victory was the second over the Breadmen and gave the Schulzemen a sweep in the two game exhibition series. In the earlier game played at the W.S. Boys' Club gym, the Butchers won 66-45.

Galluci's tip to fast breaking Weaver, two straight one handers by Gary Jewell, and veteran Julian Brophy's two tip-ins pulled the victors into a commanding 10-0 lead with less than a minute gone in the initial stanza.

The Bondmen's Miller and Kreider pulled off two long passes and sandwiched in between three fouls perked the Breadwinners up and at the end of the first quarter narrowed the lead to 26-14. Trailing at the half 44-25, the losers grabbed off 16 straight points to close the gap by 9. Jerry Marvin then reeled off three quick layups, Galluci hit two set shots and Grimes dunked in three fouls to put the Marketeers back into the commander's seat.

Sunday's game is merely for the records as Gift Street Lutheran, seeking revenge for an early season singing, 67-53, will be out to stop the Schulze 12-game winning streak and block the Schulzemen's bid for an undisputed championship crown.

The Lutherans virtually eliminated themselves from title consideration by forfeiting to the runners-up Boozers a few weeks back, but came roaring back into the frame of things by blasting Capital City Products in the only league game played last Friday, 77-40. A Schulze defeat, coupled with a Boozer win will create a two-way tie and necessitate a play-off between the Marketers and the Boozers.

At the luncheon a program of music was presented by the Metta Larks from Asheville, winners of the National Grange Singing Contest, and by a quintet of men from the home office.

Digit Dial Has Begun

Seven digit telephone numbers was introduced yesterday (Wednesday) by the Ohio Bell Telephone Co.

All number dialing will eliminate completely within five years the present letter suffixes. The change will be gradual and will not disrupt service.

Ohio Bell will change its number from CA. 7-9911 to 227-9911. As new phones in the area are installed, either for new customers or those who move to new homes, seven digit numbers will be assigned.

The first two numbers will correspond to the present letter suffixes. But, as new central offices are added they will be assigned numbers rather than two letters and one digit.

A new office in the area, located at Lockbourne and Rathmel-rds, to be ready in July, will carry the prefix 451.

A new phone directory will list the seven digit numbers for customers who have them; unchanged numbers with letter prefixes will be listed as in the past.

IDLE HOUR GUIDE . . .

OSU Basketball In Color; Major Changes At WMNI

By Stan Robinson

WLW-C will make one of its most important contributions to local television when on Saturday night, it telecasts the Ohio State-Michigan State basketball game in COLOR.

Walter E. Bartlett, general manager of WLW-C, said the telecast will mark a series of "firsts." It will be the first local origination of color on a commercial basis, first remote telecast in color, locally, and first Big Ten basketball teams to be telecast in color. Be near a color set on Mar. 4 at 8:30, for the Buckeyes in color from St. John Arena, along with Jimmy Crum and Clark Smith, Channel 4's colorful sports team.

Robinson

WMNI Program Director Bill Robinson indicates that the station soon will announce several major changes. There is to be a revision in music policy, leaning to the "soothing side," and several new voices for the staff. Present ABC news coverage will be maintained but other shows, some quite familiar, may be replaced on "Mighty 92".

"MARINELAND CIRCUS" an aquatic spectacle, will star Lloyd Bridges and Buster Crabbe on an Easter Sunday color special on NBC-TV at 8 p.m., April 2. Bridges, famous skin diver (Channel 4, Monday, "Sea Hunt") will be seen in a huge exhibition tank, maneuvering among tiger sharks, swordfish, sea turtles and barracudas. Crabbe, the former Olympic swim champ, will give a show in the pool and be in a water ballet with aquamaids. Several highly-trained porpoises will demonstrate their athletic prowess in a third pool from this Florida tourist site.

Channel 6 News Director Joe Harper has started a 20-minute informal interview program entitled "Viewpoint"—features discussions with local and national dignitaries. Regulars in addition to Harper are Governor DiSalle and Doctor Leake, chairman of the board of the American Association for the Advancement of Science. This show is arranged to look at the Governor's weekly work rather than as a politician and Dr. Leake reports on weekly scientific progress. "Viewpoint" is seen Sunday afternoons at 2:30.

On Sunday, Channel 10 — CBS Sunday Sports spectacular presents "Army-Navy Weekend," a visit to West Point, New York and Annapolis, during the annual winter sports competition between the two service schools. This is a regular Sunday WBNS-TV feature from CBS at 2:30 p.m.

Shirley Temple will bring to life a beloved Hans Christian Andersen fairy - tale heroine when she stars Sunday at 7 p.m. in "The Little Mermaid," on Channel 4 and NBC. This is the poignant children's classic about a mermaid who yearns to become human for the love of a prince. Donald Harron is the prince.

FIGHT OF THE WEEK: Saturday at 10 p.m. will see Gene Fullmer, world middleweight champion, take on Sugar Ray Robinson for the fourth time. This boxing bout is on channel 6.

The expanded WBNS-TV public affairs programming moves into spring with telementaries ranging from Broadway to polliwogs. On Mar. 9, "Columbus to Broadway," it's a film visit with various Ohioans who have found fame and fortune in New York. Joe Holbrook and Chet Long chat with Pat Wilson, Eileen Hekart and Columnist Earl Wilson. "Polliwogs to Whales" will mark the beginning of the swimming season June 1 with a fantasy about an angel and the Red Cross learn-to-swim program . . . 10:30 to 11 p.m. will be the time slot.

Arthur Godfrey made it known this past week that he would quit as host of the "Candid Camera" show on Sunday nights, which is now considered one of the network's top-rated programs. Godfrey said, "I want to be free to do my own programs and am studying several projects." He is scheduled for CBS specials Apr. 30 and May 19. Godfrey has been embroiled recently with Allen Funt, creator of the program in a series of disputes, but little emphasis has been placed on this factor as to Godfrey's decision in the whole matter.

FUTURE POSSIBILITIES: The popular "Sing Along With Mitch" series on NBC and Channel 4, may be that network's competition for "The Untouchables" next fall . . . Shows currently not making it in the rating battle include "Hong Kong," "Gunslinger" and "Peter Loves Mary." "Person to Person" with Charles Cillingwood as host may turn up as a Friday night summer show with all new taped interviews.

Patricia Neal and Lynn Loring will star in "Mother and Daughter," a dramatic documentary about the problems of parents coping with adolescent children Thursday, Mar. 9. It is the NBC "Purex Special For Women" which will be seen locally on Channel 4 from 4 to 5 p.m.

Good Skate

When the service station where Lou Russo worked in ed with ice following a storm, Charlotte, N.C., became coathe strapped skates to his feet and ice skated back and forth from his duties. "I had to do something," said Russo. "My feet kept getting wet."

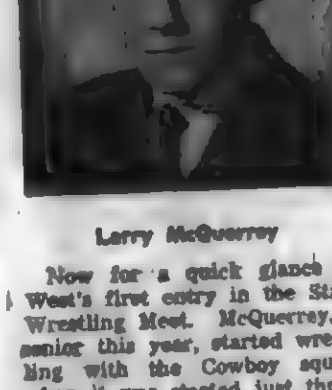
SPORTS of SORTS

Compiled By Bob Wilcox

Of the four West Cowboys who had made it into the Central Ohio District wrestling meet from the area's sectional meets, only one survived to go on to the big State Meet at the Ohio State University Friday and Saturday, Mar. 3-4.

The successful Cowboy was Larry McQuerrey, in the 154 pound class. He actually finished second in the District, losing to North's Jim Eyster in the finals, but the first two places in each weight division qualify for the State Meet.



To obtain his trip to the State finals McQuerrey pinned Bexley's Ivan Romanoff in 2:45 on Friday evening; then he came back to pin Whitehall's Bob Neutzling in 3:38 on Saturday afternoon. He lost to Eyster the same night, 8-0.

Eyster, a transfer student to North this year, was the Illinois state champion last year and looks plenty tough for the Ohio competition this year. As North's only entry in the district he collected 12 points, enough to tie the West's four-man total, good for 10th spot in the 19 teams represented in the District Meet. West scored only 11 points last year.

Other Cowboy entries fared like this: Sam Dennis was pinned by Whitehall's Mike Berry in the 112 pound class in his first round on Friday. (Berry has been District champ in his weight for past three years and was state runner-up last year); Odell Walkers also took it on the chin in Friday's first round as he lost a decision to Whitehall's Ted Hupp. Heavyweight Bob Montgomery, West's fourth entry, won his Friday match by decisioning Circleville's Rup Rudd but lost to East's Caleb Carson.

Whitehall won the District team crown with 75 points after being runnerup for the past two years. Worthington has won the crown for the past three years.

The District is getting stronger and the teams more balanced as the winning team's totals over the past five years indicate. In the last few years, the title has been taken with fewer and fewer points. Worthington won with over 100 points last year.

Larry McQuerrey

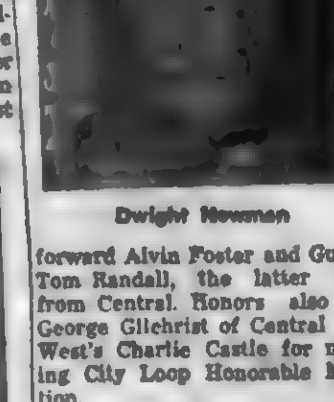
Now for a quick glance at West's first entry in the State Wrestling Meet. McQuerrey, a senior this year, started wrestling with the Cowboy squad when it was started just three years ago. Up until this year he was little better than "so-so".

Larry is active as a Y-Leader at the Central YMCA where he keeps in shape and wrestles all year round. He was also selected as one of West's Boy State representatives last summer and is currently assistant editor of the award-winning West High Occident newspaper and has been a member of the Journalism Department for three years.

An "A-B" student, he is what one might classify as a "scientific wrestler . . . not a bruising or smasher.

He puts his exceptional intelligence and thinking powers to work for him on the mat as well as his brawn. He has exceptionally long arms and big hands, a definite advantage for wrestling.

He normally wins by decision, not the brute force of pins. But after only pinning one opponent all season he pinned his opponent to win the sectional and pinned his first two foes in the district.



His coach, John Butler, probably paid him one of the highest compliments any athlete could wish. Butler states that Larry is the only wrestler he doesn't worry about. "When he goes on the mat I sit back and relax because I know if the match can be won, Larry will do it. He's always thinking and makes very, very few mistakes. They're so infrequent that he'll never be "killed" (lose) by his own errors."

Against Eyster Saturday night McQuerrey ran up against a new style he had never faced before . . . and he lost. But he's already busily working this week to "beat" it should he ever meet it again, and if it can be done he'll be ready for it by the weekend.

So on behalf of the Hilltop, West Side, West High, all his individual well wishers and this reporter, the best of luck to Larry.

Larry was also selected for the high post of West High's second Student Court Chief Justice in the school's history, this past fall. He was also president of the school's Spanish Club.

Congratulations go to the following for making the City League's second team. Center Dwight Newman from West,

Dwight Newman

forward Alvin Foster and Guard Tom Randall, the latter two from Central. Honors also to George Gilchrist of Central and West's Charlie Castle for making City Loop Honorable Mention.

The West High gals' interschool basketball team went into the final game of the season still undefeated as it traveled to Bexley. Last Tuesday afternoon they hosted North and came off victorious in both contests.

Karen Griffin paced the varsity with 10 points as they downed lady Polar Bears, 18-13. North was considered, along with Central, one of the two toughest foes on the "Cowboyettes'" 60-61 schedule. West jumped off to a quick 7-0 lead in the first period and still led at halftime, 9-1. North spurted in the third frame but West still led at the end of three quarters, 13-10. West totals: Griffin 4-2-10, Willis 2-0-4, Carfrey 0-0-0, Dixon 2-0-4. Totals: 8-2-18. North totals: 5-3-13. West played without the services of ace forward Anne Halley.

Meanwhile the reserve team was having an even easier time with North, winning 21-10. They held quarter leads of 8-2, 11-3 and 16-7. Nancy Korn paced the victors with 11 points.

Incidentally the annual GAA sponsored class team tourney games will be next Wednesday, Mar. 8, in the West Gym.

• • •

The "game of games" at West High was played last Thursday afternoon in the Cowboy gym as the "older men" of the faculty whipped the "youngsters" of the Hi-Y in their annual contest, 42-35. The Hi-Y led by quarter margins of 8-3, 22-14 and 30-27 all the way into the fourth quarter.

The Faculty controlled the boards but was not getting the shots off, so their rebounders could tip 'em in. So they switched their strategy in the second half and starting with two quick jumpers from outside the keyhole by "Ace" Larry Gray, the Faculty pulled all even late in the third frame but the Hi-Y again pulled ahead.

The Faculty was paced by Gray's 21 points followed by Gary Sixt's 13. Off the boards, where the real winning honors go for stopping the reputed Hi-Y fast break, were Tom Starkey, Gray, and the "muscle-men", Lafe Dodds, Bert Korts. The Faculty started a lineup of Butler and Gray at the forwards, Starkey at center and Dwight Black and yours truly at the guards.

FACULTY—Gray 9-3-21, Angus 0-0-0, Korts 0-1-1, Dodds 1-0-2, Young 0-0-0, Starkey 0-1-1, Dale 0-0-0, Noll 0-0-0, Wilcox 0-0-0, Butler 1-2-4, Black 0-0-0, Sixt 5-3-13. Totals: 16-11-42.

HI-Y—Bauerl 1-4-6, Webb 1-0-2, Thornton 2-2-6, Linson 1-1-3, Dent 1-2-4, Ross 3-4-10, Williamson 0-4-4. Totals: 9-17-35.

One bad outcome of the contest, when all of the fun of the annual shindig (if only the Cowboy varsity's crowds could be hanging from the rafters every Friday night and tickets go like hot-cakes for their games like they do for this yearly affair) was over, was a broken left arm to Thornton.

The ace of the Cowboys' pitching staff for the forthcoming baseball season fell hard on it but played the rest of the game not realizing it was broken. It is not his throwing arm though and when his cast comes off in a month it should be just in time to open the season.

Church Team Captures 'Y' League Title

The Tuesday evening "Y" Intermediate League ended its tournament play Feb. 21, with the Hilltop Church of God Victors. The single elimination tournament saw four teams knocked off until the only two remaining were the Hilltop Church of God and the West Senior Hi-Y.

The Church of God team played good ball all the way. Jim Bluhm, who is the league's leading scorer and the tournament leading scorer, led with 21 points. Bob Dent led the Hi-Y team with 10 points. The final score was 37-41.

In the Junior League single elimination tournament playoff held last Saturday, the Burgess EUB squad and the West Park Methodist cagemen clashed in 24 minutes of suspense and excitement.

At half-time the score was 14-13 in favor of the Burgess EUB team.

To bring the afternoon of excitement to a close the West Park team outscored the Burgess team in the second half 11-9. The final score was West Park 24, Burgess 22.

The Hilltop Church of God played the Glenwood Methodist squad on Feb. 28 at the Westmoor gym. This game was an Intermediate second round playoff. The West Senior Hi-Y team is the third team tied for first and they have the bye. The winner of the Church of God and Glenwood contest will play the Hi-Y. The date of this contest will be set at a later date.

In the Junior battle for second round champs, Hoge Memorial Presbyterian will face the West Park Methodist team at the Basketball Festival at 7:30 p.m. Mar. 14, in the Westmoor gym.

Love Team Downed By All-Stars

The All-Stars defeated Love Realty in Sunshine's Adult League to hand Love its first defeat of the year, 53 to 42. Fred Dyer, Keith Ross, Bill Agley, Frank Byers, Jr., Dave Ewing, Don Houck, Dave Heitt and Bill Johnson represented the adult league and were coached by Ed Aummings of Kenny's Loans.

Gary Heitt stole the show in the game that saw the league champs play the outstanding players in the league. Heitt scored 20 points and, along with Bill Johnson, dominated the rebounding in the game. Keith Ross was chosen the outstanding player in the league and received a trophy noting the honor. Floyd Love led the scoring for Love Realty with 15 points.

Intermediate action this week saw the Night Raiders nudge Emersonian 37 to 36 behind the fine play of Creed McFall, Charles White and Joe Scowden in the closing moments of the game. Charles White led the scoring with 21 points.

Second game action saw the Eagles get into the win column by defeating the Raiders 43 to 39. Charles Barres led the Eagles with 14 points.

The league-leading Red Bandits had a close score in their game with the Yankees. Trailing by 8 to 12 points throughout most of the game, the Bandits finally pulled themselves together behind Dick Rettell's 18 points in the second half to defeat the hard luck Yankees 53 to 46.

Senior action this week saw the league-leading Jayhawkers handed their first defeat by Sullivant Gardens 82 to 42 behind Bob Revel's 22 points and Charles Austin's fine ball handling. The Celtics won the second game by forfeit over Boys' Club, which failed to show up.

Junior's action this week saw the Snakes remain undefeated by catching the Hot Rods late in the game to win 38 to 30.

Aside from several bruises, the Sunshine Recreation Center judo team is pretty much intact, practicing for an upcoming judo tournament to be held at Ohio University, Mar. 25.

Craft classes are being held each Tuesday for boys and Thursday for girls at the "Y." This is a part of the game room activities held each day after school from 3:15-5, for grade school youngsters. Monday through Thursday evenings from 7-9 are set aside for junior and senior high school age students.

On Saturday, Mar. 4, there will be an All Day at the "Y" program. This program is open to any boy or girl having a Hilltop YMCA membership. Consumer Report

Food Market This Week

by ESTELLE B. FRANKS

THIS WEEK LOOK FOR:
Fruits—Grapefruit, bananas, apples, rhubarb.
Vegetables—Broccoli, cabbage, lettuce, peppers, potatoes, dry onions.
Protein Foods—Large eggs, cheese, frozen fish sticks, ocean perch, Boston butts, ground beef, round steak.

PLANNING MEAT SUBSTITUTES FOR THE LENTEN SEASON

For many people the Lenten season means meatless days, and perhaps an occasional sleepless night trying to think of what to serve the family.

Fortunately, there are several meat substitutes that are equal nutritionally to meat. These can be served in such a variety of ways that the family will not tire of them. In many cases these foods are less expensive than most meat, so all families would do well to consider them in meal planning. What are these meat substitutes?

In the first place there is fish. The supply situation is generally in your favor this year, with a wide variety of fresh, frozen, and canned fish and shell-fish available.

Stocks of frozen fish are a little below last year, but are still large. Those in largest supply and low in price include ocean perch, haddock, fish sticks, sole, and halibut. Among shellfish, you should find good supplies of lobster, scallops and shrimp.

The canned fish picture is mixed. The Alaskan salmon pack was nearly 50 per cent larger this year, with the increase mainly in red salmon. But supplies of both pink and chum salmon are short, with prices high. Canned tuna is in good supply, with some increases this year in the pack of albacore, a white meat tuna.

Fresh fish landings are light at this time of year, with prices seasonally high. Fresh fish will be more plentiful in our markets when the ice breaks on Lake Erie—usually by mid-March. But that depends upon the weatherman. Lake Michigan smelts have already started to run.

Both fresh and canned oysters are back to normal after being scarce for weeks. Prices stay relatively high. And for convenience items, there's a variety of frozen prepared dinners and main dishes that feature fish and shellfish.

Dairy products are another meatless dish possibility. Cheese is a very acceptable meat substitute you know, and it can be served in many ways. The supply of American cheese is large, as a result of heavy production in recent months. Cream, cottage and many cheddars are being featured this week.

While at the dairy case look to eggs as another main-dish item. True—the price of eggs stays high—but even at present prices the cost-per-serving is still low as compared with most red meats.

S-W To Borrow Around $140,000 During This Year

An appropriations increase of $132,508 over last year won't keep the South-Western City School District out of the red.

Superintendent Paul C. Hayes said last week that the recently approved appropriations budget of $3,029,908 will fall about $140,000 short of meeting the district's financial needs.

Hayes pointed out that the district needs about $330 per pupil to operate its program. Without borrowing, the system would have only around $302 per pupil.

Ohio Civil War Data Available

Ohio has more than 40 important sites that are closely connected with the Civil War.

Within the state are Confederate cemeteries, birthplaces of Civil War heroes, historic houses that played an important part in the war, and nearly a score of very impressive monuments.

A list of those historic places is available from the Travel and Recreation Division of the Department of Industrial and Economic Development, 700 Bryden-rd, Columbus 15, O.

Cunningham Sells Chief Pug For $10,000

Hilltop horseman Harold Cunningham will have his eyes on the "big money" races in New York this summer.

Object of his long looks will be Chief Pug Hood, a four-year-old gelding trained by Cunningham, who has been purchased for $10,000 by the stable in Pinehurst, under the direction of Charley Fitzpatrick.

Winner of the Christy Hayes Memorial Pace at Scioto Downs last year, the Chief has finished out of the money only three times in 31 starts. He won $7,500 for Cunningham last season.

This was Cunningham's first major transaction in the three years since he became interested in horse breeding.

Ohio's population is growing at a rate of about 176,000 a year as births exceed deaths and migrants continue to move into the state.

IT'S ABOUT THAT TIME OF THE YEAR: For the wild ducks to be dropping in on local streams and farm ponds for a visit as they head north again . . . for yellow jonquils to stick their heads out to see if it's safe to pop into full bloom . . . for Trailing Arbutus to look its brightest after a long, hard winter . . . for those red signs reading "Fishing Pox" to appear on office doors . . . for old Mother Nature to wave her wand over the Red Bud trees and cause them to burst into their spring woodsy beauty . . . for Sunday morning church attendance to fall off and golf course attendance to rise . . . for the Forsythia to bloom and remind us we will have a couple more snows . . . for kites to fly and winds to whistle a welcome for them to come up higher . . . to awake to a bright and challenging world each morning - a world washed by the night rains—now sparkling in the sun — renewed and NEW.

It Is Nice To Be Wanted

On a recent Kiwanis trip one of the men related a most pleasant experience.

He had lived some eight months in a community made up largely of Amish folks. In this time they had stayed to themselves and the new family had made but few acquaintances. This was a strange feeling.

But one evening recently came a knock at the front door and here were some 30 or more of the Amish neighbors calling on the family to let them know they were welcome to the community. They brought home made ice cream and cookies and a very fine pleasant evening followed.

"It is great to know you are wanted," commented Max Hiler, of the welcomed new family.

BUILDINGS BEING RAZED

Families Are Asked To Move As Greenlawn Era Nears End

By JOHN AUBLE, JR.

Greenlawn Village . . . your home? . . . you hope not . . . Not today.

Greenlawn Village could be the place where you live. It is a quiet, middle-income housing project. The houses are in neat rows and trees line the streets.

To the outsider, Greenlawn looks run down. The village has been the target for city officials who have called it "shabby" and "a fire trap." Perhaps, they were justified.

But, to the 115 families residing there, it's home.

The sound of destructive hammers echoed through the driving rain at Greenlawn Village last Monday. The sound was an ominous one.

An era is rapidly coming to an end in Columbus and, within lies in the Greenlawn area will be asked to move, according to manager S. J. Dolle.

The Greenlawn project was constructed 12 years ago. It was originally built by the government and then turned over to the Columbus Metropolitan Housing authorities to operate.

Dolle, who has been with the Greenlawn project for two years, related the following information about the bright beginnings of the operation:

"They originally, built 108 houses here. Most of them contain three or four apartments.

"They were built to give veterans a place to live and the project has always been used to house vets and service men.

Former Army Barracks

"The government dismantled old Army barracks and brought them here and rebuilt them. In the beginning, this meant homes for about 334 families—including some 1,000 children."

Now, the destruction process is nearing completion. Two years ago, 18 buildings were razed for the freeway and eight buildings west of the freeway were demolished a year ago.

Since then, seven more buildings have been torn down and 10 buildings have currently been deactivated and awaiting destruction.

Now 64 buildings remain.

"All of the houses will be pretty well eliminated by next September," Dolle said.

Dolle stated that original plans called for the entire project to be destroyed in two or three years after it was constructed (around 1951). "But," he added, "housing demands prevented this."

Many of the families which previously lived in houses already razed, were found homes in permanent housing projects within the city such as Windsor Terrace.

The project was built on

Glenwood Signals Start Of New Construction

By Betty Datt

Plans for an immediate construction start for the new Glenwood Methodist Church, to be built at the southwest corner of Hague-av and Valleyview-dr, and the awarding of contracts for the job were announced this week.

Within the next ten days the building of the first two units in the church's three-unit structure will get under way.

Officials of Glenwood disclosed contracts have been awarded to Kent Brothers, general contractors; Campbell Plumbing and Heating, mechanical work, and Fast Electric Co.

Architects for the two-level, brick structure are H. James Holroyd and Robert Cassell.

Included in the portion to be built immediately are the sanctuary, seating 700 worshippers; a social hall large enough for 700 diners, chapel, offices and a portion of the church school area.

Cost of the first step in the project will be $515,000.

It is expected the building will be completed in time for occupancy by Christmas.

No date has yet been set for construction of the final portion of the building, which will house the remaining portion of the church's educational facilities.

The new Glenwood will front the corner of Hague-av and Valleyview-dr, and will adjoin the new Hilltop YMCA building.

It will be the latest addition to Hilltop Community Center, joining Valleyview Elementary and Westmoor Junior High Schools, and the Hilltop "Y."

Entrance to the church property may be made from either Hague of Valleyview, and there will be ample parking facilities.

C. H. Campbell is chairman of Glenwood Building Committee and other members of the group are Noble Allen, C. Carlton Hartley, H. G. Keefer, Orval Linebrink, Mrs. Fern Johnson, Howard Thurston, M. W. Seiller, Norman Halstead and Robert Tong.

The present Glenwood Methodist Church, 64 S. Highland-av, has been sold to Oakley Avenue Baptist Church. Glenwood congregation will continue to occupy the building until the new church is completed.

Council Tackling New Work

Having completed organizational duties, the new West Side Neighborhood Council will get down to the business of meeting community problems Thursday night, Mar. 9.

The town-meeting-like session will begin at 7:30 p.m. at Gladden Community House.

Sam Alford, president, emphasized that the meeting is open to all who live, work, or own property in the West Side.

The traffic committee will report on a master plan proposal to tackle local traffic problems.

The health committee will propose a project designed to show what can be accomplished through the combined efforts of residents, the Neighborhood Council, and city officials.

There will be introductions of committee chairmen in the areas of traffic, health, welfare, publicity and public relations, and constitution. Time will be allotted for public discussion of any problem and referral to the proper committee, Field Worker Al Wilder said.

Film Flames, New Countdown Slated Tonight

West Side Board of Trade tonight will attempt a fresh start to show a movie on outer space.

First scheduled at last month's meeting, the film was a fizzle when the projector caught fire. Meeting planners hope to get the 40-minute feature into orbit this time.

The program will be preceded by a dinner at 7 p.m. at Sunshine Recreation Center. Wives and husbands of the members are invited.

Flood Check Of Concern To Residents

People who saw city and Civil Defense officials on Dry Run levee during last weekend's heavy rain need not be alarmed—just reassured.

Several local families who felt the destruction of the levee break during the Jan. 1959 flood were worried about a recurrence.

"Tell them we were just making doubly sure that it doesn't happen again," said Service Director Ernest Stork, whose department answers directly to the mayor. Stock said Dry Run was far from flooding this time. "But, we are most concerned about the possibility of debris

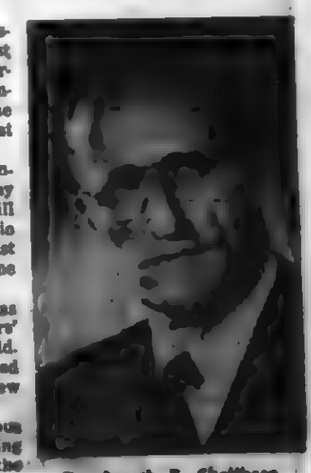
Dr. Shellhaas To Leave Glenwood Pastorate

Dr. Joseph B. Shellhaas, pastor of Glenwood Methodist Church, disclosed at the quarterly conference Monday evening his decision to leave the pulpit he had occupied the past 22 years.

His official ministry at Glenwood will end the first Sunday in June and his successor will be announced at the annual Ohio Conference of the Methodist Church which convenes the same month.



Waiting until his church was well on the way to its members' cherished dream of a new building, Dr. Shellhaas announced his plans only after the new church was assured.

Under his ministry the tedious and difficult task of financing the project and planning the building and construction program has been completed.

Explaining his "most difficult decision to leave a church I love," Dr. Shelhas said, "I feel that I can no longer carry on the duties of minister to this congregation as I feel it should be done."

A minister for 40 years, he and Mrs. Shellhaas will move to Bellefontaine where their son, Glenn, an attorney, and their four grandchildren live.

"I'm certainly not quitting the ministry," he continued "I'll serve in a smaller church; work to build it up. And there will be time for gardening in the summer and companionship with my family."

Dr. Joseph B. Shellhaas

The tall, scholarly minister, known affectionately as Rev. Joe, has endeared himself to the community with his deep, sincere interest in people and his understanding help to those who are troubled.

Dr. Shellhaas has, with frequent pastoral visits, become a friend rather than a Sunday-pulpit figure to the 2800 members of Glenwood.

While looking forward with eagerness to new life, "helping a small church to grow; time with my family, "Dr. Shellhaas surveys nearly a quarter century

Dr. Czatt Is Author Of Book

Dr. John H. Czatt, prominent physician who practiced medicine on the Hilltop for 15 years is the author of a new book entitled: "Mighty Timber."

Autobiographical in nature, the book relates the many struggles faced by a young man who aspired to the medical profession. Looking back over his many active years as a practitioner, Dr. Czatt visualizes the panorama of events that furnished the background and stimulus for his ultimate station in life. According to publisher, Naylor Company, of San Antonio, the book "should be of particular interest to anyone who has ever tried to serve his fellow man through the field of medicine." It's full of human

Baptists Plan To Dedicate New Facade

Dr. Joseph Irving Chapman, recently-elected executive secretary of the Ohio Baptist Convention, will preside at dedication services Sunday, Mar. 12, 9:30 a.m. at Hillcrest Baptist Church, 2480 W. Broad-st, at Eldon-av.

The service is planned to dedicate the completed new construction of the building and to re-dedicate and re-consecrate the church. Rev. Aaron L. Roth, pastor for the past 12 years, invites the public to attend.

Construction was planned to change the physical appearance of the building, originally built and designed for use as a theatre but never used for that purpose, to give the church a religious appeal.

The new facade includes imported Italian travertine marble above a projected canopy. A steel cross surrounded by stained glass dominates the church entrance.

The building program also added needed room to Hillcrest's facilities.

Future plans of the congregation include the purchase of adjacent ground to allow room for expansion of educational facilities.

Hillcrest Baptist Church first was dedicated in 1918 at the northeast corner of Steele-av and Eldon-av. Rapid growth in membership required a new addition, dedicated in 1921.

The present building was completed and dedicated in 1924. During the years continued growth of the congregation has required use of the building's full facilities.

As the population moved west in recent years, members from Hillcrest joined the Lincoln Baptist Church, 200 Old Village-rd, Lincoln Village, and the church received material assistance from Hillcrest congregation.

Can You Fill This Request?

Somewhere, someone may have an answer for a teacher who wants desperately to help two of her students.

Mrs. Mary K. Hester, business teacher at West High, says she has two 11th grade pupils, both girls, who will find it necessary to drop from school unless they can get financial help.

"The girls are pleasant and have ability in typing and shorthand. They desperately need part-time work," said Mrs. Hester.

The teacher may be reached by calling the school, BR. 4-1197, or AM. 3-1236 in the evenings.

SUNDAY MORNING CEREMONIES are planned at Hillcrest Baptist to dedicate the new construction on the structure. The building program enlarged the church's facilities and altered the building's appearance with a front facade. The architectural firm was McDonald, Carroll and Bassett, and Kent Brothers General Contractors did the construction.

RED CROSS SERVICES HERE NOTABLE

It's a tradition—"March is Red Cross Month." A time for reviewing the services rendered by the American Red Cross.

In the past year, the 44th for the Franklin County Chapter of American Red Cross, accomplishments were many as reported by Chapter Chairman William A. Scheurer. "Nearly 7,000 people came to the Red Cross asking for assistance, and it was given to them. More than 15,000 received blood in Franklin County Hospitals, and nearly 25,000 received free Red Cross instruction in one or more of our educational programs. These recipients represent nearly one-third of the families in our Columbus metropolitan area."

Specifically, the report outlined the activities of the seven services provided by the local chapter as follows:

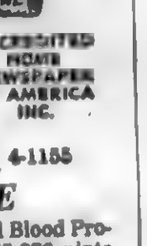
Home Service assisted 4,308 families and individuals of the armed forces or veterans. Most of this assistance was financial, much of which being outright gifts.

The Columbus Regional Blood Program collected a total of 55,276 pints of blood. Residents of Franklin County donated 18,000 pints, yet they have used 23,000.

Volunteer Services had 483 faithful volunteers who gave a total of 57,069 hours of their time.

Safety Services provided training for 16,978 persons. Of this number 4,062 were in first aid, 158 in small craft safety, 12,758 in water safety.

Nursing Services gave 115 classes in "Care of the Sick and Injured" and "Mother and Baby Care" to 1,597 people.



Junior Red Cross provided programs of leadership for all students of elementary, junior high and senior high levels.

Disaster service was only involved in one-family disaster, as fortunately there were no major disasters here.

These figures are significant, but it is the thousands who give their support to Red Cross through United Appeal that makes this work possible.

Food Market This Week

by ESTELLE B. FRANKS

THIS WEEK LOOK FOR

Vegetables—Lettuce, celery, cabbage, endive, peppers, potatoes, onions.

Fruits—Grapefruit, bananas, apples.

Protein Foods—Pork loin roasts, round steak, fryers, cheese, tuna, frozen haddock, and ocean perch.

FRESH . . . FROZEN . . . CANNED . . . WHICH TO BUY?

One of the most important questions facing food shoppers at this season is whether or to choose a fruit or vegetable in fresh, frozen, or canned form. For many of our favorite produce items are found not only on the fresh produce counter, but also on the canned food shelves and in the frozen food cases.

How do you—the family's shopper—decide which is the best form for you to buy?

Many factors influence consumers' choices and decisions in the food store. Some important ones are: (1) your family's preferences and appetite (2) the amount of money in your food budget (3) the time and energy you have to prepare the food (4) your home storage facilities. All of these need to be considered in every purchase you make in the market.

The price tag is only one of a number of factors which affect your choice of a produce in fresh, frozen and canned form, but for many it is the most important one. It does provide one of the easiest menus in deciding among the alternatives available in the food store, since the cost-per-serving is the best standard we have for making comparisons.

Orange juice is a good example of a food item for which a comparison can be made quickly. You have four distinct choices when shopping for oranges—fresh oranges, frozen juice, canned juice and chilled juice.

Before any comparison can be made it is necessary to consider the yield or edible portion of each form of the juice.

- Fresh oranges vary in size and in juice content. Usually a dozen medium-sized Florida oranges will make eight 4-ounce glasses of juice. At 59 cents a dozen, one serving costs 7.4 cents.
- A six-ounce can of frozen orange juice concentrate makes six four-ounce servings. At 26 cents a can, one serving costs 4.3 cents.
- A quart of chilled orange juice serves eight. At 35 cents per quart, each serving costs 4.4 cents.
- A large can (46 ounces) of single strength juice serves twelve. At 47 cents per can, the cost is four cents.

Remember, price relationships among the fresh, frozen and canned forms of many items change with the seasons. It's sharp shopping to figure the cost-per-serving occasionally. Then consider the other factors that are important to your family before making a purchase.

A verbal agreement was made between the Park Commission and the Housing Commission to have the buildings completely destroyed by 1960. This, however, didn't happen because, as Dolle said, "workhouse crews handling the demolition couldn't meet the deadline."

The village—over the years—has developed into a kind of community all its own. Three of the houses were turned into a school — Greenlawn Elementary—which is handled by the Columbus Board of Education.

"All in all," Dolle said, "the project hasn't been much of a headache. The families are not in the lower income tax bracket and have been cooperative with us."

Dolle also said that, up until this time, no families have ever been asked to move . . . but, times do change.

Bible Comment:

Brotherhood Is Discussed In Scriptures

At a time when there is much stress upon brotherhood, and a too conspicuous lack of it at home and abroad, it is worth while to consider the Bible, and especially the Jewish scriptures of the Old Testament.

In this, as in many other matters, the Bible has a pioneer aspect as a textbook of what ought to be, and a warning of what happens when what ought to be is not.

The New Testament, of course, is the crowning treatise of love and brotherhood, in the example and teaching of Jesus. And such examples as offered by the apostolic brothers, James and John, and Peter and Andrew, are of particular interest.

But the Old Testament, from the stories of Abel and Cain, of Jacob and Esau, and the nobler examples of Moses and Aaron, and of David and Jonathan, tells of brothers, in tragedy and triumph. And there are the brothers of Joseph, famous and infamous, one at least of whom tried to save him, though the others sold him into slavery.

This is a part of the record of blood brothers, but brotherhood in the Old Testament had a significant meaning in the conception of a closely knit Jewish social life, in which individuals had a mutual responsibility for the welfare of all.

Farm prices in the U.S. averaged about one per cent less for 1960 than for the previous year, due largely to lower meat animal prices, according to OSU extension economists.

CIVIL WAR SCRAPBOOK:

Tintypes, Tobacco Among Civil War Mementos

ALMOST EVERY FAMILY has in its possession some mementos that range from the odd to the ordinary that were handed down from some relative who fought in the Civil War 100 years ago. Gary Stoll, 1306 W. Broad-st grocer, who lives at 786 Malano-av, Grove City, has such a collection. Stoll is the great-grandson of George W. Floyd, a corporal in the Union Army, whose tintype appears in the upper left. He displays three of his grandfather's treasures. The original army discharge certificate was a gift of his grandmother, Mrs. Clarence C. Stoll, 408 Conklin-dr, Hilliard. (Mrs. Stoll was the youngest of the soldier's nine children.) The veteran's badge was given to him by an uncle, Floyd Stoll of Grove City. The plug of tobacco came from Cpl. Floyd's uniform pocket. The soldier joined Co. I, of the Second Regiment, Ohio Volunteer Infantry, in Aug. 1861. He served three years, and was in a half dozen battles and campaigns before being invalided by rheumatism.

Will Direct Boys' Ranch

Director of the Buckeye Boys Ranch, 5665 Hoover-rd, will be Leslie A. Bostic, a native of North Carolina.

Announcement of Bostic's appointment was made last week by Mrs. George L. Nelson, president of the board of trustees.

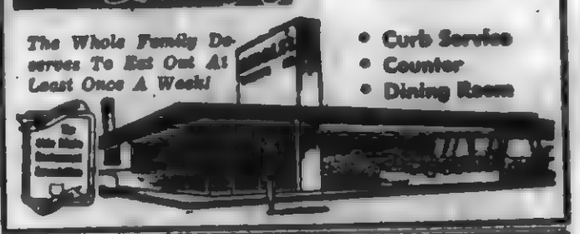
The ranch, located near Grove City, will serve as a treatment center for socially maladjusted boys. Completion of the first unit is expected about Sept. 1.

Bostic is an administrative trainee with the Juvenile Placement Bureau of the Ohio Department of Mental Hygiene and Correction. He has a master's degree in social work.

Valleyview Still Discussing Gas

Valleyview's Council session Monday night was consumed in the study of the Ohio Fuel Gas Company's proposed new contract which calls for a rate increase.

The measure had been discussed at two other meetings and was again tabled for further discussion.



Of Leukemia From Leukemia

Kelly Eugene Sullins, 8, son of Mr. and Mrs. Howard Sullins, 1825 Ransburg-av, died of leukemia last Monday in Childrens Hospital.

He is survived by his parents and one brother, Timothy; paternal grandparents, Mr. and Mrs. Lance Sullins; maternal grandfather, Loren Warren; maternal grandmother, Mrs. Nora mother, Mrs. John Gladman.

Funeral arrangements were handled by the Jerry Spears Funeral Home, 2699 W. Broad-st, and burial was to have been at 10:30 this morning at Sunset Cemetery.

Cart Racing To Be Aired At CBS Club

Go-cart racing at the CBS Park Speedways in Lancaster has taken a 14-week setback, thanks to the weather. The 15th attempt at racing the little buggies will be this Sunday and everyone is invited.

In addition, a business meeting will be held at the recreation building to elect new officers, form divisions, discuss the lag in getting the new season started and other problems Friday night.

Clyde B. Seesholtz, owner of the raceway, invites everyone interested in go-cart racing to attend the meeting. Seesholtz told Hartley sports editor, Jack L. Allen, that a lot depends on the turnout Friday night as far as resurfacing the speedway is concerned.

Seesholtz indicated plans are on the drawing board to blacktop the race track if response indicates that go-cart racing will continue to grow in popularity in 1961.

Among the higher things in life, there is prices.

Rival East Stops Central With 64-43 Scoring Spree

Last Thursday evening at the Fairgrounds Coliseum saw the finish of the tournament trail as well as the 60-61 season for the Central Pirates as they were dumped by City League rival East, 64-43.

As East Coach Jackie Moore stated afterwards, "When Joe Shaw hits, we win." And hit he did Thursday night as he poured in 22 points to lead both teams pointwise. East might have pulled away earlier and made more of a riot out of the affair but they had 13 turnovers and about 15 shots that circled their hoop and bounced back out.

The score was tied five times but East finally started hitting and put the game way after their return from the locker-room at halftime. They had a 43-31 lead going into the final frame. East had held a slim 14-12 first period margin but things were all tied up at 21-21 at halftime.

Pacing the Pirate attack were George Gilchrist with 12 and Taylor with 10. However the Buc's big guns over the season were held entirely in check. Tom Randall was held to five, Al Foster seven, and sharpshooting Tom Fullove eight.

Senior Loop Faces Playoff

The title picture in all the leagues became a little more clear after this week's action. In junior league action the Snakes led by Paul Lewis and Bob Gillispi, finished the season with a 6 and 0 record. The junior league stars are now looking forward to the city championships which started Monday.

The intermediate league continues to have co-leaders with the Night Riders and Red Bandits, and if form continues the league will end in a two-way tie and the play off will be the following night.

This week's action saw the Night Riders beat the Eagles 62 to 34 behind Charles White's fine shooting. The second game saw Emersonian defeat the Yankees 43 to 30. Mike Sample led Emersonian with 21 points. The Red Bandits defeated the Raiders 60 to 48 behind Dick Rettell's 18 points.

Senior action finds the Jayhawkers and Sullivant Gardens tied for the league title. The play off will be at 7:30 p.m. Thursday at Sunshine.

West Avoids Tourney Upset By Downing Pleasant View

Last Saturday night at the Coliseum the West Cowboys won their second outing of the 1961 District basketball tourney. Their foe was less formidable than Grove City but the Cowboys made a fairly tight ballgame out of it.

The final outcome found West on top 63-39. Actually West was never headed as they held quarter leads of 18-12, 29-25 and 54-41. Again West spurted away to a quick and early lead and never relinquished it.

Pleasant View lost two men and West four, via fouls. However Pleasant View's big man, Foster, though accumulating four fouls in the first half, and sitting out most of the second half, did manage to re-enter in the late stages and finished out the game.

His forced departure didn't hurt West any as his tall bulking personage under the boards was a threat, but not too dangerous. His size made him hard to stop under the boards but West's rebounders did their own damage and Foster, the team's scoring leader over the season, even missed bunnies, putting in only 9 points.

West lost Ron McDaniel in the third quarter, and Charlie Castle, Terry Barnett and John Crum in the final period. Dwight Newman led the Cowboy attack with 18 points followed by Castle's 13. Castle got things going in the first quarter as he poured in 8 points; the second period found Newman pouring in 8; the third frame saw Coles pace with 6 as did Barnett; the last quarter saw Newman with four lead the way.

Off the boards it was the great work of Newman again, with 16 rebounds, and Crum with 15. West out rebounded Pleasant View by a whopping 52-37.

One big credit to the Cowboys, they never let-up to the pressure. They held a fair sized lead and with several minutes to go Pleasant View made a real game of it. With Castle and McDaniel, a good press might have caused trouble, but the press was only fair and the rest of the Broncos took up the slack, particularly Rich Neely, Bill Bell and Newman.

After fouling out himself against Grove City Thursday, Newman stayed fairly free of foul trouble, and his ability really proved a boon to the Cowboys.

Cowboys Stop Grove City In Class AA Tournament

Cowboys Stop Grove City .....

West won their first Central District Class AA outing at the Fairgrounds Coliseum last Thursday evening as they downed seeded Grove City, 60-53.

West took a quick lead in the first quarter and held on to hold a 13-8 margin at the end of the first quarter.

West came on strong after the intermission and after the Greyhounds had racked up the first bucket of the second half, the Cowboys took over the lead at 32-28. Grove City then came back strong to take the lead as it see-sawed back and forth with the Greyhounds finally holding a slim 44-43 third quarter margin.

With the aid of a couple of three-point plays West took the lead at the beginning of the final stanza and never relinquished it.

The Cowboys spread out their scoring punch evenly. Ron McDaniel led the Cowboys with 17 followed by Dwight Newman with 15.

Medicine often helps the patient, regardless of its flavor, but you can't pour principles down the throats of human beings and get character.

Lakers Capture Boys Junior League Title

In the Junior Boys Basketball League at Glenwood Recreation Center, the Lakers took a 23-22 decision over the Hawks to win the championship with a 13-0 record. Pacing the winners were Stanley Foster and Jim Bell with 11 and 10 points respectively.

In other games, the Celtics won over the Cardinals 22-15. Hiram Tanner had 11 points for the winners. Curtis Halloway tossed in 13 points for the losers.

The Royals came from behind to defeat the Trotters 22-16. The big gun of the evening was Billy Prillerman with 16 points for the winners.

People Busy Planning New Sunshine Activities

The Junior Girls Leaders Club at Sunshine Recreation Center has been busy making plans for activities during the spring season.

The girls have become interested in dramatics and puppetry. The group has written a story; "Willie the Worm," and are making them from socks.

The club meets every Friday from 3:30 to 5:30 p.m. and is composed of girls ranging from eight to 12 years.

The Census Bureau reported that family incomes had increased more than twice as fast as living costs between 1947 and 1957.

It reported that after taking inflation into account, the median income had risen from $4,000 to $5,000 during the twelve years.

Jr. Optimist League Ends With Banquet

The Junior Optimist Basketball League season climaxed March 8th, with the annual banquet, at Gladden Community House. Dick Otte, sports writer, served as master of ceremonies. The principal guest for the evening, Mel Nowell, a member of the Ohio State University basketball quintet, spoke briefly on team play and sportsmanship, followed by a question and answer session.

The program of the father-son affair included presentations of individual trophies to members of the winning team, by Mel Newell; coaches awards for citizenship and sportsmanship to boys from each team who have excelled in these respects, presented by Dr. John Passias, president of the Western Optimist Club, sponsors of the league.

Team membership was limited to boys 11, 12, or 13 years of age who did not participate in other leagues in the West Side. The coaches, members of Gladden's Senior Basketball Team, were Bill Ingles, Travis Parsley, Jack Todd, Steve Cunningham, Glenn Carr, and Jim Clark. Officiating was done by members of the Optimist Club of Western Columbus.

Ohio is the fourth largest popcorn producer in the U.S., surpassed only by Indiana, Illinois, and Nebraska. The state's 1960 crop totaled 40.8 million pounds —about 12 per cent of U.S. production.

Ohio State University extension specialists predict food supplies in 1961 will be a little larger than in 1960.

Bill Schulze Backs Top Cage Squad

Bill Schulze, grocer and sports enthusiast, has another campionship trophy to display after his senior adult squad captured the Boys Club crown with an undefeated 60-61 season.

A former star of the West High Schol gridiron, Schulze has actively supported football, baseball and basketball teams since 1955 when he assumed the family grocery store on Gift-st, and opened a new store in Orient, O.

His squads began bringing home championships right from the start and have even fought among themselves for titles. This precarious situation arose in the '57-58 season when both of his basketball teams won their divisional titles in the Sunshine Senior League.

After a brief layoff in local sports circles Schulze called back his top former players, headed by Jack Grimes of Holy Family. This year's Schulze Market Team swept the Boys Club circuit and are headed for the Class B City Tournament.

Linden Downs Cowboys

West High Cowboys were eliminated from the Central District Class AA tournament Tuesday night by Linden McKinley, 57-51.

West stayed even with the City League champs the first half and broke a first quarter tie of 10-10 for the half time lead, 22-19.

Trailing by four with 4:58 to go the Cowboys were squeezed by Linden with a tight press and were unable to capture the lead.

LOVE REALTY SUNSHINE ADULT LEAGUE CHAMPS

This is the Love Realty team that won Sunshine's Adult League Championship for 1961. They completed the season with an 8-1 record, losing only to the league all-stars. The City Class B tournament which begins March 6 is their next objective. In front holding the trophy are the team sponsors, left to right, Don Spangler and Paul Love. In back, left to right, are Don Fluer, Floyd Love, Jim Zechiel, Bob Shaefer, Larry Dinsch, Phil Ashley, John Walters and Jack Teaderne.

Sunshine Social Dance Class Is Under Way

The Social Dance Class at Sunshine is under way with 30 teenage boys and girls enrolled. The class is divided into two hour periods every Monday night with the girls from 8 to 9 and the boys from 9 to 10. Every first and third Wednesday from 8 to 9 p.m. there will be a mixed class.

Basketball Festival Scheduled

The Eighth Annual Basketball Festival will be held at the Westmoor Junior High School gymnasium Mar. 14. The evening's activities will get underway at 6 p.m.

The schedule of events ranges from Gra-Y All-Star games, to a Coaches vs. Intermediate All-Stars contest.

The all-star players representing the Gra-Y Club teams will play at 6:15 p.m. In the first game the North "B" All-Stars will meet the South "B" All-Stars. The Gra-Y "B" League is made up of boys from the ages 8 to 10 years. The "A" League is for boys who are 11 years old and up. The Gra-Y "A" League All-Stars will have their contest at 6:45. Here again the North All-Stars will play the South All-Stars in the "A" division.

The Junior "Y" League contest will find the West Park Methodist out for the league championship when they go against the Hoge Memorial Presbyterian squad at 7:30 p.m.

At 8:30 a second round championship hangs in the balance when the Hilltop Church of God is matched with the West Senior Hi-Y team. The Hilltop Church of God could win the Intermediate "Y" League championship by winning this all important game.

The last game of the evening will be "sports spectacular". The coaches of the Junior and Intermediate teams will play the Intermediate All-Stars.

Everyone is invited to attend this evening of basketball excitement. Admission is free!

Schulze Market Captures Boys' Club Championship

Sharpshooting Gary Jewell paced Wm. Schulze Market to its 13th straight win as the Marketeers edged a determined Gift Street Lutherans, 61-58.

Jewell, West Side product and former Central High Ace, may have set an unofficial Boys' Club shooting percentage record by hitting for 13 of 15 set shots. His 29 points also enabled him to tie for the league scoring record set by teammate Julian Brophy.

The Lutherans fell behind 5-0 as Jewel and Marvin hit for set shots and Weaver contributed a foul and set the pace for the Butchers. Falling behind at the half by four, the aroused Lutherans came to life with one-handers from the corner by Green and White andd reduced the margin to its lowest ebb in the early minutes of the third quarter.

Fast breaking lay-ups by veteran Brophy and sizzling one-handers upped the margin and from there on it was a matter of matching points with the losers.

The Schulze team has entered the annual City "B" Tournament and will engage Jones Garage at Linmoor Junior High School at 8:45 p.m. Friday, Mar. 10. If successful they will meet the winner of the Thomas Candy-Weldon Ice Cream game, 1 p.m., Sunday, Mar. 12 at Thompson Gym.

Glick's 19% Bonus Event Should Be Best Ever

"Glick's original 19 per cent Bonus Events, which began on Monday, will offer the consumer greater values and more selections than ever before", said Robert A. Glick, president of the Glick Furniture Company.

This event, originally conceived by Glick's in 1926, marks the 54th anniversary of Central Ohio's largest furniture company. Buyers in all departments have scoured the factories of America for this event.

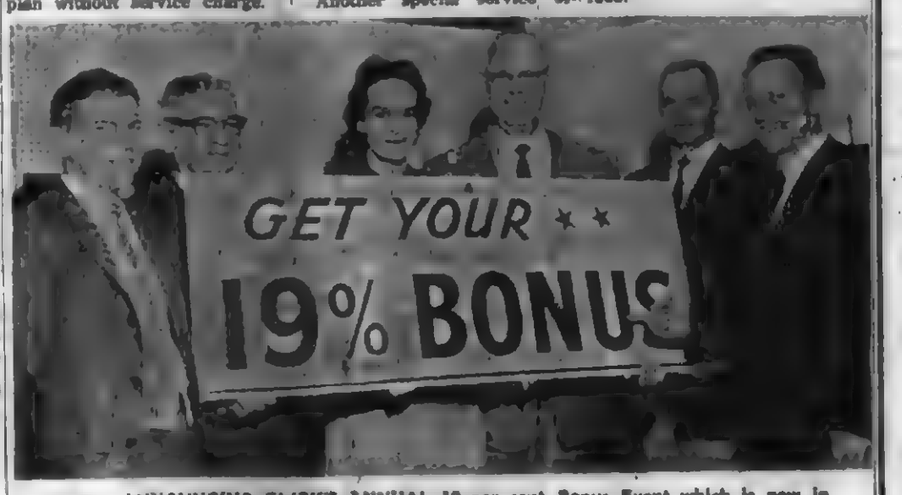
Purchases were made months ago to assure our many customers of the finest values anywhere. More than 150 associates have been trained to give the public the finest service possible.

"We know, without a doubt," assured Mr. Glick, "that our original 19 per cent Bonus Event is the customer's best buying opportunity of the year and its tremendous success year after year for 35 years is attested to by the consumers of Central Ohio, who regularly throng to Columbus for this event."

"We offer our customers a 19 per cent Bonus in additional free furnishings of their selections. Prices in all of our five stores are the same low prices as last month and the many months before."

Glicks' Great Western offers a complete selection of furniture, gifts and accessories, carpeting, draperies and appliances. Styles featured are Early American, Danish, French and Italian Provincial, Traditional, Contemporary and Casual Modern.

Terms are tailored to customer's needs, with up to three years to pay. And any Columbus 30 day charge plate is good at Glick's, as well as 90 day plan without service charge.



New at Glick's is the Gallery of Gifts and accessories for the home. Here shoppers will find decorative accents that add depth and dimension . . . new brasses from the Orient, porcelains from France, glass from Italy and hand-crafted Colonial reproductions from New England add brilliant distinction to any room.

Shoppers at Glicks may take advantage of free interior decorating service to assist them in any decorating problems, large or small, with no obligation.

Another special service offered is free storage until needed, in the new general warehouse at 1800 E. Fifth-av.

Parking is no problem at any of the Glick stores. Downtown shoppers can park free for one hour, at the parking lot between the two downtown stores, and visitors to Great Western will always find ample free parking. Purchases are delivered free in Ohio.

Glick's was selected America's Brand Name Retailer of the Year in the furniture store category, and winner of the Carpet Institute Award as outstanding carpet retailer of 1960.

. . ANNOUNCING GLICK'S ANNUAL 19 per cent Bonus Event which is now in progress at all stores including the one in Great Western Shopping Center are (left to right) Don Swanger, O. E. Shaffer, Jean Smith, Ed Herne, Bob Harrison and Manager Don Dittmer.

Gun Clubs Can Help Maintain Minutemen In This Space Age

INSIDE ON THE
Outdoors
By ROD COCHRAN

Target shooting has become patriotic — so the Department of the Army has reported to Congress.

It is with a great deal of interest, then, that we heard of the firearm training being offered by the Linden Heights Kiwanis Club. Approximately 20 members have formed the Kiwanis Safe Shooter's Club, and are learning the safe and sane handling of sporting firearms.

These adults will compose the permanent staff which will in turn train any teenagers who are interested. Each course will last six weeks and will be held at the Field and Stream Sports Center, 3833 Westerville-rd. Ten trainees will be accepted in each course. A fee of $5 covers ammunition, targets and literature. The range and guns are being furnished by the Kiwanis Club. Contact Richard Paugh at Field and Stream for further details.

Getting back to the report to Congress — a special study conducted by the Army revealed that more rifle practice by civilians, especially young people, is necessary to improve our national defense. The Senate Appropriations Committee directed the Army to look into the situation last year with these words: "It is the committee's conviction that the increased emphasis on other phases of national defense should not be permitted to obscure the importance of the final role that the riflemen will continue to play in possible future conflicts."

In short, minutemen are still needed in the space age. Evidently we are not living up to our national heritage of civilian marksmanship. If a latter day Paul Revere should ride tonight, I wonder how many of us would be effective snipers at daybreak tomorrow morning?

'Owe Country to Squirrel Gun'

Most of the hunters who were banging away at squirrels and pheasants last fall would make fair marksmen, a few would be excellent. Historians say that we owe this country to the squirrel gun, and the man behind it. Stouthearted men with firearms in their hands have stood us in good stead from Concord to Korea, and just because there are man-made gadgets beeping around out in space is no excuse to forget the fact.

How can interest be stimulated in shooting? One way is for fathers to take their sons into the field hunting with them. This means a boy is allowed to have his own gun when he is old enough, and after he has had extensive instruction in its safe handling.

Another way is for organizations to sponsor firearms safety schools, and to provide shooting opportunity for youngsters.

Some oriental cultures have preserved their customs and heritage for hundreds of years by word of mouth. With mass communication media at our disposal, we seem to be forgetting what we owe the hunter and his gun. May the work of the Linden Heights Kiwanis Club prosper and increase many-fold.

TARGET SHOOTING is a lot of fun. Ask Beverly Canada, "Miss Central Ohio." Not only is shooting a sport, but the Army says its our patriotic duty to improve civilian marksmanship.

Save Those Old Plates For Cancer Ray Unit

Your 1960 license plates aren't worth much on your car after Mar. 31, but they can do the girls of the F. O. Schoedinger Cancer Ray unit a lot of good.

Last year the girls collected 18 tons of discarded plates and sold them for scrap. All the proceeds realized went to the Columbus Cancer Clinic for 100 per cent local use.

The old tags can be dropped in trailers which will be placed in all of the shopping centers or they can be deposited in drums at all local fire stations.

For further information about the drive, call Mrs. Tim Scannell, AM. 8-8212 or Mrs. Dolores McIlvan, AM. 7-3362.

Exploding Paradise Is Teen Topic

"Exploding Paradise — Only 90 Miles from Florida" is the title of the fourth annual Y-Teen Public Affairs Conference to be held at 9:30 a.m. Saturday, Mar. 11, at the YWCA. Cleet Long from WBNS will open the session with a talk entitled "Cuba — The Exploding Paradise."

In the afternoon the students will hear a panel moderated by Richard Boyd, social studies teacher from North High School, with two Ohio State and Dennis McAdams. These University students, Bob Fasic University students are preparing to represent the U.S. and Cuba on the floor of the coming Model UN at the campus.

On Mar. 11, they will present the U.S. and Cuban viewpoints on such questions as "Is Castro fulfilling his promises to the Cuban people?" and "Should diplomatic relations be reestablished?" (Between Cuba and U.S.)

Glick Executive Goes To Iowa

Resignation of A. L. "Chuck" Klein as advertising director of Glick's Furniture Co. was announced by Robert A. Glick, president.

Mr. Klein has accepted the position of advertising director of Davidson's Furniture Co. in Des Moines, Ia. Before coming to Glick's almost six years ago, he was in a similar position with another Des Moines home-furnishings firm for nine years.

Judge Heads Scout-o-Rama Effort Here

Judge Robert M. Draper, 104 S. Westmoor-av, has accepted the chairmanship of the Scout-O-Rama Committee for the Southwest District.

The big council-wide Scouting show will be presented at the State Fairgrounds Saturday, Apr. 23, announced James O. Metheny, district chairman.

Serving on Draper's committee are Robert Dings, participation; Elmore Langdon, advancement; Gene Stinson, ticket sales; Noah Teach, publicity.

Stinson reported that the tickets for unit sales will be available at the monthly round-table Wednesday, Mar. 15 at Westgate Methodist Church.

GM Wage Rate Remains Same

General Motors has announced that its 340,000 hourly-rate employes will continue to receive a cost-of-living allowance of 17 cents an hour during March, April and May.

Under the GM wage formula, there was insufficient change in the nation's consumer price index to require revision of the cost-of-living allowance.

The next review of the cost-of-living allowance will be in May based on the April 15 economy.

World-Wide Aid Funds Campaign To Close Mar. 12

The 15th annual appeal for funds to support the world-wide assistance programs conducted by Catholic Relief Services — National Catholic Welfare Conference will end Mar. 12 in parishes throughout the United States.

Minimum national goal is $5 million. It will provide the relief program which, in 1960, aided 40 million needy people in 64 countries regardless of race, color or creed.

The amount of food, clothing, medicines, medical equipment and other relief supplies shipped by the Bishop's agency since the inception of the overseas relief programs represents the largest private voluntary overseas relief program in history.

All Americans are invited to join in this drive. Contributions may be made to the nearest Catholic Church on or before Mar. 12 or to the Bishop's Relief Fund, Empire State Building, New York 1, N.Y.

AIM HIGH—Advertising Chairman Dick Fagan, left, and Co-Chairmen Dave Tingley announced with a flourish last Thursday night that the Hilltop Lions will seek $6,000 worth of advertising for the 1961 edition of "The Hilltop Lions' Tale." The annual newspaper will go to all Hilltop and West Side homes on Thursday evening, May 18. The advertising sale campaign will extend through Apr. 20. All 90 of the club members will take part.

90-MEMBER PROJECT STARTS

Lions Gang Up On Doc Stephens, Ace Seller Of 'Lion's Roar' Ads

Hilltop Lions Club "ganged up" on one man last Thursday night as plans were detailed for the 11th annual "Hilltop Lions' Tale" newspaper project. But it was all in fun and for a worthy purpose.

General Project Chairman Ervin Schmidt announced the various committee responsibilities and dates and deadlines for the phases of the project which involves all 90 members of the club. He was quick to claim, however, that he had "played no part in the skullduggery" which matches six teams of 12 to 15 members each against Lion Dr. John Stephens.

Richard Fagan, chairman of the advertising campaign for the 1961 newspaper project, explained the contest for advertising sale lineage, which began immediately, and fixed Apr. 20 as the date for all advertising to be turned in.

He said that teams captained by Robert Bethel, Ike Brownfield, Ben Hill, Bill Myers, Jack Weller and Keith Householder would be matched against Dr. Stephens. "Doc" Stephens' one-man team was labeled "The Giant" in recognition of his having sold more than $1000 worth of advertising in the 1960 campaign.

Fagan, assisted in direction of the ad campaign by co-chairmen Dave Tingley and Jim Steger, set $6000 as the goal for advertising in the paper.

Sale is May 18

"The Hilltop Lions Tale," a supplement of the Hilltop Record, will be delivered to every home on the Hilltop and West Side on Thursday evening, May 18, according to Robert Foster, distribution chairman. At least 329 volunteer adult "newsboys" will be needed, declared Foster whose co-chairmen include Warren Schumacher, Jim Bradshaw, Ron Booth, Bill Steen and Charles Johnson.

Named to head the auction sale of "First editions," to be held Tuesday noon, May 16, at Holiday Inn was Bill Leibensperger. His co-chairmen include Paul Mettge, John Tipton and Eddie Stratton.

SPORTS of SORTS

Compiled By Bob Wilcox

West's lone entry in the state wrestling tourney was short lived, but Cowboy Larry McQuerry can always cherish a claim that no one can take away from him—being the first West grappler ever to make the state meet.

Larry lost out in his first match last Friday afternoon in the OSU men's gym to Cleveland John Marshall's Dennis Savas in a 5-4 decision.

Unfortunately Savas also lost in the next round, so McQuerrey didn't get a crack at the consolation round.

Incidentally, the Columbus meet was held during school time, so no West supporters could be on hand to boost Larry. To try to somewhat compensate for this the West Journalism Department, where McQuerrey is assistant editor of the Occident newspaper, sent him a "Good Luck" telegram signed by every member of the staff.

• • •

Of significance is the fact that North's Jim Eyster, who was Illinois state champion in his weight last year, and who beat Larry for the Central District 154 lb. title last weekend, also lost Friday in the strong 1961 Ohio wrestling field. However, he was somewhat more fortunate as his man went on far enough to allow Eyster to come back in the consolation round. Eventually Eyster finished third.

The West girls' interschool basketball team wound up its first season of competition last Tuesday afternoon at Bexley and finished with a perfect 7-0 record by downing Bexley, 15-12. After leading the first two periods (4-3, 10-6), West had to come from behind to win after Bexley had taken a 12-10 third quarter margin.

Vera Dixon had the "hot hand" for the victors and almost singlehandedly kept the "Cowboyettes" in the game. WEST: Dixon 5-0-10, Bailey 1-1-3, Griffin 1-0-2. Totals: 7-1-15. BEXLEY: Totals, 5-2-12.

Meanwhile the gals' reserve squad was ending its season on somewhat of a sour note, losing to Bexley's reserves, 23-11. Betsy Prout and Mary Gabriel each netted five points for the West lassies. Bexley led all the way by quarter scores of 6-5, 14-7, 17-8. But the Reserves had a good season, finishing with a 5-2 record. West totals: 4-3-11. Bexley totals: 10-3-23. Nancy Kern scored the other point for the losers.

Council Rejects Rezone Action

City zoners said Monday that they agree with a number of residents of S. Roys-av and Binns-blvd, south of Rosedale-av, and turned down a request to rezone some of the area for multiple-family dwellings.

A week earlier, council action on the matter was tabled when 60 homeowners, carrying a petition, protested the proposal. A personal inspection of the area was then made.

In rejecting the ordinance, council overrode the recommendation of the City Planning Commission.

KIWANIANS LAUNCH MARCH TO CHURCH MONTH

HILLTOP KIWANIS members have adopted again this year the slogan, "March To Church in March." Sponsored by the Support of Churches Committee, the purpose of the plan is to encourage families in the community to worship together at the church of their choice. A group lingered after Sunday morning services at Westgate Evangelical United Brethren Church last week to chat with the pastor, Rev. Harold P. Duff, also chairman of the Evangelism Committee, Columbus Area Council of Churches.

West High Teams' Record Traced With Trophy Display At School

WEST TEAM VICTORIES since 1908 are recorded in their trophies, newly-repaired and cleaned, and housed in trophy cases installed near the gymnasium. Team trophies are displayed in the new cases, and those in the lobby hold awards given by the Hi-Y, Junior High, track and a few single trophies. Admiring the new display are students, Carol Rinehart and Bob Jacobs.

The tales trophies tell of a schools victories are as varied as the awards.

Those displayed in West High's new trophy case, installed near the rear-west entrance of the building, are team awards dating back to 1908.

New location of the cases near the school gym was decided upon so basketball and wrestling fans attending school events could see them.

Oldest trophy in the case is one inscribed, "Spalding Trophy, Public School, Baseball League, Columbus, Ohio, 1908."

One of the most mystifying is an old cracked golf ball on a small wooden stand with no inscription.

Two awards of bowling pins atop stands are inscribed "Rollers, 1945," and Bobbie's Bombers, 1945."

A foot-high trophy of a bowl on a stand, with a golden horse on top reads, "High School Challenge, Trophy by J. Wallace Huntington, To Be Won 3 Times, 1948, Columbus School For Girls, Spring Show."

Howard Wilson, faculty member, was one of the persons in charge of the project of renovating the trophies and installing them in the new cases.

The job included identification and repair of the older trophies.

Those won by the Hi-Y, Junior High and track, and a few single trophies are displayed in cases in the school lobby.

You Are Invited To Be Present At The
Dedication Services — Sunday March 12 at 9:30am at the
HILLCREST BAPTIST CHURCH
2480 W. BROAD STREET AT ELDON AVENUE

Dedication services will be held Sunday to mark the completion of work started last fall on the front and Eldon Avenue side at Hillcrest Baptist Church, 2480 W. Broad Street.

The outside appearance of the church has been changed to more readily identify the building as housing a church congregation. Dr. Joseph Irving Chapman will lead the services.

Best Wishes For Continued Growth and Service To This Community
We Are Proud Of Our Part In Building The New Hillcrest Church Building

The task of altering the appearance of the building was assigned to the firm of McDonald, Cassell and Bassett, Architects, 4499 N. High St., Hilltopper Robert E. Cassell, 4143 Ongaro Dr., a member of the firm, drew the design to meet this requirement.

As now completed, the composition of the new Hillcrest facade includes a large mass of imported Italian Travertine marble above a projected canopy which leads the eye horizontally to the entrance. The entrance dominates the entire exterior of this house of Worship. With the rugged stone panel acting as a strong anchor, the steel cross surrounded by the stained glass was designed to draw the eye and spirit upward toward Heaven and impart a feeling of reverence even before entering.

The wide interest and many compliments expressed to Rev. Roth and members of the congregation testify how well the task has been met. Kent Brothers General Contractors, E. Gay was responsible for the overall completion of the building and did much of the work.

The Franklin Art Glass Studio, 214 Oak St., designed and selected the color-scheme for the 18 foot upsweep of beautiful glass with a built-in metal cross, on the front face of the building.

Hubbard and Vic Tile Co., 4175 Alum Creek Dr., installed the imported Travertine marble on the front face of the building and extending to the east side north along the Eldon Av. side, rises to a height of 45 feet, is complimented by a 14 foot width of rugged limestone, hand-hewn on the job.

The Diamond Electric Co., 1731 N. Fourth St., installed new outlets, wiring and fixtures on the interior.

Moderization and installation of new plumbing fixtures for two rest rooms was done by the firm of Grif M. Lewis, Inc., 3103 Ellis Pl.

Parade, Relief Discussed At Veteran Confab

A meeting was held recently of the National Chartered Veterans Organization of Franklin County, composed of delegates from National Chartered Organizations in Franklin County.

Vets attending were in favor of continuance of the Memorial Day Parade in Columbus and stressed the point that all Veterans of all Wars should be urged by their Veteran groups to show their interest by taking part in the Parade.

The proposal to discontinue the Soldiers and Sailors Relief Commission and placing the Veterans who are getting aid from it under general welfare was opposed.

The statements against the Veterans made by the American Medical Association in the newspapers was disapproved, according to Chaplain Louis Roberts.

Columbus Area Holds Down Cost Of Auto Insurance

Columbus a little better than holds its own in auto insurance rates which the area has earned, compared to other metropolitan cities in Ohio, according to T. R. Magley, representing the Ohio Insurance Information Service, Inc., in a recent talk before the West Side Kiwanis Club. Magley is Ohio Underwriting Manager for the State Automobile Mutual Insurance Co., a member firm of the information service.

Magley stressed the part the public plays in setting automobile insurance rates for a given area through holding down accidents and the fairness with which it is willing to settle insurance claims. By this yardstick the Columbus area, which includes all of Franklin County, has earned an auto insurance rate considerably below cities having the highest rates but not as low as three other metropolitan areas, he said.

Cincinnati not only is the largest city in Ohio but it has the highest ownership of passenger cars per family of any large city, he stated. In spite of this high concentration of people and cars, the Cincinnati area has earned one of the lowest auto insurance rates of any metropolitan area in Ohio, according to Mr. Magley.

He compared the cost of commonly purchased auto coverages for a popular priced car used solely for family purposes by adult drivers over 25 years of age. It was shown that $100 worth of insurance in the Cincinnati area costs $140.99 in Youngstown, $134.29 in Akron, $131.22 in Cleveland, $111.60 in Canton, and $107.51 in Columbus. Besides Cincinnati, Dayton and Toledo have earned lower rates, where the same amount of insurance coverages would cost $102.62 and $95.60 respectively.

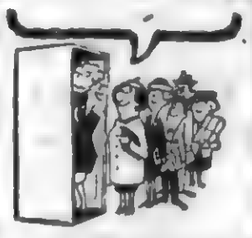
Hot Kuwait To Become A 'Cool' Community

Despite mid-summer temperatures above 100 degrees, citizens of the tiny Arab state of Kuwait on the Persian Gulf this year should be the coolest in the world.

An order for 3,000 room air conditioners now being filled by the Columbus plant of Westinghouse Electric Corporation, will give the independent state a ratio of one room air conditioner to every 16 persons. The United States, country with the next highest ratio, had one air conditioner for every 23 persons as of Jan. 1.

Because of revenue from its huge oil fields, Kuwait with its 200,000 people has become the richest nation in the world per capita. Now it will be the coolest, Westinghouse officials state, despite its 100-degree plus temperatures in much of the summer and its scant rainfall of less than five inches per year.



At its government insistence, the room coolers for Kuwait must meet the most stringent specifications. Relative humidity averages 84 per cent and the temperature ranges from a mean of 84 degrees in August to 55 degrees in January.

WMNI Has New Format; Jackson, Adkins, Hill On Staff

By Stan Robinson

"We think radio must be more specialized than in the old days and still satisfy the variety of needs today's person has."

That was part of the "new WMNI story," as related this week by William R. Mnich, president and general manager of WMNI Radio, when the station's new program format was unveiled to the press. Several staff changes were made known. Bill Andrick 10-year radio veteran, mostly in West Virginia, (recently Parkersburg), will be heard during the day along with the addition of a well known and popular voice, that of Bob Adkins, formerly of WTVN.

Robinson

Every voice is to be a "production specialist" as opposed to being an "air personality"—the latter being a much over used trade phrase. There will be up to twelve minutes of uninterrupted music with time and temperature interwoven, while the "soft sell" commercials will fit right into pauses—but still with musical background.

ABC's "Breakfast Club" from Chicago and Dick VanDyck's "Flair," are both enjoying good ratings in Columbus and will be maintained by the station along with the many popular ABC news voices. Maurice Jackson and Joe Hill will emphasize their sales efforts for the station but Hill most likely will not have a chance to utilize his many years in sports, on the air with Sports Director Eddie Lane. WMNI has added the Jets to their schedule this year and will emphasize sports in the future. The "new sounds" commence full scale Thursday, on 930 radio.

WBNS radio announces that ninth through 12 grade students throughout Franklin County are eligible to enter "Feature-TB," a new radio feature-writing competition on tuberculosis, sponsored by WBNS and the TB Society. The 25 top TB features will be broadcast by Dean Lewis on "Almanac," Les Spencer on "Open House," and on WBNS-FM after contest judging [illegible] on Apr. 15. All schools have been provided with the basic contest material. Contest starts Mar. 12 and an entrant writes a feature about one-and-a-half minutes long.

NBC-TV has designated next week, Mar. 13-17 as "Festival of Color" Week with 50 per cent of the network's daytime programs to be presented in color. Eight of the regular daytime shows on NBC, seven of which are seen on Channel 4, will be in color. "Continental Classroom," "Play Your Hunch," "The Price Is Right" and many more hours of color are in view for next week on 4.

WVKO's "Spook" Beckman is being heard at an earlier starting time as of this week on WVKO radio. "Spook" is starting daily at 7:30 and still will be on until 12 noon. We note too that WVKO sign-on time for March is 6:45 a.m.

It is interesting to note that all three local television stations have increased news coverage during the daylight hours on a regular basis. A viewer now is kept informed by choosing or watching any or all of the following capsules:

The ABC-Channel 6 Mid-Day report, 1:25, WBNS-TV has Bill Pepper at 1:25 and there's a summary at 1:55 with personable Chuck Nuxum reporting. Channel 4 presents the NBC Day Report with White House Correspondent Ray Scherer in the 2:25 time slot. Weather is not overlooked with Tony Sands appearing on WLW-C's Ruth Lyon's 50-50 Club, trading quips and checking the "lows and highs." At 12:10 daily, Wayne Byers has a complete weather summary on Channel 10.

More than 400,000 U. S. high school students will have scripts with which to follow the NBC-TV broadcast this coming Saturday night on "Our American Heritage," 9:30 p.m. An estimated 10,000 classrooms will "act out" the play in amateur theatricals. This week, "The Secret Rebel," a dramatization of George Washington and John Honeyman, little-known hero of the revolutionary war, co-stars Hugh O'Brian as Honeyman, (who served as a spy for the Continental Army enabling it to capture Trenton, N. J., on Christmas Day, 1776) Howard St. John will play the part of Washington in this "education-through-television" efforts made possible since the entire play was published last week in the Practical English Magazine.

The Ohio State University-produced TV documentary, "Research Doctor," made its debut on the commercial air lanes Monday of last week. This is to be a Monday, University Hall feature, 7:30 a.m. through Monday, June 6. Dr. Samuel Saslaw, professor of medicine at Ohio State is narrator.

INTERSERVICE COOPERATION is not a myth but a fact of daily operation, at the Military Construction Supply Agency where the staff includes officers from the Army, Marines, Navy and Air Force. Brig. Gen. Philip F. Kromer, Jr. (USA) (center), goes over a stock distribution plan with: (from left) Lt. Col. Paul A. Trees (USA) director of supply; Col. Warren N. Wildrick (USAF) director of technical operations; Col. Harry D. Hooter of technical operations; Col. John kins, Jr. (USA) deputy executive director; Col. T. Poffenberger (USA) deputy commander of EMC; Commander C. E. McLanahan (USN) planning staff officer; and Lt. Col. Harry C. Olson (USMC) director of inspection.

SUPPLY AGENCY BOOSTING LOCAL ECONOMY

Local Military Agency Growing Fast

Fifty-two Starling Street, an obscure former shoe factory, now houses an Armed Forces combine that recently has become the city's number one military employer of civilians.

This was brought out Thursday at a press briefing to explain operation of the new Department of Defense Military Construction Supply Agency and the U.S. Army Engineer Maintenance Center, headquartered here.

Brig. Gen. Philip F. Kromer, Jr., a Columbus native and commander of the two agencies, revealed that ultimate civilian staffing will reach 4,250 employes with a civilian-military payroll of more than $25 million yearly.

Present work force stands at 2,951, and new employes are being added at the rate of approximately 100 per month, Kromer's aides said. Most are being selected from Civil Service registers. This pace will continue at least until next October, they said.

Applications Heavy

Applications, which average 150 weekly, have been especially heavy this week. In the main, persons with special skills are being sought. MCSA is hiring civilians with civil, mechanical, industrial, chemical and electrical engineering degrees and experience. In addition, there are new positions for those with training in procurement, business management, accounting, distribution, electronic data processing and machine records. The latter types are being selected on competitive Civil Service basis.

MCSA was established here as a part of the Defense Department's program of "single managers" because of Columbus' location in the center of the industrial U.S. Another factor was the existence here of a "going Engineer organization"—the EMC.

More Local Business Seen

Gen. Kromer said, "A 'single manager' brings savings to the taxpayer and increases military supply efficiency in this atomic age by having one agency do a job for all branches of service." The agency will in time have a yearly procurement program of nearly $150 million, the general said. Local purchase by the Army EMC is now about $3 million annually. It is too early to estimate the amount of added local purchase ahead, he added.

At present, EMC is accountable for 127,000 different repair parts for Army Engineer equipment throughout the world. As many as 600 requisitions per hour can be handled electronically, and parts speed on their way within 48 hours. Storage of many of these items is being done at Columbus General Depot.

The mission of the Military Supply Agency is to arrange for the purchasing, cataloging, storage and distribution of construction materials and repair parts for construction equipment for the Army, Navy, Marine Corps and Air Force. By July, 1962, the agency will be in full operation.

Do You Have The Grasshopper Complex?

An appropriate message is contained in Daniel Russell's "Meditations for Men" . . . so much so we want to pass it along as follows:

"When Moses sent his scouts to look over the land of Canaan they came back with widely different reports. There were those who said, "Let us go up and possess the land. We can do it." Others said, "It can't be done. The people there are giants. By comparison we are no more than grasshoppers."

There are things at work today which tend to make us cowardly, weak characters instead of sturdy men.

Once we believed that failure and defeat were largely the fault of the individual. Now we are told it is society's fault. Once we believed that a boy who murdered his sweetheart was a bad boy. Now we are told he is a sick boy, something wrong probably with his endocrine glands. Once we held shiftlessness in ill repute and upbraided it. Now we are told the slack-twisted individual is the victim of the economic system, a cog in a machine which can only be kept running by the tinkering of politicians.

Once we believed that the citizen, as a patriot, must take care of his government, insisting that government must interfere with him as little as possible. Now the slogan of millions is: "Let government take care of me. Never mind the interference of government with my liberties. Give me doles or give me death."

These are disgusting, degrading, disintegrating, grasshopped concepts corrupting the soul of a once individualistic, resourceful, personally responsible people.

The controlling thought of Jesus was the possibilities of the individual. He would pull us from any flowery bed of ease on which we may be riding, to build our own roads for our own feet.

One boy says, "Oh yes, success could have been won once by almost anybody, now no one can do it at all. Another boy says, "If anybody ever did it, I can do it."

Never cast yourself as an insect.

'Bugged' Boys Bust Window

When small-boy enthusiasm gets too great, things can get out of hand.

The scene: 2289 W. Broad-st, one day last week. Two school patrol boys, flagstaffs in hand, come down the walk and are suddenly attracted by a display of insect pests in the windows of [illegible] Exterminating Co.

"Get 'em," shouts one of the boys, as he thrusts his staff, lancer-style, forward at the bugs. A crash follows and the window has had it.

The result: a $115 bill to some insurance company, an $18 sign for Manager Harry Esslck and two "badly bugged" schoolboys.

Greenlawn-av Area To Get New Walks

About 2,000 feet of crumbling sidewalk along the south side of Greenlawn-av will be renewed this spring.

City Council this week appropriated $5,000 for the repairs. The walk is used by many persons in Greenlawn Village and by those using Southview Park.

The Division of Engineering will ask for public bids on the work soon.

HAS SHILLELAGH, WILL MARCH

Frank Will Be Right Up Front In Friday's St. Pat Procession

By Marcus Orr

St. Patrick passed from this earth exactly 1500 years ago. But he'll never be forgotten as long as there are stout-hearted Sons of Erin like the West Side's Frank Strapp.

Frank is president of the Shamrock Club—800 strong in this city. Again this St. Patrick's Day the Shamrockers will hold a morning procession just as they've done for 'lo these many years.

Frank will be in front, his twinkling smile firmly framed under the traditional black top-[illegible].

As an Irishman, Frank qualifies. His mother, Bridget Mariah Mangan, crossed the stormy seas from County Kildare in 1876. The family — a large one — settled in the West Side. Most of the menfolk were railroaders, as was Frank until 1936, when he became stationary engineer at the main post office.

Yes, there's a shillelagh or two in the family. One emigrated with an uncle. The one Frank now owns was the gift of a friend, Patrick O'Callahan, who lived many years on West Park-av. Patrick, a long-time employee of Jeffrey Manufacturing Company, retired about eight years ago and went back to Ireland. Remembering Frank, he sent him a piece of blackthorn which will be a cherished strutting stick in Friday's procession.

"The shillelagh will be just that—a walking stick," mused Frank. "But there was a day when it meant more than that. We Irish often were a persecuted lot and had to stick together."

"There were gangs around town . . . those from the East and South Sides, Milo, Flytown . . . and we were known as the Bottoms Rough and Roadies. A club was just part of our equipment.

My own neighborhood was Starling-st. I was born in November, 1897 at the spot where the VA building now stands.

"Like the kids of today, we spent a lot of our energy in sports. I played on the Western Tigers football team, West Side Church League basketball, and Big Four Railroad baseball. My school was Holy Family."

"For a short time, our family lived on the Hilltop, but we moved back because the horse-cars only went to the foot of the hill." No one has succeeded in getting Frank to move from 856 Sullivant-av since. The expressway came close but Frank got his Irish up and wouldn't budge.

There are five children and 20 grandchildren in his family. The sons are Robert Strapp, 895 Brinker-av; Francis T., 61 Vallery-dr; Leo W., 1220 Elderwood-av. The daughters are Mrs. Rita Pagura, 2800 Shrews-

St. Aloysius School Rites Will Launch Building Program

Rev. William Maloney, pastor of St. Aloysius Parish, will turn the first spadeful of dirt on the site of the parish's planned elementary school Sunday at 4 p.m.

The new $900,000 building will be constructed on the recently-cleared location on Midland-av, from the alley behind the church extending south. Four residences have been razed to make way for the school.

Contracts have been awarded and construction is expected to get under way immediately.

General contract was awarded to Henry A. Justus Co.; plumbing and heating to Dotter, Inc., and electrical to CTI Electric Co.

The new structure will succeed the present St. Aloysius School, W. Broad-st at Clarendon-av, and is expected to be finished in time for enrollment next September.

The one-story building will include 16 classrooms and a multi-purpose room with facilities to serve as an auditorium, cafeteria, eating area and basketball court.

There will also be administrative offices, kitchen and two small meeting rooms which may be converted into one room for a larger group.

Included in the Sunday afternoon ground-breaking ceremony will be a program of songs by the school's eighth grade class.

The show is sponsored by West's Band and Orchestra Parents' Club and proceeds are used to purchase and maintain instruments and uniforms.

They are also available at the school in Room 2, from noon until 1:30 p.m. Friday, Mar. 17; Monday, Mar. 20; Wednesday, Mar. 22, and Friday, Mar. 24.

West Freeway Traffic Flow Is Questioned

Question:
"Can the Spring-Sandusky Interchange handle the anticipated traffic flow from the proposed Columbus West Freeway?"

Columbus Service Director Ernest Stork says "no," while a New York City firm of consulting engineers says "yes," and here's the plan they propose:

Prager-Kavanaugh, consulting engineers, in a report Thursday to the Ohio Department of Highways, recommended a 16.7-mile freeway route starting from a point one mile west of the intersection of Rts. 40 and 29 and ending at the interchange.

The firm, in its preliminary draft report, said the present interchange could handle combined traffic from the proposed freeway and Rt. 33 (Dublin-rd). The freeway will be known as Interstate 70, a relocation of Rt. 40 from near West Jefferson to Columbus.

A spokesman for the highway department said the report will be subject to "a lot of analysis by department engineers."

The report from the engineers shows a movement of more than 140,000 vehicles daily between the interchange and Grandview-av by 1975.

In the firm's 1957 report, in which the same line was recommended, an average daily traffic flow of 66,000 vehicles was cited.

Planners have complained that the expensive Spring-Sandusky Interchange was designed too small to handle traffic, a fact that even now is developing.

Stork, who in 1957 was consultant on expressway matters to the Columbus Chamber of Commerce, reiterated last Friday his assertions three years ago that the interchange will not handle freeway traffic.

Stork proposed then, and still maintains, the freeway should be split near Harper-rd to ease traffic congestion on the Spring-Sandusky Interchange.

One leg would carry westbound traffic through the interchange. The second, paralleling McKinley-av, would channel eastbound traffic onto the Sandusky Expressway south of the interchange.

Stork said there is merit to a fifth alternate proposed by consultants in mid-1958. This alignment would have tied in with the Sandusky Expressway at Town and Rich-sts, now served by a ramp-type interchange.

The highway department, after the 1957 report was filed, ordered the consulting firm to make a new study of the freeway route using 1975-projected traffic figures developed from a Franklin County traffic study made in 1956.

The firm based its Thursday recommendation on:

1. Tax losses and displacement of residents are less than in an alternate route which would tie into the Mound-Sandusky Interchange.

2. Adverse effect on circulation of local traffic is minimized.

3. Less modification to existing innerbelt facilities would be required.

4. Continuity of the expressway system is maintained as previously planned in some instances already constructed.

5. Right of way costs would be $5,040,500 less than a route into the Mound-Sandusky Interchange.

6. Project cost would be $36,783,000, compared with $33,156,000 for the Mound-Sandusky Interchange alternate.

Consultants said the section from the Spring-Sandusky Interchange to the proposed Columbus outerbelt should be constructed first. These proposed projects are listed:

1. Scioto River crossing, $3.7 million. 2. East end of bridge to interchange, including tie with Rt. 23 near the Columbus water works, $2 million. 3. West end of the Scioto bridge to outerbelt and south to existing Rt. 40, $3 million.

The consultants recommend that the balance of the freeway west from the outerbelt be constructed as one unit divided into three projects of about $8 million each.

Local Action Pledged In Cleanup Campaign

Hilltop and West Side community councils have caught the fever of the upcoming city-wide Cleanup Campaign.

Meeting simultaneously last Thursday evening both organizations indicated that a local concerted cleanup is already past the committee stage.

At Gladden House, West Siders heard first details of a proposed four-block model scrubup effort. "Just to show others what can be done," a spokesman of the health committee of the West Side Neighborhood Council said.

The area [illegible] been chosen, but will not be revealed until all the residents are interviewed, said Al Wilder, WSNC field worker. Wilder said a two-week campaign, modeled something after one conducted successfully in the Inner North Side, will be attempted.

Everyone, including the city, will be asked to pitch in and clean out alleys, repair street lights, paint and repair porches, etc. "We hope the results will be a knockout and that the idea 'catches' in other areas," Wilder said.

Neglected Areas Shown

At the same hour Thursday night Hilltoppers were viewing a movie of local sore spots or "grey areas" as they are sometimes called. C. H. Campbell of the Hilltop Business Association and Harry Feldman of United Community Council presented the program to a group of 25 persons attending Hilltop Community Council at the new YMCA. W. E. Poly was chairman.

Campbell said the city cleanup campaign will kick off Apr. 16, but he urged representatives to notify their organizations now to be ready to give a lift.

City Plans Outlined

Arthur J. Bellar, city superintendent of sanitation, [illegible] Tuesday that the city will be able to give special service to the campaign this year because of the expected arrival of new trucks and some addition of staff.

Bellar said the work will be directed in geographical sections by Roland Brauch, assistant superintendent. For an entire month one or two open trucks will follow garbage trucks on their regular rounds. The extra crews will pick up large collections of rubbish, old furniture, fence wire, boxes, brush trimmings and such.

The sanitation officials said the North End will be worked first because community effort in the cleanup is best organized in that area. The East Side will be next, followed by the Hilltop and West Side, probably sometime in May, they said.

But spring housecleaning need not wait until the campaign begins. Brauch said a truck is now available on call for persons anywhere in the city who wish to dispose of large bulky items. The crews can haul any debris except old trees and discarded construction materials such as bricks and tarpaper.

Residents will be notified in the community press when the intensified cleanups are scheduled. The trash will not be moved from yards unless the homeowner is on hand to direct the operation, Brauch said. Ordinarily it should be placed in regular pickup locations. If persons are missed, they will be given a return call if they request it, division officials said.

Lease Renewal Gets Refusal

The renewal of a lease with the Randolph Iron and Metal Co., 1061 McKinley-av, on county property at 1060 McKinley-av, was refused by the County Commissioners.

Columbus Building inspectors have said that the property is being used to store junk in violation of the city's building regulations.

Commissioners investigated the lease when County Prosecutor Earl W. Allison told them that the firm's secretary-treasurer, Oscar Smilack, was convicted on three counts of contempt of the Ohio House Un-American Activities Committee in 1955.

EASTER SEALS WORK FOR DENNY

THREE-YEAR-OLD Denny Jay, son of Mr. and Mrs. Denny Jay, 329 N. Ogden-av, is very interested in the way Miss Marguerite McEachern, 698 Wedgewood-dr, puts on his leg brace. Denny wears the short, below-the-knee brace because cerebral palsy has left him with a slight handicap in this leg and the brace helps improve his walking pattern. He has attended the Treatment Center of the Franklin County Society for Crippled Children once a week since October and receives exercises to improve his coordination and further gait training. Miss McEachern is Denny's physical therapist at the center which is one of the direct services provided the community by Easter Seals.

Food Market This Week

by ESTELLE S. FRANKS

THIS WEEK SHOP FOR:
Vegetables—Broccoli, cabbage, lettuce, celery, peppers, potatoes.
Fruits—Grapefruit, apples, fresh pineapple.
Protein Foods—Large eggs, cheese, fish sticks, frozen ocean perch, fryers, pork loin roasts, steak "specials."

AT MARKET—THE WEARIN' OF THE GREEN

So much green at markets, we thought it was all special for the Irish! No need to add artificial color to foods this week—you'll find plenty of them in natural green. There's lightly-tinted cabbage, all kinds of lettuce including frilly Boston butterhead, romaine, escarole, and endive. The quality of these salad greens is exceptionally fine right now.

Cooking greens are plentiful, too. Mustard, collards, and turnip tops are being shipped from the South. Spinach and kale are excellent, and so is broccoli. Some stores have dandelion and beet greens washed and packaged, ready for the pan. There are leeks and chives coming from greenhouses, potted and wrapped in clear bags.

California asparagus supplies increase and quality is good—not a bargain but reasonably priced for early season. Green beans, cucumbers and green peas are available; green peppers are inexpensive.

Avocados are another of the naturals in green. You may want to combine them with grapefruit sections or other fruits for salads.

Produce in red stood out, too. Beautiful strawberries from Florida, and there's still plenty of the long stalks of red rhubarb. It has a long season which will likely extend until the homegrown starts coming. Tomatoes will be scarce and high in price for another week or two when northern Florida starts shipping. A few greenhouse tomatoes are available.

There is still a good selection of apples from many producing areas. Prices are generally unchanged. Where available, lowest prices are likely on Winesap, Rome and Stayman varieties from Ohio storages.

CITRUS FRUIT EXCELLENT

It's not hard to pick a good grapefruit, whether you want the pink or the white. Prices are steady to somewhat lower, and quality is at a peak.

It's Valencia time—Florida's are in—exactly a month later than last season. Prices are higher than a year ago, and while they are dropping some, you'll likely pay a fairly high price all season for this favorite juice orange because the crop is short.

EMPHASIS ON EGGS

Eggs are in the "food news" at this time for several reasons. First, there's the seasonal upturn in production which makes retail supplies more plentiful. And the Lenten season creates special interest in eggs as a meat substitute. In addition, dried eggs have been added to the list of surplus foods for distribution to needy families.

March is also National Egg Month—a time when the egg industry gives special promotion to its product. Seasonal decline in egg prices has started.

Feathered Friends Arriving Among First Hints Of Spring

INSIDE ON THE Outdoors By ROD COCHRAN

As the warming days of March loosen winter's hold upon the land, there is a stirring among all wildlife.

Mammals rouse from hibernation and myriads of newly-hatched insects fill the air. From the southern tip of South America northward, birds are on the move winging their way toward favorite nesting grounds. In their flight north, numerous species will pause to rest and feed about lawns and gardens in central Ohio, and some will be content to stay and nest if they can find the three essentials for their survival — cover, food and water.

Most birds travel at night, reserving the daylight hours to replenish their energy. Leading the northbound migrants is the male red-winged blackbird, which arrived in this area about a month ago. The females followed in approximately two weeks, and now the large flocks are disbanding as pairs of redwings seek and defend a favorite nesting site.

East of the Appalachian Mountains and northward through New England, redwings still favor the cattails, reeds, low shrubs and sturdy weeds surrounding ponds, marshes and swamps as their favorite nesting habitat. Here in Ohio, where there are many more redwings than in eastern states, the species nests abundantly in hayfields, pasturelands and along roadside borders. In some areas, usually north of Columbus, redwings are so numerous that they cause considerable damage in corn fields.

The first song of the robin and the first careling of the bluebird are often looked upon as true sign of spring. Both species are largely migratory. While a number of robins and bluebirds usually spend the winter in these parts, they shift northward about the beginning of March. The birds we see nesting in the spring, have spent the winter to the south of us.

Bluebirds Nesting Now

Bluebirds often start their first nest building along about now, so boxes intended for their use should be cleaned and ready for occupancy by Mar. 1. Robins, too, will nest early — even before the first leaves appear, if they can find a dense evergreen affording protection.

The phoebe is an early arrival — the first of the flycatcher family. Its movements northward coincide with the early hatching of spring insects — look for it to arrive in about a week. Building a nest of moss, the phoebe finds its natural home along ledges, cliffs and overhanging stream banks. Man-made devices, such as bridges and porches are now favorite nesting sites.

Our largest sparrow, the large, rusty-colored fox sparrow, is also an early migrant. Fair weather toward the end of February will mark the arrival of this bird. A sudden snow storm will bring them to feeding stations — a real treat for bird watchers.

March is the time when the cry of the first killdeer is split the sky in their long, heard high overhead, the time flights to the north country. I of grackles, meadowlarks and is a time, too, when man shakes field sparrows. It is the time himself of winter and prepares when the first wood ducks are for spring.

Heart Council Meets

The executive board of the Franklin County Heart Council will meet for lunch and meeting at the Gloria Restaurant, Mar. 16, at 12:30 p.m.

Trott-A-Rama Custom Cars Exhibit Slated

Fourth annual Trott-A-Rama, a competitive exhibition of specially designed and built cars, will be held at the Youth Center, Ohio State Fairgrounds, Friday, Saturday and Sunday, Mar. 24, 25 and 26.

Show hours for the three-day event, sponsored by the Columbus Trotters Hot Rod Club, will be 6 p.m. to midnight on Friday, 11 a.m. to 12 p.m. Saturday and, on Sunday, 11 a.m. to 9 p.m.

Over 200 show cars from a 15-state area will participate in the National Hot Rod and Mid-Ohio Timing Associations sanctioned event.

Last year over 20,000 people viewed the show.

Technically, a hot rod is any vehicle which has been individually designed and built, or one that is remade or revamped for display purposes only.

The term "hot rod," popularly used to denote today's teenager's [illegible] up cars, is erroneous.

Hot [illegible] include sports cars, strip cars, pick-ups, customs, antiques, go-karts, cycles, racers, TQ's and motorcycles.

Seldom seen on the streets, many boast such special features as TV, running hot and cold water, cooking stoves, fur-lined interiors and exteriors, jet engines, tailored trunks, hand-tailored leather upholstery and numerous other unique features.

One car boasts a safety measure not yet seen in its commercial counterpart — a collapsible middle. Upon impact the car compresses like an accordian and then readjusts to contour.

Many of these hobby cars are valued and insured for as much as $100,000. They are the polished products of the mechanically-minded of all ages from 15 to 75, hobbyists who run the gamut from school boys to clerics.

Among highlights of the exhibition will be the continuous showing of the world's greatest auto races. Films of Le Mans, Grand Prix, Daytona and many others will be shown.

Tickets may be purchased at the door and will not be sold in advance. Uniformed Scouts and Campfire members will be admitted free as will children under 12 accompanied by an adult.

Accommodations for those wishing to stay for the entire three-day show are available at the Youth Center Dormitories.

Those from Hartley Newspapers area competing in the exhibition include Phil Mahoney, 321 Brinker-av; James F. Nichles, 90 Cullman-rd; Donne Seller, 48 Lenox-av, Hilliards.

Dana Georges, 111 Sadler-dr, Whitehall; Bruce Bertens, 893 Miller-av; and W. O. Timmens, 33 Vernon-rd.

By Hilltop YMCA Staff

The Hilltop Y's Men's Club has just released plans for its annual Bunny Hunt.

This special program, for boys and girls who are members of the Hilltop YMCA and are nine years old or younger, will be held Saturday, Mar. 25, at 8:30 a.m. at the Hilltop YMCA. Areas will be set aside for those under six years of age, those six and seven, and for the eight and nine year olds.

Four prizes will be competed for in each age group. All hunters must get a license which will be available at the "Y" after today. Licenses are free this year but only a limited number are available so all boys and girls should apply soon.

Tuesday, Mar. 21, will be the kickoff date for the sale of Jet Badges. Any youth member of the Hilltop "Y" may participate. Awards will be given for outstanding sales efforts. Badges may be purchased by anyone in the 11th grade and under. A badge holder may attend most of the home games of the Columbus Jets when accompanied by an adult.

Mark Winchell of the West Jr. Hi-Y Club placed third in the city-wide Jr. Hi-Y Bible Story Telling Contest held at the Central YMCA. Jerry Doellinger of the Hilltonia Jr. Hi-Y Club also participated.

A Model Car show sponsored by the Esquires Auto Club of the Hilltop YMCA, will be held Monday, Mar. 20, at 7 p.m. at the "Y.". Entries are still being accepted at the "Y." A special program has been planned.

The next junior high dance will be held Friday, Mar. 17, at the "Y" from 7:30 to 10 p.m. These dances are free to members of the Hilltop YMCA or YWCA. There is a fee of 50 cents for non-members. YM and YW staffs will supervise.

The annual Indian Guide Match Box Derby will be held Sunday, Mar. 19, at 2 p.m. at the Central YMCA. Parents and friends are invited. Awards will be presented in two age groups and for the best-decorated racers.

School Seeks Police Help On Problem

School officials of the Hilltonia Junior High School have asked police to enforce jaywalking laws in an attempt to curb the present children-in-the-street problem.

The problem is this: There are no sidewalks for students to walk on while going to or coming from school. Last spring, according to Principal Mack Pemberton, sidewalks were installed in front of the school in hopes that others would take the hint and put walks along the rest of Mound-st. So far, there have been no results.

"Tickets issued for jaywalking may be the answer," Pemberton said. "These tickets are $5 apiece and if enough of them are issued, perhaps parents will begin to put pressure on their children to stay out of the streets."

"Until such time," he continued, "we have a dangerous situation on our hands."

Four Students Found To Have Tuberculosis

Four positive reactors to the Tuberculosis Society's TB skin tests have been found in West Side schools, one each at Sullivant and Bellows-av, and two at Dana Avenue School.

A total of 17 reactors was found in the 20 Columbus public schools, whose testing was completed Mar. 3.

Positive reactions to the needle-type tuberculin tests indicate the presence of tuberculosis germs in the body but do not necessarily indicate active TB.

All close contacts of reactors are being examined for possible TB. Contacts under age 15 are being tuberculin tested and adults chest x-rayed to track down the source of infection.

Mrs. America Contest Begins; Entry Blanks Available Locally

Columbus area homemakers were invited today to enter the 33rd annual "Mrs. America" contest, which will be held in the fall, instead of the spring, this year. The contest is sponsored locally by the Ohio Fuel Gas Co.

Wilbur T. Collins, Central District manager for Ohio Fuel said official entry blanks for the contest are available now at the local gas company office, 109 N. Front-st.

They will be accepted through Sept. 30, he said.

The contest is open again this year to all married women over 21 years of age. Prizes for the contest in Ohio will total more than $10,000.

Collins said the contest in Ohio was scheduled in the fall this year after it was learned that the national "Mrs. America" finals had been set for Nov. 27 in Fort Lauderdale, Fla. In the past the national finals have been held early in June.

The "Mrs. America" contest is held annually to find the nation is top romemaker. Contestants are judged on homemaking ability, appearance, personality and poise, character, grooming, and community activities.

Last year, Mrs. John Westfall, RFD 1, North Lewisburg, Central District winner advanced to the state finals in Columbus.

Women's organizations are urged to sponsor contestants, Collins said.

Cash prizes will be awarded an organization if it sponsors a winning homemaker, as follows: $25 for local winner; $50 more for division winner; $100 more for district winner; $200 more for state winner; and $500 more for national winner.

As in past years, winners will be chosen at local, division, district, and state levels.

The winner of the Central District contest will win an automatic gas range with thermostatically controlled top burners, worth approximately $___.

District contest winners will compete for the "Mrs. Ohio" title at the state finals.

The woman named "Mrs. Ohio" will win an expense-paid two-week trip for herself and her husband to the national "Mrs. America" finals in Fort Lauderdale.

Central Point Shopping Center Preparing For Spring, And Easter

All 37 of the stores and services comprising the Central Point Shopping Center, W. Mound-st, at Central-av, are preening themselves to welcome that first feel of "Spring in the air," and to make ready for an exceptionally early Easter, Apr. 2, according to Sam Grossman, president of Central Point Business Association.

"For weeks past they have gone in to the wholesale marts selecting spring and Easter merchandise which will appeal to every taste and every pocketbook. As a result all Central Point shops are bulging with new styles, new creations, new everything," he said.

Stores are geared to the apparel market —clothes, shoes and accessories—for the entire family. Easter gifts are available in abundance. Super and farm markets present an array of quality meats, spring-fresh fruits, vegetables and groceries — and that indispensible ham for the Easter menu.

"The early gardener," Grossman added, "will delight in the wide selection of tools, seeds, fertilizers — anything he can possibly want to further his spring out-of-doors activities. One store caters exclusively to the sportsman, toys, hobby supplies, hardware, confections, drugs, record variety goods, paints and papers all are found in wide selections. Milady may be prettied at a beauty salon. For "his nibs" there's a barbershop, and for the winter-weary wardrobe, a cleaner.

"To round this all off are a bank, post office, insurance, savings and loan, and State store. Combined with ample free parking, four dining places, weather-protected canopies, background music and friendly salespeople, and you have, indeed, a 'Shopper's City'."

The Easter Bunny, with her playmates, on a float will "arrive" at Central Point at 12 noon, Saturday, Mar. 25. She'll dispense candy from then until Easter.

On Friday and Saturday, Mar. 24 and 25, the merchants of Central Point will again stage an "Easter Ham Give-Away." No purchases are necessary. Entry blanks will be in all stores, for the ham drawings — — one each hour on those days.

Boat Owners Urged To Get Fuel From Licensed Dealers

All boat owners again have been urged to purchase their fuel only from licensed marine dealers and to inform station operators and attendants that it is for use of a pleasure craft. This request was made by members of the Waterways Safety Commission at their quarterly meeting.

In order that the seven-cents-a-gallon state tax may be used for boating improvements, it is necessary that the money be returned to the credit of the Waterways Safety Fund.

Under an amended law, the tax will be collected at the same rate as that imposed upon fuel used in motor vehicles and credited to the fund by the Division of Sales Excise and Highway Taxes. By law, this Waterways Safety Fund must be expended for refuge and small boat harbor facilities for watercraft operated upon the waters of the state.

Boats from which this fuel tax will be collected include all of those using motors for main and auxiliary power, except those used entirely for commercial purposes or which are engaged in an activity constituting the owner's chief means of livelihood.

Henry J. Watterson, Rocky River, acting commission chairman, emphasized that if boat owners do not specify that their fuel is for pleasure craft, the tax money will be channeled into the State Department of Highway Funds and used for roads.

SPORTS of SORTS

Compiled By Bob Wilcox

Since the West-Linden McKinley game, that saw the departure of the Cowboys from the basketball scene for another season, is old stuff, we'll not indulge in a game writeup but merely some statistics, a few comments and the box score for those who save those things.

Short and to the point, the Cowboys can claim that they were beaten out only by the best in the district as the Panthers went on to take the district title and move into this weekend's regionals at the Fairground Coliseum.

West led all the way, except at the end, where it counts. They held quarter leads of 22-19 at halftime, it was all tied up at 36-36 at the end of the first period and 39-39 at the third quarter mark.

West, after the first quarter, wasn't "touched" again until, with about three minutes to go in the third quarter, Linden again tied things up at 35-35. At 5:37 of the final stanza Linden again tied it at 42-42. The Panthers then went ahead and stayed there. In the third quarter they had taken a brief 38-37 lead but lost it again as Terry Barnett put in a beaut from the right side as the buzzer went off.

It was one of those games that might be called a moral victory for the Cowboys. All things considered, they deserved the win but just couldn't muster enough of what it took in the dying moments. Unlike some anticipated, they never really cracked under the pressure and there's something different about a tourney game over a regular season game that needs experience.

The Broncos certainly have nothing to be ashamed of. It just boiled down to a shame that they couldn't hold on for a few minutes longer.

The story of West's downfall and Linden's "sneak through" can be summed up in two words —foul shooting.

While the two squads stayed fairly even in foul line production in the first half (West 8-13, Linden 7-10), the tide swayed extremely to the Panthers in the second half as they capitalized and won the game at the charity strip, hitting on 20-24 to West's 7-16!

Linden lost no one via personals but West lost three big ones, by size as well as importance. Ron McDaniel departed in the third quarter and John Crum and Dwight Newman in the final stanza. This hurt West's rebounding as well as scoring.

The statistics: Field goals, West 17-47-36%, Linden 13-46-27%; foul shots, West 15-20-82%, Linden 27-34-79%; turnovers, West 17, Linden 14; rebounds, West 39, Linden 32.

Newman and Lew Coles, each with 11, and Crum with 10 were high point men for West. But all in all it certainly shows what West High fans can anticipate in the old cry "wait'll next year", if the young Broncos continue their tourney pace and desire into next year.

WEST: McDaniel 2-0-6, Crum 2-6-10, Newman 5-1-11, Castle 3-3-9, Barnett 1-2-4, Coles 4-3-11. Totals: 18-15-51.

LINDEN: Bates 2-8-12, Clark 1-0-2, Kent 2-6-12, Martin 2-0-4, Bowman 4-4-12, Strapp 0-2-2, Armentrout 2-5-9, Burke 0-2-2, Hunter 1-0-2. Totals: 15-27-57.

West's Charlie Castle had one of the coldest nights of his young career and shot after shot refused to go in—even the close-in ones. There's no doubt that the Broncos outscrapped Linden but sometimes that just isn't enough. West committed seven personals in the first half and got socked for 16 the second, compared to Linden's 9-9 mark. Thus West committed 23 to Linden's 18.

• • •

Correction Department: In referring to one of the West reserve basketball lads who did a fine job in the later stages of the past season, this reporter erroneously referred to him as Ray Lucas. My apologies — it's John Lucas.

• • •

Jet Jots: Over the past winter I have received, from time to time, notes from the Columbus Jets public relations chief, Charlie Westlake. Due to the crammed space with all the school winter sports, we haven't been able to use much of them. However, baseball is right around the corner, so in the next couple of weeks we'll try to bring you up to date on them before they start hitting us with trades.

Robert W. Heffner of Nationwide Insurance is the 1961 ticket drive chairman. A color 43-minute movie of the Pittsburgh Pirates triumph in last fall's World Series can be obtained for a fee by calling the Jets' office at CA. 4-1175. Projector, projectionist and screen will be furnished. The Jets have a 12-game exhibition schedule set up this spring in Florida. Reporting for spring training on Sunday, Mar. 19, their first exhibition is set for Mar. 28. They meet Toronto, Seattle, Rochester, Salt Lake City, and open their 1961 regular season at home on Apr. 18 against Buffalo. Jan. 6 marked the sixth birthday of the Columbus Jets.

Eleven men put up $10,000 each in 1955 to purchase the Ottawa franchise of the International loop and buy the present stadium from St. Louis Cards. In personnel switches, hoping to plug up their 1960 catching weakness, the Jets got long-ball backstop Don Leppert from Dallas-Ft. Worth for outfielder Tom Burgess. It will be a struggle between him and holdovers Roberto Herrera and Chuck Brockell for the starting nod behind the plate. Arnold (Bo) Griffin and Ollie F. Oelgoetz were recently appointed to the Jets board of directors. Pitcher Hugh Pepper was sold outright to Dallas-Ft. Worth. Another hurler, Paul Giel, was sold to the new Minneapolis Twins club in the American League. The parent Pittsburgh Pirates will play the Jets in an exhibition clash at Jet Stadium on Thursday, Apr. 27, 8 p.m.

GAA Tourney To Be Held In West Gym

Tonight, Wednesday, Mar. 15, at 7 p.m., the West High School Girls Athletic Association will hold its annual girls basketball tournament in the West High gym. There were two inter-school games. The first one will be between the All-Stars, a team composed of six Juniors and six Seniors, and the Sophomores. The second game will be between the Juniors and the Seniors.

This is a much awaited event at West. It started in January, with all the girls who wisher to try-out for class team, attending weekly intramurals. In the latter part of February, try-outs were held, with the boys' gym teachers judging. Each team is composed of six forwards and six guards.

The teams select their own colors and theme. The colors and themes for this year are: the Seniors, lavender and white, the Southern Belles; the Juniors, pink and white, the Junior Artists; the Sophomores, mint green and white; the Mountaineers; the All-Stars, blue and white, the Shooting Stars.

Tickets may still be purchased from any team member, or at the door, for 50 cents. This is a chance for a lot of fun and excitement, so be sure not to miss out on it.

Sports Policy

The following policy concerning sports stories in all seven Hartley newspapers will go into effect immediately. Stories and pictures submitted by mail must arrive at the offices at 2665 W. Broad-st, Columbus, in the Monday morning mail. Articles and pictures dropped off in person must arrive not later than 9 a.m. Mondays. These deadlines will be extended one day for the Eastern Review only. Sports correspondents, team managers and coaches, sending in sports items, are asked to observe the deadlines to be certain stories will appear in the papers that week. Stories arriving late will be published if at all possible but may be cut as space is filled.

Regular Loop Play Ends At Sunshine

Basketball action this week at Sunshine saw the Eagles behind Bob Gillisupt and Paul Lewis, close out on undefeated season with a 6-0 record. The championship in the intermediate league will not be decided until next week when the regular season ends. But if form continues the Red Bandits and Night Riders will be battling it out in a play off game.

Sullivant Gardens won the Sunshine senior league, defeating the Jayhawkers 63 to 59. Bob Revels led all scorers with 38 points. Bobby Johnson hit for 29 in the losing Jayhawkers efforts.

The basketball teams from the junior, intermediate, and senior divisions all played in the city recreation departments annual City Championships. Although they failed to win a game all gave good accounts of themselves. The Juniors were defeated by Poindexter 35 to 17, but were in the game until the closing minutes when Poindexter stole the ball several times for scores.

The intermediates suffered an overtime defeat to Schiller Park 49 to 47 after leading by 10 points late in the third period. Schiller finally tied up the score and in the overtime period made every shot to sew up the victory. Tony Pastal and Dick Kettell was outstanding for Sunshine.

The Seniors lost this week to 12th Avenue in the city tournament 59 to 56. Don Renton, Bobby Johnson, and Gibson Hayes, were outstanding for Sunshine in a game that saw 11th Avenue score twice in the last minute to win the victory.

The boys Recreation Club comes to a close this week. Andrew Hughes won the high jump contest 5 of the 7 weeks.

Anyone interested in playing volleyball is invited to talk to Dave Daniels.

Others Metros Discussed

Other Metros taken up the the local council sessions included:

West Side—problems of autos "abandoned" at curbs for long periods preventing proper street cleaning; insufficient use of West Side Day Care Center (a public relations program was suggested); street lights requested under expressway crossovers; crackdown on youngsters who break bottles in streets; intensified Good Friday closing among stores; installation of vending machine at Gladden House to finance council's postage bill. The next public meeting will be held May 11.

Hilltop—stressed dire need of sidewalks where children are now walking to school in the streets; more traffic lights; youth discipline in places of entertainment.

A HAPPY HABIT of West High art students is the winning of first place awards in the annual cover design contest for the Festival of Music. Daniel Hunyady, 1961 winner, credits his teacher, Richard Teichert for "making the work enjoyable and teaching us to be original." Teichert said his students win "because of their hard work and talent."

West High Art Student Wins Cover Competition

For the third consecutive year, a student from West High was first-place winner in the annual Festival of Music cover design contest.

Daniel Hunyady, 673 Chestershire-rd, entered the top design in this year's competition.

Under the guidance of Richard Teichert, art instructor at West for the past 12 years, the coveted prize was won last year by Judy Henry and, in 1959, by Suzanne Lucas, now studying art at Ohio University.

All high school students in Columbus Schools are invited to enter.

Some 3000 students will participate in the 25th annual festival of Music Firday, Apr. 7, 8 p.m. at St. John Arena.

Production numbers are under the general direction of Kenneth Keller, director of music for Columbus Public Schools.

The festival is sponsored by the Columbus Council of PTA and proceeds support the student aid fund, scholarship fund and maintain services to PTAs.

Tickets at 50 cents each may be purchased at any school or at the door.

Kettell Heads Central High Booster Club

Central High School Booster Club, now in its first full year of operation, elected new officers at its meeting Mar. 7.

Richard Kettell, 267 Dakota-av, will serve as president during the 1961-62 school year; Mrs. Roberta Wilson, 178 Dana-av, vice president; Mrs. Jack McGee, 485 Mt. Vernon-av, secretary, and Mrs. John Sykes, 63 Dana-av, treasurer.

The club also voted assistance to two of the school's departments and decided to fence in the football field.

An electric drill will be presented to the industrial arts department and material to be used as teaching aids will be provided for the biology department.

A fence surrounding the football field was planned to keep the ground in the best possible condition.

Robert McGuire, president of the PTA, appointed a committee composed of Mrs. Albert Distelhorst, Mrs. Leland Martin and Fred Deem to buy a gift for the school.

The PTA has between $100 and $150 to be used for a gift which will benefit the school-wide educational program.

SOCIETY WANTS SIGNS

History Abounds Here, Service Clubs Are Told

This is the year to do something about permanently marking some historical sites here that should not be overlooked, members of two local Kiwanis clubs were told last Thursday.

Dan Prugh, director, and Gilbert Dodds, research director of the Franklin County Historical Society, urged the erection of of special signs pointing out: 1. The location of Camp Chase (Civil War prisoner of war stockade). 2. Route of the Cumberland Road (first name for Route 40 which was the way West for settlers). 3. Four-Mile House, former hostelry near Powell and Broad, which was a famous inn before and during the Civil War.

Dodds said the 100th anniversary of the founding of Camp Chase, May 26 and 27, would be an appropriate time to start a drive to mark the sites. He and Prugh displayed cast aluminum signs, about four-feet square, which the society would like to order, if given local sponsorship. The signs cost between $200 and $250 apiece and are similar to one at W. Town-st and Civic Center-dr. and also at Clintonville.

In a review of local history, Dodds gave other interesting bitso r research. He said the Cumberland road ended at the Scioto River until the federal government and private citizens [illegible] built the first Broad-st bridge in 1834.

He noted that several of the old milestones are still to be found on the National Road. One is at Engine House No. 17, Wheatland and Broad-st and another has been permanently sealed at the entrance of Nationwide Inn, he said.

There has been a post office in continous operation at Harris and W. Broad-st since 1861, Dodds related. The station first was set up for soldier mail at Camp Chase. The historian also surmised that 97 S. Hague-av is the site of an office where Union soldiers were discharged from service.

Dodds showed copies of a new pamphlet on Camp Chase which he has just authorized. The society's offices are at 280 E. Broad-st.

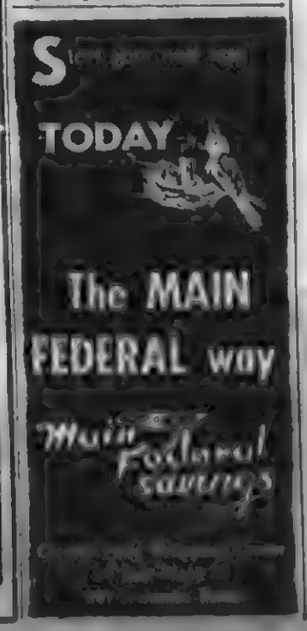
Long-Billed Game Bird Back

Woodcock have arrived back in Ohio, according to Phil McGinnis, Division of Wildlife employe. He was working on the Tranquility Wildlife Area on Feb. 28 when he flushed six woodcock.



The following day he flushed two more of the long-billed game birds.

Woodcock normally return early to nest. Even now the males are performing their flight song at dusk and dawn.

Game men census the birds during the time they are giving this courtship performance to get an index on the trend of breeding populations.

WE AGREE

The London Daily Mirror quoted a tycoon as saying: "I collect gold bars. They don't burn, and if you keep them in a safe they don't wear a hole in your pocket like money."

Unitarian Church To Occupy New Building Sunday

Members of the First Unitarian Church of Columbus will attend first services in their new and uniquely modern building Sunday, Mar. 19.

Located at 99 W. Weisheimer-rd, in the Beechwold section, the new indoors-outdoors plant of brick and glass will serve a congregation that lives from Delaware to Chillicothe, from Newark to New Rome.

For 15 years, worship and church school quarters for the First Unitarian Church have been in an old house at 175 W. 11th-av, with an added concrete block building at the rear.

Pastor of the church is Rev. John Evans, 45 W. Weisheimer-av.

SOUNDS PLAUSIBLE

The National Press Club in Washington, D.C., posted the following notice: "John F. Kennedy, a former newspaperman now in politics, has been approved for membership."

This fellow next door has had 50 pounds of muscle-building equipment mailed to him every week for the past year. We haven't noticed much of a change in our neighbor, but we now have the world's most perfectly developed mailman.

DON'T LOOK IF YOU
CAN'T STAND THE SIGHT
OF COURAGE

Therapy can hurt, but she's game. Determined not to stay a cripple. Therapy also costs—more than any child can pay. But people have got to help people, and she's got the guts if you've got the cash. Put your money where your heart is. Fight with her—against crippling. Give to Easter Seals.

Easter Seals are easy to get and fun for your children to use at Eastertime. We have your name; we'll send your seals early in March. You can return your contribution in the self-addressed envelope that accompanies them. (If we should miss you in our Easter Seal appeal, please call us. We're listed under "Easter Seal Society" in most metropolitan phone books. Otherwise, write to "Crippled Children", care of your local post office.)

The Easter Seals you use enable the Easter Seal Society, through its many clinics and centers, to help people fight against these disorders—crippling accidents, poliomyelitis, cerebral palsy, multiple sclerosis, muscular dystrophy, arthritis, birth deformities, speech defects and many others.

remember how great Radio used to sound?

WRFD STILL DOES!

Remember the great music radio used to bring you . . . all the big bands and all the star vocalists, playing and singing easy-to-listen-to music. WRFD still does, in sparkling new arrangements and recordings.

Remember, too, the great newscasters . . . the men and women who gave you all the news . . . when it happened. The news you could depend on, whether it was an announcement of the end of a war, or what was going on at City Hall. This is the kind of news service WRFD still brings you. News of Columbus people and their activities, State Capital news from their studio just off Broad and High. National and world news from the many WRFD correspondents on the scene where news is made. WRFD newsmen are full-time specialists. WRFD News is accurate, dependable, complete.

We would like to have you meet some of the people at WRFD who are continuing great radio in Columbus.

Bill Arthurs

Bill Arthurs is the WRFD News Director. Bill's intensive travels have given him a wider insight into the background of world news. He has visited England, France, Belgium, the Netherlands, Jordan, Lebanon, Turkey, and Egypt. Because he is an important news representative of Columbus, he is often invited to observe air, sea, and land military exercises. Bill Arthurs is Columbus' only radio member of the Radio and Television News Directors' Association.

Dave Collins

Dave Collins is WRFD's Afternoon News Editor. Travels throughout western and central Europe, including Germany, France, Luxembourg, and Belgium have given Dave his background for understanding those news reports he receives each day. On the local scene, Dave is well known, both for his news broadcasts and for his coverage of sports events, including Ohio State University football games.

Bill Hamilton

Bill Hamilton is WRFD's Saturday News Editor. Bill edits and broadcasts all Saturday newscasts after 8:00 A.M. As with all of WRFD's news programs, Bill's originates from the State Capital Newsroom, just off Broad and High. The Saturday news programs are backed up with all of the news gathering facilities of WRFD.

Marianne Tomlinson

Each day at 10:30 Marianne covers the modern feminine world from every angle . . . fashion, interviews, decorating, and menu and party planning. Marianne has become a popular addition to the program of any club meeting. Drop her a card if you'd like to have Marianne talk to your group. She likes to, and you'll like having her. Marianne lives in Worthington with her husband, Bob, and their two teen-age daughters.

Johnny Martin

Johnny Martin's "Sundial" Show is a delightful combination of good music, light humor, and start-the-day-right information features that painlessly pries open your sleepy eyes every morning from 7:35 to 10:30 A.M., Monday through Friday. Johnny's unusual "Smile Drivers Club" is the headquarters for entertainment and road information for Columbus drivers. Write Johnny Martin at WRFD for your membership card and car window decal.

Al Riggs

Al Riggs brings you music from the years 1915 to 1950 every day at 11:15 A.M. on his "Memories in Music." Here in high fidelity is all the great popular music from these wonderful years of music at its best. Let Al know what songs you would like to hear. He wants to play all your favorites.

Bill Collins

Variety is the spice of life and the programming ingredient for WRFD's unique musical spectacular, "The PM Show," heard Monday through Friday at 1:15 to 5:00 P.M. Soft-spoken Bill Collins is the host. He combines warmth, intelligence, and timeliness with a dash of whimsy to give you a thoroughly enjoyable listening experience. Bill's "PM Show" has that wonderful ingredient — continuity — for a well-planned program that takes the place of the hap-hazard playing of records from the "top forty." "The PM Show" is designed for your best entertainment.

Ken Keller

Ken Keller's two shows complete the WRFD daily program of great radio music. His first show is "Music for Motion" at 5:15 to 5:45 P.M. This is music for the bumper-to-bumper shift of so many drivers on their way home. It has also become a listening habit with the family at home as it prepares for dinner. Ken is also your host for "Lamplighter" beginning at 6:00 P.M., a program of music selected to provide a pleasant transition from daylight till dark.

You can win one of five transistor radios! Remember how great radio used to sound? Send us a letter telling us in 100 words or less, how you think WRFD is still bringing you great radio programming. We will award five transistor radios to the writers of the five best letters. Judges' decisions are final. All entries become the property of WRFD. Contest closes Saturday midnight, March 25, 1961. Send your entries to

WRFD Holds Distinguished Spot After 14 Years On Airwaves

WRFD radio is one of the six radio and television stations operated by the Peoples Broadcasting Corporation, a wholly-owned subsidiary of the Nationwide Insurance Co.

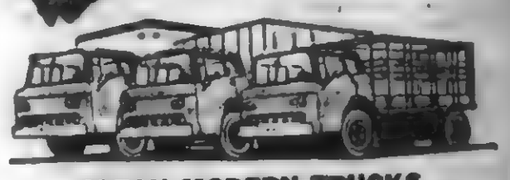
Since its inception, WRFD has always been an independent station and creates all its own programs designed to meet the needs of various segments of the listening audience within its coverage area. WRFD's music policy is described as one of variety with the station always attempting to respect the intelligence of its listeners with this diversified schedule: Johnny Martin's "Sundial," 7:40-10:30 a.m. daily; Al Rigg's "Memories in Music," 11:15 to 11:30 a.m. daily; Bill Collin's "The PM Show," 1:15 to 5 p.m. daily; Ken Keller's "Music For Motion" 5:15 to 5:45 p.m. daily; Ken Keller's "Lamplighter", 6 to 8 p.m. daily.

WRFD states a belief in balanced programming directed to the music listener, the sports fan, the news-conscious listener and the farmer. WRFD also presents occasional documentary programs concerning world events.

Firmly established contacts assure WRFD listeners of complete national, local and regional news coverage. At the head of WRFD's news department is Bill Arthurs. Dave Collins is afternoon news editor and Bill Hamilton is Saturday news editor. Arthurs and Collins have traveled extensively throughout many foreign countries, giving them a strong insight into the background of world news.

The ladies around WRFD "listening land", look forward to the daily radio visits with Marianne Tomlinson, heard every morning at 10:30 a.m. Marianne visits many area women's groups in person throughout the year.

WRFD expects its new WRFD-FM station to be on the air about May 1. The FM station will operate on a frequency of 97.9 megacycles with an effective radiated power of 186,000 watts from the tallest FM antenna in Central Ohio. Programming will continue to be of the type that is now well received daily in thousands of Ohio homes. WRFD-FM will operate from 6 a.m. to 1 a.m. daily.



WRFD-AM is licensed to operate from local sunrise to sunset hours with a power of 5,000 watts on a clear channel frequency of 980 kc. The station's primary coverage area reaching 72 of the 88 Ohio counties. There is actually secondary coverage reaching into Pennsylvania, West Virginia, Kentucky, Indiana and Michigan, station officials said.

THE WRFD STUDIO today is rated one of the finest and best equipped in the Midwest. The building, of Williamsburg architecture, is located on Rt. 23, five miles north of Worthington. This familiar structure has been visited by many an Ohioan as well as people from out of the state and out of country.

IDLE HOUR GUIDE

Network Radio Choir To Be Here Channels 10, 34 To Co-op Ideas

By Stan Robinson

WBNS-TV will exchange programs and talent with WOSU-TV in an unusual co-operative television venture.

John Haidi, Channel 10 program director, stated that to the best of his knowledge this is the first instance that the supposedly unbridgeable gap between commercial and educational television has been spanned.

Robinson

"Play of The Week" will be the first Channel 10 program to be featured weekly on Channel 34 beginning in late March or early April. "University Hall," Channel 10, 7:30 a.m., is one of the first university programs to be on WBNS-TV.

Richard B. Hull, director of the Ohio State University Telecommunications Center, summed up the project: "The new co-operative association between WBNS-TV and the television broadcasting facilities of the university has great potential." Jean Hoover of "TV Kindergarten" will be among the first of Channel 10 talent staff to appear on 34.

One of America's top collegiate choirs which performs every week on the Mutual Network's "The Back to God Hour," will appear in a special concert at the Overbrook Presbyterian Church at 8 a.m. Tuesday, Mar. 28. Sponsored here by the Glentangy Christian Reformed Church, the 65-voice choir is composed of students at Calvin College in Grand Rapids.

"Sing Alonog With Mitch," will return to the NBC-TV net on a weekly basis starting Sept. 28, as part of the fall lineup. Mitch Miller's program of familiar, singable tunes, was first presented as a single broadcast on NBC-TV's "Ford Startime," in the spring of 1960. Public response was overwhelmingly favorable and the net promptly signed up the "Sing Along Gang" for a series of additional programs on the current alternating Friday night schedule on Channel 4.

The "Ingrid Bergman Special" presents "Twenty-Four Hours In a Woman's Life," starring Ingrid Bergman, Rip Torn, John Williams and others. The story to be seen Monday at 9 p.m. on 10, concerns a respectable English widow who falls in love with a young American in Monte Carlo and pays his gambling debts on the condition that he will give up gambling forever . . . also of interest will be the "Secret Life of James Thurber" with Orson Bean and Adolph Menjou on the June Allyson show Monday night at 10:30. Unable to concentrate in his suburban Connecticut home, a cartoonist opens an office in New York City . . .

Kippers at breakfast, bowlers at noon and Piccadilly circus at night are among the many customs of London that Jack Paar will re-live when he makes his second trip to England. Portions of four shows will be presented on tape, Mar. 21, through 24 on Channel 4. Peggy Cass will be the only "regular," accompanying the program to London to appear on the guest panel. A "best of Paar" program, taped from a previous show will be seen Monday night. Following the London originations, Paar and family will vacation in the Middle East.

NOTES OF INTEREST: Repeats of "Playhouse 90," productions are to serve as summer replacements for CBS-TV's "Red Skelton Show" and the "Gary Moore Show," probably to commence July 4 on Channel 10 . . . Bill Cullen fans take note: "Price Is Right' and "I've Got a Secret" now likely for Monday night time periods next fall.

The "Omnibus" presentation on NBC-TV, for Apr. 16, will examine the Monroe Doctrine and the current situation in Latin and South America . . . George Fenneman, announcer on the Groucho Marx show, will emcee the new game show on CBS-TV, "Surprise Package" seen on 10 . . . Because the United States and Mexico have elected new Presidents since last year, the repeat showing of that little league epic, "How Tall Is a Giant?" will have an undated narration by host Ernie Ford. It is slated for Channel 4 and NBS Thursday, Mar. 23.

Louis G. Cowan, creator of "The $64,000 Question" and former president of CBS-TV, will be named Dean of Brandeis University's newly-created school of communications . . . "Lucy on Broadway," a one-hour special that will be filmed on the spring is now set for CBS-TV Dec. 3 . . . Art Carney has signed for "Young At Heart," a one-hour salute-to-spring that will star singer Jane Powell, NBC-TV, Apr. 23.

Have you entered the "Spring Low" and "Spring High" contests being conducted on Channel 4, WLW-C? The deadline is Friday midnight (the 17th). Channel 4's weather shows in the morning at 7:25 and 10:25 Jack Davis host of 'Jack's house, daily at 9 a.m., have details.

Your 1961 Easter seal contribution is needed and will go a long way in buying equipment and services.

Bennie Collins, chairman of the Columbus Clean-Up Committee, will be guest speaker at the next luncheon meeting of the Hilltop Business Association, Tuesday, Mar. 21, at the Berry Restaurant. The program, which will include a movie, "Some Sore Spots on the Hilltop," is scheduled to begin at noon.

Main topic for the luncheon will be "A Cleaner Community," in an attempt to coordinate efforts for the city-wide clean-up program scheduled for the month of April.

Association members are asked to file reservations for the luncheon not later than Monday, Mar. 20.

Denver Hill Among Top In Ford Sales

Denver Hill of Beasley Ford Co., 750 W. Broad-st, has been selected as one of the nation's leading Ford dealership salesmen and will receive Ford Motor Company's Top Hatter Award at a banquet in Cleveland on Saturday, Mar. 18.

The citation is awarded to only one per cent—or 300—of the nation's Ford dealership salesmen and represents the highest sales honor accorded by Ford Division.

Five In Same Family Operate Sullivant-av Bond Cleaners

According to proprietor Mel Rinehart, service is a specialty at Bond Cleaners, 3080 Sullivant-av.

Soon after graduating with West High's first class in 1929, he opened Bond Cleaners. Since then the growing operation has had to be frequently expanded.

The plant, which now handles about 1500 garments every day as well as 2000 shirts, will soon expand its capacity by 50 per cent. In addition to this there will also be an adjacent automatic laundry.

Primarily a family operation, the modern two-year-old plant employs eight workers. Rinehart's family, now living at 446 Lawrence-st, will soon move to an apartment above the shop.

Since 1936 Bond Cleaners has offered complete cleaning service. Open weekdays from 7 a.m. to 8 p.m. and Saturday from 7 a.m. until 6 p.m., they offer one-day service at any time and one-hour service in emergencies. There is also an overnight service on shirts.

Free pick up and delivery are available as well as a drive-in window for the customer's convenience.

Besides Mel Rinehart and his wife, the family is further represented by his two brothers and sister-in-law, all of whom help to run the fast growing enterprise.

PREPARED TO ACCOMMODATE dry cleaning needs at Bond Cleaners is the Rinehart clan. From left: Mel Rinehart, wife Frances, brother Lawrence, sister-in-law Gloria, and brother Ralph.

BOARD OF TRADE EVENTS LISTED

West Side Board of Trade this week announced three important dates in its spring-summer agenda.

The Annual Banquet will be held Wednesday, Apr. 19 at Lincoln Lodge. Lou Berliner will be the speaker.

The board will ask city permission to hold the West Side Jubilee during the week of June 5-10 this year. The community celebration traditionally is held at Sunshine Park.

A golf-stag outing is planned June 19 at Walnut Hill Country Club, said Secretary Gene Roach.

WSBT directors will meet at the Roach home, 1213 Kenwick-rd, on Mar. 22.

Merchants Seek Lift Of Turn Ban

Merchants in the area of the Sandusky Freeway exit to Broad-st attended a meeting of the City Traffic Commission Tuesday afternoon with attorneys to protest the left-turn ban recently installed.

According to William Neno, traffic commission member, the ban was constructed in agreement with state and federal governments who devised the plan when the freeway was constructed.

"Because of this agreement," Neno said, "the Commission could not act immediately." The matter was postponed to Mar. [illegible]

The merchants maintained that the ban was hurting their business and offered various methods to help the situation.

Liquor Licenses Are Requested

Two area businesses recently applied for liquor permits from the Ohio Department of Liquor Control. They include:

Jane A. DePalma, 3578 W. Broad-st and Columbus M&S, Inc., 2329 Valleyview-dr.

DePalma filed for a 3.2 per cent beer (on-premises and carry-out), high-powered beer and wine (on-premises and carry-out) and restaurant — spirituous liquor and wine by-the-glass until 1 a.m. licenses.

Columbus M&S filed for a night club license to sell beer, wine and spirituous liquor by-the-glass until 2:30 a.m.

It's Macaroni Name Tags At Sunshine

The pre-teens at Sunshine Recreation Center enjoyed making name tags from tree bark and macaroni. They were painted and then shellacked. Balloon sculpture was another popular activity with the pre-teens.

The teenagers made collages, using cereal and vegetables and finished making copper ashtrays. The arts and crafts room will be open to teenagers every Tuesday and fourth Wednesday from 8 to 10 p.m.

Little Theatre To Present High Ground

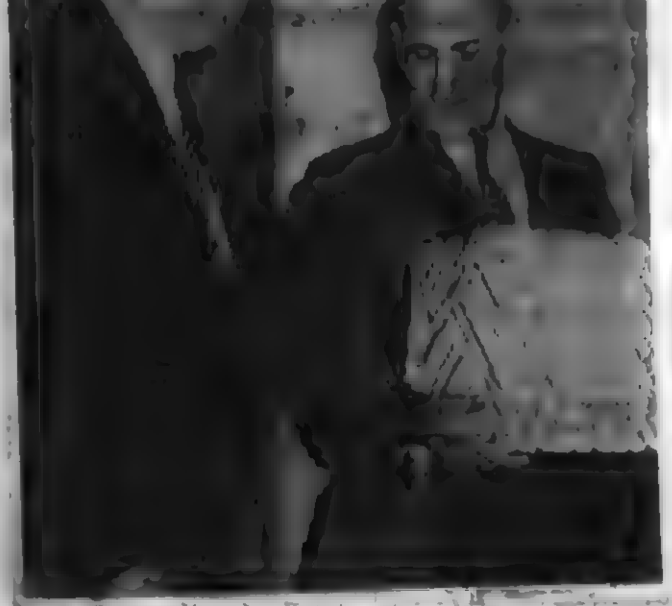
Village Little Theatre will present "High Ground" as its second major production of the season, Friday and Saturday, Mar. 17 and 18, 8:30 p.m. in the Parish Hall of First Community Church, 1320 Cambridge-blvd.

Members of the cast are Gloria Dougherty, Jip Ward, Jeanne Dorr, Jud Lord, Charlene Will, Marilyn Gray, Wanda Smith, Bob Sweinsberger, Betty Sherer, Ann Burkart and Bob Smith.

Bud Lane is director.

Tickets may be purchased at the door or from any member of the club.

Village Little Theatre will hold its traditional reception after the presentation.



Parking Areas Are Purchased

Purchase of two properties at 39-41 and 43-45 E. Long-st by the Buckeye Federal Savings and Loan Association, has been announced by C. C. Guthrie, president.

Acquisition of the properties has been made to provide additional land for auto parking by tenants in the building, customers and for a drive-in office.

Two properties, now occupied by Koller Bros. and the Glick Furniture Co. annex, will be torn down after Jan. 1, 1962.

The drive-in office will be constructed on Elm-st, where it will be easily accessible from High, Third and Gay-sts.

TWO FROM AREA ARE HONORED BY JEFFREY

ANGUS H. ORR, left photo, of 182 S. Roys-av, and Glenn Sinclair, of 480 Salisbury-rd, in right photo, were two of eight recently retired Jeffrey employes honored by the manufacturing concern, Feb. 24. Orr holds a gift presented by M. E. Kelster, superintendent of the chain division. Sinclair is standing behind a gift presented by H. R. Warsmith, factory manager.

Local Kiwanis Speaking Prelims Slated At Prairie Norton School

Preliminaries of the annual 4-H Public Speaking Contest, sponsored by the West Franklin Kiwanis Club, have been scheduled for Apr. 13, 7:30 p.m., at the Prairie Norton School.

Announcement was made yesterday by Robert Hadsell and William Eltzroth, Kiwanis Club co-chairman of the event, that contestants may talk on some aspect of 4-H activity, Kiwanis Club activity, or good citizenship. Speeches are to be of not less than two minutes' duration and not more than five.

Eligibility is limited to members of any organized 4-H group who reside in West Franklin County (west of High-st and its north and south extensions).

The contest is divided into three divisions: Junior, 10 to 12 years; Intermediate, 13 to 15 years, and Senior, 16 to 20 years. No first place winner in the finals is permitted to enter in the same division in which he or she won in previous years. Scoring will be based on organization, presentation and content.

Entries may be sent to Robert Hadsell, 139 Sturbridge-rd, Columbus, and must be received by Apr. 10.

For all divisions in the preliminary contests, boys will compete and boys and girls against girls. The two highest scoring boys and two highest scoring girls in each division will be selected for the finals. All will be given participation certificates.

The finals in all divisions will be held at Hilliard High School on Apr. 27 and will follow a dinner for Kiwanians, guests, participants and their parents.

Winners of first place in each division in the finals will receive a scholarship to the county 4-H camp, a $25 Savings Bond and a trophy. Second, third and fourth place winners will be awarded a camp scholarship and a trophy. All will receive participation awards.

Hoge Pastor Preaches Series In Texas, Serves Legislature

HTR Hoge Pastor Preaches DP

Rev. Calvin W. Didier, minister of Hoge Memorial Presbyterian Church, 2930 W. Broad-st, is at Reese Air Force Base, Lubbock, Tex., this week, conducting a preaching mission under the sponsorship of the Chaplains Corps of the United States Air Force.

The red carpet was rolled out for Rev. Didier who was met at the airport last Thursday by the mayor of Lubbock, the base commander, and head of chaplains, at a welcoming committee to begin the series of meetings.

Rev. Didier will return to Columbus this week and will be in the pulpit at Hoge Memorial at both services next Sunday morning.

He will be formally installed as minister of Hoge Apr. 16.

Rev. Didier, has been traveling to Indianapolis each week, where he has been serving as joint state representative to the Indiana State Legislature, representing La Porte and Starke Counties.

During his service on the Legislature, which adjourned Mar. 7, he was voted by the Indianapolis Times as the "most surprising lawmaker, who won the plaudits of both parties for being conscientious."

The Didiers, who make their home at 281 S. Southampton-av, are parents of a new son, John Calvin Didier, born Mar. 5. They have four other children, Rochele, Charles, Camille and Ralph.

Rev. Frederick B. Clay invites the public to both services.

Play Casting In Progress At Heights

Members of the Junior class of Franklin Heights High School have chosen "The Night of January 16th" as their class play to be presented Friday and Saturday, Apr. 14 and 15.

The players who will take the various parts have been selected and rehearsals are well on the way, according to Mrs. Juanita Smith director.

Because so many junior girls tried out for parts in the play, two complete casts of girls have been named. Sharon Welch and Hermia Strasser were selected for the leading feminine role. Karen Andre, is defendant in the murder trial scene.

The principal male roles are those of the district attorney, played by Donald Bishop, and the defense attorney played by Jim Carr. Other members of the junior class will serve as witnesses during the trial or as court officials.

Twelve important members of the cast remain to be chosen, but they need no rehearsing and will not be selected until the night of the performance, Mrs. Smith said. They make up the jury.

Bible School Workshop Is Planned For Workers

All Vacation Bible School workers are invited to attend the annual VBS Workshop, to be held at the YMCA, 40 W. Long-st, Friday, Mar. 17, sponsored by the Christian Book and Gift Store, 179 S. High-st.

Sessions will be held at 1:30 and at 7:30 p.m. to enable everyone to attend. Admission is free.

Purpose of the workshop is to assist VBS workers in planning their program and to acquaint them with the new text-lesson course, "Living For Jesus."

Correlated supplies and visual aids to the lessons include pictures, stand-up scenes, flannelgraph figures and maps, as well as craft packs for beginner, primary and junior grades.

Workshop demonstration includes a color film, display of course handwork and creative activities, and a question and answer period.

The Christian Book and Gift Store, sponsor of the workshop, now has in stock the New Testament portion of the "New English Bible," translated into modern English from the original Greek.

Prof. C. H. Dodd of Oxford led a team of scholars from British universities in the 13-year project of translation. Another group is still at work on the Old Testament, which will appear in about six years.

Standard edition of the New Testament will sell for $4.95.

Will Construct New Church

First Baptist Church of Hilliard, Main at Norwich-st, is taking steps toward an ultimate goal of building a new church, according to an announcement made this week by the pastor, Rev. Charles R. Hurt.

The church will sell its present property, purchase land for a new building, secure temporary quarters for services and immediately begin working toward a new building.

Rev. Hurt said the church's need for more space and adequate facilities is the reason for the move.
